Under the terms of the Settlement Agreement, Saba agreed to, among other things, certain customary standstill provisions expiring one day after completion of the Fund's 2018 Annual Meeting of Shareholders. The standstill provisions provide, among other customary provisions, that Saba will (a) abstain from nominating any candidate to the Board or seeking the removal or resignation of any member of the Board, (b) appear and vote at any annual or special meeting of shareholders of the Fund concerning the election of trustees to the Board and against any proposal made in opposition to the recommendation of the Board regarding the election of the Board's nominees, (c) withdraw its shareholder proposal for the 2017 annual meeting of shareholders of the Fund and (d) generally not take action to increase its beneficial ownership by more than 2% after completion of the Tender Offer. The foregoing summary of the Settlement Agreement is qualified in its entirety by the full text of the Settlement Agreement, a copy of which is attached as Exhibit 1 hereto and incorporated by reference herein.

AGREEMENT

This Agreement is entered into as of November 22, 2016 (this **Agreement**), by and among Saba Capital Management, L.P., Saba Capital Master Fund Ltd., Saba Capital Master Fund II, Ltd., Saba Capital Leveraged Master Fund Ltd., Saba Capital Series LLC Series 1, Saba Capital CEF Opportunities 1, Ltd. and Saba Capital CEF Opportunities 2, Ltd., (collectively, **Saba**), Wells Fargo Multi-Sector Income Fund (the **Fund**) and Wells Fargo Funds Management, LLC (the **Adviser**) (the Fund, together with Saba and the Adviser, the **Parties** and individually a **Party**).

WHEREAS, the Fund is a closed-end management investment company registered under the Investment Company Act of 1940, as amended (the **1940 Act**);

WHEREAS, the Adviser serves as the Fund's adviser and administrator pursuant to an investment advisory agreement and an administration agreement, each between the Fund and the Adviser; and

WHEREAS, Saba is collectively the beneficial owner (as such term is used in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the **Exchange Act**)) of, in the aggregate, 6,150,507 common shares of the Fund, no par value per share, representing approximately 15.0% of the outstanding common shares of the Fund, as set forth on Exhibit A hereto.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto hereby agree as follows:

Section 1. Tender Offer and Managed Distribution Policy by the Fund

1.1 On the basis of the representations, warranties and agreements set forth herein and subject to performance by Saba of its covenants and other obligations hereunder and the other conditions set forth herein:

(a) Prior to or during the week of May 1, 2017, the Fund shall commence a tender offer to purchase for cash 15% of its outstanding common shares (the **Maximum Amount**) or such lesser number of common shares that are properly tendered and not withdrawn (the **Tender Offer**). The Tender Offer shall include the following terms: (i) shareholders shall have the opportunity to tender some or all of their common shares at a price equal to 98% of the Fund's net asset value per share (**NAV**) as determined as of the close of the regular trading session of the New York Stock Exchange (the **NYSE**) on the next trading day after the expiration date of the Tender Offer or, if the Tender Offer is extended, on the next trading day after the day to which the Tender Offer is extended, (ii) the Fund shall purchase common shares tendered and not withdrawn on a prorated basis up to the Maximum Amount if greater than the Maximum Amount of common shares are properly tendered and not properly withdrawn and (iii) the consideration to be paid by the Fund for common shares purchased under the Tender Offer shall consist solely of cash. Notwithstanding anything contained in this Agreement to the contrary, in no event shall the Fund, prior to May 1, 2017, accept for payment, and pay for, any common shares tendered in the Tender Offer.

- (b) The Tender Offer shall not provide for preferential treatment for any shareholders of the Fund.
- (c) The Tender Offer shall require odd lot tenders to be subject to the same proration terms as tenders of 100 shares or more.
- (d) Although the Fund has committed to commence the Tender Offer under the circumstances set forth above, the Fund will not commence the Tender Offer or accept tenders of the Fund's common shares during any period when (i) such transactions, if consummated, would: (A) result in the delisting of the Fund's shares from the NYSE MKT LLC (the **NYSE MKT**) or (B) impair the Fund's status as a regulated investment company under the Internal Revenue Code of 1986, as amended (which would make the Fund a taxable entity, causing the Fund's income to be taxed at the fund level in addition to the taxation of shareholders who receive distributions from the Fund); (ii) there is any (A) legal or regulatory action or proceeding instituted or threatened challenging such transaction, (B) suspension of or limitation on prices for trading securities generally on the NYSE or other national securities exchange(s), including the National Association of Securities Dealers Automated Quotation System National Market System and the NYSE MKT, or (C) declaration of a banking moratorium by federal or state authorities or any suspension of payment by banks in the United States or New York State; or (iii) the Board of Trustees of the Fund (the **Board**) determines in good faith, upon written advice of counsel, that effecting any such transaction would constitute a breach of its fiduciary duty owed to the Fund or its shareholders. In the event of a delay pursuant to any of clauses (i), (ii) or (iii) above, the Fund will provide prompt written notice to Saba together with a detailed analysis of the reason for such delay and reasonable support for such determination. In the event of a delay pursuant to either of clauses (i) or (ii) above, the Fund will commence the Tender Offer delayed by the pendency of such events within 20 days after the termination of such delaying event.

1.2 The Fund will commence, effective with the monthly distribution declared in January 2017, and continue at all times during the Effective Period (as defined below) a managed distribution policy that provides for monthly distributions to common shareholders of the Fund at an annual minimum fixed rate of nine percent (9%) based on the Fund's average monthly NAV of the Fund's common shares over the prior 12 months, under which distributions may be sourced from income, paid-in of capital and/or capital gains, if any (the **Managed Distribution Policy**).

1.3 Saba, on behalf of itself and its Affiliates (as defined in Rule 405 of the Securities Act of 1933, as amended), including Saba Capital Management, L.P., hereby irrevocably withdraws its September 30, 2016 notice of submission of a shareholder proposal pursuant to Rule 14a-8 under the Exchange Act requesting that the Board take the necessary steps to eliminate the Fund's classified board structure and agrees that this proposal will not be included in the Fund's proxy statement for the Fund's 2017 Annual Meeting of Shareholders (**2017 Annual Meeting**) and will not be submitted to shareholders for consideration at the 2017 Annual Meeting.

1.4 Saba agrees to tender 100% of its then-owned common shares of the Fund in the Tender Offer.

Section 2. Additional Agreements.

2.1 Saba covenants and agrees that during the period from the date of this Agreement through the date that is the earlier of (a) one day after completion of the Fund's 2018 Annual Meeting of Shareholders, which such date shall not occur later than February 28, 2018, and (b) such date that the Fund determines not to commence the Tender Offer pursuant to Section 1.1(d), which such date shall not occur later than June 1, 2017 (the **Effective Period**) it will not, and will cause its respective principals, directors, general partners, members, officers, employees, agents, Affiliates and representatives under Saba's control, not to, directly or indirectly, alone or in concert with others (including, by directing, requesting or suggesting that any other person take any of the actions set forth below), unless specifically permitted in writing in advance by the Fund, take any of the actions with respect to the Fund set forth below:

(a) effect, seek, offer, engage in, propose (whether publicly or otherwise and whether or not subject to conditions) or cause, participate in or act to, or assist any other person to effect, seek, engage in, offer or propose (whether publicly or otherwise) or cause, participate in or act to (other than as specifically contemplated by this Agreement):

(i) any solicitation of proxies or become a participant in any such solicitation as such terms are defined in Regulation 14A under the Exchange Act, disregarding clause (iv) of Rule 14a-1(l)(2) and including any otherwise exempt solicitation pursuant to Rule 14a-2(b), in each case, with respect to securities of the Fund (including, without limitation, any solicitation of consents to act by written consent or call a special meeting of shareholders);

(ii) knowingly encourage or advise any other person or assist or act to assist any person in so encouraging or advising any person with respect to the giving or withholding of any proxy, consent or other authority to vote (other than such encouragement or advice that is consistent with the Fund management's recommendation with respect to the Fund in connection with such matter or encouragement or advise solely amongst Saba and its affiliates and funds);

(iii) take any action, directly or indirectly, including through the use of any Derivative Securities (as defined below), which would cause Saba to beneficially own a number of common shares of the Fund that exceeds the lesser of (A) 6,150,507 common shares of the Fund or (B) the sum of (x) following completion of the Tender Offer, 2% (i.e., 698,794 shares) of the number of shares of the common shares of the Fund outstanding immediately following completion of the Tender Offer and (y) the number of common shares of the Fund that Saba beneficially owned immediately following the completion of the Tender Offer (such amount to be confirmed in writing by Saba upon the written request of the Fund), except to the extent common shares are issued by the Fund to all existing shareholders, whether or not any of the foregoing may be acquired or obtained immediately or only after the passage of time or upon the satisfaction of one or more conditions (whether or not within the control of such party) pursuant to any agreement, arrangement or understanding (whether or not in writing) or otherwise and whether or not any of the foregoing would give rise to beneficial ownership (as such term is used in Rule 13d-3 under the Exchange Act), and whether or not any of the foregoing is acquired or obtained by means of borrowing of securities, operation of any Derivative Security or otherwise. For the purposes of this Agreement, the term **Derivative Securities** means, with respect to any person, (i) any rights, options or other securities or instruments convertible into or exchangeable for securities, instruments, bank debt or other obligations of such person and (ii) any rights, obligations, agreements, arrangements or understandings (whether or not in writing) that are (or the value of which is) measured by (or by reference to) the price or value of any securities, instruments, bank debt or other obligations of such person, including without limitation any swaps or other derivative arrangements;

(iv) engage, directly or indirectly, in any short sale that includes, relates to or derives any part of its value from a decline in the market price or value of the securities of the Fund;

(v) any (A) tender or exchange offer for securities of the Fund (aside from the Tender Offer contemplated by Section 1 or any other tender offer offered by the Fund to all shareholders), or any merger, consolidation, business combination or acquisition or disposition of assets of the Fund, or (B) recapitalization, restructuring, liquidation, dissolution or other similar extraordinary transaction with respect to the Fund (it being understood that the foregoing shall not restrict any person from tendering shares, receiving payment for shares or otherwise participating in any such transaction on the same basis as other shareholders of the Fund or from participating in any such transaction that has been approved by the Board, subject to the other terms of this Agreement);

(b) form, join or in any way participate in any group (within the meaning of Section 13(d)(3) of the Exchange Act and Rule 13d-5(b)(1) thereunder) (other than a group that consists solely of members of Saba and its affiliates and funds) with respect to the securities of the Fund or in connection with seeking the election or removal of any trustee of the Fund;

- (c) deposit any securities of the Fund in any voting trust or subject any securities of the Fund to any arrangement or agreement with respect to the voting of the securities of the Fund, including, without limitation, lend any securities of the Fund to any person or entity for the purpose of allowing such person or entity to vote such securities in connection with any shareholder vote or consent of the Fund, other than any such voting trust, arrangement or agreement solely among the members of Saba and its affiliates and funds;
- (d) (i) publicly seek, alone or in concert with others, election or appointment to, or representation on, the Board, or publicly nominate or propose the nomination of, or recommend the nomination of, any candidate to the Board, or (ii) publicly seek, alone or in concert with others, the removal or resignation of any member of the Board;
- (e) make any proposal for consideration by shareholders at any annual or special meeting of shareholders of the Fund (pursuant to Rule 14a-8 under the Exchange Act or otherwise), or take any public action (other than in accordance with this Section 3.1) with respect to any shareholder proposal or written consent submitted prior to the date of this Agreement;
- (f) conduct a referendum of shareholders of the Fund, or make a request for a shareholder list or other books and records of the Fund under Delaware law or any other statutory or regulatory provision;
- (g) publicly seek to control or influence the Adviser, Board or policies of the Fund;
- (h) institute, solicit, assist or join any litigation, arbitration or other proceeding against or involving the Fund or any of its current or former trustees or officers (including derivative actions); provided, however, that for the avoidance of doubt the foregoing shall not prevent Saba from (A) bringing litigation to enforce the provisions of this Agreement, (B) making counterclaims with respect to any proceeding initiated by, or on behalf of, the Fund against Saba, or (D) responding to or complying with a validly issued legal process;
- (i) make any public statement or public proposal with respect to (i) any change in the number or term of directors or the filling of any vacancies on the Board, (ii) any change in the capitalization, stock purchase program, dividend policy or Managed Distribution Policy of the Fund, (iii) any other material change in the Fund's management, business or corporate structure, or (iv) any waiver, amendment or modification to the Charter or Bylaws of the Fund;
- (j) enter into any discussions, negotiations, arrangements or understandings with any person with respect to any of the foregoing, or advise, assist, encourage or seek to persuade others to take any action with respect to any of the foregoing; or

(k) publicly, or privately in a manner that is intended to or would reasonably be expected to require any public disclosure by the Fund or Saba, request (x) that the Fund, the Board or any of their respective representatives amend or waive any provision of this Section 2.1 (including this sentence) or (y) the Board to specifically invite Saba or any of its Affiliates to take any of the actions prohibited by this Section 2.1.

Nothing in this Section 2.1 shall be deemed to prohibit Saba and its affiliates from communicating privately with the Fund's directors, officers, and advisors (including the Adviser) so long as such private communications would not be reasonably determined to trigger public disclosure obligations for any Party.

2.2 Saba covenants and agrees that during the Effective Period, it will, and will cause its Affiliates to:

(a) appear at any annual meeting of shareholders of the Fund concerning the election of trustees to the Board and cause all shares it beneficially owns as of the record date for such meeting to be counted as present thereat for purposes of a quorum; and

(b) vote or cause to be voted at any annual or special meeting of shareholders of the Fund all of the shares it beneficially owns as of the record date for such meeting (i) in favor of election of the Board's nominees and (ii) against any proposal made in opposition to, or in competition or inconsistent with, the recommendation of the Board regarding the election of the Board's nominees. For the avoidance of doubt, if Saba lends any common shares of the Fund to any third party (in compliance with the restrictions in Section 2.1(c)), Saba shall recall any such stock loan in advance of the record date for any vote of or consent by the shareholders of the Fund so that Saba shall have full voting rights with respect to all such loaned shares.

Notwithstanding anything to the foregoing set forth herein, Saba shall not be required to appear or cause any of its shares counted as present thereof for purpose of quorum at any special meeting of shareholders of the Fund or any meeting of shareholders of the Fund at which a merger or acquisition of the Fund by or with another fund is being voted on.

2.3 Saba shall take all actions practical to prevent its present and future general partners, members, directors, officers and Affiliates from engaging in conduct otherwise prohibited by this Agreement. Saba agrees that Boaz R. Weinstein and Saba Capital Management GP, LLC are Affiliates of Saba for purposes of this Agreement.

2.4 Upon the written request of the Fund, which shall be no more frequently than once each fiscal year of the Fund, Saba will notify the Fund in writing of the number of common shares beneficially owned by it and its Affiliates.

2.5 Saba represents and warrants as follows:

- (a) It has the power and authority to execute, deliver and carry out the terms and provisions of this Agreement and to consummate the transactions contemplated hereby.
- (b) This Agreement has been duly and validly authorized, executed and delivered by it and is enforceable against Saba in accordance with its terms.
- (c) The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby will not contravene any provision of law applicable to it.
- (d) Saba beneficially owns, directly or indirectly, and has the power to vote all the common shares of the Fund as described in the recitals to this Agreement, and its ownership of common shares of the Fund has at all times complied with applicable provisions of the 1940 Act, and Exhibit A hereto sets forth the number of such shares owned by each Saba party.
- (e) Except as set forth on Exhibit A, as of the date hereof, Saba is not a party to any Derivative Securities, including without limitation any swap or hedging transactions or other derivative agreement, or any securities lending or short sale arrangements, of any nature with respect to the common shares of the Fund.

2.6 The Fund and the Adviser each represent and warrant as follows:

- (a) It has the power and authority to execute, deliver and carry out the terms and provisions of this Agreement and to consummate the transactions contemplated hereby.
- (b) This Agreement has been duly and validly authorized, executed and delivered by it and is enforceable against it in accordance with its terms.
- (c) The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby will not contravene any provision of law applicable to it.

Section 3. Public Announcement

3.1 No later than one business day following the date of this Agreement, the Fund shall issue one press release in the form attached as Exhibit B (the **Fund Press Release**), and no party shall make any statement inconsistent with the Fund Press Release during the Effective Period in connection with the announcement of this Agreement. Saba shall not issue a press release in connection with this Agreement or the actions contemplated hereby without the prior written consent of the Fund. No party shall issue additional press releases in connection with this Agreement or the actions contemplated hereby without the prior written consent of the other party. Nothing in this Agreement shall prevent (a) any Party from taking any action required by any governmental or regulatory authority (except to the extent such requirement arose by discretionary acts by any Party), (b) any Party from making any factual statement that is required in any compelled testimony or production of information, either by legal process, by subpoena or as part of a response to a request for information from any governmental authority with jurisdiction over such Party or as otherwise legally required and (c) Saba and its affiliates from communicating with its investors and prospective investors. Saba shall promptly prepare and file an amendment to their applicable Schedule 13D filed with the SEC reporting the entry into this Agreement (which will not contain any statement inconsistent with the Fund Press Release and the Item 4 disclosure set forth therein will be in a form materially consistent with the draft previously provided to the Fund).

Section 4. Termination

4.1 This Agreement remains in full force and effect until the earlier of:

- (a) the end of the Effective Period;
- (b) such date that the Fund determines not to commence the Tender Offer pursuant to Section 1.1(d), which such date shall not occur later than June 1, 2017; and
- (c) such other date established by mutual written agreement of the Fund and Saba.

4.2 Section 6 survives the termination of this Agreement. No termination pursuant to Section 4.1 relieves any Party from liability for any breach of this Agreement prior to such termination.

Section 5. No Disparagement.

5.1 During the Effective Period, the Fund, the Adviser and Saba shall each refrain from making, and shall cause their respective Affiliates and its and their respective principals, directors, members, general partners, officers, agents and employees not to make or cause to be made any statement or announcement, including in any document or report filed with or furnished to the SEC or through the press, media, analysts or other persons, that constitutes an *ad hominem* attack on, or otherwise, whether true or false, disparages, defames, slanders, impugns or is reasonably likely to damage the reputation of, (a) in the case of such statements or announcements by Saba: the Fund or any of its Affiliates, subsidiaries or advisors (including the Adviser), or any of its or their respective current or former officers, trustees or employees (including, without limitation, any statements or announcements regarding the Fund's strategy, operations, performance, products or services), and (b) in the case of statements or announcements by the Fund or the Adviser: Saba and the Saba's advisors, their respective principals, directors, members, general partners, officers, or employees or any person who has served in any such capacity with respect to Saba and Saba's advisors.

**WELLS FARGO MULTI-SECTOR INCOME FUND
ANNOUNCES TENDER OFFER AND MANAGED DISTRIBUTION PLAN**

SAN FRANCISCO The Wells Fargo Multi-Sector Income Fund (NYSE MKT: ERC), a closed-end fund, announced today that the fund's Board of Trustees has approved the commencement prior to or during the week of May 1, 2017, of a cash tender offer for up to 15% of the fund's outstanding common shares of beneficial interest at a price per share equal to 98% of the fund's net asset value (NAV) per share. The fund will repurchase shares tendered and accepted in the tender offer in exchange for cash.

The fund's Board of Trustees has also approved the commencement, effective with the monthly distribution declared in January 2017, of a managed distribution plan that provides for the declaration of monthly distributions to common shareholders of the fund at an annual minimum fixed rate of 9% based on the fund's average monthly NAV per share over the prior 12 months. Under the managed distribution plan, monthly distributions may be sourced from income, paid-in capital, and/or capital gains, if any. Shareholders may elect to reinvest distributions received pursuant to the managed distribution plan in the fund under the existing dividend reinvestment plan, which is described in the fund's shareholder reports.

The commencement of the tender offer and managed distribution plan are pursuant to an agreement between the fund and Saba Capital Management, L.P. (Saba), and certain associated parties. Pursuant to the agreement, Saba has agreed to be bound by certain *standstill* covenants through the completion of the fund's 2018 annual meeting of shareholders with respect to the fund. In addition, Saba has agreed, among other things, to withdraw its shareholder proposal for the 2017 annual meeting of shareholders of the fund. Pursuant to the agreement, the fund has agreed not to close the tender offer prior to May 1, 2017.

The fund has been advised that Saba will file a copy of the agreement with the U.S. Securities and Exchange Commission (SEC) as an exhibit to its Schedule 13D.

The above statements are not intended to constitute an offer to participate in the tender offer. Information about the tender offer, including its commencement, will be announced via future press releases. Shareholders will be notified in accordance with the requirements of the Securities Exchange Act of 1934, as amended, and the Investment Company Act of 1940, as amended, either by publication or mailing or both. The tender offer will be made only by an offer to purchase, a related letter of transmittal, and other documents to be filed with the SEC. Shareholders of the fund should read the offer to purchase and tender offer statement and related exhibits when those documents are filed and become available, as they will contain important information about the tender offer. These and other filed documents will be available to investors for free both at the website of the SEC and from the fund.

Additional information

The fund is a closed-end income fund. The fund's investment objective is to seek a high level of current income consistent with limiting its overall exposure to domestic interest-rate risk.

The fund is leveraged through a revolving credit facility and also may incur leverage by issuing preferred shares in the future. The use of leverage results in certain risks, including, among others, the likelihood of greater volatility of net asset value and the market value of common shares. Foreign investments are especially volatile and can rise or fall dramatically due to differences in the political and economic conditions of the host country. These risks are generally intensified in emerging markets. Derivatives involve additional risks, including interest-rate risk, credit risk, the risk of improper valuation, and the risk of noncorrelation to the relevant instruments that they are designed to hedge or closely track. Bond values fluctuate in response to the financial condition of individual issuers, general market and economic conditions, and changes in interest rates. Changes in market conditions and government policies may lead to periods of heightened volatility in the bond market and reduced liquidity for certain bonds held by the fund. In general, when interest rates rise, bond values fall and investors may lose principal value. Interest-rate changes and their impact on the fund and its share price can be sudden and unpredictable. High-yield securities have a greater risk of default and tend to be more volatile than higher-rated debt securities. This fund is exposed to mortgage- and asset-backed securities risk. This closed-end fund is no longer available as an initial public offering and is only offered through broker/dealers on the secondary market.

Unlike an open-end mutual fund, a closed-end fund offers a fixed number of shares for sale. After the initial public offering, shares are bought and sold through broker/dealers in the secondary marketplace, and the market price of the shares is determined by supply and demand, not by NAV, and is often lower than the NAV. A closed-end fund is not required to buy its shares back from investors upon request.
