PROXY STATEMENT
FOR SPECIAL MEETING OF STOCKHOLDERS
SEPTEMBER 24, 2003

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited on behalf of the Board of Directors ("**Board of Directors**") of UTStarcom, Inc. (the "**Company**") for use at the special meeting of stockholders to be held September 24, 2003 at 10:00 a.m., local time (the "**Special Meeting**"), or at any adjournment or postponement thereof, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Special Meeting of Stockholders.

Edgar Filing: UTSTARCOM INC - Form DEF 14A

The Special Meeting will be held at the Hilton Oakland Airport, 1 Hegenberger Road, Oakland, California 94621. The Company's telephone number at that location is (510) 635-5000.

These proxy solicitation materials were mailed on or about August 22, 2003 to all stockholders entitled to vote at the Special Meeting.

Record Date and Voting Securities

Only stockholders of record at the close of business on August 15, 2003 (the "**record date**") are entitled to notice of and to vote at the Special Meeting. As of the record date, 103,161,734 shares of the Company's common stock, par value \$0.00125 per share (the "**Common Stock**"), were issued and outstanding. No shares of the Company's preferred stock, par value \$0.00125 per share (the "**Preferred Stock**"), were outstanding.

Revocability of Proxies

Any proxy given pursuant to this solicitation of proxies may be revoked by the person giving it at any time before its use by delivering to the Assistant Secretary of the Company at the Company's principal executive offices located at 1275 Harbor Bay Parkway, Alameda, California 94502, a written notice of revocation or a duly executed proxy bearing a later date or by attending the Special Meeting and voting in person. The mere presence at the Special Meeting of a stockholder who has appointed a proxy will not revoke the prior appointment. If not revoked, the proxy will be voted at the Special Meeting in accordance with the instructions indicated on the proxy card, or if no instructions are indicated, will be voted FOR the proposed amendment to the Company's Thirteenth Amended and Restated Certificate of Incorporation to increase the authorized number of shares of Common Stock from 250,000,000 shares to 750,000,000 shares, and as to any other matter that may properly be brought before the Special Meeting, in accordance with the judgment of the proxy holders.

Voting and Solicitation

Each stockholder is entitled to one vote for each share of Common Stock held on all matters presented at the Special Meeting.

This solicitation of proxies is made by the Company, and all costs associated with soliciting proxies will be borne by the Company. In addition, the Company will reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may be solicited by certain of the Company's directors, officers and

regular employees personally or by telephone, facsimile or telegram. No additional compensation will be paid to these persons for such services.

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the Special Meeting is a majority of the shares of Common Stock issued and outstanding on the record date. All shares represented at the Special Meeting, whether in person or by a general or limited proxy, will be counted for the purpose of establishing a quorum. All votes will be tabulated by the inspector of elections appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Abstentions and broker non-votes will be counted towards the tabulation of the total number of shares present and entitled to vote (the "**Votes Cast**") on proposals presented to the stockholders and will have the same effect as negative votes.

Deadlines for Submission of Stockholder Proposals for 2004 Annual Meeting

Stockholders of the Company are entitled to present proposals for consideration at forthcoming stockholder meetings provided that they comply with the proxy rules promulgated by the Securities and Exchange Commission (the "**SEC**") and the Bylaws of the Company. Stockholders wishing to present a proposal at the Company's 2004 Annual Stockholder Meeting must submit the proposal to the Company by December 5, 2003 if they wish for it to be eligible for inclusion in the proxy statement and form of proxy relating to that meeting. In addition, under the Company's Bylaws, a stockholder wishing to make a proposal at the 2004 Annual Stockholder Meeting must submit the proposal to the Company prior to February 18, 2004.

PROPOSAL ONE
APPROVAL OF AMENDMENT TO THE COMPANY'S
THIRTEENTH AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

The Company's stockholders are being requested to approve an amendment to the Company's Thirteenth Amended and Restated Certificate of Incorporation (the "**Certificate**") which would increase the number of authorized shares of Common Stock from 250,000,000 to 750,000,000. The full text of the Certificate of Amendment to the Certificate (the "**Amendment**") is set forth in Exhibit A to this Proxy Statement. If this proposal is approved, the Company's authorized capital stock will consist of 750,000,000 shares of Common Stock and 5,000,000 shares of Preferred Stock. The Company currently expects to declare a stock dividend, payable with newly authorized shares of Common Stock being authorized hereby and also desires the flexibility to pursue other corporate activities that might necessitate the issuance of Common Stock.

As of the record date, the Company had 103,161,734 shares of Common Stock outstanding. In addition, the Company had reserved 16,918,873 shares of Common Stock issuable upon conversion of the convertible subordinated notes due March 1, 2008, approximately 24,809,365 shares of Common Stock for equity compensation plans and 32,000 shares of Common Stock in connection with a warrant issued to Lintech Ltd. Accordingly, only 105,078,028 shares of Common Stock are available for issuance and the Company's management and the Board of Directors require an increase in the number of shares of Common Stock authorized to be issued in order to effectuate the stock dividend. The Board of Directors approved, in its meeting dated July 15, 2003, the Amendment to increase the number of authorized shares of the Common Stock from 250,000,000 to 750,000,000. On August 4, 2003, the Board of Directors also established, by unanimous written consent, a Stock Dividend Committee, which has authority to declare a one-time stock dividend of one share of Common Stock for every one issued and outstanding share of Common Stock, subject to stockholder approval of the Amendment.

On August 7, 2003, the Company filed with the SEC a universal shelf registration statement pursuant to which the Company may, from time to time, sell in one or more offerings up to an aggregate dollar amount of \$500,000,000 of various types of securities, including Common Stock, preferred stock and debt securities. While the Company currently has no immediate definitive plans to issue any securities pursuant to such registration statement, the Company believes that it positions the Company to act quickly to take advantage of favorable market conditions.

Except as described herein, the Company has no other immediate definitive plans, understandings, agreements or commitments to issue additional shares of Common Stock for any purpose. The Company believes that the availability of additional authorized but unissued shares of Common Stock could be used in various corporate activities. For example, the shares could be utilized in connection with possible future public offerings of equity, financing and acquisition transactions, management incentives and employee benefit plans and other corporate purposes. The shares of Common Stock would be available for issuance without further action of the stockholders unless such action is required by applicable law or the rules of any securities exchange or market on which the Company securities may be listed or quoted.

The proposed Amendment to increase the number of authorized shares of Common Stock could, under certain circumstances, have an anti-takeover effect, although this is not the intention of the proposal. For example, in the event of a hostile attempt to take over control of us, it may be possible for us to endeavor to impede the attempt by issuing shares of the Common Stock, thereby diluting the voting power of the other outstanding shares and increasing the potential cost to acquire control of us. The Amendment, therefore, may have the effect of discouraging unsolicited takeover attempts. By potentially discouraging initiation of any such unsolicited takeover attempt, the proposed Amendment may limit the opportunity for our stockholders to dispose of their shares at the higher price generally available in takeover attempts or that may be available under a merger proposal. The proposed

3

Amendment may have the effect of permitting our current management, including the current Board of Directors, to retain its position, and place it in a better position to resist changes that stockholders may wish to make if they are dissatisfied with the conduct of our business. The Board of Directors is not aware, however, of any attempt to take control of the Company and the Board of Directors has not presented this proposal with the intent that it be utilized as a type of anti-takeover device.

REQUIRED VOTE

The affirmative vote of the holders of a majority of the Votes Cast will be required to ratify the Amendment.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE AMENDMENT TO THE THIRTEENTH AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED COMMON STOCK FROM 250,000,000 SHARES

TO 750,000,000 SHARES.

OTHER INFORMATION

DESCRIPTION OF CAPITAL STOCK

The following description of our capital stock and certain provisions of the Certificate and Bylaws of the Company (the "Bylaws") is a summary and is qualified in its entirety by the provisions of the Certificate and Bylaws.

Our authorized capital stock consists of 250,000,000 shares of Common Stock and 5,000,000 shares of Preferred Stock.

Common Stock

As of July 31, 2003, there were 102,926,686 shares of our Common Stock outstanding. The holders of Common Stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders. The holders of Common Stock are not entitled to cumulative voting rights with respect to the election of directors, and as a consequence, minority stockholders are not able to elect directors on the basis of their votes alone. Subject to preferences that may be applicable to any shares of Preferred Stock issued in the future, holders of Common Stock are entitled to receive ratably such dividends as may be declared by the Board of Directors out of funds legally available therefor. In the event of a liquidation, dissolution or winding up of our company, holders of the Common Stock are entitled to share ratably in all assets remaining after payment of liabilities and the liquidation preference of any then outstanding Preferred Stock. Holders of Common Stock have no preemptive rights and no right to convert their Common Stock into any other securities. There are no redemption or sinking fund provisions applicable to the Common Stock.

Preferred Stock

The Board of Directors has the authority, without further action by the stockholders, to issue up to 5,000,000 shares of Preferred Stock in one or more series and to fix the rights, preferences, privileges and restrictions thereof, including dividend rights, conversion rights, voting rights, terms of redemption, liquidation preferences, sinking fund terms and the number of shares constituting any series or the designation of such series, without any further vote or action by stockholders. The issuance of Preferred Stock could adversely affect the voting power of holders of Common Stock and the likelihood that such holders will receive dividend payments and payments upon liquidation and could have the effect of delaying, deferring or preventing a change in control. We have no present plan to issue any shares of Preferred Stock.

Registration Rights of Certain Holders

Certain of our stockholders have registration rights. Under the agreements between us and the holders of registration rights we are required to maintain the effectiveness of certain registration statements covering their shares.

Anti-Takeover Effects of Provisions of our Charter and Bylaws

Our Certificate and Bylaws discourage certain types of transactions involving an actual or potential change in control of our Company which might be beneficial to our Company or its stockholders. Our Certificate requires that any action required or permitted to be taken by our stockholders must be effected at a duly called annual or special meeting of the stockholders and may not be effected by a consent in writing. Our Bylaws allow special meetings of stockholders to be called only by a majority vote of the Board of Directors and impose advance notice requirements and procedures for the submission by stockholders of nominations for the Board of Directors and stockholder proposals.

Transfer Agent and Registrar

The transfer agent and registrar for our Common Stock is Equiserve Trust Company, N.A. Its address is 150 Royall Street, Canton, MA 02021, and its telephone number is (781) 575-2388.
