ELECTION OF DIRECTORS

ITEM NO. 1: TO ELECT SEVEN INDIVIDUALS TO SERVE AS DIRECTORS TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF STOCKHOLDERS AND UNTIL THEIR SUCCESSORS ARE ELECTED AND QUALIFY.

Our Board of Directors consists of seven individuals. A majority of these individuals must be Independent Directors which means that the individual:

is not affiliated and has not been affiliated within the two years prior to becoming an Independent Director, directly or indirectly, with us, Inland Real Estate Investment Corporation (IREIC or our Sponsor), or Inland Western Retail Real Estate Advisory Services, Inc. (our Business Manager/Advisor) whether by ownership of, ownership interest in, employment by, any material business or professional relationship with, or as an officer or director of IWRRETI, our Sponsor, our Business Manager/Advisor or any of their affiliates; and

We currently have five Independent Directors, all of whom are nominees for reelection as Independent Directors. Our other two directors are considered Affiliated Directors because they are affiliated with our Sponsor, our Business Manager/Advisor or their affiliates.

Accordingly, the term of office of each of our current directors will expire at the 2005 Annual Meeting of Stockholders. At that meeting each current director will be nominated to stand for reelection as a director to hold office until our Annual Meeting of Stockholders to be held in 2006 and until his successor is elected and qualifies. We have no reason to believe that any of the nominees will be unable or unwilling to serve if elected. However, should any nominee be unable or unwilling to accept the office of director, and if the Board shall designate a substitute nominee, the persons named as proxies will vote for the election of the substitute nominee designated by the Board, and if none, for such other persons as they shall determine. ITS NOMINEES FOR ELECTION AS DIRECTORS

TO SERVE UNTIL THE NEXT ANNUAL MEETING OF STOCKHOLDERS

AND UNTIL THEIR SUCCESSORS ARE ELECTED AND QUALIFY.

VOTE REQUIRED

The vote of a majority of the shares of stock of the Company entitled to vote, present in person or by proxy at a meeting at which a quorum is present, is necessary for the election of a director. There are no cumulative voting rights in the election of directors. For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the vote, although, as mentioned, they will count toward the presence of a quorum.

BOARD MEETINGS IN 2004 Our Board met 20 times during 2004. Each director attended more than 75% of the total number of meetings of the Board and the Committee on which he served. We do not have a policy with regard to Board members' attendance at annual meetings. However, each director attended the 2004 Annual Meeting.

COMMITTEES OF THE BOARD OF DIRECTORS Our bylaws provide that our Board may establish such committees as the Board believes appropriate. The Board will appoint the members of the committee in the Board's discretion. Our bylaws require that a majority of the members of each committee of our Board is to be comprised of independent directors.

Our Board has established an Audit Committee comprised of Messrs. Catalano, Beard and Gauvreau. Mr. Gauvreau serves as the chair of the Audit Committee and qualifies as our financial expert under the rules of the Securities and Exchange Commission. These three directors are independent in accordance with the National Association of Securities Dealers' listing standards and under the Sarbanes-Oxley Act. The Board has adopted a written charter for the Audit Committee which was included as an exhibit to our proxy statement for the 2004 Annual Meeting.

The Audit Committee is responsible for the engagement of our independent registered public accounting firm, reviewing the plans and results of the audit engagement with our independent registered public accounting firm, approving services performed by and the independence of our independent registered public accounting firm, considering the range of audit and non-audit fees, and consulting with our independent registered public accounting firm regarding the adequacy of our internal accounting controls. This committee met eight times during 2004.

Our Board may establish an executive committee consisting of three directors, including two independent directors. The executive committee would likely exercise all powers of the Board in the management of the business and affairs of our company, except for those which require actions by all of the directors or by the independent directors under our articles of incorporation or bylaws or under applicable law.

Our Board may establish a management disclosure committee to assist in reviewing our disclosures, controls and procedures. The committee may include our directors and directors and officers of our Business Manager/Advisor.

Our Board may establish an executive compensation committee consisting of three directors, including two independent directors, to establish compensation policies and programs for our executive officers. The executive compensation committee will exercise all powers of our Board in connection with establishing and implementing compensation matters, including incentive compensation and benefit plans.

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

Although we do not have a standing nominating committee or compensation committee of the Board of Directors, the Board of Directors itself serves in those capacities.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

There is no compensation committee. The Board of Directors has been responsible for all compensation decisions. As we have no employees, there are no compensation decisions to be made by the Board of Directors.

NOMINATING COMMITTEE

Our Board of Directors does not currently have a nominating committee. Rather, each member of our Board of Directors participates in the process of identifying and considering individuals for Board membership. Our Board of Directors believes its current process is effective since the current members of the Board of Directors are seasoned executives from a variety of backgrounds. Each member of our Board of Directors satisfies the independence requirements under the National Association of Securities Dealers' listing standards and the Sarbanes-Oxley Act, other than Mr. Parks and Mrs. Gujral.

The Board of Directors will consider for recommendation to the Board nominations made by stockholders that comply with the procedures described below under the caption "Advance Notice Procedures for Making Director Nominations and Stockholder Proposals."

Once our Board of Directors has identified a possible nominee (whether through a recommendation from a shareholder or otherwise), the independent members of the Board of Directors make an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on the information provided to the Board of Directors when the candidate is recommended, the Board's own knowledge of the prospective candidate and information, if any, obtained by the Board's inquiries. The preliminary determination is based primarily on the need for additional Board members to fill vacancies, expand the size of the Board of Directors or obtain representation in market areas without Board representation and the likelihood that the candidate can satisfy the evaluation factors described below. If the independent members of the Board of Directors determines that additional consideration is warranted, it may gather additional information about the candidate's background and experience. The independent members of the Board of Directors then evaluate the prospective nominee against the following standards and qualifications:

Achievement, experience and independence;

Wisdom, integrity and judgment;

Understanding of the business environment; and

Willingness to devote adequate time to Board duties.

The independent members of the Board of Directors also consider such other relevant factors as they deem appropriate, including the current composition of the Board, the need for audit committee or other expertise and the evaluations of other candidates. In connection with this evaluation, the independent members of the Board of Directors determine whether to interview the candidate. If the independent members of the Board of Directors decide that an interview is warranted, one or more of those members, and others as appropriate, interviews the candidate in person or by telephone. After completing this evaluation and interview, the independent members of the Board of Directors make a recommendation to the full Board of Directors as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the independent members of the Board of Directors.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of three directors, each of whom is independent as defined by the National Association of Securities Dealers' listing standards and the Sarbanes-Oxley Act. The Audit Committee operates under a written charter approved by the Board of Directors. A copy of the charter was attached as an exhibit to our proxy statement for our 2004 Annual Meeting.

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

Management is responsible for the Company's internal controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and an audit of the effectiveness of the Company's internal control over financial reporting as of December 31, 2004, in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the December 31, 2004 financial statements and management's assessment of the effectiveness of internal control over financial reporting. The Audit Committee also discussed with the independent registered public accounting firm the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee also received written disclosures and the letters from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independent Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the representations of management and the independent registered public

accounting firm, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, filed with the Securities and Exchange Commission.

INDEPENDENT DIRECTOR STOCK OPTION PLAN

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

We have an Independent Director Stock Option Plan under which non-employee directors, as defined under Rule 16b-3 of the Securities Exchange Act of 1934, are eligible to participate.

We have authorized and reserved a total of 75,000 shares of our common stock for issuance under our Independent Director Stock Option Plan. The number and type of shares which could be issued under the plan may be adjusted if we are the surviving entity after a reorganization or merger or if our stock splits, is consolidated or we are recapitalized. If this occurs, the exercise price of the options will be correspondingly adjusted.

The Independent Director Stock Option Plan provides for the grant of non-qualified stock options to purchase 3,000 shares to each Independent Director upon his or her appointment if they meet the conditions in the plan. The plan also provides for subsequent grants of options to purchase 500 shares on the date of each annual stockholder's meeting to each Independent Director then in office. However, options may not be granted at any time when the grant, along with the grants to be made at the same time to other Independent Directors, would exceed 10% of our issued and outstanding shares. We have granted options to purchase 3,500 shares at \$8.95 per share to each of our five Independent Directors. The option price for subsequent options will be equal to the fair market value of a share on the last business day preceding the annual meeting of stockholders. The option price was fixed at \$8.95 per share until the termination of our initial public offering of common

stock which occurred in March 2005. Currently, the option price will be the fair market value of our common stock on the date of grant, as determined in accordance with the Independent Director Stock Option Plan.

One-third of the options granted following an individual initially becoming an Independent Director are exercisable beginning on the date of their grant, one-third will first become exercisable on the first anniversary of the date of their grant, and the remaining one-third will first become exercisable on the second anniversary of the date of their grant. All other options granted under the Independent Director Stock Option Plan will become fully exercisable on the second anniversary of their date of grant.

Options granted under the Independent Director Stock Option Plan are exercisable until the first to occur of

the tenth anniversary of the date of grant,

the removal for cause of the Independent Director as an Independent Director, or

three months following the date the Independent Director ceases to be an Independent Director for any other reason except death or disability.

The options may be exercised by payment of cash or through the delivery of common stock. They are generally exercisable in the case of death or disability for a period of one year after death or the disabling event, provided that the death or disabling event occurs while the person is an Independent Director. However, if the option is exercised within the first six months after it becomes exercisable, any shares issued pursuant to such exercise may not be sold until the six month anniversary of the date of the grant of the option. Notwithstanding any other provisions of the Independent Director stock option plan to the contrary, no option issued pursuant thereto may be exercised if such exercise would jeopardize our status as a REIT under the Internal Revenue Code.

No option may be sold, pledged, assigned or transferred by an Independent Director in any manner otherwise than by will or by the laws of descent or distribution.

Upon our dissolution, liquidation, reorganization, merger or consolidation as a result of which we are not the surviving corporation, or upon sale of all or substantially all of our property, the Independent Director Stock Option Plan will terminate, and any outstanding unexercised options will terminate and be forfeited. However, holders of options may exercise any options that are otherwise exercisable immediately prior to the dissolution, liquidation, consolidation or merger. Additionally, our Board may provide for any or all of the following alternatives:

for the assumption by the successor corporation of the options previously granted or the substitution by the corporation for the options covering the stock of the successor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and exercise prices;

for the continuance of the Independent Director Stock Option Plan by such successor corporation in which event the Independent Director Stock Option Plan and the options will continue in the manner and under the terms so provided; or

for the payment in cash or common stock in lieu of and in complete satisfaction of the options.

EXECUTIVE COMPENSATION

We have no employees and our executive officers will not receive any compensation from us for their services as such officers. Our executive officers are officers of one or more of the Inland Affiliated Companies, and are compensated by those entities, in part, for their services rendered to us. We pay our Business Manager/Advisor and its affiliates (which are Inland Affiliated Companies) certain compensation in exchange for services they provide to us. Such compensation is described below under Certain Relationships and Related Transactions.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have entered into agreements to pay our Business Manager/Advisor and its affiliates certain fees or other compensation for providing services to us. The compensation arrangements between us and our Business Manager/Advisor, Inland and its affiliates, were not determined by arm's-length negotiations. The following table discloses the compensation which we may pay our Business Manager/Advisor and its affiliates, each of which is an Inland Affiliated Company. In those instances in which there are maximum amounts or ceilings on the compensation which may be received, our Business Manager/Advisor and its affiliates may not recover any excess amounts for those services by reclassifying them under a different compensation or fee category.

We define net income as total revenues less expenses other than additions to reserves for depreciation or bad debts or other similar non-cash reserves. When we use the term "net income" for purposes of calculating some expenses and fees, it excludes the gain from the sale of our assets. This definition of net income is prescribed by the Statement of Policy Regarding REITs adopted by the North American Securities Administrators Association, Inc., or NASAA; but it is not in accordance with generally accepted accounting principles in the United States, because depreciation and other non-cash reserves are not deducted in determining net income under the NASAA REIT Statement. Excluding depreciation will result in not reimbursing our Business Manager/Advisor for a non-cash expenditure and not excluding the gain from the sale of our assets could result in greater net income on which the 25% reimbursement to our Business Manager/Advisor is allowed.

Nonsubordinated Payments

The following aggregate amounts of compensation, allowances and fees we may pay to our Business Manager/Advisor and its affiliates are not subordinated to the returns on net investments that we are required to pay to our shareholders.

Type of compensation and recipient	Method of compensation	Estimated maximum dollar amount
Selling commissions payable to the Managing Dealer and dealers designated by the Managing Dealers referred to as soliciting dealers.	<i>Offering Stage</i>	Through December 31, 2004, we have incurred \$151,030,637 in selling commissions in connection with our initial public offering. We intend to sell 250,000,000 shares of our common stock at \$10.00 per share in our initial public offering. The actual amount we will incur in our current offering depends upon the amount of shares sold. A total of \$187,500,000 in selling commissions will be paid if the maximum current offering is sold and there are no special sales.
	We will pay a selling commission of 7.5% of the sale price for each share (and reallow 7%), subject to reduction for special sales under certain circumstances.	
	We will permit the Managing Dealer and its respective officers and employees and certain of its affiliates to purchase shares net of sales commissions and the marketing allowance and due diligence expense allowance or for \$8.95 per share; however, any subsequent purchases of shares by any such persons are limited to a maximum discount of 5%.	
	Also, soliciting dealers and their respective officers and employees and certain of their respective	

affiliates who request and are entitled to purchase shares net of selling commissions may make an initial purchase of shares net of sales commissions or for \$9.30 per share; however, any subsequent purchases of shares by any such persons are limited to a maximum discount of 5%.

Type of compensation and recipient	Method of compensation	Estimated maximum dollar amount																														
Marketing allowance and due diligence expense allowance paid to the Managing Dealer and soliciting dealers.	We will pay an amount equal to 2.5% of the gross offering proceeds to the Managing Dealer, all or a portion of which may be passed on to soliciting dealers, in lieu of reimbursement of specific expenses associated with marketing. We may pay an additional 0.5% of the gross offering proceeds to the Managing Dealer, which may be passed on to the soliciting dealers, for due diligence expenses. We will not pay the marketing allowance and due diligence expense allowance in connection with any special sales, except those receiving volume discounts and certain others.	Through December 31, 2004, we have incurred \$74,745,629 in marketing allowance and due diligence expense allowance in connection with our initial public offering. The actual amount of marketing allowance and due diligence expense allowance in connection with our current offering will depend on the number of shares sold. If there are no special sales and we sell the maximum number of shares offered, approximately \$75,000,000 will be paid for the marketing allowance and the due diligence expense allowance.																														
Reimbursable expenses and other expenses of issuance and distribution	We expect to incur the following expenses in connection with our current offering:	All amounts other than the Securities and Exchange Commission registration fee and the NASD filing fee are estimates. The actual amounts of these expenses cannot be determined at the present time. We estimate the total amount of the issuance and distribution expenses to be approximately \$13,307,323. Through December 31, 2004, we have incurred \$1,273,839 of reimbursable expenses to our Business Manager/Advisor in connection with our initial public offering. In addition, as of December 31, 2003, our Business Manager/Advisor had advanced an aggregate of approximately \$1,763,306 for the payment of offering expenses to non-affiliated third parties in connection with our initial public offering, all of which has been repaid.

Acquisition expenses paid to our Business Manager/Advisor s affiliates, Inland Real Estate Acquisitions, Inc. and The Inland Real Estate Group, Inc.	<p style="text-align: center;"><i>Acquisition Stage</i></p> <p>We will pay an amount, estimated to be up to 0.5% of the total of (1) the gross offering proceeds from the sale of 250,000,000 shares, (2) the gross proceeds from the sale of up to 20,000,000 shares pursuant to the distribution reinvestment programs. The acquisition expenses for any particular property will not exceed 6% of the gross purchase price of the property.</p> <p>However, if we request additional services, the compensation will be provided on separate agreed-upon terms and the rate will be approved by a majority of disinterested directors, including a majority of the disinterested Independent Directors, as fair and reasonable for us.</p>	We may pay no more than \$13,450,000 for the reimbursement of acquisition expenses if the maximum number of shares are sold and all of the 20,000,000 shares are sold pursuant to the distribution reinvestment program. However, the actual amounts cannot be determined at the present time.
Interest expenses paid to our Business Manager/Advisor and Inland Mortgage Corporation in connection with loans.	We may borrow money from our Business Manager/Advisor and its affiliates in order to acquire properties. In such instances, we will pay our Business Manager/Advisor and its affiliates interest at prevailing market rates.	The actual amounts are dependent on actual borrowings. Therefore, these amounts cannot be determined at the present time.
Property management fee paid to our Property Managers, Inland US Management LLC, Inland Southwest Management LLC and Inland Pacific Property Services LLC. We will pay the fee for services in connection with the rental, leasing, operation and management of the properties.	<p style="text-align: center;"><i>Operational Stage</i></p> <p>We will pay a monthly fee of 4.5% of the gross income from the properties. If we acquire the businesses of our Business Manager/Advisor and/or our Property Managers, the property management fees will cease. The actual amounts we will incur in the future are dependent upon results of operations and, therefore, cannot be determined at the present time.

Reimbursable expenses to our Business Manager/Advisor. These may include costs of goods and services, administrative services and non-supervisory services performed directly for us by independent parties.	We will reimburse some expenses of the Business Manager/Advisor. The compensation and reimbursements to our Business Manager/Advisor will be approved by a majority of our directors and a majority of our Independent Directors as fair and reasonable for us.	The actual amounts are dependent upon results of operations and, therefore, cannot be determined at the present time.
We will reimburse some expenses of the Inland Risk and Insurance Management Services for insurance coverage.	Inland Risk and Insurance Management Services charges us \$50 per hour for assistance in obtaining insurance coverage. Any commissions they receive are credited against this hourly rate. We believe this hourly rate is approximately 90% of the rate charged by unaffiliated third parties. The compensation to this company will be approved by a majority of our directors and a majority of our Independent Directors as fair and reasonable for us.	The actual amounts are dependent upon results of operations and, therefore, cannot be determined at the present time.

Advisor asset management fee payable to our Business Manager/Advisor.	<p style="text-align: center;"><i>Operational Stage</i></p> <p>We pay an annual advisor asset management fee of not more than 1% of our average assets. Our average assets means the average of the total book value including acquired intangibles of our real estate assets plus the total value of our loans receivables secured by real estate, before reserves for depreciation or bad debts or other similar non-cash reserves. We will compute our average assets by taking the average of these values at the end of each month during the quarter for which we are calculating the fee. The fee is payable quarterly in an amount equal to ¼ of 1% of average assets as of the last day of the immediately preceding quarter. For any year in which we qualify as a REIT, our Business Manager/Advisor must reimburse us for the following amounts if any:</p> <p>(1) the amounts by which our total operating expenses, the sum of the advisor asset management fee plus other operating expenses, paid during the previous fiscal year exceed the greater of:</p> <p style="padding-left: 40px;">2% of our average assets for that fiscal year, or</p> <p style="padding-left: 40px;">25% of our net income for that fiscal year.</p> <p>(2) plus an amount, which will not exceed the advisor asset management fee for that year, equal to any difference between the total amount of distributions to stockholders for that year and the 6% annual return on the net investment of shareholders.</p> <p>Items such as organization and offering expenses, property expenses, interest payments, taxes, non-cash expenditures, the incentive advisory fee and acquisition expenses are excluded from the definition of total operating expenses.</p>	The actual amounts to be received depend upon the sale price of our properties and, therefore, cannot be determined at the present time. If we acquire the Business Manager/Advisor, the advisor asset management fee will cease.

In certain circumstances, the excess amount specified in clause (1) may not need to be reimbursed.

ITEM NO. 2: TO RATIFY THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2005.

KPMG LLP has served as our independent registered public accounting firm since our formation in 2003, and our management believes that they are knowledgeable about our operations and accounting practices and are well qualified to act as our independent registered public accounting firm. Therefore, the Board, upon the recommendation of its Audit Committee, has appointed KPMG LLP to act as our independent registered public accounting firm to examine our consolidated financial statements for our 2005 fiscal year. Although our selection of an independent registered public accounting firm does not require your approval, we believe it is desirable to obtain your concurrence to our selection.

One or more representatives of KPMG LLP are expected to be present at the annual meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

PRINCIPAL ACCOUNTING FEES AND SERVICES

The following table presents fees for professional audit services rendered by KPMG LLP for 2004 and 2003, and fees for other services rendered by it:

	Fiscal Year 2004	Fiscal Year 2003
Audit Fees (1)	\$ 1,627,389	\$ 137,000
Audit Related Fees		
Tax Fees (2)	86,025	21,925
All Other Fees		
Total Fees	\$ 1,713,414	\$ 158,925

(1) Audit fees include the financial statement and, in 2004, internal controls audit fees and fees for other attest services, consents and assistance with and review of documents filed with the SEC.

(2) Tax fees consist of fees for review of federal and state income tax returns.

The Audit Committee reviews and approves in advance the terms of and compensation for both audit and nonaudit services to be provided by KPMG LLP. This duty has been delegated to the Chairman of the Audit Committee with any such preapproval reported to the Audit Committee at its next regularly scheduled meeting. Approval of nonaudit services will be disclosed in periodic reports required by Section 13(a) of the

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

Securities Exchange Act of 1934. Prohibited Non-Audit Services shall be as set forth in the rules promulgated by the SEC, including: (i) bookkeeping or other services related to the accounting records or financial statements of the audit client; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, providing fairness opinions or preparing contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions or human resources; (vii) broker or dealer, investment advisor or investment banking services; (viii) legal services and expert services unrelated to the audit; and (ix) any other service that the Public Company Accounting Oversight Board prohibits through regulation.

The Audit Committee has considered whether the provision of the services covered under All Other Fees is compatible with maintaining KPMG LLP's independence. The Audit Committee approved 100% of the fees described above.

THE BOARD'S RECOMMENDATION

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE

FOR

THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP

AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2005.

VOTE REQUIRED

Provided a quorum is present, the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote, is required to ratify the appointment. For purposes of the vote on the appointment, abstentions will not be counted as votes cast and will have no effect on the vote, although, as mentioned, they will count toward the presence of a quorum.

MISCELLANEOUS AND OTHER MATTERS

ADVANCE NOTICE PROCEDURES FOR MAKING DIRECTOR NOMINATIONS AND STOCKHOLDER PROPOSALS Stockholder proposals for our Annual Meeting of Stockholders to be held in 2006 will not be included in our Proxy Statement for that meeting unless the proposal is proper for inclusion in our Proxy Statement and for consideration at the next Annual Meeting of Stockholders and is received by our Secretary at our executive offices located in Oak Brook, Illinois, no later than December 21, 2005. Stockholders must also follow the procedures prescribed in SEC Rule 14a-8 under the Exchange Act.

In addition, our Second Amended and Restated Bylaws, or our Bylaws, provide that in order for a stockholder to nominate a candidate for election as a director at an Annual Meeting of Stockholders or propose business for consideration at such meeting, notice must generally be given to our Secretary not less than 90 days nor more than 120 days before the date on which we first mailed our notice of meeting and accompanying proxy materials for the prior year's Annual Meeting of Stockholders.

These Bylaw requirements are separate from and in addition to the SEC's requirements that a stockholder must meet in order to have a stockholder proposal included in our Proxy Statement. If these requirements are not followed, the nomination or proposal presented at an annual meeting of stockholders will be out of order and will not be acted upon. Any stockholder desiring a copy of our Bylaws will be furnished one without charge upon written request to our Secretary at our principal executive offices. A copy of our Bylaws is filed as Exhibit 3.2.1 to our Annual Report on Form 10-K, filed March 7, 2005, and is available at the SEC Internet site (<http://www.sec.gov>).

PROXY SOLICITATION COSTS We will bear all expenses incurred in connection with the solicitation of proxies. We will, upon request, reimburse brokerage firms and other nominee holders for their reasonable expenses incurred in forwarding the proxy solicitation materials to the beneficial owners of our shares. Our officers and directors, and officers and employees of our Business Manager/Advisor, may solicit proxies by mail, personal contact, letter, telephone, telegram, facsimile or other electronic means. They will not receive any additional compensation for those activities, but they may be reimbursed for their out-of-pocket expenses. In addition, we have hired Morrow & Co., Inc. to solicit proxies on our behalf. The cost of soliciting proxies on our behalf will be approximately \$5,000 plus costs and expenses.

OTHER MATTERS As of the date of this Proxy Statement, the above are the only matters we are aware of that are to be acted upon at the meeting. If any other matter should properly come before the meeting for which we did not receive proper notice in accordance with the requirements of our Bylaws, as presented above, the persons appointed by your proxy will vote on those matters in accordance with the recommendation of the Board, or, in the absence of such a recommendation, in accordance with their discretion and best judgment. The affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on any such other matter will be required for approval.

By the order of the Board of Directors,

Scott W. Wilton
Secretary
