We generally are providing our stockholders access to our proxy materials over the Internet instead of mailing them. PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Mission West Properties, Inc., a Maryland corporation (the "Company"), of proxies, in the accompanying form, to be used at the 2010 Annual Stockholders' Meeting to be held at 10050 Bandle Drive, Cupertino, California 95014 on May 20, 2010, at 10:00 a.m., Pacific Time, and any postponement or adjournments thereof (the "Annual Meeting").

On or about April 9, 2010, our Board of Directors expects to mail to all stockholders whose shares are registered in the name of a nominee holding shares for a beneficial owner a Notice of Internet Availability of Proxy Materials (the "Notice") in connection with the solicitation of proxies by our Board of Directors for use at the Annual Meeting and any adjournments or postponements thereof. On the date of mailing, we will make our Proxy Statement, the Notice of Annual Meeting, the form of proxy and our Annual Report on Form 10-K for the year ended December 31, 2009 (collectively the "proxy materials") publicly available on the Internet according to the instructions provided in the Notice.

If you receive the Notice by mail, you will not receive a printed copy of the proxy materials with the Notice. The Notice will instruct you as to how you may access and review all of the important information contained in the proxy materials, including by requesting a printed copy of the proxy materials. The Notice also will instruct you as to how you may submit voting instructions for your proxy over the Internet.

In lieu of mailing the Notice, our Board of Directors will mail the complete set of proxy materials to all stockholders of record who are not nominees for the beneficial owners.

SOLICITATION AND VOTING PROCEDURES

Shares represented by valid proxies in the form enclosed, received in time for use at the Annual Meeting and not revoked at or before the Annual Meeting, will be voted at the Annual Meeting, as discussed below. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of the Company's common stock, par value \$.001 per share ("common stock"), is necessary to constitute a quorum at the Annual Meeting. Holders of common stock are entitled to one vote per share on all matters.

Assuming the presence of a quorum, for Proposal No. 1 the affirmative vote of a plurality of the votes cast at the Annual Meeting and entitled to vote is required to elect the directors, and the five nominees who receive the most votes will be elected to the Company's Board of Directors. An affirmative vote of the holders of a majority of the votes cast affirmatively or negatively at the Annual Meeting also is necessary for approval of Proposal No. 2 to ratify the appointment of the Company's independent registered public accounting firm for the fiscal year 2010 audit. All proxies will be voted as specified on the proxy cards or electronic voting instructions submitted by stockholders as long as the proxy is properly submitted in accordance with our voting procedures and is received by us before the close of voting at the Annual Meeting or any adjournment or postponement thereof. If no choice has been specified, a properly executed and timely proxy will be voted for the Board of Directors' five nominees and for Proposal No. 2, which proposals are described in detail elsewhere in this Proxy Statement.

To vote in person, a stockholder must attend the Annual Meeting, and then complete and submit the ballot provided at the meeting. To vote by proxy, a stockholder of record who is not a beneficial owner must mark, sign, and date the accompanying proxy card and mail it to our corporate office. A beneficial owner receiving the Notice may submit proxy voting instructions electronically by using the Internet and logging on to www.proxyvote.com and following the instructions provided on the Notice, and if a beneficial owner requests and reviews the proxy materials in accordance with such instructions, the beneficial owner also may submit voting instructions by calling the toll free telephone number provided on the Notice, the available website, or the proxy card provided for beneficial owners. In addition, a beneficial owner may vote by submitting a properly completed and signed proxy card by mail, or by attending the Annual Meeting and voting in person.

An automated system administered by Broadridge Financial Solutions, Inc. (“Broadridge”) will tabulate stockholder votes by proxy instructions submitted by beneficial owners over the Internet, by telephone, or by proxy cards mailed to Broadridge. We will tabulate stockholder votes submitted by proxies mailed to us by stockholders of record other than beneficial owners. An officer of the Company serving as the inspector of the election will tabulate votes cast in person at the Annual Meeting.

With respect to the tabulation of proxies for purposes of constituting a quorum at the Annual Meeting, abstentions and broker non-votes will be treated as present. Abstentions will not be counted as votes cast at the Annual Meeting with respect to any proposal and will have no effect on the result of the vote. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner (i.e., in “street name”) does not have discretionary voting power with respect to a proposal and has not received instructions from the beneficial owner. Under applicable rules, nominee brokers do not have discretion regarding Proposal No. 1, the election of directors. If the nominee broker properly and timely requests instructions from the beneficial owner and does not receive them, under applicable rules the broker has discretionary authority to vote on certain routine matters such as the ratification of the Company’s independent registered public accounting firm in Proposal No. 2.

The close of business on March 30, 2010 has been fixed as the record date for determining the stockholders entitled to receive notice of and to vote at the Annual Meeting. As of March 30, 2010, the Company had 21,912,211 shares of common stock outstanding and entitled to vote at the Annual Meeting. Holders of common stock outstanding as of the close of business on the record date will be entitled to one vote for each share of common stock held.

The cost of soliciting proxies, including expenses in connection with preparing and mailing this Proxy Statement, will be borne by the Company. In addition, the Company will reimburse brokerage firms and other persons representing beneficial owners of common stock for their expenses in forwarding proxy material to such beneficial owners. Solicitation of proxies by mail may be supplemented by telephone, telegram, telex and other electronic means, and personal solicitation by the directors, officers or employees of the Company. No additional compensation will be paid to directors, officers or employees for such solicitation.

SPECIAL NOTE REGARDING SHARES HELD IN BROKER ACCOUNTS

Recently, the SEC approved the amendment of the New York Stock Exchange rule applicable to voting shares held in brokerage accounts by its member firms with respect voting in elections for directors. Under the amended rule, if you do not vote your shares on Proposal No. 1 (Election of Directors), your brokerage firm can no longer vote them for you, your shares will remain unvoted. Previously, if your broker did not receive instructions from you, he/she was permitted to vote your shares for you in director elections. Therefore, it is very important that you vote your shares for all proposals including the election of directors.

REVOCABILITY OF PROXIES

You can revoke your proxy at any time before the voting at the Annual Meeting by sending a properly signed written notice of your revocation to the Secretary of the Company, by submitting another proxy that is properly signed and bears a later date or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not itself revoke an earlier submitted proxy. You should direct any written notices of revocation, requests for additional copies of the Annual Report and Proxy Statement, and related correspondence to: Mission West Properties, Inc., 10050 Bandle Drive, Cupertino, California 95014, Attention: Corporate Secretary. Requests for additional copies of the Annual Report on Form 10-K for the year ended December 31, 2009 and Proxy Statement may also be made by calling the Company at (408) 725-0700.

CORPORATE GOVERNANCE

Director Independence

The Company's Board of Directors has determined that for all of 2009 Messrs. Hasler, Helzel and Roher were "independent," as defined under Marketplace Rule 5605(a)(2) of the NASDAQ Stock Market (the "NASDAQ") and are independent as of the date of this proxy statement. No director qualifies as independent unless the Board of Directors determines that the director has no direct or indirect material relationship with the Company. On an annual basis, each director and executive officer is obligated to complete a Director and Officer Questionnaire which requires disclosure of any transactions with the Company in which the director or executive officer, or any member of his or her immediate family, have a direct or indirect material interest. The Company also independently reviews the relationship of the Company to any entity for whom one of its directors is an employee or a member of the board of directors. The Board of Directors has determined that all director nominees, other than Messrs. Berg and Marino, are independent in accordance with SEC rules and regulations and the NASDAQ Marketplace Rules. The Board of Directors has concluded that there are no business relationships that are material or that would interfere with the exercise of independent judgment by any of these directors in their service on the Board of Directors or its committees. The Audit Committee and the Compensation Committee are comprised solely of independent directors, and the nomination of directors for election at the Annual Meeting is approved by the Independent Directors Committee.

Code of Business Conduct and Ethics

The Company has adopted a code of business conduct and ethics that applies to all of its directors, officers and employees. The code of ethics is available on the Company's website at www.missionwest.com. If the Company makes any substantive amendments to the code of ethics or grants any waiver, including any implicit waiver, from a provision of the code to the Company's Chief Executive Officer, President and Chief Operating Officer, Vice President of Finance and Controller, or persons performing similar functions, where such amendment or waiver is required to be disclosed under applicable SEC rules, the Company intends to disclose the nature of such amendment or waiver on its website.

Board Leadership Structure and Role in Risk Oversight

Mr. Carl E. Berg has served as Chairman of the Company's Board of Directors and Chief Executive Officer since the Company's formation in September 1997. The Board of Directors believes it is important to select its Chairman and the Company's Chief Executive Officer in the manner it considers in the best interests of the Company at any given point in time. The members of the Board of Directors possess considerable business experience and in-depth knowledge of the issues the Company faces, and are therefore in the best position to evaluate the needs of the Company and how best to organize the Company's leadership structure to meet those needs. The Board of Directors believes that the most effective leadership structure for the Company at this time is for Mr. Berg to serve as both the

Company's Chairman and Chief Executive Officer because it demonstrates that the Company is under strong, unified leadership, with a single person developing and implementing strategic initiatives. Mr. Berg's long tenure with the Company provides a stable leadership that is beneficial to the Company and its stockholders. In particular, the Board of Directors recognizes that, given Mr. Berg's familiarity with the Company's properties and day-to-day operations and his long-standing experience with the Company, it is valuable to have him lead board discussions. The Company does not have a lead independent director. Rather, the three independent directors as a group fulfill the role of reviewing all proposed transactions that involve potential conflicts of interest and proposing matters for consideration or action by management in their capacities as members of the Independent Directors Committee, Audit Committee and Compensation Committee. The Board of Directors and management view this level of independent director involvement as adequate given the nature of the Company and its business. In particular, due to the limited size of the Company's operations and headcount, the well-defined nature of its business and operating results, and the relative infrequency of transactions (other than leases in the ordinary course of business) undertaken by the Company each year, the Company has not required more formal and extensive interaction, and the Board of Directors has not considered it necessary to date.

With respect to the Board of Directors' role in the risk oversight of the Company, the Board of Directors has set forth which transactions may require the prior approval of the Board of Directors or a committee of the Board of Directors and which transactions may proceed with management authorization and without any such Board of Directors prior approval. These cover transactions such as financings, property acquisitions, property dispositions, other investments and general corporate policies. Also, related party transactions are reviewed by the Independent Directors Committee.

Stockholder Communications with the Board of Directors

Stockholders who desire to communicate with the Board of Directors, or to a specific director, may do so by delivering the communication addressed to either the Board of Directors or any director, c/o Mission West Properties, Inc., 10050 Bandley Drive, Cupertino, California 95014. These communications will be delivered to the Board of Directors, or any individual director, as specified.

Annual Meeting Attendance

The Board of Directors encourages each director to attend the Company's annual meetings of stockholders, but attendance is not required. Messrs. Berg, Marino and Roher attended the Company's 2009 annual meeting of stockholders.

Number, Term and Election of Directors

The Company's Bylaws currently provide for a Board of Directors consisting of five directors. Each director serves for a term of one year or until the next annual meeting at which directors are elected and the director's successor is elected and qualified.

Designation of Certain Directors

Under the Company's Articles of Amendment and Restatement, or its Charter, its Bylaws and contracts with the "Berg Group," which consists of Carl E. Berg, Clyde J. Berg, the members of their respective immediate families, and affiliated entities owning limited partnership interests, or O.P. Units, in any of the Company's four operating partnerships, the Berg Group has special rights with respect to meetings of the Board of Directors. A quorum for any meeting requires the presence of Carl E. Berg, or in the event of his death, disability or other event which results in his ceasing to be director, the presence of someone who Mr. Berg has designated to replace him ("Berg Designee"). With written consent from Mr. Berg or the Berg Designee, meetings of the Board of Directors may be held without the presence of either of them. Mr. Berg is obligated to submit a written statement identifying the Berg Designee to the Company from time to time and may amend the statement at his sole discretion. In addition, a majority of the Board of Directors, which must include Mr. Berg or the Berg Designee, is required for approval of any amendment to the Charter or Bylaws and any merger, consolidation or sale of all or substantially all of the Company's assets or those of the Operating Partnerships. These special provisions will remain in effect as long as the Berg Group collectively owns at least 15% of the Company's voting stock computed on a diluted, or "fully diluted," basis taking into account all voting stock issuable upon the exercise of all outstanding warrants, options, convertible securities and other rights to acquire voting stock of the Company, and all O.P. Units exchangeable or redeemable for common stock or other voting stock of ours without regard to any percentage ownership limit set forth in the Charter or Bylaws, or by agreement.

Committees of the Board of Directors and Meetings

The Company's Board of Directors has standing Independent Directors, Audit and Compensation Committees. All three of these committees had the same three members in 2009: William A. Hasler, Lawrence B.

Helzel and Martin S. Roher.

The Independent Directors Committee is responsible for reviewing and acting upon proposed transactions between the Company and members of the Berg Group under the terms of certain agreements between the Company and such Berg Group members. See “Transactions with Related Persons” below. Generally, the meetings of this committee occur at the same time as the Audit Committee meetings, unless a special meeting is required.

The Audit Committee has been established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Audit Committee reviews, acts on and reports to the Board of Directors with respect to various auditing and accounting matters. The Audit Committee has the authority and responsibility to select, evaluate, and where appropriate, replace the Company’s independent registered public accounting firm. The Board of Directors has determined that Mr. Roher, the Chairman of the Audit Committee, and Mr. Hasler each as an "audit committee financial expert" in accordance with applicable SEC rules based upon their prior business experience as described above under “Directors and Executive Officers.” The Audit Committee also approves the scope of the services provided and reviews the annual audit fees to be paid to the Company’s independent registered public accounting firm, the performance of that firm, the audit report of the Company’s consolidated financial statements following completion of the audit and the accounting practices of the Company with respect to internal accounting and financial controls.

The Board of Directors has delegated to the Compensation Committee responsibility for reviewing, recommending and approving its compensation policies and benefits programs, including the compensation of Carl E. Berg, Chairman of the Board and Chief Executive Officer, and the Company's other two executive officers. The Compensation Committee also has the principal responsibility for the administration of the Company's 2004 Equity Incentive Plan (the "2004 Plan"), including approving stock option grants and awards to executive officers.

During 2009, there were four meetings of the Board of Directors, six meetings of the Audit Committee, two meetings of the Independent Directors Committee and one meeting of the Compensation Committee. During that period, each of the Company's directors attended at least 75% of the meetings of the Board of Directors and each of its committees on which he served. The Board of Directors, Audit Committee and Compensation Committee also acted by unanimous written consent periodically during 2009. The Company's policy is that directors should make every effort to attend all meetings of the Board of Directors, as well as the meetings of committees of which they are members. Members may attend such meetings by telephone, if necessary, to mitigate schedule conflicts.

Board of Directors Nominations and Other Stockholder Proposals

The Board of Directors does not believe that a separate nominating committee is necessary because all of the independent directors currently serve on the Independent Directors, Audit and Compensation Committees, and any additional committee of independent directors would consist of the same individuals. The Berg Group has the right to designate two nominees to the Board of Directors under the Company's Charter and Bylaws. Currently, Mr. Berg and Mr. Marino are the two nominees proposed by the Berg Group. The three current independent directors, Messrs. Hasler, Helzel and Roher have been designated by the Board of Directors to review the qualifications of all other candidates for director and to give their recommendations to the entire Board of Directors, which reviews and approves nominations for election to the Board of Directors at the next annual stockholders' meeting. The independent directors will give director candidates proposed by stockholders the same consideration as other proposed candidates.

When there is a need to identify or evaluate a prospective nominee, the Independent Directors Committee is authorized to undertake a careful review process which may involve, among other things, candidate interviews, inquiries of the person or persons recommending the candidate, engagement of an outside firm to gather additional information and/or discussions with management and incumbent directors. In evaluating candidates, including current directors eligible for re-election, the Independent Directors Committee considers various factors that it considers necessary or appropriate, including the size and composition of the Board of Directors and its committees, the needs of the Board of Directors and its committees, the candidate's education, expertise and business experience, the candidate's independence and potential conflicts of interest, the candidate's character and integrity, the candidate's ability to work in a collegial manner with persons of diverse educational, business and cultural backgrounds, and the candidate's existing commitments. Upon completion of its review and evaluation, the Independent Directors Committee makes its recommendations to the Board of Directors regarding the candidate(s). After considering the Independent Directors Committee's recommendations, the Board of Directors determines and approves which candidate(s) shall be nominated for election to the Board of Directors, subject to stockholder approval. The Company does not have a formal policy for the consideration of diversity in identifying nominees for director. However, in addition to the criteria set forth above, the Independent Directors Committee strives to create diversity in perspective, background and experience in the Board of Directors as a whole when identifying and selecting nominees for the Board of Directors.

In general, the Independent Directors Committee will consider candidates for nomination as director who are recommended by the Company's stockholders and will not evaluate such candidates differently than other nominations for director. The submission deadline for next year's annual meeting is set forth under "Stockholder Proposals for 2011 Annual Meeting" elsewhere in this proxy statement. Stockholders may suggest qualified candidates for director by giving timely notice in writing to the Independent Directors Committee at the following address:

Mission West Properties, Inc., 10050 Bandley Drive, Cupertino, CA 95014, Attention: Corporate Secretary, and must include the candidate's name, home and business contact information, detailed biographical data and qualifications and an explanation of the reasons why the stockholder believes this candidate is qualified for service on the Company's Board of Directors. The stockholder must also provide the stockholder's name and address as they appear on the Company's books, the number of shares of Common Stock owned of record and beneficially by the stockholder, and such other information about the candidate that would be required by the SEC rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. The Corporate Secretary will then forward this information to the Independent Directors Committee.

To date, the Company has neither rejected nor received any recommendations for any candidate from any stockholder or group of stockholders owning more than five percent of the Company's common stock.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors was formed in December 1998 and currently is comprised of Messrs. Hasler, Helzel and Roher. None of these individuals were at any time during 2009, or at any other time, an officer or employee of the Company. No executive officer of the Company serves as a member of the compensation committee or board of directors of any other entity that has one or more executive officers serving as a member of the Company's Board of Directors or Compensation Committee.

Compensation of Directors

The Company pays each director who is not an officer or employee of the Company a fee for serving as director. The annual fee is equal to \$25,000 plus \$1,500 for attendance (in person or by telephone) at each meeting of the Board of Directors, and \$500 for attendance at each separate committee meeting. Officers who are also directors do not receive any directors' fees.

Each non-employee member of the Board of Directors who became or becomes a member of the Board of Directors automatically receives a grant of an option to purchase 50,000 shares of common stock at an exercise price equal to 100% of the fair market value of the common stock at the date of grant of such option upon joining the Board of Directors. The options become exercisable cumulatively with respect to 1/48th of the underlying shares on the first day of each month following the date of grant. Generally, the options must be exercised while the optionee remains a director. All of the current directors received such an initial option grant.

Under the 2004 Plan, the Board of Directors may authorize annual option grants or awards to non-employee directors at the Board of Director's discretion as long as the number of shares or equivalent number of underlying shares of common stock, in the case of certain awards, does not exceed 50,000 per year. Such option grants or awards become exercisable cumulatively with respect to 1/48th of the underlying shares on the first day of each month following the date of grant. Generally, stock options must be exercised while the optionee remains a director. In addition, the full Board of Directors, acting through a disinterested majority, may authorize additional shares to a director who performs significant additional tasks, such as chairing a Board of Directors committee, or otherwise provides extraordinary service to the Board of Directors. Under the 2004 Plan, in the event of certain acquisitions representing the transfer of more than 50% of the voting power of the Company's stock, all options and awards to non-employee directors will fully vest upon the completion of the acquisition.

Although the Company considers option grants under the 2004 Plan to be an adequate form of long-term compensation for directors, to provide regular periodic compensation to the Company's independent directors, each of the Company's three non-employee directors has received an award of 45,000 dividend equivalent rights ("DERs"). Each DER represents the right to receive payment of the dividend declared with respect to one share of common stock at the time the Company pays the dividend and continues in effect as to each recipient as long as he continues to serve on the Board of Directors.

The following table sets forth the compensation for each independent director for the year ended December 31, 2009.

COMPENSATION DISCUSSION AND ANALYSIS

The Company's Compensation Discussion and Analysis explains the material elements of the Company's compensation arrangements for its three executive officers, Carl E. Berg, Raymond V. Marino and Wayne N. Pham (the "Named Executive Officers"), for the fiscal year ended December 31, 2009.

The Company's current executive compensation programs are determined and approved by the Compensation Committee of the Board of Directors. The Compensation Committee does not retain or rely on data provided by any independent compensation consultants regarding executive compensation. None of the Named Executive Officers is a member of the Compensation Committee. Mr. Berg, the Company's Chief Executive Officer, recommends to the Compensation Committee the base salary, annual bonus and long-term compensation levels for the other Named Executive Officers. None of the other Named Executive Officers had any role in determining the compensation of any Named Executive Officers in 2009. Although Mr. Berg is a Named Executive Officer, in light of the Berg Group's substantial financial interest in the Company, Mr. Berg never has received, and the Compensation Committee does not expect to pay him, incentive compensation of any kind.

Executive Compensation Program Overview and Objectives

In connection with the Compensation Committee's responsibility of determining the compensation for the Named Executive Officers, the Compensation Committee seeks to:

- attract, reward and retain highly qualified and motivated executives; and
- ensure executive compensation is aligned with the Company's corporate strategies, business objectives and the long-term interests of the Company's stockholders;

Executive Compensation Program Elements

The material elements of the Company's current executive compensation program for the Named Executive Officers, other than Mr. Berg, include the following:

- an annual cash base salary,
- an annual cash incentive bonus opportunity (at the discretion of the Compensation Committee),
 - long-term equity incentive awards,
 - DERs, and
 - 401(k) retirement benefits.

The Company believes that each executive compensation element helps it to achieve one or more of the Company's compensation objectives.

Compensation decisions are approved by the Compensation Committee. The Company does not have a set date or period during the fiscal year as to when compensation decisions are made. The evaluations of the Named Executive Officers, not including Mr. Berg, are solely determined by the Compensation Committee at the recommendation of the Chief Executive Officer. Accordingly, the Compensation Committee makes all compensation decisions when necessary and appropriate during the year.

Base Salary

Each Named Executive Officer receives a base salary. In general, the amount of this salary is intended to provide the executive with a base level of annual income that is not contingent on the Company's performance. However, Mr. Berg's base salary was set in 1998 not long after the Berg Group acquired control of the Company and has not been modified since. Initial base salaries paid to the Company's other executive officers are intended to recognize each individual's scope of responsibilities, past accomplishments, fundamental skills and experience within the industry. The Compensation Committee may give different weight to each of these factors for each executive officer, as it deems appropriate. None of the Company's Named Executive Officers have an employment agreement. The Company's policy is to pay the Named Executive Officers' base salaries in cash. The base salaries are reviewed annually by the Compensation Committee and may be adjusted from time to time, at its discretion, to recognize increases in responsibility, outstanding individual performance and promotions.

Mr. Marino and Mr. Pham's duties and responsibilities remained unchanged from the previous year. They performed those duties as expected by the Board of Directors. The Compensation Committee believes that Mr. Marino and Mr. Pham are fairly compensated based on their level of experience, duties and responsibilities and taking into account their total compensation, including dividend equivalent rights and stock option grants. In addition, upon the Compensation Committee's examination of other publicly traded companies within the real estate investment trust industry similar to the Company, both Mr. Marino and Mr. Pham are reasonably compensated. Following the recommendation of the Company's Chairman and the Independent Directors' knowledge of industry compensation standards and reasonable judgment, the Compensation Committee determined that the base salaries of the Named Executive Officers remain unchanged for 2009. The Compensation Committee's decision was based on several factors, including but not limited to, the Company's operating results, the Named Executive Officers' specific duties and performance during the year, and general economic conditions for the industry and broader economy.

Annual Incentive Bonus

The Company does not have an incentive bonus program or other bonus plan. However, the Compensation Committee may decide to grant bonuses in its discretion for outstanding individual performance and contributions to the Company. No incentive bonus was awarded in 2009.

Long-Term Equity Incentive Awards

The objectives of the Company's long-term incentive compensation program are to:

- reward achievement over a multi-year period,
- align the interests of executives with those of stockholders by focusing executives on the stockholder return performance of the Company, and
 - provide a retention mechanism through multi-year vesting.

The 2004 Plan allows for long-term equity incentive awards to executives and key employees of, and consultants and other service providers to, the Company, its subsidiaries and advisors through grants of stock option rights and other

equity awards, including restricted stock, stock grants, restricted stock units, performance units, other stock-based compensation, including O.P. Units exchangeable for shares of common stock, and dividend equivalent rights. Generally, awards are granted in the form of options to purchase shares of common stock of the Company. The awards align the recipient's interest with the interests of stockholders by providing him with an ownership interest in the Company and a stake in the Company's success. The 2004 Plan is administered by the Compensation Committee, which has the discretion to determine those individuals or entities to whom awards will be granted, the number of shares subject to such rights and awards and other terms and conditions of the grants. Each stock option award has a vesting period that is tied to each employee's continued service to the Company.

Stock Option Grants

The Compensation Committee determines and approves all stock option grants and other equity awards to executive officers and has authorized the Company's Chief Executive Officer to determine stock option grants and other equity awards for all other employees, subject to the Compensation Committee's approval of total share allocations from the 2004 Plan. The Company's policy has been to grant options to purchase shares upon hiring an executive and periodically thereafter as part of the annual performance reviews, presented to the Compensation Committee by Mr. Berg. No options to purchase common stock have ever been granted to Mr. Berg, or any member of the Berg Group, under any compensation arrangement. In determining the initial size of stock option grants, the Compensation Committee considers the executive position with and responsibilities to the Company, potential for increased responsibility and promotion over the option term. In making additional option grants pursuant to performance reviews, the Compensation Committee bases its decision upon a subjective evaluation of the executive officers' performance in meeting the Company's corporate objectives. Generally, each stock option grant allows the executive officer to purchase shares of the Company's common stock at a price per share equal to the market value on the date of grant, but the Compensation Committee has the power to grant options at a lower price if considered appropriate under the circumstances.

Each stock option grant generally becomes exercisable, or vests, in installments over time (typically monthly over four years), or contingent upon the executive's continued employment with the Company. The stock option grants generally expire on the sixth anniversary of the grant date.

The Company has established a policy and procedure on stock option grants that includes the following provisions governing the timing of such grants:

- The Compensation Committee determines and approves all stock option awards;
- The grant date of stock option awards is always the date of the approval of the grants;
 - Management has no control over selecting the date;
- The exercise price of the stock options is equal to fair market value, which under the 2004 Plan is the closing price of a share of common stock on the date of grant on the NASDAQ Stock Exchange;
- The maximum number of shares subject to option grants to an individual during the calendar year cannot exceed 500,000 shares under the 2004 Plan; and
- Stock option awards are promptly reported on Form 4 with the Securities and Exchange Commission for all Named Executive Officers.

The Company grants options infrequently at the Compensation Committee's discretion. The Company does not have a policy providing for the coordination of option grants with the release of material non-public information.

In March 2009, the Compensation Committee approved and granted options to purchase 500,000 shares of common stock to Mr. Marino at an exercise price of \$5.99 per share, which was higher than the closing price of a share of common stock on the date of grant. 175,000 options vested immediately while 100,000 options vest monthly for nine months and 225,000 options vest monthly for 36 months. The options have a term of six years from date of grant. This option grant was approved by the Compensation Committee. The Compensation Committee's decision was based on several factors, including but not limited to, individual performance, the number of expiring and out of the money stock option rights, and a desire to keep the executive officers' performance focused on increasing stockholder value. The Compensation Committee believed that the new option grant would provide a meaningful long term incentive to Mr. Marino in light of the substantial number of options expiring in 2009, and the reduction in the Company's stock price related to the downturn in the general economy and resulting negative impact on the real estate industry. The Compensation Committee had intended to grant these options in 2008, but because the number of shares exceeded the

calendar year maximum provided under the 2004 Plan, it was made in 2009.

Dividend Equivalent Rights

In April 2005, the Compensation Committee approved awards of 80,000 DERs to Mr. Marino and 20,000 DERs to Mr. Pham under the 2004 Plan. Each such DER represents the current right to receive the dividend paid on one share of the Company's common stock when paid by the Company, for as long as the recipient remains employed by the Company. The DERs were awarded to enable these executives to participate in distributions to stockholders without having to exercise their stock options, which may not have significant value in the short run.

The dividend rate declared in 2009 was \$0.65 per share of common stock. Consequently, in 2009, the Company paid \$52,000 and \$13,000 to Messrs. Marino and Pham, respectively, with respect to their DERs.

401(k) Retirement Benefits

The Company provides retirement benefits to all of its Named Executive Officers under the terms of its tax-qualified 401(k) defined contribution retirement plan. Each year the Company makes an automatic matching contribution on behalf of each participant equal to 15% of the participant's compensation, regardless of whether the participant contributes to the plan. The Named Executive Officers participate in the plan on substantially the same terms as the Company's other participating employees.

For 2009, the Company made 401(k) plan contributions in the amounts of \$22,500, \$36,750 and \$22,800 for Messrs. Berg, Marino and Pham, respectively.

Tax Considerations

The Compensation Committee endeavors to award compensation that will be deductible for income tax purposes. Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to publicly-held companies for compensation paid to "covered" executive officers, to the extent that compensation paid to such an officer exceeds \$1 million during the taxable year. None of the compensation paid to the Company's covered executive officers for the year ended December 31, 2009 that would be taken into account in determining a Section 162(m) limitation exceeded the \$1 million limit. The Company's 2004 Plan and awards to executives under that plan have been structured so that any compensation deemed paid to an executive officer in connection with the exercise of options with an exercise price equal to the fair market value the shares on the grant date will qualify as performance-based compensation that will not be subject to the \$1 million limitation. The Compensation Committee does not expect to take any action at this time to modify cash compensation payable to the executive officers that would result in the application of Section 162(m).

Contractual and Other Control Arrangements

Special Board of Directors Voting Provisions. The Charter and Bylaws provide substantial control rights for the Berg Group. These rights include a requirement that Mr. Berg or his designee as director approve certain fundamental corporate actions, including amendments to the Charter and Bylaws and any merger, consolidation or sale of all or substantially all of the Company's assets. In addition, the Bylaws provide that a quorum necessary to hold a valid meeting of the Board of Directors must include Mr. Berg or his designee. The rights described in the two preceding sentences apply only as long as the Berg Group members and their affiliates, other than the Company and the Operating Partnerships, beneficially own, in the aggregate, at least 15% of the outstanding shares of common stock on a fully diluted basis. In addition, directors representing more than 75% of the entire Board of Directors must approve other significant transactions, such as incurring debt above certain amounts, acquiring assets and conducting business other than through the Operating Partnerships.

Board of Directors Representation. The Berg Group members have the right to designate two of the director nominees submitted by the Board of Directors to stockholders for election, as long as the Berg Group members and their affiliates, other than the Company and the Operating Partnerships, beneficially own, in the aggregate, at least 15% of the Company's outstanding shares of common stock on a fully diluted basis. If the fully diluted ownership of the Berg Group members and their affiliates is less than 15% but is at least 10% of the common stock, the Berg Group members have the right to designate one of the director nominees submitted by the Board of Directors to stockholders for election. Its right to designate director nominees affords the Berg Group substantial control and influence over the management and direction of the Company.

Substantial Ownership Interest. The Berg Group currently owns O.P. Units representing approximately 72.1% of the equity interests in the operating partnerships. The O.P. Units may be converted into shares of common stock, subject to limitations set forth in the Charter (including an overall 20% ownership limitation for the Berg Group), and other agreements with the Berg Group. Upon conversion these shares would represent voting control of the Company. The Berg Group's ability to exchange its O.P. Units for common stock permits it to exert substantial influence over the management and direction of the Company.

Limited Partner Approval Rights. Mr. Berg and other limited partners of the Operating Partnerships, including other members of the Berg Group, may restrict the Company's operations and activities through rights provided under the terms of the Amended and Restated Agreement of Limited Partnership which governs each of the Operating Partnerships and the Company's legal relationship to each Operating Partnership as its general partner. Matters requiring approval of the holders of a majority of the O.P. Units, which necessarily would include the Berg Group, include (i) the amendment, modification or termination of any of the Operating Partnership Agreements; (ii) the transfer of any general partnership interest in the Operating Partnerships, including, with certain exceptions, transfers attendant to any merger, consolidation or liquidation of the Company; (iii) the admission of any additional or substitute general partners in the Operating Partnerships; (iv) any other change of control of the Operating Partnerships; (v) a general assignment for the benefit of creditors or the appointment of a custodian, receiver or trustee of any of the assets of the Operating Partnerships; and (vi) the institution of any bankruptcy proceeding for any Operating Partnership.

In addition, as long as the Berg Group members and their affiliates, beneficially own, in the aggregate, at least 15% of the outstanding shares of common stock on a fully diluted basis, the consent of the limited partners holding the right to vote a majority of the total number of O.P. Units outstanding is also required with respect to (i) the sale or other transfer of all or substantially all of the assets of the Operating Partnerships and certain mergers and business combinations resulting in the complete disposition of all O.P. Units; (ii) the issuance of limited partnership interests senior to the O.P. Units as to distributions, assets and voting; and (iii) the liquidation of the Operating Partnerships.

TRANSACTIONS WITH RELATED PERSONS

Property Acquisitions and Financial Transactions between the Company and the Berg Group

In the past, including fiscal year 2009, the Company has entered into agreements and engaged in transactions with Carl E. Berg, the Company's Chief Executive Officer, Chairman and Director, and with other members of the Berg Group. The Company expects to enter into additional agreements and transactions with the Berg Group and Mr. Berg in the future. All such transactions and agreements must be approved for the Company by the Independent Directors Committee, as described above under "Corporate Governance." The Independent Directors Committee is responsible for reviewing, evaluating and authorizing action with respect to any transaction between the Company and any member of the Berg Group.

Formation of the Company. Through a series of transactions in 1997 and 1998, the Company became the vehicle for substantially all of the Silicon Valley R&D property activities of the Berg Group, which includes Mr. Berg, his brother Clyde J. Berg, members of their families and a number of entities in which they have controlling or substantial ownership interests. The Company owns these former Berg Group properties, as well as the rest of its properties, through the Operating Partnerships, of which the Company is the sole general partner. Through various property acquisition agreements with the Berg Group, the Company has the right to purchase, on pre-negotiated terms, R&D and other types of office and light industrial properties that the Berg Group develops in the future in the states of California, Oregon and Washington the details of which are set forth above. Since September 1998, the Company has acquired a total of approximately 3,386,000 million rentable square feet of R&D buildings under the Berg Land Holdings Option Agreement and the Pending Projects Acquisition Agreement (expired). The total cost of these properties was approximately \$510 million. The Company issued a total of 28,510,261 O.P. Units and assumed debt totaling approximately \$232 million to acquire them.

The following transactions with the Berg Group occurred or effected the Company's operations or financial condition in fiscal year 2009:

Related Party Debt. As of December 31, 2009, debt in the amount of approximately \$8.3 million was due the Berg Group under a mortgage note established May 15, 2000 in connection with the acquisition of a 50% interest in Hellyer Avenue Limited Partnership, the obligor under the mortgage note. The mortgage note bears interest at 7.65%, and is due in ten years with principal payments amortized over 20 years. In the fourth quarter of 2008, the Company and the Berg Group agreed to extend the loan maturity date to June 2013. Interest expense incurred in connection with the Berg Group mortgage note was approximately \$0.7 million for the year ended December 31, 2009.

During 2009, the Company issued multiple short-term notes payable to the Berg Group in connection with quarterly dividend distributions. The interest rates on these notes were LIBOR plus 1.75%. The aggregate loan amount totaled approximately \$48.7 million. Of the amount owed, the Company has repaid approximately \$39.4 million to the Berg Group. For the year ended December 31, 2009, interest expense incurred in connection with those short-term notes payable was approximately \$0.1 million.

If the Company is unable to repay its debt to the Berg Group when due, the Berg Group could take action to enforce the Company's payment obligations. Potential actions by the Berg Group to enforce these obligations could result in the foreclosure in one or more of the Company's properties and a reduction in the amount of cash distributions to its stockholders. In turn, if the Company fails to meet the minimum distributions test because of a loan default or another reason, it could lose its REIT classification for federal income tax purposes.

Transfer of Interest to Berg Group in Consolidated Joint Venture. In July 2000, the Hellyer Avenue Limited Partnership ("Hellyer LP") was formally organized as a California limited partnership between Mission West Properties,

L.P. (“MWP”), of which the Company is the managing general partner, and Republic Properties Group (“RPC”), an unaffiliated third party, as a general partner and limited partner. MWP was designated as the managing general partner of Hellyer LP. For a 50% ownership interest in Hellyer LP, RPC agreed to cause Stellex Microwave Systems, Inc. (“Stellex”) to provide a 15-year lease on an approximate 160,000 square foot R&D building to be constructed by Berg & Berg Enterprises, Inc. (“BBE”) on land owned by another Berg Group member.

As part of the transaction, MWP acquired the underlying land pursuant to the Berg Land Holdings Option Agreement for a price of \$5.7 million by issuing 659,223 O.P. Units to the Berg Group entity that owned the property. Further, under the terms of the Hellyer LP partnership agreement MWP then contributed the land to the partnership at an agreed value of \$9.6 million which amount was to be amortized and paid to MWP in the form of income and cash flow preferences. The transaction was reviewed and approved by the Independent Directors Committee.

In connection with the transaction, BBE built and paid for all improvements on the land. The total cost of the R&D building, exclusive of specified tenant improvements obligations, was approximately \$11.4 million. Hellyer LP issued a note for the amount of those construction costs to BBE, which note was secured by the buildings.

Because RPC's interest in Hellyer LP was attributable solely to its commitment to obtain Stellex as a tenant for the property, the partnership agreement provided that if a payment default occurred within the first five years of the Stellex lease, RPC would lose 100% of its interest in the partnership, and if a payment default occurred during the second five year period under the lease, RPC would lose 50% of its interest in Hellyer LP.

Pursuant to RPC's commitment to Hellyer LP, Stellex executed a lease agreement obligating Stellex, among other things, to pay monthly rent starting at \$1.60 per square foot on a triple net basis for 15 years and to reimburse BBE for the tenant improvement obligations, which ultimately totaled approximately \$10.5 million.

Under the lease terms, Stellex was obligated to reimburse BBE in full for the tenant improvement costs no later than August 25, 2000. Several days before the due date, representatives of Stellex met with representatives of the Company and informed them that Stellex could not pay the balance due BBE. Stellex requested the Company immediately to draw down the letter of credit as a result of a default on the tenant improvement payment required under the lease.

On September 1, 2000, MWP, as the general partner of Hellyer LP, ceased all allocations of income and cash flow to RPC and exercised the right under the partnership agreement to cancel RPC's entire interest in the partnership. Following discussions with and approval by the Independent Directors Committee, the Company authorized the transfer of RPC's interest in Hellyer LP to BBE. Under the Berg Land Holdings Option Agreement and the Acquisition Agreement dated as of May 14, 1998, the Independent Directors Committee had the right, but not the obligation, to reacquire the property interest and the related distributions related to the property interest at any time. The transfer was effective as of September 1, 2000.

Stellex filed for bankruptcy protection on September 12, 2000. On November 20, 2000, RPC filed suit in the Circuit Court of Maryland for Baltimore City to recover past distributions and its interest in the Hellyer LP., and the Company counter-sued on behalf of MWP and itself in the Superior Court of California for the County of Santa Clara in February 2001.

In January 2002, Stellex was acquired through its bankruptcy proceeding by a division of Tyco Corporation. In connection with the acquisition of Stellex, the purchaser assumed the lease with Hellyer LP, agreed to comply with all terms of the lease and reimbursed BBE for the tenant improvements, as required under the lease agreement and the Bankruptcy Court order.

Since the inception of Hellyer LP, the Company has accounted for the properties owned by the partnership on a consolidated basis, with reductions for the minority interest held by the minority partner (first RPC and then BBE). In each period, the Company has accrued amounts payable by Hellyer LP to the minority interest partner, including BBE, prior to payment. Through December 31, 2009, accumulated cash flow distributions from Hellyer LP totaling approximately \$6.4 million were accrued, of which \$6.1 million was distributed to BBE, which has been classified on the Company's consolidated balance sheets as an account receivable from BBE with an offsetting account payable to BBE. The Company did not object to that proposed classification.

On November 20, 2000, RPC commenced a lawsuit against MWP in the Circuit Court of Maryland for Baltimore City. After lengthy litigation, which included a trial on the merits and subsequent appeals, in April 2006 Maryland's highest court upheld an earlier Maryland Appeals Court ruling in favor of MWP, finding that the Circuit Court of Maryland could not assert personal jurisdiction over MWP in the RPC suit. The court vacated the judgment and decision in the trial court and dismissed the entire Maryland suit. In February 2001, while the Maryland case was pending, MWP filed a suit against RPC in the Superior Court of the State of California for the County of Santa Clara, Case No. CV 796249. The case was stayed pending resolution of the Maryland case, and the Company dismissed its suit on March 4, 2005. In April 2005, RPC submitted a motion asking the Superior Court to reinstate the case, which the Court granted on May 25, 2005. On July 5, 2006, RPC filed a cross-complaint in the case seeking partnership

distributions to which the Company demurred. The court sustained the Company's demurrer with leave to amend. Subsequently, RPC filed an amended complaint, and the Company submitted another demurrer seeking dismissal of the claims on statute of limitations grounds. On February 20, 2007, the court overruled the Company's demurrer. The Company sought a writ from the California State Court of Appeal for the Sixth District to direct the lower court to reverse its decision, but the petition for the writ was denied. In April 2008, the Company filed a motion for summary judgment in the California Superior Court which was denied. In October 2008, a motion filed by RPC for summary judgment in the California Superior Court was denied. In June 2009, the superior court issued a tentative decision that concluded RPC is a partner in the Hellyer LP. Because RPC's interest in the Hellyer LP was transferred to BBE and past distributions from profits were paid to BBE, the Company accrued approximately \$1.0 million in interest receivable due from BBE. The \$1.0 million interest income accrual was calculated at an interest rate of LIBOR plus 1.25%. In September 2009, the superior court issued a final decision and entry of judgment in favor of RPC. A motion for new trial is pending. In October 2009, the Company deposited with the clerk of the Santa Clara County Superior Court a check in the amount of approximately \$14.0 million. Of this amount, \$9.3 million represents the amount owed to RPC and \$4.7 million represents a deposit to appeal the court's final decision in the litigation.

The Independent Directors Committee of the Board of Directors has exercised the right to acquire on behalf of the Company the former RPC interest and related distributions from Berg & Berg Enterprises, Inc. under the terms of the Berg Land Holdings Option Agreement between the Company and the Berg Group if the litigation is ultimately decided in favor of the Company.

Berg Commitment to Complete Future Improvements and Building in Connection with Certain Acquisitions from the Berg Group under the Berg Land Holdings Option Agreement. The Berg Group has an approximately \$7.5 million commitment to complete an approximately 75,000 to 90,000 rentable square foot building in connection with the Company's 2001 acquisition of 245 Caspian in Sunnyvale, CA, which consisted of approximately three acres of unimproved land zoned for commercial development. The Berg Group plans to satisfy this commitment to construct a building when requested by the Company following the approval of the Independent Directors Committee.

Berg Controlled Entities have Financial Interests in Certain Tenants that Lease Space from the Company. During the year ended December 31, 2009, Carl E. Berg or entities controlled by Mr. Berg held financial interests in several companies that lease space from the operating partnerships, which include companies where Mr. Berg has a greater than 10% ownership interest. These related tenants contributed approximately \$1.1 million in rental revenue for the year ended December 31, 2009.

Leasing and Overhead Reimbursements Provided by Berg Controlled Entity. The Company currently leases office space owned by Berg & Berg Enterprises, Inc., an affiliate of Carl E. Berg and Clyde J. Berg. Rental amounts and overhead reimbursements paid to Berg & Berg Enterprises, Inc. were \$0.1 million for the year ended December 31, 2009.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors, executive officers and persons who own more than 10% of a registered class of the Company's equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of ours. Directors, executive officers and greater than 10% holders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file.

To the Company's knowledge, based solely on review of the copies of the above-mentioned reports furnished to the Company and written representations regarding all reportable transactions, during the fiscal year ended December 31, 2009, all Section 16(a) filing requirements applicable to its directors, officers and greater than ten percent holders were complied with on time.

AUDIT COMMITTEE REPORT

The Board of Directors adopted an amended Audit Committee Charter on April 28, 2004, which sets forth the responsibilities of the Audit Committee. The Company notes, however, that management has primary responsibility for its consolidated financial statements and the overall financial reporting process, including its system of internal controls. Furthermore, the Company's independent registered public accounting firm audits management's assessment of the effectiveness of internal control over financial reporting and the consolidated financial statements prepared by management, expresses an opinion on whether those consolidated financial statements fairly present the financial position, results of operations and cash flows in conformity with accounting principles generally accepted in the United States of America, and discusses with the Audit Committee any issues they believe should be raised with the Company.

The Audit Committee has reviewed and discussed the Company's audited consolidated financial statements for fiscal year 2009 and management's assessment of the effectiveness of internal control over financial reporting with management and the Company's independent registered public accounting firm, Burr Pilger Mayer, Inc. ("BPM"). The Audit Committee has discussed with BPM matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standard, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. BPM has provided to the Audit Committee the written disclosures and letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the audit committee regarding independence, and the Audit Committee has discussed BPM's independence with members of that firm.

Based on the discussions with BPM concerning the audits, the independence discussions, the consolidated financial statements review and such other matters deemed relevant and appropriate by the Audit Committee, the Company recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2009 be included in its 2009 Annual Report on Form 10-K filed with the SEC.

The Audit Committee of the Board of Directors:

William A. Hasler
Lawrence B. Helzel
Martin S. Roher, Chairman

The Audit Committee Report is not deemed "filed" with the SEC and is not incorporated by reference into the Company's Annual Report on Form 10-K.

In the event that stockholders fail to ratify the appointment, the Audit Committee will reconsider its selection. The Audit Committee requires the independent accountants to submit a detailed proposal and budget for each engagement prior to the commencement of the engagement.
