During the same period, total net loans increased \$79.1 million, or 31.49%, to \$330.3 million.

Owen John Onsum, President and Chief Executive Officer stated, "Considering the interest rate environment, the waning economy and our own recent investments in opening new branches and departments, we are very pleased to be reporting such respectable returns. Our assets, deposits and loans have all experienced healthy gains this year. These gains are due to continued growth in our local economy, the Bank's expansion initiatives and the trend toward preservation of capital in the financial markets. Also, we continue to believe that in general, our growth is due to 92 years of building a solid corporate culture that embodies honor, ethics and loyalty. We have built our franchise on some essential ingredients, ones that have proven to be vital to our long-term success: we strive to outperform expectations; we strive to maintain life-long relationships with our customers, shareholders and employees; and, we have stable management and financial discipline."

First Northern Community Bancorp's stock is listed on the OTC Bulletin Board under the symbol FNRN. As of September 30th, the stock was trading at \$23.50 per share or 1.98 times its core book value.
