Item 4. Purpose of Transaction

Item 4 to the Schedule 13D is hereby amended and supplemented by adding the following:

Except as set forth in this Item 4, none of the Reporting Persons have any present plans or proposals that relate to or that would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D of the Act. However, each Reporting Person may, at any time and from time to time, review, reconsider and discuss with the Company or others his positions with respect to the Company which could thereafter result in the adoption of such plans or proposals.

R. Philip Bixby, W.E. Bixby III and Nancy Hudson, each a Reporting Person, have from time to time discussed with other members of the Company's Board of Directors (the "Board") and members of Company management the burdens of the Company's operation as a publicly-traded and SEC-reporting company and the potential benefits of the Company engaging in a "going private" transaction to relieve those burdens. In March 2015, the Board formed a special committee (the "Independent Valuation Committee") to provide an analysis of the value of the Company's common stock in order to allow the Board to determine the fair value of the shares to be cashed out if the Company engaged in a reverse stock split followed by a forward stock split (such transaction the "Reverse/Forward Stock Split") that would effect a "going private" transaction by. The Independent Valuation Committee engaged a financial advisor to provide an analysis of the value of the Company's common stock in order to allow the Board to determine the feasibility of the Reverse/Forward Stock Split.

On July 27, 2015, the Board authorized (with R. Philip Bixby, W.E. Bixby III and Nancy Hudson abstaining), subject to stockholder approval, amendments to the Company's Articles of Incorporation that would effect the Reverse/Forward Stock Split, consisting of a 1-for-250 Reverse Stock Split of the Company's capital stock, par value \$1.25 per share (the "Common Stock") followed immediately by a 250-for-1 Forward Stock Split of each one share of its Common Stock (including each fractional share of such class of stock in excess of one share). The Reverse/Forward Stock Split would, among other effects, have the effect of causing the Common Stock to be eligible for delisting from the NASDAQ stock market and to become eligible for a termination of the Company's registration under the Securities Exchange Act of 1934, as amended.

Under the terms of the Voting Agreement, Lee Vogel has the sole power to vote all shares of Common Stock subject to the Voting Agreement, after consultation with the Reporting Persons that are beneficial owners of the shares of Common Stock subject to the Voting Agreement. Mr. Vogel has the ultimate right to determine how the shares of Common Stock subject to the Voting Agreement are voted.

On July 28, 2015, Mr. Vogel met with the other Reporting Persons to consider the Reverse/Forward Stock Split proposed by the Board. Following consultation with the other Reporting Persons, Mr. Vogel indicated to the Company that he currently intends to vote the shares of Common Stock subject to the Voting Agreement in support of the proposed Reverse/Forward Stock Split, which would have the effect of making the Common Stock eligible to be delisted from the NASDAQ Capital Markets exchange.
