ITEM 8.01 OTHER EVENTS

On April 20, 2006, the Company received a "Wells Notice" from the staff of the Securities and Exchange Commission ("Staff"). In addition, the Company has been informed that Wells Notices have been issued to its current chief financial officer and certain former executives of the Company. The Staff has indicated that the Wells Notices relate to the accounting treatment and disclosure of two receivables that were written down in 2004, the Company's contingent liabilities disclosures in various prior periods, and the Company's failure to disclose a change in its policy for bad debt reserves and resulting write-down of such reserves that occurred in 2003 and 2004. The possible violations referenced in the Wells Notices to the Company and its chief financial officer include violations of the books and records, internal controls and antifraud provisions of the Securities Exchange Act of 1934. The Company first disclosed the existence of the SEC inquiry into this matter in November 2004.

A "Wells Notice" indicates that the Staff intends to recommend that the agency bring an enforcement action against the recipients for possible violations of federal securities laws. Recipients of "Wells Notices" have the opportunity to submit a statement setting forth their interests and position with respect to any proposed enforcement action. In the event the Staff makes a recommendation to the Securities and Exchange Commission, the statement will be forwarded to the Commission for consideration.
