5 security purchases and 5 security sales or maturities for the period from May 31, 2007 through June 30, 2007, to the books and records of the Funds noting that they had been accurately recorded and subsequently settled;

Review of Mellon Global Securities Services Report on Controls Placed in Operation and Tests of Operating Effectiveness ("SAS 70 Report") for the period from January 1, 2006 through December 31, 2006 and noted no negative findings were reported in the areas of Asset Custody and Control.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with specified requirements.

In our opinion, management's assertion that Dreyfus Strategic Municipals, Inc. complied with the requirements of subsections (b) and (c) of Rule 17f-2 of the Investment Company Act of 1940 as of June 30, 2007 with respect to securities and similar investments reflected in the investment account of the Company is fairly stated, in all material respects.
