Item 6. Indemnification of Directors and Officers.

A. The Colorado Business Corporation Act (the Act) provides that a corporation shall indemnify an officer or director, and may indemnify an employee, fiduciary or agent, of the Company who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which such person was a party because the person is or was an officer, director, employee, fiduciary or agent against reasonable expenses incurred by him or her in connection with the proceeding. The Act allows indemnification of directors, officers, employees, fiduciaries and agents of the corporation for reasonable expenses incurred in connection with any proceeding in which an individual is made a party because he was a director, officer, employee, fiduciary or agent of the corporation if:

- (a) The person conducted himself or herself in good faith; and
- (b) The person reasonably believed:
 - (i) In the case of conduct in an official capacity with the corporation, that his or her conduct was in the corporation's best interests; and
 - (ii) In all other cases, that his or her conduct was at least not opposed to the corporation's best interests; and
- (c) In the case of any criminal proceeding, the person had no reasonable cause to believe his or her conduct was unlawful.

A person must be found to be entitled to indemnification under this statutory standard by procedures designed to assure that disinterested members of the board of directors have approved indemnification or that, absent the ability to obtain sufficient numbers of disinterested directors, independent counsel or shareholders have approved the indemnification based on a finding that the person has met the standard.

3

The Company's Articles of Incorporation, as amended, provide that the Company shall indemnify, to the fullest extent permitted by applicable law, any person, and the estate and personal representative of any such person, against all liability and expense (including attorneys fees) incurred by reason of the fact that he is or was a director or officer of the Company or, while serving at the request of the Company as a director, officer, partner, trustee, employee, fiduciary, or agent of, or in any similar managerial or fiduciary position of, another domestic or foreign corporation or other individual or entity or of an employee benefit plan. The Company also shall indemnify any person who is serving or has served the Company as director, officer, employee, fiduciary, or agent, and that person's estate and personal representative, to the extent and in the manner provided in any bylaw, resolution of the shareholders or directors, contract, or otherwise, so long as such provision is legally permissible. The Company's Bylaws, as amended, also provide that the Company shall indemnify its officers, directors and employees to the fullest extent permitted by law.

The Company's Articles of Incorporation, as amended, provide that a director of the Company shall not be personally liable to the Company or its shareholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Company or to its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for acts specified under Section 7-108-403 of the Act or any amended or successor provision thereof, or (iv) for any transaction from which the director derived an improper personal benefit. If the Act is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Company shall be eliminated or limited to the fullest extent permitted by the Act, as so amended.

Edgar Filing: GLOBAL MED TECHNOLOGIES INC - Form S-8

Item 9. Undertakings

The registrant hereby undertakes:

(a)(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933.

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (i) and (ii) do not apply if the registration statement is on Form S-3 or Form S-8 and the information required to be included in the post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: GLOBAL MED TECHNOLOGIES INC - Form S-8

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5

(c) Insofar as indemnification for liabilities arising under the Act, as amended, may be permitted to officers and directors of the Company pursuant to the above-mentioned By-Laws and statute, the Company has been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act, and is, therefore, unenforceable. In the event that a claim for such indemnification (except insofar as it provides for payment by the Company of expenses incurred or paid by a director or officer in the successful defense of any action, suit or proceeding) is asserted against the Company by a director or officer and the Commission is still of the same opinion, the Company will, unless the matter has, in the opinion of its counsel, been adjudicated by precedent deemed by it to be controlling, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
