All options granted under the formula grants are immediately exercisable, have an exercise price equal to the fair market value on the date of grant and have a five-year term.

on the date each non-employee director becomes a director, he or she is granted options to purchase 15,000 shares of our common stock;

on the date each director becomes a member of a committee of our board of directors, he or she is granted options to purchase 10,000 shares of our common stock with respect to each committee on which he or she sits;

on each date on which we hold our annual meeting of shareholders, each non-employee director in office immediately after the annual election of directors will receive an automatic grant of options to purchase 5,000 shares of our common stock; and

Employment Agreements

Effective January 2003, we entered into new employment agreements with Messrs. Noss and Cooperman. Mr. Noss' employment agreement provides for an annual base salary of \$165,500 and Mr. Cooperman's employment agreement

If we terminate Mr. Cooperman's employment without cause, he is entitled to receive six months of compensation plus one month of compensation for each year of service. For purposes of the employment agreements, cause is defined to mean the executive's conviction (or plea of guilty or nolo contendere) for committing an act of fraud, embezzlement, theft or other act constituting a felony or willful failure or an executive's refusal to perform the duties and responsibilities of his position, which failure or refusal is not cured within 30 days of receiving a written notice thereof from our board of directors.

without cause; or

by resignation for good reason.

If an executive's employment is terminated following a change in control under the circumstances described in the preceding paragraph, the executive is entitled to receive a lump sum payment based upon the fair market value of Tucows on the effective date of the change in control as determined by our board of directors in the exercise of good faith and reasonable judgment taking into account, among other things, the nature of the change in control and the amount and type of consideration, if any, paid in connection with the change in control. Depending on the fair market value of Tucows, the lump sum payments range from \$375,000 to \$2 million in the case of Mr. Noss, and from \$187,500 to \$1 million in the case of Mr. Cooperman.
