ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES.

On March 19, 2008, we entered into an asset purchase agreement with FTS Group, Inc., a Nevada corporation, pursuant to which we agreed to purchase 100% of the common stock and assume full operating control of the directories and all funds received by Elysium Internet, Inc., a Florida corporation and wholly-owned subsidiary of FTS, beginning on the closing date which took place on April 4, 2008. Upon closing of this transaction, Elysium became our wholly-owned subsidiary. Mr. Scott Gallagher, our Chairman and Chief Executive Officer, is also the Chairman and Chief Executive Officer of FTS Group.

Pursuant to the asset purchase agreement, in exchange for a wholly-owned interest in Elysium, we agreed to assume all liabilities related to the acquired assets and operation of Elysium. In addition, we agreed to issue to FTS a non-interest bearing promissory note for \$1,500,000 and upon acceptance by the Utah Secretary of State of a Certificate of Designation, issue to FTS 250 shares of a new class of preferred stock which will be convertible into 60% of the issued and outstanding shares of our common stock as of the date of the first conversion.

The promissory note is payable in 12 monthly installments of \$125,000 beginning 30 days after we close a financing of at least \$250,000. The entire principal amount is due no later than January 3, 2010. If we miss a payment on the note, and such payment is not made within 7 business days, we will be in default under the note and upon receipt of notice of default by FTS, we will have 7 business days to cure such default. In the event that the default is not cured within the prescribed time period, a default simple interest rate of 15% per annum will be applied to any amounts under the note for which payment has not been made.

In addition, upon providing us with a notice of default, FTS will have the right to convert the defaulted payments on the note into shares of our common stock at a conversion rate of 70% of the closing price of our common stock, as reported on the Over-the-Counter Bulletin Board, or OTCBB, for the 5 trading days prior to our receipt of a conversion notice. FTS may also convert up to 15% of the outstanding balance of the note into shares of our common stock any time after 90 days from the issuance date of the note at a conversion rate of 85% of the closing price of our common stock, as reported on the OTCBB, for the 5 trading days prior to the receipt of a conversion notice.

We intend to amend our Amended and Restated Articles of Incorporation, as amended, to change our corporate name to Elysium Internet, Inc. Upon shareholder approval and acceptance of the new name by Nasdaq, we will change our name and will be issued a new ticker symbol.

With respect to the issuance of our securities described above, we relied on the Section 4(2) exemption from securities registration under the federal securities laws for transactions not involving any public offering. No advertising or general solicitation was employed in offering the securities. The securities were issued to accredited investors. The securities were offered for investment purposes only and not for the purpose of resale or distribution, and the transfer thereof was appropriately restricted by us.

The foregoing description of the asset purchase agreement and the promissory note does not purport to be complete and is qualified in its entirety by reference to the full text of the Asset Purchase Agreement and the Promissory Note due January 3, 2010, filed as Exhibits 10.1 and 10.2 to this report and incorporated herein by reference.
