**REPORT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

To the Plan Administrator of the
Johnson Outdoors Retirement and Savings Plan

We have audited the accompanying statements of net assets available for benefits of the Johnson Outdoors Retirement and Savings Plan at December 31, 2004 and 2003, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements and supplemental schedule are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2004 and 2003, and the changes in net assets available for plan benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule as listed in the accompanying Table of Contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

JOHNSON OUTDOORS RETIREMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2004 and 2003

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Johnson Outdoors Retirement and Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan sponsored by Johnson Outdoors Inc. (the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974.

2. Participation

The following business units of the Company participate in the Plan:

- Johnson Outdoors Headquarters
- Johnson Outdoors Mankato Operations
- Johnson Outdoors Binghamton Operations
- Johnson Outdoors Eufaula Operations
- Johnson Outdoors U.S. Diving Operations
- Johnson Outdoors Old Town Canoe
- Johnson Outdoors Ocean Kayak
- Johnson Outdoors Watercraft Sports & Leisure

The Plan allows all regular full-time employees, as defined by the Plan, to participate in the Plan on the first day of employment with one of the above-named business units. An employee who is classified as other than a regular full-time employee shall be eligible to participate in the savings feature of the Plan effective January 1 or July 1 following one year of service or 1,000 or more hours of service.

3. Contributions

The Plan is a two-part plan consisting of a retirement contribution feature and a savings feature. The retirement contribution feature of the Plan enables eligible participants (other than those at Johnson Outdoors Mankato Operations and Old Town Canoe) to accumulate additional funds for retirement purposes. The retirement contributions made by the respective business units are discretionary. Employees of Johnson Outdoors Mankato Operations and Old Town Canoe participate in other defined benefit plans.

NOTE A - DESCRIPTION OF THE PLAN - Continued

3. Contributions - continued

Pursuant to the savings feature, eligible participants may make voluntary pretax and after-tax contributions of their base compensation (as defined), subject to certain statutory limits. Participant contributions made with tax-deferred dollars under Section 401(k) of the Internal Revenue Code (IRC) are excluded from the participant's current wages for federal income tax purposes. No federal income tax is paid on the tax-deferred contributions and growth thereon until the participant withdraws them from the Plan. The participant's contribution rate may be adjusted at the discretion of the Plan administrator if a reduced rate is necessary to maintain Section 401(k) benefits. The Company's matching contribution is equal to 50% of the first 6% of a participant's compensation contributed by the participant to the Plan.

4. Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, an allocation of the respective business unit's retirement contribution based on regular employee earnings for the period, if applicable, and an allocation of Plan investment earnings based upon the participant's net account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

5. Vesting

Participant contributions, Company matching contributions, retirement contributions and investment earnings thereon are 100% vested at all times.

6. Payment of Benefits

Upon retirement, termination, or permanent disability, participants will receive the value of their account. Upon death, the account balance will be paid to the participant's beneficiary or estate.

7. Participant Loans

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms may not exceed five years. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Benefits Administration Committee (6% at December 31, 2004). Principal and interest are paid through payroll deductions. Outstanding loans are considered past due after 30 days.

American Balanced Fund R5

Johnson Outdoors Inc. Class A common stock

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Investments

The Plan's investments are stated at fair value, except for investments in fully benefit responsive guaranteed investment contracts held by the Putnam Stable Value Fund, which are stated at contract value. The Putnam Stable Value Fund reported a total return of 4.71%. In the event that circumstances provide evidence that contract value does not reflect fair value, a valuation adjustment is recorded. The crediting rate on the contract is reset to reflect the securities' new yield to maturity if the expected average life changes. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. The shares of mutual funds are valued at quoted market prices which represent the net asset values of shares held by the Plan at year-end. The fair value of the participation units in the common trust fund is based on quoted redemption values on the last business day of the Plan year. The participant loans are valued at their outstanding balances, which approximate fair value.

2. Administrative Expenses and Investment Management Fees

Certain expenses incurred in the administration of the Plan and expenses incurred in connection with the sale, investment and reinvestment of Plan assets are paid by the Plan. Expenses incurred for attorney and audit fees and salary expense incurred by the Company related to the administration of the Plan are paid by the Company.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

3. Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in these financial statements and accompanying notes. Actual results could differ from those estimates.

4. Reclassifications

Certain prior year amounts have been reclassified to conform with current year presentation.

5. Investment Risk

The Plan provides for investment in equity and debt securities. These securities are exposed to various risks including, but not limited to interest rate market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term.

6. Investments

The following investments represent 5% or more of the Plan's assets available for benefits at December 31:

7. Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated June 4, 2002, stating that the Plan is qualified under Section 401(a) of the IRC, and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan is operating in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

8. Party-In-Interest Transactions

All transactions involving the investments administered by the Trustee and investments in Johnson Outdoors Inc. common stock and other transactions with the Company or Plan participants are considered party-in-interest transactions.

The business units may also terminate retirement contributions to the Plan. In the event of Plan termination, the Plan Trustee shall continue to administer the trust until otherwise directed by the Board of Directors. Upon termination of the trust, participants or their beneficiaries will receive the value of their account.
