Item 1.01 Entry into a Material Definitive Agreement.

On March 12, 2007, the Company entered into a Securities Purchase Agreement with two accredited investors, Ohana Holdings LLC and ZG Ventures, LLC, pursuant to which the Company raised approximately \$15,000,000 in gross proceeds through a private placement of 517,242 shares of common stock at a purchase price of \$29.00 per share. The net proceeds from the private placement amounted to approximately \$14,900,000.

In connection with the issuance of the common stock (the Shares), the Company entered into a Registration Rights Agreement with the investors obligating the Company to file a registration statement with the Securities and Exchange Commission to register the Shares for resale not later than March 12, 2008, subject to the exceptions set forth therein. The investors have also been granted piggy-back registration rights with respect to the Shares.

The securities issued in the private placement have not been registered under the Securities Act of 1933, as amended, and until so registered the securities may not be offered or sold in the United States absent registration or availability of an applicable exemption from registration.

The foregoing description of the private placement does not purport to be complete and is qualified in its entirety by reference to the Securities Purchase Agreement and the Registration Rights Agreement copies of which are attached hereto as Exhibits 10.1 and 10.2, respectively, and are incorporated herein by reference. A copy of the Company's press release announcing the private placement is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities

The information contained in Item 1.01 above with respect to the private placement of the Shares is incorporated by this reference into this Item 3.02. The Shares were offered and sold in reliance upon exemptions from registration pursuant to Section 4(2) under the Securities Act of 1933, as amended, and Rule 506 promulgated thereunder. The Securities Purchase Agreement and Registration Rights Agreement executed in connection therewith contain representations to support the Company's reasonable belief that the investors had access to information concerning its operations and financial condition, the investors are acquiring the securities for their own account and not with a view to the distribution thereof, and that each investor is an accredited investor as such term is defined in Regulation D promulgated under the Securities Act. At the time of their issuance, the securities described in Item 1.01 above will be deemed to be restricted securities for purposes of the Securities Act and the certificates representing the securities shall bear legends to that effect.
