**CONTROLS AND PROCEDURES**

**Disclosure Controls and Procedures**

Based on the evaluation by TELUS Corporation ( TELUS or the Registrant ) as of December 31, 2015 of the effectiveness of the design and operation of the Registrant s disclosure controls and procedures under the supervision of the Audit Committee, including the Registrant s Chief Executive Officer and Chief Financial Officer, the Chief Executive Officer and Chief Financial Officer have concluded that the Registrant s disclosure controls and procedures as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934 (the Exchange Act ) are effective to a reasonable level of assurance to ensure that information required to be disclosed by the Registrant in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the United States Securities and Exchange Commission s (the SEC ) rules and forms.

It should be noted that while TELUS Chief Executive Officer and Chief Financial Officer believe that TELUS disclosure controls and procedures provide a reasonable level of assurance that they are effective, they do not expect that TELUS disclosure controls and procedures or internal control over financial reporting will prevent all errors and fraud. A control system, no matter how well conceived or operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met.

All requests for non-prohibited audit, audit related and non-audit services provided by the External Auditor and its affiliates to TELUS are required to be pre-approved by the Audit Committee of the Board. To enable this, TELUS has implemented a process by which all requests for services involving the External Auditor are routed for review by the VP Risk Management and Chief Internal Auditor to validate that the requested service is a non-prohibited service and to verify that there is a compelling business reason for the request. If the request passes this review, it is then forwarded to the Chief Financial Officer for further review. Pending the Chief Financial Officer's affirmation, the request is then presented to the Audit Committee for its review, evaluation and pre-approval or denial at its next scheduled quarterly meeting. If the timing of the request is urgent, it is provided to the Audit Committee Chair for his review, evaluation and pre-approval or denial on behalf of the Audit Committee (with the Audit Committee's review at the next scheduled quarterly meeting). Throughout the year, the Audit Committee monitors the actual versus approved expenditure for each of the approved requests.
