# Edgar Filing: HARSCO CORP - Form 8-K

## ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On November 23, 2005, Harsco Corporation (the Company) executed a new U.S.-based, five-year, \$450 million revolving credit facility with a syndicate of banks. The credit facility also allows for the Company to increase the facility size to \$600 million under certain conditions. The new credit facility, which matures in November 2010, will serve as backup to the Company's investment-grade commercial paper programs. Interest on any outstanding borrowings will be based upon the London Interbank Offered Rate (LIBOR) plus a margin. This new facility replaces the existing \$350 million revolving credit facility that would have matured in August 2007. The increase in the facility will provide increased financial flexibility for potential growth-related investments and for general corporate requirements.

The new credit facility includes the usual and customary terms of default that are outlined in Article VII of the credit facility. A copy of the credit facility is attached hereto and incorporated by reference herein as Exhibit 10.
