## SECTION 5 REGISTRANT'S BUSINESS AND OPERATIONS

### Item 5.02 Entry Into a Material Definitive Agreement

Auramet Trading, LLC ( Auramet ), acting through Nedbank Limited ( Nedbank ), has advanced an additional \$1,000,000 loan to Nord Resources Corporation (the Corporation ). This amount has been added to the outstanding principal under the existing secured loan from Nedbank to the Corporation in the original principal amount of \$3,900,000. Auramet had participated in the original loan through the contribution of a then outstanding loan from Auramet to the Corporation in the amount of \$1,000,000, dated October 17, 2005.

In connection with the original Nedbank loan, the Corporation had issued a secured promissory note to Nedbank dated November 8, 2005 (the Original Secured Promissory Note ), which was subsequently amended by a Letter Agreement dated May 5, 2006 and a Modification Agreement dated May 15, 2006. The loan was secured by a Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing dated November 8, 2005 (the Deed of Trust ), relating to the Corporation's Johnson Camp property. Also in connection with the original Nedbank loan, Ronald A. Hirsch, Stephen D. Seymour and Nedbank had entered into a Subordination Agreement dated November 8, 2005 (the Subordination Agreement ) whereby Mr. Hirsch and Mr. Seymour, who are directors of our Corporation, agreed to subordinate their loans to the Corporation in favor of any and all indebtedness of the Corporation with Nedbank.

Upon closing of the additional \$1,000,000 advance, the Corporation executed and delivered, among other things: (a) an Amended and Restated Secured Promissory Note dated May 31, 2006, payable to Nedbank in the principal amount of \$4,900,000; (b) a First Amendment to Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing; and (c) an Amendment to the Subordination Agreement. The Amended and Restated Promissory Note matures on the earlier of: (a) August 15, 2006; and (b) upon the closing of a registered equity offering by the Corporation which raises not less than \$20,000,000. The Corporation will be obligated to make interest-only payments to Nedbank, at an interest rate of 10% per annum (an increase of 1% per annum over the interest rate under the Original Secured Promissory Note), payable monthly. The interest rate would increase to 13% (an increase of 1% per annum over the default rate of interest under the Original Secured Promissory Note) in the event of a default by the Corporation.

In consideration of the additional loan advance, the Corporation has paid to Auramet out of the loan proceeds the sum of \$40,000, and has issued to Auramet warrants for the purchase of 250,000 shares of the Corporation's common stock, exercisable for a period of two years at an exercise price of \$1.15 per share, being equal to 110% of the average closing price of the Corporation's common stock (as quoted on the Pink Sheets LLC) for the 20 trading days prior to the date of the Amended and Restated Secured Promissory Note.

Upon closing, the Corporation received net proceeds of \$910,908, after deduction of: Auramet's fee referred to above; accrued interest on the original principal amount of the Nedbank loan from May 1, 2006 through June 1, 2006, in the amount of \$31,092; Nedbank's legal expenses in connection with the additional advance; and related title recording fees and expenses.
