Item 7.01 Regulation FD Disclosure

On July 23, 2007, our company issued a news release announcing that material progress has been achieved over the last 45 days to bring our Coos Bay Coal Bed Methane natural gas project into commercial production. These milestones include: third party reservoir modeling which lends further credibility to internal field potential calculations, the completion of successful testing for a waster water disposal plan and completion of initial design work for the gathering system to serve the first five Westport wells.
