***NEWS RELEASE***

**CPF Comments on Certified Results of May 28 Meeting**

HONOLULU June 12, 2003 Central Pacific Financial Corp. (NYSE: CPF) today issued the following statement regarding the results of the vote at CB Bancshares, Inc. s (Nasdaq: CBBI) May 28 shareholder meeting, which have been certified by IVS Associates, Inc, the independent inspectors of election today:

The results announced today are essentially unchanged from previously announced preliminary results; however we are pleased that a thorough inspection of ballots by all parties has been completed.

---

CBBI appears to have achieved a quorum by a narrow margin and by using a definition of what constitutes a quorum with which we continue to disagree.

We continue to believe that the most accurate characterization of these results is that CBBI received support for its position from less than 30 percent of its shareholders. In contrast, a significant majority of CBBI's shareholders either supported our proposal or, as we recommended, did not participate in this meeting. It is clear shareholders support CPF proceeding with its proposal to combine these two banks and we will.

CPF noted that at the close of market on June 12, its offer was valued at \$66.96 per CBBI share, which takes into account the effect of CBBI's 10-percent stock dividend for the second quarter. On a pre-dividend basis, the value of CPF's offer is \$73.66 per CBBI share.

#### **FORWARD LOOKING INFORMATION**

This document contains forward-looking statements. Such statements include, but are not limited to, (i) statements about the benefits of a merger between Central Pacific Financial Corp. ( CPF ) and CB Bancshares, Inc. ( CBBI ), including future financial and operating results, costs savings and accretion to reported and cash earnings that may be realized from such merger; (ii) statements with respect to CPF's plans, objectives, expectations and intentions and other statements that are not historical facts; and (iii) other statements identified by words such as believes , expects , anticipates , estimates , intends , plans , targets , projects and other similar expressions. These statements are based on current beliefs and expectations of CPF's management and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: (1) the business of CPF and CBBI may not be integrated successfully or such integration

---

may be more difficult, time-consuming or costly than expected; (2) expected revenue synergies and cost savings from the merger may not be fully realized or realized within the expected time frame; (3) revenues following the merger may be lower than expected; (4) deposit attrition, operating costs, customer loss and business disruption, including, without limitation, difficulties in maintaining relationships with employees, customers, clients or suppliers, may be greater than expected following the merger; (5) the regulatory approvals required for the merger may not be obtained on the proposed terms; (6) the failure of CPF's and CBBI's shareholders to approve the merger; (7) competitive pressures among depository and other financial institutions may increase significantly and may have an effect on pricing, spending, third-party relationships and revenues; (8) the strength of the United States economy in general and the strength of the Hawaii economy may be different than expected, resulting in, among other things, a deterioration in credit quality or a reduced demand for credit, including the resultant effect on the combined company's loan portfolio and allowance for loan losses; (9) changes in the U.S. legal and regulatory framework; and (10) adverse conditions in the stock market, the public debt market and other capital markets (including changes in interest rate conditions) and the impact of such conditions on the combined company's activities.

Additional factors that could cause CPF results to differ materially from those described in the forward-looking statements can be found in CPF's reports (such as Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K) filed with the Securities and Exchange Commission (SEC) and available at the SEC's Internet web site ([www.sec.gov](http://www.sec.gov)). All subsequent written and oral forward-looking statements concerning the proposed transaction or other matters attributable to CPF or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements above. CPF does not undertake any obligation to update any forward-looking statement to reflect circumstances or events that occur after the date the forward-looking statement is made.

With respect to financial projections for CBBI contained in this document, neither CBBI nor any analyst has published any information for 2003, 2004 or 2005. In addition, CPF has not been given the opportunity to do any due diligence on CBBI other than reviewing its publicly available information. Therefore, management of CPF has created its own financial model for CBBI based on CBBI's historical performance and CPF's assumptions regarding the reasonable future performance of CBBI on a stand-alone basis. These assumptions may or may not prove to be correct. The assumptions are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of CBBI. There is no assurance that these projections will be realized and actual results are likely to differ significantly from such projections.

CPF filed with the SEC a registration statement on Form S-4 on April 28, 2003, to register the shares of CPF common stock to be issued in a proposed exchange offer, and filed amendments thereto on May 5, 2003 and May 9, 2003, respectively. The registration statement is not final and will be further amended. Investors and security holders are urged to read the registration statement and proxy statements and any other relevant documents (when available), including the tender offer statement if filed, filed with the SEC, as well as any amendments or supplements to those documents, because they contain and will contain important information. Investors and security holders may obtain a free copy of the registration statement, any amendments thereto and proxy statements and other relevant documents (when available), including the tender offer statement if filed, at the SEC's Internet web site at ([www.sec.gov](http://www.sec.gov)).
