Item 1.01. Entry into a Material Definitive Agreement.

On September 26, 2016, Kite Realty Group, L.P. (the Operating Partnership), the operating partnership of Kite Realty Group Trust (the Company), completed the previously announced offering of \$300 million aggregate principal amount of 4.000% Senior Notes due 2026 (the Notes).

In connection with the issuance of the Notes, the Operating Partnership entered into an Indenture, dated September 26, 2016 (the Base Indenture), between the Operating Partnership, as issuer, and U.S. Bank National Association, as trustee (the Trustee), as supplemented by the First Supplemental Indenture, dated September 26, 2016 (the Supplemental Indenture and, together with the Base Indenture, the Indenture), among the Operating Partnership, the Company, as possible future guarantor, and the Trustee.

The Notes bear interest at a rate of 4.000% per annum accruing from September 26, 2016. Interest on the Notes is payable semi-annually on April 1 and October 1 of each year, beginning on April 1, 2017. The Notes will mature on October 1, 2026. The Notes are the Operating Partnership's unsecured and unsubordinated obligations and rank equally in right of payment with all of the Operating Partnership's existing and future unsecured and unsubordinated indebtedness. The Notes are not guaranteed by any subsidiary of the Company and will not initially, and may never, be guaranteed by the Company. However, under limited circumstances provided in the Supplemental Indenture, the Company will be required to guarantee the payment of principal of and premium, if any, and interest on the Notes when due if, and for so long as, the Company guarantees the Operating Partnership's obligations under its existing credit agreement.

The Operating Partnership may redeem the Notes at its option and in its sole discretion at any time or from time to time prior to July 1, 2026 (three months prior to the maturity date) in whole or in part at the applicable make-whole redemption price specified in the Supplemental Indenture. If the Notes are redeemed on or after July 1, 2026, the redemption price will be equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest thereon to, but not including, the applicable redemption date.

The Indenture contains certain covenants that, among other things, restrict the Operating Partnership's operations, subject to certain exceptions, with respect to its entity existence, properties, insurance, taxes, claims, provision of financial information, mergers, consolidations and asset sales. In addition, the Indenture requires that the Operating Partnership satisfy certain financial covenants, including:

- a maximum leverage ratio of 60%;

- a maximum secured indebtedness ratio of 40%;

- Consolidated EBITDA (as defined in the Indenture) to annual debt service charge ratio of at least 1.50 to 1.00; and

Edgar Filing: KITE REALTY GROUP TRUST - Form 8-K

- a minimum of total unencumbered assets of at least 150% of total unsecured indebtedness.

These covenants are subject to a number of important exceptions and qualifications. The Indenture also provides for customary events of default which, if any of them occurs, would permit or require the principal of and accrued interest on the Notes to become or to be declared due and payable.

The foregoing description is a summary of the terms of the Indenture and the Notes and does not purport to be a complete statement of the parties' rights and obligations thereunder. The foregoing description is qualified in its entirety by reference to the full text of the Base Indenture and the Supplemental Indenture, which are included as Exhibits 4.1 and 4.2 to this Current Report on Form 8-K and incorporated by reference herein.

The offering of the Notes was made pursuant to a shelf registration statement on Form S-3 (File No. 333-202666-01), which became effective upon filing with the Securities and Exchange Commission (the "SEC") on March 11, 2015. A prospectus supplement, dated September 15, 2016, relating to the Notes and supplementing the prospectus dated March 11, 2015 was filed with the SEC on September 16, 2016.
