On January 28, 2002, International Bancshares Corporation ( IBC ) issued a news release announcing that its board of directors authorized IBC to expand its stock repurchase program. IBC is now authorized to repurchase up to \$80 million of its common stock through December 2002, compared to the prior authorization of \$60 million through December 2002. Stock repurchases may be made from time to time, on the open market or through private transactions. Shares repurchased in this program will be held in treasury for reissue for various corporate purposes, including employee stock option plans. As of January 25, 2002, a total of 1,334,034 shares had been repurchased under this program at a total cost of approximately \$54 million, which shares are now reflected as 1,711,070 shares of treasury stock as adjusted for stock dividends. The Company currently has invested approximately \$75 million in treasury shares, which amount has been accumulated since the inception of the Company.
