**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On March 25, 2008, the Board of Directors of Tetra Tech, Inc. (the Company) approved and adopted Change of Control Agreements with each of Mr. Dan L. Batrack, the Company's Chief Executive Officer and Chief Operating Officer, Mr. Sam W. Box, the Company's President, Mr. David W. King, the Company's Executive Vice President, Chief Financial Officer and Treasurer, and Mr. Donald I. Rogers, Jr., the Company's Senior Vice President and President of the Remediation and Construction Group (collectively, the Company's named executive officers).

The following is a brief summary of the material terms of the Change of Control Agreements. This description of the Change of Control Agreements is qualified in its entirety by reference to the actual Change of Control Agreement entered into with Mr. Batrack, which is filed as Exhibit 10.1 to this Form 8-K, and, with respect to the other named executive officers, to the form of Change of Control Agreement, which is filed as Exhibit 10.2 to this Form 8-K, and are hereby incorporated by reference.

Each of these agreements is effective as of March 25, 2008 and has a five-year term. The agreements provide that if the named executive officer's employment is terminated by the Company without cause or by the named executive officer with good reason, in each case, in connection with or within two years of a change of control that occurs during the term of the agreement, the Company will pay or provide severance pay equal to two times (in the case of Mr. Batrack) and one times (in the case of the other named executive officers) the sum of the named executive officer's base salary and target bonus for the year of termination (regardless of actual performance) and a pro-rata target bonus for the year of termination (regardless of actual performance), based on the number of days the named executive officer worked during the fiscal year. If the employment of the named executive officer is terminated due to his death or disability, he will also be entitled to receive this pro-rata bonus for the year of termination. In addition, upon the occurrence of a change of control, all outstanding unvested stock options and restricted shares held by these executives will vest in full, subject to their remaining employed by the Company on such date.

The payments and benefits provided for under the Change of Control Agreements will be reduced to the extent that they would result in triggering excise taxes under Section 4999 of the Internal Revenue Code (or be within \$1,000 of doing so), unless the named executive officer would be better off by at least \$50,000 on an after-tax basis, after taking into account all taxes, receiving the full amount of the payments and benefits. In this case, the payment and benefits will not be reduced. In no event is the Company obligated to provide any tax gross-up or similar payment to the named executive officer.
