PROPOSAL 1: TO ELECT TWO (2) TRUSTEES OF THE FUND

NOMINEES FOR THE BOARD OF TRUSTEES

The Board of Trustees is divided into three classes, each class having a term of three years. Each year the term of office of one class will expire. Mary K. Anstine and Michael F. Holland have both been nominated by the Board of Trustees for a three-year term to expire at the Fund's 2011 Annual Meeting of Shareholders or until their successors are duly elected and qualified.

Under the Fund's Declaration of Trust, Statement of Preferences and the Investment Company Act of 1940, as amended (the "1940 Act"), holders of the Fund's outstanding Preferred Stock, voting as a separate class, are entitled to elect two Trustees, and holders of the Fund's outstanding Common Shares and Preferred Stock, voting as a single class, are entitled to elect the remaining Trustees, subject to the provisions of the 1940 Act and the Fund's Declaration of Trust, Statement of Preferences and By-Laws. The holders of the Fund's outstanding Preferred Stock would be entitled to elect the minimum number of additional Trustees that would represent a majority of the Trustees if dividends on the Fund's Preferred Stock are in arrears for two full years. No dividend arrearages exist at this time. There are no Trustees to be elected solely by the holders of the Preferred Shares at this Annual Meeting of Shareholders. On November 29, 2007, Robert E. Lee, one of the Trustees elected solely by the holders of the Preferred Shares, resigned. The seat on the Board of Trustees formerly held by Mr. Lee is currently vacant.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy FOR the election of the nominees named above. Each nominee has indicated that she/he has consented to serve as a Trustee if elected at the Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

W. Robert Alexander	None
Mary K. Anstine	None
Michael F. Holland	\$10,001 - 50,000
Everett L. Morris	Over \$100,000
Larry W. Papasan	\$10,001 - 50,000

(1) This information has been furnished by each Trustee and nominee for election as Trustee as of December 31, 2007. Beneficial Ownership is determined in accordance with Section 16a-1(a)(2) of the Securities Exchange Act of 1934, as amended (the 1934 Act).

(2) Ownership amount constitutes less than 1% of the total shares outstanding.

The Fund pays each Trustee not affiliated with ALPS or Reaves or their affiliates, a quarterly retainer of \$3,500 per year plus \$1,500 per meeting attended in person and by telephone, together with the Trustee's actual out-of-pocket expenses relating to their attendance at such meetings. The aggregate remuneration (not including out-of-pocket expenses) paid by the Fund to such Trustees during the fiscal year ended October 31, 2007, amounted to \$78,500. During the fiscal year ended October 31, 2007, the Trustees of the Fund met four times. Each Trustee then serving in such capacity attended at least 75% of the meetings of Trustees and of any Committee of which he or she is a member.

AUDIT COMMITTEE REPORT

The role of the Fund's Audit Committee is to assist the Board of Trustees in its oversight of (i) the quality and integrity of Fund's financial statements, reporting process and the independent audit and reviews thereof, (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers, (iii) the Fund's compliance with legal and regulatory requirements, and (iv) the independent auditor's qualifications, independence and performance. The Audit Committee is also required to prepare an audit committee report pursuant to the rules of the Securities and Exchange Commission (the "SEC") for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Charter") that was most recently reviewed and approved by the Board of Trustees on February 5, 2008. The Charter was filed as Appendix A to the Fund's Proxy Statement filed with the Securities and Exchange Commission on March 6, 2006. As set forth in the Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent accountants are responsible for planning and carrying out proper audits and reviews. The independent accountants are ultimately accountable to the Board of Trustees and to the Audit Committee, as representatives of shareholders. The independent accountants for the Fund report directly to the Audit Committee.

In performing its oversight function, at a meeting held on December 14, 2007, the Audit Committee reviewed and discussed with management of the Fund and the independent accountants, Deloitte and Touche LLP ("Deloitte"), the audited financial statements of the Fund as of and for the fiscal year ended October 31, 2007, and discussed the audit of such financial statements with the independent accountants.

In addition, the Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee also received from the independent accountants the written disclosures and statements required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*), as adopted by the Public Company Accounting Oversight Board in Rule 3600T and discussed the relationships between the

independent accountants and the Fund and the impact that any such relationships might have on the objectivity and independence of the independent accountants.

As set forth above, and as more fully set forth in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or independent verification of the facts presented to it or representations made by management or the Fund's independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund's independent accountants, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommended to the Board of Trustees that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended October 31, 2007.
