At the Annual Meeting held on May 17, 2005, the shareholders of PNM Resources, Inc. (the "Company") approved the PNM Resources, Inc. Amended and Restated Omnibus Performance Equity Plan (the "PEP"). Following receipt of shareholder approval, the Company entered into the PEP and filed a registration statement on Form S-8 and a copy of the PEP with the Securities and Exchange Commission. The filing information for the PEP is contained in Item 9.01 below.

The shareholders approved amending the existing plan to (i) increase the number of shares of common stock of the Company authorized to be issued thereunder from 3,750,000 shares to 8,250,000 shares, (ii) permit non-employee directors to participate in the PEP, (iii) extend the term of the PEP from December 31, 2010 until December 31, 2015 and (iv) make changes to facilitate compliance with Section 409A of the Internal Revenue Code of 1986, as amended.

Employees (including employees who are also officers) of the Company or a subsidiary and non-employee directors of the Company are eligible to receive awards under the PEP. The PEP is administered by the Human Resources and Compensation Committee (the "Committee"). The Committee has the exclusive authority to administer the PEP, including the authority to: (1) select individuals to participate in the Plan; (2) determine the type of awards to be granted to each Participant; (3) determine the number of awards to be granted and the number of shares of Stock to which an award will relate; (4) determine the terms and conditions of any award; (5) determine the method of payment for each exercise of an award, as well as the extent to which an award may be canceled, forfeited, or surrendered; (6) prescribe the form of each award agreement and decide all matters that must be determined in connection with an award; (7) establish, adopt, and revise any rules or regulations as it may deem necessary or advisable to administer the PEP; (8) interpret the terms of, and any matter arising under, the PEP or any award agreement; and (9) make all other decisions and determinations that may be required under the PEP or as the Committee deems necessary or advisable to administer the PEP.

The Committee is authorized to grant incentive stock options, non-qualified stock options, restricted stock rights, performance share awards, performance units and stock appreciation rights under the Plan. Forms of award agreement for stock options and restricted stock rights will be filed with the next quarterly report on Form 10-Q.
