## Edgar Filing: DUPONT E I DE NEMOURS & CO - Form DEFA14A

The email below was sent to certain employees of E. I. du Pont de Nemours and Company ( DuPont ) on April 1, 2015:

An all employee message from Ellen Kullman, CEO and Chair of DuPont.

Dear Colleagues,

As I mentioned in my last message to you, we have entered an active phase of our proxy contest with Trian as we continue to meet with shareholders to share DuPont's story of transformation and progress - and highlight the significant risks associated with Trian's plan. I am committed to ensuring all DuPont colleagues remain current on our shareholder communications, and as promised I will share updates with you on a near weekly basis leading up to the Annual Meeting of Shareholders.

As we advance our program of shareholder meetings, we will continue to communicate with all of our shareholders via mail. Today, we sent a brochure to shareholders summarizing the many reasons why they should VOTE FOR all of our highly qualified directors. I encourage you to read the [brochure\(\[hyperlink\]\)](#), as it reinforces the importance of supporting DuPont's slate of highly qualified directors in this important election.

Those of you who are shareholders will receive this brochure, along with a **WHITE** proxy card, by mail in the coming days. Let me take a moment to remind you to vote your shares and how to do it:

- Please be sure to **VOTE** on the **WHITE** proxy card **FOR** all of DuPont's director nominees **for each account** through which you own DuPont stock. **There is no need to wait for the Annual Meeting.** Remember that **every vote is important, no matter how many or how few shares you own.**

- We understand that some shareholders may have also received Trian's proxy statement, as well as its gold proxy card. Trian has a high risk, value destructive plan to break up DuPont and add excessive debt to the Company. We urge shareholders **NOT** to vote on any gold proxy card sent by Trian, as that will revoke any previous vote on the **WHITE** proxy card. Please discard any Proxy materials you receive from Trian.

- If you are a shareholder and have any questions about the mechanics of the voting process, please contact the firm assisting us in the solicitation of proxies: Innisfree M&A Incorporated at (877) 750-9501 (toll free) or (412) 232-3651.

We will continue to keep you informed over the coming weeks. [Inside the Oval \(\[hyperlink\]\)](#) will house all relevant information about the voting process and Annual Meeting.

I want you to know that wherever I go, I see first-hand how you continue to deliver for our customers. I recently returned from a trip to China, where I attended the China Development Forum and shared our vision for how DuPont's market-driven innovations can create sustainable solutions in this dynamic growth market- which is replete with needs that demand DuPont solutions. After meeting global business leaders, Chinese government officials and the DuPont Beijing team, I was energized to see our strategy in action-delivering results for our customers in China and throughout the world.

Thank you for your continued hard work. All of you fuel my confidence that DuPont is better positioned than ever to succeed, today and in the future.

Ellen
