Edgar Filing: SKREEM ENTERTAINMENT CORP - Form 10QSB/A

Skreem Entertainment Corporation
(A Development Stage Company)
Notes to the Unaudited Consolidated Financial Statements
From August 19, 1999 (Date of Inception) to June 30, 2004

Note 1 - BASIS OF PRESENTATION

The accompanying unaudited consolidated financial statements of Skreem Entertainment Corporation have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and with the instructions to Form 10QSB and Item 310(b) of Regulation S-B. They do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments, consisting only of normal recurring adjustments, considered necessary for a fair presentation, have been included in the accompanying unaudited consolidated financial statements. Operating results for the periods presented are not necessarily indicative of the results that may be expected for the full year.

These unaudited consolidated financial statements should be read in conjunction with the consolidated financial statements and footnotes, which are included as part of consolidated financial statements as of March 31, 2004 included in the Company's Form 10KSB.

Note 2 - ACCOUNTING POLICY FOR REVENUE RECOGNITION

Revenue is recognized in accordance with Staff Accounting Bulletin No. 104 (SAB 104) when persuasive evidence of an arrangement exists, the price to the buyer is fixed or determinable; delivery has occurred or services have been rendered or the license period has begun; and collectibility is reasonably assured.

Revenue from the distribution of recordings under license and distribution agreements is recognized as earned under the criteria established by Statement of Financial Accounting Standard No. 50 ("FASB 50"). Revenue is generally recognized when the Company receives an "accounting" of recordings sold with payment from the licensee. In the event the Company has not received an "accounting" from the licensee and if the Company has information related to the licensed use of recordings that would result in the revenue being fixed and determinable, and collection is reasonably assured, then revenue is recognized in the periods in which the license revenue is earned. Minimum guarantees (advances) received from licensees are recorded as deferred revenue and are amortized over the performance period, which is generally the period covered by the agreement.

Note 3 -NOTES PAYABLE

Shareholder

On May 24, 2004 Jeffrey D. Martin, a major stockholder, loaned the Company \$75,000. The note is payable on demand and bears interest at the rate of 8% per annum. Accrued interest at June 30, 2004 was \$493.

Affiliates

Since April 6, 2004, the Company has borrowed an additional \$20,000 from Martin Consultants, Inc. The notes bear interest at the rate of 8% per annum. The Total balance of the notes payable to Martin Consultants was \$441,000 at June 30, 2004. Martin Consultants Inc. is owned by Jeffrey D. Martin, a major shareholder of the Company. The dates and amounts of these individual note agreements entered into during the nine months ended June 30, 2004 are as follows:

Edgar Filing: SKREEM ENTERTAINMENT CORP - Form 10QSB/A

Date of Note	Amount
April 6, 2004	\$10,000
April 15, 2004	10,000

Total	\$20,000
	=====

7

Other

On May 26, 2004 the Company borrowed \$100,000 from Sugarcreek Capital, LLC. The terms of the note call for repayment of \$104,000 on or before July 30, 2004. As security for the loan, Jeffrey D. Martin, a major stockholder, put up his 1/3 interest in Osceola Partners. (See Note 8)

Note 4 -GOING CONCERN

The accompanying financial statement has been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company sustained losses of \$342,711 at June 30, 2004. The Company had an accumulated deficit of \$2,479,374 at June 30, 2004. These factors raise substantial doubt about the ability of the Company to continue as a going concern for a reasonable period of time. The Company is highly dependent on its ability to continue to obtain investment capital from an affiliate in order to fund the current and planned operating levels. The financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts or the amounts and classification of liabilities that might be necessary should the Company be unable to continue as a going concern. The Company's continuation as a going concern is dependent upon its ability to continue receiving investment capital from an affiliate to complete promotion of the Company's artists, continue production of music and achieve a level of success that will enable it to sustain its operations. No assurance can be given that the Company will be successful in these efforts.

Note 5 -PRIVATE PLACEMENT MEMORANDUM

The Company has offered a Private Placement Memorandum ("PPM") which offers for sale a maximum of 3,000,000 and a minimum of 1,000,000 shares of its common stock, \$.001 par value at \$.50 per share ("the Offering"). The shares are offered on a "best efforts" basis. The Offering will be made in reliance upon an exemption from registration under the federal securities laws provided by

Edgar Filing: SKREEM ENTERTAINMENT CORP - Form 10QSB/A

Regulation D as promulgated by the United States Securities and Exchange Commission ("SEC"). The Offering will terminate upon the earlier of (i) the sale of the 3,000,000 shares or (ii) May 31, 2004 unless extended by the Company for sixty days. The Company has issued 533,656 shares with proceeds of \$266,828 during the three months ended June 30, 2004. The Company amended the PPM to allow for an extension of 120 days and a minimum of 100,000 shares. The Company then extended the offering for 120 days from May 31, 2004.

Note 6 - DISTRIBUTION AND SERVICE AGREEMENT

During May 2004, the company entered into a 5.5 year Distribution and Service Agreement with Cheyenne Records GmbH (Cheyenne). The agreement grants Cheyenne certain exclusive rights to distribute and sell recordings. In addition, Cheyenne will perform certain services in accordance with the agreement. Cheyenne shall receive a distribution and service fee of 45% of all net receipts (gross receipts less Value Added Tax of approximately 16%). In addition, Cheyenne will perform certain services including booking commercial concerts and concert tours, securing personal appearances of "3rd Wish", and music publishing/sub-publishing throughout the territory. In consideration for these services except music publishing/subpublishing, Cheyenne shall receive 35% of all net receipts paid by third parties. The Company/Cheyenne shall split music publishing revenues on a 75%/25% basis.

Note 7 -MUSIC VIDEO PRODUCTION AGREEMENT

During May 2004, the Company entered into a Music Video Production agreement with 1171 Production Group (Production Company). Production Company will produce a music video embodying the performance by "3rd Wish". In consideration for services rendered by Production Company, the Company agrees to pay \$100,000 upon the terms and conditions set forth in the agreement. In connection with the music video, the Company has agreed to pay \$40,000 to a third party for the performance of "Baby Bash" in the music video. As of June 30, 2004 all contractual obligations have been completed and the Company recorded video production expenses of \$140,000 related to this agreement.

Note 8 - SUBSEQUENT EVENTS

On August 19, 2004 the note payable to Sugarcreek Capital, LLC described in Note 2 was transferred to Jeffrey D. Martin, a major stockholder, in exchange for his 1/3 interest in Osceola Partners.

Item 2. Management's Discussion and Analysis or Plan of Operation

Revenues - The Company had no revenues for the three months ended June 30, 2004. For the three months ended June 30, 2003, the Company had revenues of \$176.

Revenue is recognized in accordance with Staff Accounting Bulletin No. 104 (SAB 104) when persuasive evidence of an arrangement exists, the price to the buyer is fixed or determinable; delivery had occurred or services have been rendered or the license period has begun; and collectibility is reasonably assured.

Revenue from the distribution of recordings under license and distribution agreements is recognized as earned under the criteria established by Statement of Financial Accounting Standard No. 50 ("FASB 50"). Revenue is generally

Edgar Filing: SKREEM ENTERTAINMENT CORP - Form 10QSB/A

recognized when the Company receives an "accounting" of recordings sold with payment from the licensee. In the event the Company has not received an "accounting" from the licensee and if the Company has information related to the licensed use of recordings that would result in the revenue being fixed and determinable, and collection is reasonably assured, then revenue is recognized in the periods in which the license revenue is earned. Minimum guarantees (advances) received from licensees are recorded as deferred revenue and are amortized over the performance period, which is generally the period covered by the agreement.

Operating expenses - Operating expenses for the three months ended June 30, 2004 were \$238,172, an increase of \$168,285 or 240.8% from the \$69,887 for the corresponding period of the prior year. This increase primarily resulted from production costs related to a CD and Video shoot of approximately \$150,000 and an increase in travel expenses incurred by "Third Wish" Artists and Managers of approximately \$23,000.

General and Administrative Expenses - General and administrative expenses increased by \$67,514 or 600% to \$78,761 for the three months ended June 30, 2004 from \$11,247 for the corresponding period of the prior year. This increase is primarily attributable to an increase in legal and accounting fees.

Salaries and Benefits - Salaries and benefits decreased by \$5,833 or 28.3% to \$14,789 for the three months ended June 30, 2004 from \$20,622 for the corresponding period of the prior year. This decrease is attributable to having fewer employees during the three months ended June 30, 2004.

Interest Expense - Interest expense decreased by \$13,955 or 55.9% to \$10,989 for the three months ended June 30, 2004 from \$24,944 for the corresponding period of the prior year. This decrease is attributable to having more debt outstanding for the three months ended June 30, 2003.

As a result of the foregoing, the company's net operating loss increased by \$216,187 to \$342,711 for the three months ended June 30, 2004 from \$126,524 for the corresponding period of the prior year.

Liquidity and Capital Resources

As of June 30, 2004, the Company had cash of \$63,061 and a deficit in working capital of \$656,086. This compares with cash of \$2,914 and a deficit in working capital of \$581,477 as of March 31, 2004.

Cash used in operations increased by \$236,001 to \$336,682 for the three months ended June 30, 2004 from \$100,681 for the corresponding period of the prior year. The increase is principally attributable to an increase in the net operating loss of \$216,187 and changes in the current accounts of \$20,186 which was partially offset by an increase in depreciation and amortization of \$372.

There was no cash provided or used by investing activities for the three months ended June 30, 2004. For the three months ended June 30, 2003 the Company used \$701 for the purchase of equipment.

For the three months ended June 30, 2004, \$396,828 of cash was provided to the company from financing activities; \$266,828 from the sale of shares, and \$130,000, net from the issuance of promissory notes. This compares with \$108,000

Edgar Filing: SKREEM ENTERTAINMENT CORP - Form 10QSB/A

of cash being provided during the three months ended June 30, 2003, all from the issuance of promissory notes.

Historically, the company has generated net operating losses which jeopardized its ability to continue as a going concern. However, "Third Wish" a group under contract to the company released its first recording in Germany during the second quarter of the Company's fiscal year. This recording has risen to number 2 on a chart in Germany which should produce a revenue stream for the Company. "Third Wish" will be releasing a second recording in Germany during September and an album before the end of the year. Assuming the continued success of "Third Wish", the company should generate sufficient funds to execute its business plan for the next twelve months.

ITEM 3. CONTROLS AND PROCEDURES

As of the end of the period covered by this report, we have evaluated the effectiveness of the design and operation of our disclosure controls and procedures under the supervision of and with the participation of our Chief Executive Officer ("CEO") and our Chief Financial Officer ("CFO"). Based on this evaluation, our management, including our CFO and CEO, concluded that our disclosure controls and procedures were effective, and that there have been no significant changes in our internal controls or in other factors that could significantly affect internal controls subsequent to the evaluation.
