ABOUT EMERGING VISION, INC.

We are one of the leaders in the development and operation of franchised and company-owned retail optical stores. We, along with our franchisees, develop and operate retail optical stores principally under the trade names "Sterling Optical" and "Site for Sore Eyes," which we refer to as "Sterling Stores." We also operate VisionCare of California, a specialized health care maintenance organization licensed by the California Department of Corporations. VisionCare of California employs licensed optometrists who render services in offices located immediately adjacent to, or within, most Sterling Stores located in California.

Based upon our number of locations of company-owned and franchised stores, we are one of the largest chains of retail optical stores and the second largest chain of franchised optical stores in the United States. As of September 30, 2001, we had 210 Sterling Stores in operation, 33 of which were company-owned stores, including 7 stores managed by franchisees, and 170 of which were franchised stores. Currently, Sterling Stores are located in 26 States, the District of Columbia, Ontario, Canada and the U.S. Virgin Islands.

Most Sterling Stores offer eyecare products and services, including prescription and non-prescription eyeglasses, eyeglass frames, ophthalmic lenses, contact lenses, sunglasses and a broad range of related items. To the extent permitted by individual state regulations, most Sterling Stores employ or affiliate with an optometrist to provide professional eye examinations to the public, and we fill the prescriptions written by these employed or affiliated optometrists, as well as unaffiliated optometrists and ophthalmologists. Most Sterling Stores are able to offer same-day service because most stores have an inventory of ophthalmic and contact lenses, as well as on-site lab equipment for cutting and edging ophthalmic lenses to fit into eyeglass frames.

Although we entered into different businesses related to the eyecare industry over the past few years, we recently decided to concentrate all of our efforts on the retail optical business. We recently added several new members to our board of directors and several new senior executives, including a new chief executive officer who has extensive experience in the operation of retail optical businesses.

In connection with our decision to concentrate our efforts on our retail optical business, we recently ceased operating and have sold substantially all of the assets of Insight Laser Centers, Inc., which is a 66.65% owned subsidiary of ours and which previously specialized in the operation of laser vision correction centers offering refractive laser surgical procedures.

In 1998, we purchased substantially all of the assets of a full service ambulatory surgery center located in Garden City, New York; however, we sold these assets back to the owner of this facility on May 31, 2001.

In 2000, we began developing a web-based, optical portal business that was intended to focus on business-to-business opportunities. In support of this strategy, we completed a private placement of our securities from which we

Edgar Filing: EMERGING VISION INC - Form S-2

raised in excess of \$10 million. However, on March 28, 2001, we announced our board of directors' decision to discontinue further development of this business and have since disposed of substantially all of our assets related to this venture.

We were organized under the laws of the State of New York in January 1992, and we changed our name to "Emerging Vision, Inc." effective April 17, 2000. Our principal executive offices are located at 100 Quentin Roosevelt Boulevard, Garden City, New York 11530. Our telephone number is (516) 390-2100 and our fax number is (516) 390-2150.

RISK FACTORS

An investment in our common stock involves a number of very significant risks. Because of these risks, only persons able to bear the risk of and withstand the loss of their entire investment should invest in our common stock. Prospective investors should also consider the following before making an investment decision.

OUR COMMON STOCK WAS DELISTED FROM THE NASDAQ NATIONAL MARKET, WHICH MAKES IT MORE DIFFICULT FOR SHAREHOLDERS TO SELL SHARES OF OUR COMMON STOCK.

On August 24, 2001, The Nasdaq Stock Market terminated the listing of our common stock on The Nasdaq National Market as a result of our failure to maintain a minimum bid price for our common stock of \$1.00 per share. As a result, our common stock began trading on the OTC Bulletin Board on August 24, 2001. The OTC is generally considered a less efficient market than The Nasdaq National Market. Shareholders are likely to find it more difficult to trade our common stock on the OTC than on The Nasdaq National Market. In order for our common stock to resume trading on The Nasdaq National Market, we must satisfy all of Nasdaq's requirements for initial listing on The Nasdaq National Market, apply for listing and be accepted for listing by Nasdaq. We do not currently satisfy Nasdaq's initial listing requirements for either The Nasdaq National Market or The Nasdaq SmallCap Market and we are unable to determine whether we will ever be able to satisfy either of those initial listing requirements.

THE APPLICATION OF THE "PENNY STOCK RULES" COULD ADVERSELY AFFECT THE MARKET PRICE OF OUR COMMON STOCK.

On February 11, 2002, the last reported sales price of our common stock was \$0.075. Because the trading price of our common stock is less than \$5.00 per share and our common stock no longer trades on either The Nasdaq National Market or The Nasdaq SmallCap Market, our common stock comes within the definition of a "penny stock." The "penny stock rules" impose additional sales practice requirements on broker-dealers who sell our securities to persons other than established customers and accredited investors, generally those with assets in excess of \$1,000,000 or annual income exceeding \$200,000 or \$300,000 together with their spouse. For transactions covered by these rules, broker-dealers must satisfy certain additional administrative criteria in order to effectuate sales of our common stock. These additional burdens imposed on broker-dealers may restrict the ability of broker-dealers to sell our securities and may affect your ability to resell our common stock.

WE HAVE INCURRED A SUBSTANTIAL NET LOSS FOR EACH OF THE YEARS ENDED DECEMBER 31, 1998, 1999 AND 2000, AS WELL AS A LOSS FOR THE NINE MONTH PERIOD ENDED SEPTEMBER 30, 2001, AND MAY NOT ATTAIN PROFITABILITY IN THE FUTURE.

We suffered a substantial net loss for each of the years ended December 31,

Edgar Filing: EMERGING VISION INC - Form S-2

1998, 1999 and 2000, as well as a loss for the nine month period ended September 30, 2001. Furthermore, we may not operate profitably or be commercially successful at any time in the foreseeable future, as our ability to attain profitability in the future will depend, in large part, on the uncertain general condition of our country's economy, competition and other factors regarding the retail optical industry, and our ability to implement and execute our business plan.

-3-

WE MAY NOT EXECUTE OUR BUSINESS PLAN SUCCESSFULLY WHICH WOULD NEGATIVELY IMPACT OUR ABILITY TO MAINTAIN ADEQUATE LIQUIDITY.

Our ability to improve our cash flow during fiscal 2002 will depend in large part on our ability to successfully implement our business plan by improving our store profitability through increased monitoring of store by store operations; closing non-profitable, Company-operated store locations; reducing administrative overhead expenses; implementing new marketing programs; and seeking additional equity or debt financing, if available.

WE HAVE INCURRED SIGNIFICANT CASH FLOW LOSSES TO DATE AND WILL, IN ALL LIKELIHOOD, REQUIRE ADDITIONAL FINANCING, WHICH MAY BE DIFFICULT TO OBTAIN AND MAY DILUTE ANY OF YOUR OWNERSHIP INTERESTS IN US.

We have incurred, and anticipate that we will incur, substantial capital and operating cash flow losses for the foreseeable future in that we will be required to make substantial cash disbursements, including disbursements related to marketing and business development that may be in excess of our income. We expect these expenses to result in significant operating losses for at least the foreseeable future until we are able to attain adequate revenue levels and begin generating positive cash flow from operations. In this regard, on January 23, 2002, we obtained \$1 million of debt financing from a related party, and \$1 million of debt financing from a bank, which the same related party and its principal shareholder fully guaranteed, all in exchange for our issuance to the related party of 2,500,000 warrants to purchase shares of our common stock at an exercise price of \$0.01 per share. A portion of the aggregate financing will be used to fund the aforementioned expenses and/or cash flow losses. However, even if we are able to generate a positive cash flow from operations, we will, in all likelihood, require additional capital to expand our operations by opening and/or acquiring additional Sterling Stores. This additional capital may not be available when needed or on terms acceptable to us. We also may need to seek additional financing through public or private sales of our securities, including equity securities, which equity securities, if and when issued, will dilute your ownership interests in us. Furthermore, insufficient funds may require us to delay, scale back or eliminate certain or all of our operations and activities.

CERTAIN OF OUR DIRECTORS ARE INVOLVED WITH OTHER COMPANIES IN THE RETAIL OPTICAL INDUSTRY, WHICH ARE IN COMPETITION WITH OUR STERLING STORES AND MAY RESULT IN POTENTIAL CONFLICTS.

Dr. Robert Cohen and Dr. Alan Cohen, two of our directors, are also the principal shareholders and executive officers and directors of Cohen Fashion Optical, Inc. and its affiliate, Real Optical, LLC. Drs. Alan and Robert Cohen are brothers. Cohen Fashion Optical and Real Optical operate and franchise retail optical stores similar to Sterling Stores in the States of Connecticut, Florida, New Hampshire, Massachusetts, New Jersey and New York, and may in the future operate in other states as well. As of the date hereof, many Cohen Fashion Optical stores were located in the same shopping center or mall as, or in close proximity to, certain Sterling Stores; and, in the future, Cohen Fashion Optical and/or Real Optical may open or franchise additional stores that

Edgar Filing: EMERGING VISION INC - Form S-2

are located in the same areas as Sterling Stores. These competing businesses will, in all likelihood, reduce the revenues generated at our competing Sterling Stores.

-4-

Drs. Robert and Alan Cohen are also the principal members and executive officers of, General Vision Services, LLC, or GVS, which operates retail optical stores located in the New York metropolitan area. GVS stores are similar to, and compete with, the Sterling Stores being operated and franchised by us in the same area. Furthermore, GVS solicits and administers third party benefit programs similar to those being administered by us through GVS's network of company-owned and independent retail optical stores. It is possible that additional GVS stores or other retail optical stores which provide services under third party benefit plans administered by GVS may, in the future, be located near one or more of our retail optical stores and may be competing directly with our stores.

Additionally, we, Cohen Fashion Optical and/or GVS jointly participate in certain third party benefit plans and certain of our Sterling Stores, Cohen Fashion Optical stores and GVS stores participate as providers under third party benefit plans obtained by either us, Cohen Fashion Optical or GVS, and, in all likelihood, will continue to do so in the future.

Because of the interests that Drs. Robert and Alan Cohen have in Cohen Fashion Optical, Real Optical and GVS, conflicts of interest may arise that may cause such individual shareholders/members to enter into business relationships that compete with us and cause a decrease in our revenues.

WE SIGNIFICANTLY DEPEND ON THE ABILITY AND EXPERIENCE OF CERTAIN MEMBERS OF OUR MANAGEMENT, AND THEIR DEPARTURE MAY ADVERSELY AFFECT OUR ABILITY TO IMPLEMENT OUR BUSINESS PLAN AND ATTAIN PROFITABILITY.

We rely on the skills of certain members of our senior management team to guide our operations including, but not limited to, Mr. Robert S. Hillman, the chairman of our board of directors and our president and chief executive officer, and Mr. Christopher G. Payan, our chief financial officer, treasurer and secretary, the loss of either one of which could have an adverse effect on our operations. Furthermore, none of the members of our senior management team, other than Messrs. Hillman and Payan, have employment agreements with us. Accordingly, our key executives may not continue to work for us, which could prevent or delay the implementation of our business plan and our attainment of profitability.

WE DO NOT CONTROL THE MANAGEMENT OF ALL OF THE RETAIL OPTICAL STORES THAT OPERATE UNDER OUR NAME, AND THESE STORES MAY BE MANAGED BY UNSUCCESSFUL FRANCHISEES, WHICH WOULD REDUCE OUR REVENUES FROM THESE STORES.

We rely, in part, on our franchisees for business development. Since we do not control the management of our franchised stores, it is possible that a franchisee/owner may not have the business acumen or financial resources to operate its franchise successfully. We, together with a substantial number of our franchisees, have recently experienced a decline in the sales generated from the operation of Sterling Stores. If a substantial number of our franchisees experience further declines in their sales and/or are ultimately not successful, our revenues from our franchisees would be adversely affected.

-5-

WE COMPETE WITH MANY TYPES OF EYEWEAR PROVIDERS, WHICH MAY PREVENT US FROM

Edgar Filing: EMERGING VISION INC - Form S-2

INCREASING OR MAINTAINING OUR MARKET SHARE.

The retail optical business is highly competitive and includes chains of retail optical stores, superstores, individual retail outlets and a large number of individual opticians, optometrists and ophthalmologists that provide professional services and dispense prescription eyewear. As retailers of prescription eyewear, we generally service local markets, and, therefore, our competition varies substantially from one location or geographic area to another. If we are not successful in dealing with our competition, we will not be able to increase or maintain our customer base.

WE OFTEN OFFER INCENTIVES TO OUR CUSTOMERS, WHICH LOWERS OUR PROFIT MARGINS.

At times when our major competitors offer significantly lower prices for their products, we are required to do the same. Certain of our major competitors offer promotional incentives to their customers including "50% Off" on designer frames and "Buy One, Get One Free" eyecare promotions. In response to these promotions we have offered the same or similar incentives to our customers. This practice has resulted in lower profit margins and these competitive promotional incentives may further adversely impact our results of operations. Although we believe that our Sterling Stores provide quality service and products at competitive prices, several of the large retail optical chains have greater financial resources than us. Therefore, we may not be able to continue to deliver cost efficient products in the event of aggressive pricing by our competitors.

WE HAVE PROVIDED PURCHASE MONEY FINANCING FOR A SUBSTANTIAL PORTION OF THE SALES PRICE OF OUR STORE ASSETS THAT ARE SOLD TO FRANCHISEES AND BEAR THE RISK OF NONPAYMENT OF THIS FINANCING, WHICH MAY ADVERSELY AFFECT OUR CASH POSITION.

In most instances in the past, we provided purchase money financing for a substantial portion of the sales price of store assets sold to franchisees. In certain instances in which franchisees have defaulted on their purchase money obligations, we have been able to repossess the store's assets and sell these assets to another franchisee. However, we may not be able to continue, or be successful, with this practice in the future, and the failure to do so could have a material adverse effect on our cash position and ability to finance our business.

AS REFRACTIVE LASER SURGERY GAINS MARKET ACCEPTANCE, WE MAY LOSE REVENUE FROM TRADITIONAL EYEWEAR CUSTOMERS.

As traditional eyewear users undergo laser vision correction procedures or other vision correction techniques, the demand for contact lenses and eyeglasses will decrease. Due to the fact that the marketing and sale of eyeglasses and contact lenses is a significant part of our business, a decrease in customer demand for these products could have a material adverse effect on our sales from prescription eyewear, as well as those of our franchisees.

-6-

WE ARE SUBJECT TO A VARIETY OF STATE, LOCAL AND FEDERAL REGULATIONS THAT AFFECT THE HEALTH CARE INDUSTRY, WHICH MAY AFFECT OUR ABILITY TO GENERATE REVENUES OR SUBJECT US TO ADDITIONAL EXPENSES.

The regulatory requirements that we and our franchisees must satisfy to conduct our business varies from state to state. For example, some states have enacted laws governing the ability of ophthalmologists and optometrists to enter into contracts with business corporations or lay persons, and some states prohibit companies from computing their royalty fees based upon a percentage of the gross revenues generated by optometrists from exam fees. Various federal and

Edgar Filing: EMERGING VISION INC - Form S-2

state regulations also limit the financial and non-financial terms of agreements with health care providers and, therefore, our potential revenues may differ depending upon the nature of our various health care provider affiliations.

We are also subject to regulations regarding our franchise business and in-store laboratory operations, as well as the operation, in California, of VisionCare of California, which is regulated by the California Department of Corporations. As a franchisor, we are subject to various registrations and disclosure requirements imposed by the Federal Trade Commission and by many of the states in which we conduct our franchising operations. The Federal Occupational Safety and Health Act regulates our in-store laboratory operations. Although we believe that we are in material compliance with all applicable laws and/or regulations, we may not be able to sustain compliance if these laws and/or regulations change in the future, and, in that event, we may have to incur significant expenses to maintain compliance.

WE MAY BE EXPOSED TO SIGNIFICANT RISK FROM LIABILITY CLAIMS IF WE ARE UNABLE TO OBTAIN INSURANCE AT ACCEPTABLE COSTS OR OTHERWISE TO PROTECT US AGAINST POTENTIAL LIABILITY CLAIMS.

The provision of professional eyecare services entails an inherent risk of professional malpractice and other similar claims. We do not influence or control the practice of optometry by the optometrists that we employ or affiliate with, nor do we have responsibility for their compliance with certain regulatory and other requirements directly applicable to these individual professionals. As a result of the relationship between our employed and affiliated optometrists and us, we may become subject to professional malpractice actions under various theories, claims, suits or complaints relating to professional services provided by these individuals. We may not be able to retain adequate liability insurance at reasonable rates and our insurance may not be adequate to cover claims asserted against us, in which event our cash position and ability to continue our operations could be adversely affected.

-7-

OUR OPERATIONS AND SUCCESS ARE HIGHLY DEPENDENT UPON HEALTH CARE PROVIDERS AND WE MAY BE UNABLE TO ENTER INTO ARRANGEMENTS WITH THESE PROVIDERS.

Certain states prohibit us from practicing medicine or employing optometrists to render professional services on our behalf. Accordingly, the success of our operations as a full-service eyecare provider depends upon our ability to enter into agreements with these health care providers to render professional services at Sterling Stores owned or managed by us or our franchisees. We and our franchisees may not be able to enter into agreements with other health care providers on satisfactory terms, or these agreements may not be profitable to us or them, which would reduce the revenues we and our franchisees could generate from the operation of our and their Sterling Stores.

WE ARE LEGALLY PROHIBITED FROM INDUCING, THROUGH THE USE OF FINANCIAL REWARDS, CERTAIN OF OUR CUSTOMERS TO DO BUSINESS WITH US AND WE COULD RECEIVE MONETARY PENALTIES FOR NON-COMPLIANCE.

The Medicare and Medicaid anti-kickback statutes prohibit financial relationships that aim to induce, arrange, or recommend the purchase of items or services, or patient referrals to providers of services, for which payment may be made under federally funded health care programs. These anti-kickback statutes contain exceptions for, among other things, properly reported discounts and compensation for bona fide employees. In addition, federal regulations establish certain "safe harbors" from liability under the anti-kickback statutes including further refinements of the exceptions for discounts and employee compensation and a safe harbor for personal service contracts. Several states

Edgar Filing: EMERGING VISION INC - Form S-2

also have statutes or regulations prohibiting financial relationships with referral sources that are not limited to services for which Medicare and Medicaid payments may be made. If we are sanctioned under these federal and/or state anti-remuneration laws, we may be subject to civil monetary penalties, license suspension or revocation, or exclusion of our providers

CERTAIN EVENTS COULD RESULT IN DILUTION OF YOUR OWNERSHIP OF OUR COMMON STOCK.

As of September 30, 2001, we had 27,004,972 shares of our common stock outstanding and 10,952,000 shares that were reserved for issuance under outstanding warrants, options and senior convertible preferred stock. The exercise and conversion prices, as the case may be, of our common stock equivalents range from \$0.01 to \$10.44 per share. These common stock equivalents also provide for antidilution protection upon the occurrence of stock splits, redemptions, mergers and certain other transactions. If one or more of these events occurs, the number of shares of our common stock that may be issued upon conversion or exercise would increase. If converted or exercised, these securities will result in a dilution to your percentage ownership of our common stock. In addition, if we acquire new companies through the issuance of common or preferred stock, your percentage of ownership may be diluted.

WE HAVE CREATED PROVISIONS IN OUR GOVERNING DOCUMENTS WHICH MAY MAKE IT DIFFICULT FOR OUR BUSINESS TO BE ACQUIRED OR OUR DIRECTORS TO BE REMOVED.

Our amended and restated certificate of incorporation and amended and restated by-laws contain certain provisions that are intended to discourage, delay or make it more difficult for a change of control over our business to occur. There are also provisions designed to prevent the removal by our shareholders of directors who serve on our classified board of directors, even if some or a majority of them voted for the removal of a director. Currently, we have authorized 5,000,000 shares of preferred stock, of which we have issued and outstanding approximately 2.51 shares of senior convertible preferred stock,

-8-

which are convertible into an aggregate of 334,667 shares of our common stock. Our board of directors has the authority to fix the rights, privileges, and preferences of the remaining authorized but unissued shares of preferred stock without any further vote or action by the shareholders. Therefore, the rights of the holders of our common stock are and may in the future be subject to, and may be adversely affected by, the rights of the holders of our senior convertible preferred stock, as well as the holders of any additional preferred stock that may be issued in the future. In addition, we are subject to the anti-takeover provisions of Section 912 of the Business Corporation Law of the State of New York, which could have the effect of delaying or preventing a change of control over our business.

ONE OF OUR DIRECTORS MAY EXERCISE SIGNIFICANT INFLUENCE OVER OUR COMPANY.

As of February 11, 2002, Benito R. Fernandez, the principal shareholder of the selling stockholder, who is one of our directors, beneficially owned 5,957,075 shares of our common stock (including the shares underlying warrants to purchase 2,500,000 shares of our common stock) representing approximately 20.19% of our shares of common stock outstanding. As a result, Mr. Fernandez may exercise considerable control over our affairs.

-9-

THE OFFERING

Edgar Filing: EMERGING VISION INC - Form S-2

We are registering 3,825,000 shares of our common stock for resale by the selling stockholder. The shares of common stock offered for resale may be sold by the selling stockholder by means of this prospectus in a secondary offering.

USE OF PROCEEDS

We will not receive any of the proceeds from the sale of the common stock described in this prospectus. The selling stockholder will receive all of the proceeds from the sale of the common stock described in this prospectus. However, an aggregate of up to 2,500,000 shares of common stock covered by this prospectus are issuable upon the exercise of warrants. The selling stockholder, as the holder of these warrants, is not obligated to exercise the warrants. If the warrants are exercised by payment of the exercise price in cash, then we will receive gross proceeds of \$25,000 that we will use for working capital and general corporate purposes.

SELLING STOCKHOLDER

The selling stockholder is Horizon Investors Corp., a New York corporation principally owned and controlled by Benito R. Fernandez, who became one of our directors on June 12, 2001. The table below sets forth certain information, as of February 11, 2002, with respect to the amount and percentage ownership of our common stock by the selling stockholder before this offering, the number of shares included in this prospectus that may be sold by the selling stockholder and the amount and percentage ownership of our common stock by the selling stockholder after this offering, assuming that all of the shares included in this prospectus are sold by the selling stockholder.

On June 5, 2001, we entered into a settlement agreement and mutual release with Rare Medium Group, Inc. and Rare Medium, Inc. under which our dispute with these entities, regarding each party's respective obligations under our various agreements with them, pertaining to the development and implementation of our previously abandoned e-commerce business and strategies, was settled and each of the parties was released from substantially all of their respective obligations; and in partial consideration of the settlement, we issued 1,000,000 shares of our common stock to Rare Medium, Inc. which, on November 7, 2001, sold such shares, together with an additional 325,000 shares of our common stock previously acquired by Rare Medium, Inc., to the selling stockholder.

On January 23, 2002, the selling stockholder made available to us a credit facility, in the maximum amount of \$1 million. On January 23, 2002, North Fork Bank, Melville, New York, loaned to us the additional sum of \$1 million, the repayment of which was personally guaranteed by both the selling stockholder and Mr. Fernandez, as well as secured by a \$1 million certificate of deposit pledged to such bank by the selling stockholder. In partial consideration of the foregoing, we granted to the selling stockholder five-year warrants to purchase up to 2,500,000 shares of our common stock at an exercise price of \$.01 per share. The vesting of 750,000 of such warrants is subject to certain vesting requirements.

- o on the OTC Bulletin Board or on any other market on which our common stock may from time to time be trading;

- o block trades in which the broker or dealer so engaged will attempt to sell the shares of common stock as agent but may position and resell a portion of the block as principal to facilitate the transaction;

- o purchases by a broker or dealer as principal and resale by the broker or dealer for its account pursuant to this prospectus;

- o ordinary brokerage transactions and transactions in which the broker solicits purchasers;

- o in any combination of these methods.

-11-

The sale price to the public may be:

- o the market price prevailing at the time of sale;

- o a price related to the prevailing market price;

- o at negotiated prices; or

- o any other prices as the selling stockholder may determine from time to time.

In effecting sales, brokers and dealers engaged by the selling stockholder may arrange for other brokers or dealers to participate.

Edgar Filing: EMERGING VISION INC - Form S-2

The shares may also be sold pursuant to Rule 144 under the securities act. The selling stockholder has the sole and absolute discretion not to accept any purchase offer or make any sale of its shares if it deems the purchase price to be unsatisfactory at any particular time.

The selling stockholder or its respective pledgees, donees, transferees or other successors in interest, may also sell the shares directly to market makers acting as principals and/or broker-dealers acting as agents for themselves or their customers. These broker-dealers may receive compensation in the form of discounts, concessions or commissions from the selling stockholder and/or the purchasers of shares for whom these broker-dealers may act as agents or to whom they sell as principal or both, which compensation as to a particular broker-dealer might be in excess of customary commissions. Market makers and block purchasers purchasing the shares will do so for their own account and at their own risk. It is possible that the selling stockholder will attempt to sell shares of common stock in block transactions to market makers or other purchasers at a price per share which may be below the then market price. The selling stockholder cannot assure that all or any of the shares offered by this prospectus will be issued to, or sold by, the selling stockholder. The selling stockholder and any brokers, dealers or agents, upon effecting the sale of any of the shares offered by this prospectus, may be deemed "underwriters" as that term is defined under the securities act or the exchange act, or the rules and regulations under those acts. In that event, any commissions received by the broker-dealers or agents and any profit on the resale of the shares of common stock purchased by them may be deemed to be underwriting commissions or discounts under the securities act.

The selling stockholder, alternatively, may sell all or any part of the shares offered by this prospectus through an underwriter. The selling stockholder has not entered into any agreement with a prospective underwriter and there can be no assurance that any such agreement will be entered into. If the selling stockholder enters into such an agreement or agreements, then the relevant details will be set forth in a supplement or revision to this prospectus.

The selling stockholder and any other persons participating in the sale or distribution of the shares will be subject to applicable provisions of the exchange act and the rules and regulations under the exchange act, including, without limitation, Regulation M. These provisions may restrict certain activities of, and limit the timing of purchases and sales of any of the shares by, the selling stockholder or any other such person. Furthermore, under Regulation M, persons engaged in a distribution of securities are prohibited

-12-

from simultaneously engaging in market making and certain other activities with respect to the same securities for a specified period of time prior to the commencement of the distribution, subject to specified exceptions or exemptions. All of these limitations may affect the marketability of the shares.

We have agreed to pay all costs and expenses incurred in connection with the registration of the shares offered by this prospectus, except that the selling stockholder will be responsible for all selling commissions, transfer taxes and related charges in connection with the offer and sale of the shares and the fees of the selling stockholder's counsel.

We have agreed with the selling stockholder to keep the registration statement of which this prospectus forms a part continuously effective until the earlier of the second anniversary of the effective date of the registration statement and the date that all of the shares registered for sale under this

prospectus have been sold.

We have agreed to indemnify the selling stockholder, or its transferees or assignees, against certain liabilities, including liabilities under the securities act, or to contribute to payments that the selling stockholder or its pledgees, donees, transferees or other successors in interest, may be required to make in respect of those liabilities.

Item 15. Indemnification of Directors and Officers.

The Business Corporation Law of the State of New York ("BCL") provides that if a derivative action is brought against a director or officer, the Registrant may indemnify him or her against amounts paid in settlement of such action and reasonable expenses, including attorneys' fees incurred by him or her in connection with the defense or settlement of such action, if such director or officer acted in good faith for a purpose which he or she reasonably believed to be in the best interests of the Registrant, except that no indemnification shall be made without court approval in respect of a threatened action, or a pending action settled or otherwise disposed of, or in respect of any matter as to which such director or officer has been found liable to the Registrant. Under the BCL, a director or officer who is successful, either in a derivative or nonderivative action, is entitled to indemnification as outlined above. Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

Edgar Filing: EMERGING VISION INC - Form S-2

1. To file, during any period in which offers or sales of the shares being registered hereby are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in such prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or together, represent a fundamental change in the information in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) promulgated under the Securities Act of 1933 if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this Registration Statement;

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event a claim for indemnification against such liabilities, other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant

Edgar Filing: EMERGING VISION INC - Form S-2

in the successful defense of any action, suit or proceeding, is asserted by such director, officer or controlling person in connection with the securities being registered hereby, the Registrant will, unless, in the opinion of its counsel, the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question as to whether such indemnification by the Registrant is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
