On May 14, 2013, Scientific Games Corporation (the Company) will be providing the lender presentation being furnished as Exhibit 99.1 to certain lenders in connection with the potential syndication of a \$2.3 billion term loan that, together with a \$300 million revolving credit facility, is contemplated to be entered into in connection with the Company's pending acquisition of WMS Industries Inc. (WMS). Completion of the acquisition remains subject to approvals by gaming regulatory authorities and other customary closing conditions. There can be no assurance that the contemplated financing or the acquisition will be completed.

The presentation furnished as Exhibit 99.1 to this Report on Form 8-K is incorporated by reference in this Item 7.01. The Company undertakes no duty or obligation to publicly update or revise this information.

The Company's presentation, in addition to containing results that are determined in accordance with accounting principles generally accepted in the United States of America (GAAP), contains certain non-GAAP financial measures as that term is defined by the rules and regulations of the SEC.

The non-GAAP financial measures used in the presentation should not be considered in isolation of, as a substitute for, or superior to, financial information prepared in accordance with GAAP. The non-GAAP financial measures as defined in the presentation may differ from similarly titled measures presented by other companies. The non-GAAP financial measures, as well as other information in the presentation, should be read in conjunction with the Company's and WMS' financial statements filed with the SEC.

These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of future results or performance. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, as discussed further in the presentation.
