(1) HBK Investments L.P. ("Investments") has sole voting and dispositive power over the securities identified above (the "Securities") pursuant to Investment Management Agreements with HBK Fund L.P. and HBK Offshore Fund Ltd. (the "Funds"). Accordingly, the Funds have no beneficial ownership of such Securities. The source of funds used or to be used in making purchases is working capital of the Funds.

(2) Investments' power is exercised by its general partner, HBK Partners II L.P., whose general partner is HBK Management L.L.C.

Item 1. Security and Issuer:

This statement on Schedule 13D relates to shares of common stock of ASA (Bermuda) Limited, a Bermuda corporation (the "Issuer"). The principal executive offices of the Issuer are located at 11 Summer Street, 4th Floor, Buffalo, New York 14209.

Edgar Filing: ASA BERMUDA LTD - Form SC 13D/A

Item 2. Identity and Background:

This statement on Schedule 13D is filed by HBK Investments L.P., a Delaware limited partnership ("Investments"). Investments is an investment management firm that provides investment management services to private investment funds. Its principal office is located at 300 Crescent Court, Suite 700, Dallas, TX 75201. Information is also included herein with respect to the following persons: HBK Partners II L.P., a Delaware limited partnership ("Partners II"); HBK Management L.L.C., a Delaware limited liability company ("Management"); and Kenneth M. Hirsh, Laurence H. Lebowitz, William E. Rose, David C. Haley and Jamiel A. Akhtar, members of Management, who may control Management ("Managers"). Investments and the other entities and individuals identified in this paragraph are sometimes referred to collectively as the "Item 2 Persons."

Each of the Managers is a United States citizen. The principal occupation of each Manager is serving as a Managing Director of Investments. The business address of each Manager is 300 Crescent Court, Suite 700, Dallas, TX 75201, except for Mr. Hirsh, whose business address is 350 Park Avenue, 20th Floor, New York, NY 10022.

During the last five years, none of the Item 2 Persons has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration:

The aggregate purchase price for the Securities was approximately \$22.7 million. The source of funds for the purchase transactions was the Funds' working capital. The Securities are held in prime brokerage accounts of the Funds, which may from time to time have debit balances. Because other securities are also held in such accounts, it is not possible to determine the amounts, if any, of financing used at any time with respect to the Securities.

Item 4. Purpose of Transaction.

The Securities were acquired by Investments, for the account of the Funds, in the ordinary course of business and were not acquired with the purpose or effect of changing or influencing control of the Issuer.

In July, 2005, Investments declared that it expected to continue to focus efforts on reducing the discount between the Issuer's net asset value and the trading price of the Issuer's common stock. Investments remains concerned by the poor performance of the Issuer relative to apparent benchmarks (the board has never declared an official benchmark), and by the increase in the discount. As of September 27, 2005, the discount has widened to 14.4% of net asset value.

To encourage the Issuer to address the discount with a goal of reducing it to zero, Investments has submitted a stockholder proposal to the Issuer calling for the board to take immediate action to eliminate the discount. Investments has further requested that the stockholder proposal be included in the Issuer's proxy statement and proxy relating to the Issuer's 2006

Edgar Filing: ASA BERMUDA LTD - Form SC 13D/A

Annual Meeting of Stockholders. A copy of the stockholder proposal is attached as an exhibit to this filing.

While Investments believes that extending a series of in-kind tender offers for the Issuer's shares at net asset value would be an effective method of reducing the discount, and produce the best returns for the largest number of shareholders, the stockholder proposal submitted by Investments does not require the Issuer to take this specific action. Under the stockholder proposal, the Issuer could extend such tender offers, open-end the fund, liquidate it, or take other action, so long as the Issuer's action is effective in eliminating the discount.

Investments reviews its holdings, including its holdings in the Issuer, on an ongoing basis with the objective of identifying and pursuing investment opportunities with attractive risk and return characteristics for the Funds. Depending on such review, Investments may make additional purchases or sales of the Issuer's Common Stock (or derivatives thereof). Any additional transactions will depend on various factors, including, without limitation, the outcome of the Issuer's next Annual Meeting of Stockholders, the price of the Issuer's Common Stock (and derivatives thereof), stock market conditions, and business prospects of the Issuer. Investments has engaged from time to time in discussions with the Issuer and other shareholders of the Issuer concerning the Issuer and its business and may have additional discussions with such parties in the future.

Except as otherwise described herein, none of the Item 2 Persons has any current plans or proposals that relate to or would result in any of the transactions or changes contemplated in Items 4(a) through 4(j) of Schedule 13D. Such persons may, at any time and from time to time, review or reconsider their position and formulate such plans or proposals, but they have no present intention of doing so.

Item 5. Interest in Securities of the Issuer

(a) - (b)

The Securities referenced in this statement consist of 558,509 shares of common stock of the Issuer beneficially owned by Investments, representing approximately 5.8% of the 9,600,000 shares of common stock of the Issuer outstanding as of May 31, 2005, as reported by the Issuer in the Issuer's Certified Shareholder Report filed with the Securities and Exchange Commission on August 8, 2005.

Pursuant to an Investment Management Agreement with the Funds, and acting through its general partner, Partners II, Investments has the sole power to vote or direct the vote and to dispose or to direct the disposition of the Securities. Accordingly, Investments may be deemed to be the beneficial owner of the Securities. Acting through its general partner, Management, and in its capacity as the general partner of Investments, Partners II has the sole power to vote or to direct the vote and to dispose or to direct the disposition of the Securities. Accordingly, Partners II may be deemed to be the beneficial owner of the Securities. In its capacity as the general partner of Partners II, Management has the sole power to vote or to direct the vote and to dispose or to direct the disposition of the Securities. Accordingly, Management may be deemed to be the beneficial owner of the Securities. In their capacity as controlling persons of Management, the Managers have the sole power to vote or to direct the vote and to dispose or to direct the disposition of the Securities. Accordingly, each of the Managers may be deemed to be the beneficial owner of the Securities. The Item 2 Persons expressly declare that the filing of this statement on Schedule 13D shall not be construed as an admission that they are, for the purpose of Section 13(d) or 13(g) of the Securities and Exchange Act of 1934,

Edgar Filing: ASA BERMUDA LTD - Form SC 13D/A

the beneficial owners of the Securities.

(c)

Except as described below, there have been no acquisitions or dispositions of the Issuer's common stock made by Investments, for the account of the Funds, during the past 60 days.

On behalf of HBK Fund L.P.:

Transaction Date	Number of Shares	Price per Share	Transaction Value	Transaction Type

08/30/2005	2,000	\$ 37.98	\$ 75,953.00	Buy

All of the above transactions were conducted through open market transactions.

(d)

The limited partners or shareholders of the Funds that own the Funds, for which Investments acts as investment manager, have the right to participate indirectly in the receipt of dividends from, or proceeds from the sale of, the Securities in accordance with their respective ownership interests in their respective Funds.

(e)

Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The Securities are held in prime brokerage accounts of the Funds and have been pledged as collateral to secure debit balances in such accounts which may exist from time to time.

Except as described above, to the best knowledge of Investments, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between any of the Item 2 Persons and any other person with respect to any securities of the Issuer, including but not limited to, transfer or voting of any of the Shares (including as a result of any pledge), finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.

Item 7. Exhibits

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
