INTERNET BUSINESS'S INTERNATIONAL, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

1. Basis of Presentation

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ materially from those estimates. The unaudited consolidated financial statements of the Company include the accounts of all of its wholly or majority owned subsidiaries. All intercompany accounts or transactions have been eliminated.

The unaudited consolidated financial statements at December 31, 2000 and for the three and six months ended December 31, 2000 and 1999 are unaudited, but include all normal recurring adjustments and accruals which are necessary to fairly state the Company's consolidated financial position, results of operations and cash flows for the periods presented. Operating results for the three and six months ended December 31, 2000 and 1999 are not necessarily indicative of results that may be expected for any future periods. The consolidated balance sheet at June 30, 2000 has been derived from the audited consolidated financial statements at that date but does not include all of the information and footnotes required by accounting principles generally accepted in the United States for complete financial statements.

The information included in this report should be read in conjunction with the Company's audited consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2000.

2. Acquisitions

First Quarter of Fiscal Year June 30, 2001

PMCC Financial Corp.

On July 28, 2000, the Company entered into an agreement with PMCC Financial Corp. ("PMCC"), a full-service mortgage banking company, whereby the Company would purchase 2,460,000 shares of PMCC common stock from PMCC's former chairman of the board, which represents 66.36% of the 3,707,000 total PMCC shares outstanding. The aggregate purchase price of \$3,198,000 is to be paid in cash to the seller by the Company as follows: \$700,000 at date of closing; \$306,857 for each of the seven installment payments to be paid on the 30th, 60th, 90th, 120th, 150th, 180th and 210th days following the close; \$175,000 on each of the 240th and 270th day after the date of the closing. Shares of PMCC will be released to the Company based on payments made by the Company, as outlined in the agreement. Shares of PMCC, a listed AMEX company, are currently not trading. In the event that three months after closing, if PMCC's shares are not actively trading on the AMEX or NASDQ exchanges and the Company has not merged PMCC with the Company or any of the Company's subsidiaries, the purchase price

Edgar Filing: INTERNET BUSINESS INTERNATIONAL INC - Form 10-Q

shall be reduced by the amount of the final two \$175,000 payments. As of September 30, 2000, the Company has paid approximately \$1,043,000, representing the payment due at closing and the 1st installment, and has received 269,230 shares of PMCC, representing approximately 7% of the total outstanding stock of PMCC.

Also on July 28, 2000, in a separate transaction, the Company entered into a stock purchase agreement with an unrelated individual whereby the Company would sell up to 370,000 of PMCC shares that the Company either owns or will eventually own, for total consideration of \$1,387,500. Shares of PMCC stock sold by the Company will be released to the buyer in proportion to payments received.

As of December 31, 2000, the Company received payments of \$559,812 and the Company released 149,283 shares of PMCC stock that it owned. If PMCC is not actively trading within six months of the agreement, the Company will issue to the Buyer the equivalent number of shares of stock of the Company. PMCC has been actively trading as of January 19, 2001, and the gain on the sale of the PMCC stock of \$410,529 has been included in revenues for the period ending December 31, 2000.

As of February 12, 2001, the former Chairman of the Board of PMCC and the Company have yet to reach agreement on the renegotiated purchase price for the stock that is being acquired by the Company.

In January 2001, the PMCC was delisted from the American Stock Exchange and began trading on the Pink Sheets under the symbol of "PMCF"; this met the trading requirement as per the stock sale agreement the Company had entered into with an unrelated individual during the first quarter of this fiscal year.

International Business Co., Inc.

On August 11, 2000, the Company entered into an agreement to acquire all of the outstanding shares of International Business Co. ("IBC"), a software developer that streamlines B2B e-commerce, in exchange for 2,000,000 shares of restricted Company shares to be held in escrow, with 1,000,000 restricted company shares released to the seller on August 11, 2001 and the remaining 1,000,000 shares released on April 11, 2002. Between September 1, 2000 through March 1, 2001, the Company can unilaterally cancel the contract if dissatisfied with the seller's performance. As of September 30, 2000, the Company has not completed its acquisition of IBC and has advanced monies to IBC totaling \$18,500.

As of December 31, 2000 the Company has not completed the acquisition of IBC, which is not schedule to close until the end of January 31, 2001.

Second Quarter of Fiscal Year ending June 30, 2001

SonicAuction.com

On October 5, 2000, the Company entered into a Stock Purchase Agreement to acquire all of the outstanding stock of SonicAuction.com, a business-to-business auction marketplace that provides a forum for business merchants to purchase equipment and

Edgar Filing: INTERNET BUSINESS INTERNATIONAL INC - Form 10-Q

merchandise. The agreement calls for the Company to issue to the Seller 500,000 shares of Company stock (with certain restrictions as set forth in the agreement), in exchange for all of the outstanding and treasury shares of common stock of SonicAuction.com.

Auction-Sales.com

On October 20, 2000, the Company entered into a Stock Purchase Agreement ("Agreement") with Auction-Sales.Com, Inc. and its majority shareholder, Zahid Rafiq (collectively, "Seller"), for the purchase by the Company of 96.62% of the outstanding and treasury shares of common stock ("Shares") of Auction-Sales.Com, Inc., a leading edge e-commerce dynamic pricing application service provider and has developed a proprietary state of the art hybrid auction platform that address the combined needs of the B2C, B2B and C2C markets. In exchange for the Shares, the Company will pay, under the terms of the agreement, the following: (a) 11,000,000 shares of Company's restricted common stock to Seller for all of Seller's Shares, as follows: (i) 5,500,000 restricted shares will be issued to the Seller's current shareholders, as defined (ii) 2,500,000 restricted shares will be paid to certain creditors of the Seller. Seller represents that all of these creditors are unsecured.

Seller shall procure signed consents from each creditor confirming the agreement to accept restricted shares in proportion to their claims within 60 days of closing of the transaction. Failure to procure signed consents will justify rescission of this Agreement at the option of the Company, such that each party shall restore to the other the consideration which each placed into the Agreement. (iii) 3,000,000 restricted shares of the purchase price will be paid to outside consultants for work performed for facilitating the transaction (b) Earn out for the "Seller": The Seller shall be paid up to an additional \$3,000,000 based upon earnings over the next 3 years through additional restricted stock. The earn out will be based on a 10% growth per year over the previous years' revenue. The \$3,000,000 will be distributed equally over the subsequent 3 year i.e. \$1,000,000 per year, and can be cumulative. This earn out is further defined as follows: (i) The initial base Year ends on 9-30-00. The subsequent year base will be the previous revenue (ii) The stock will be issued per quarter upon reaching the Goal per quarter for that portion of the annualized growth of 10% over the previous year. The Company may invest up to \$2,000,000 in Auction-Sales.Com, Inc., at a rate not to exceed \$500,000 per quarter, based on performance on Auction-Sales.Com as a function of gross revenues and based on a budget, which is pre-approved by Company.

As of December 31, 2000 the acquisition was rescinded and the necessary filings with the SEC were filed in January 2001.

3. Net Loss Per Share

Basic net loss per shares has been computed by dividing net loss by the weighted average number of shares outstanding during the period. Diluted net loss per share is computed by adjusting the weighted average number of shares outstanding during the period for all potentially dilutive shares outstanding during the period. Net loss and weighted average shares outstanding used for computing diluted loss per share were the same as that used for

Edgar Filing: INTERNET BUSINESS INTERNATIONAL INC - Form 10-Q

computing basic loss per share for the three and six months ended December 31, 2000 and 1999.

4. Segment Information

Management has determined that there are four reportable segments based on the customers served by each segment: Full service internet service provider (ISP), mortgage banking business, and e-commerce ("B2BC") business-to-business and or to-consumer provider and marketing ("B2B") business-to-business and ("B2C") business-to-consumer. Such determination was based on the level at which executive management reviews the results of operations in order to make decisions regarding performance assessment and resource allocation.

Certain general expenses related to advertising and marketing, information systems, finance and administrative groups are not allocated to the operating segments and are included in "other" in the reconciliation of operating income reported below. Information on reportable segments is as follows:

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS.

The following discussion should be read in conjunction with the financial statements of the Registrant and notes thereto contained elsewhere in this report.

Results of Operations.

Revenues for the three-month period ended December 31, 2000 of \$6,539,850 increased 121% when compared with revenues of \$540,102 in the prior year comparable period of the fourth calendar quarter of 1999. Revenues for the six-month period ended December 31, 2000 of \$13,439,787 increased 162% when compared to the revenues of 835,548 for the comparable period ended December 31, 1999.

The gross profits margin of 21.9% for the three months ended and 17.7% for six months December 31, 2000 is a decrease from the gross profit margin of 36.9 % for the same three-month period and 30.1% for the same six-month period of the previous fiscal year. Current fiscal margins for the second quarter of this fiscal year are reflective of the acquisitions made by the company and its related increase in overhead. The Company for the three months ended December 31, 2000 posted a net profit for the quarter of \$129,623.

Selling, general, and administrative expenses for the six months ended December 31, 2000 increased to \$3,420,286 which is a significant increase when compared with the \$ 406,033 for the prior years comparable period. This increase is again due to the acquisitions made during the last 12 months.

The resulting net loss for the six months ended December 31, 2000 was \$737,146, which is a significant change when compared with a profit of \$24,565 for same period ending December 31, 1999. \$394,689 of the loss represents "Depreciation and Amortization". The net loss of \$732,264 for the six months ended December 31, 2000 is an improvement over the net loss for the three months ended September 30, 2000 of \$861,887 by \$126,623.

The most significant change the made during this quarter was to reduce cost of revenues by \$956,545 over the previous quarter with only an over all reduction in sales of \$360,087.

Liquidity and Capital Resources.

Net cash provided by the operations of the Registrant was \$358,856 for the three months ended December 31, 2000 versus net cash provided by operating activities of \$4,059 in the comparable prior year period.

Capital Expenditures.

Other than as follows, no material capital expenditures were made during the two quarters ended on December 31, 2000: purchase of infrastructure equipment totaling \$467,248.

Acquisitions

Edgar Filing: INTERNET BUSINESS INTERNATIONAL INC - Form 10-Q

On July 28, 2000, the Registrant entered into an agreement with PMCC Financial Corp. ("PMCC"), a full-service mortgage banking company, whereby the Registrant would purchase 2,460,000 shares of PMCC common stock from PMCC's former chairman of the board, which represents 66.36% of the 3,707,000 total PMCC shares outstanding (see Exhibit 10.11 to this Form 10-Q). The aggregate purchase price of \$3,198,000 is to be paid in cash to the seller by the Registrant as follows: \$700,000 at date of closing; \$306,857 for each of the seven installment payments to be paid on the 30th, 60th, 90th, 120th, 150th, 180th and 210th days following the close; \$175,000 on each of the 240th and 270th day after the date of the closing. Shares of PMCC will be released to the Registrant based on payments made by the Registrant, as outlined in the agreement. Shares of PMCC, a listed AMEX company, are currently not trading. In the event that three months after closing, if PMCC's shares are not actively trading on the AMEX or NASDQ exchanges and the Registrant has not merged PMCC with the Registrant or any of the Registrant's subsidiaries, the purchase price shall be reduced by the amount of the final two \$175,000 payments. The Registrant is currently renegotiating the terms of this transaction.

Also on July 28, 2000, in a separate transaction, the Registrant entered into a stock sales agreement with an unrelated individual whereby the Registrant would sell up to 370,000 of PMCC shares that the Registrant either owns or will eventually own, for total consideration of \$1,387,500 (see Exhibit 10.12 to this Form 10-Q). If PMCC shares are not actively trading within six months of the agreement, the Registrant will issue to the Buyer the equivalent number of shares of stock of the Registrant. Management has represented that PMCC will become actively trading within the six-month period, and the Registrant has recognized a gain on the sale of the PMCC stock of \$308,413 during the three months ended September 30, 2000.

Edgar Filing: INTERNET BUSINESS INTERNATIONAL INC - Form 10-Q

Auction-Sales.Com is an e-commerce pricing application service provider. Auction-Sales.Com has developed a proprietary state of the art hybrid auction platform that address the combined needs of the B2C, B2B and C2C markets. This is accomplished by providing a single integrated marketplace and portal technology that empowers all parties, including manufacturers, distributors, resellers and consumers. The Auction-Sales.Com platform provides supply chain integration and economies of scale in connection with dynamic pricing application targeting businesses and /or consumers.

This acquisition was rescinded in December 2000. The site was retained until the funds invested into Auction-Sales.Com are returned which at this time management has very low expectations of occurring.

Other Agreement - Washington State Hotel and Motel Association.

The agreement, entered into in the ordinary course of business, with the Washington State Hotel and Motel Association, dated October 4, 2000, provides the use of the GGPP reverse auction site as a platform for hotel association members purchasing products needed for their different hotel properties. This method of purchasing allows the suppliers of products the chance to sell products to the buyers in competition with one another, the net effect is that the buyers would select the supplier with the lowest per unit cost. This reduces the cost of supplies and thereby should increase their potential of profit. This agreement covers the modification of the GGPP website for use by the Association, and does not involve any payment by the Registrant.
