Explanatory Note

The purpose of this amendment is to amend the Current Report on Form 8-K (the "Original Form 8-K") filed by Lexington Corporate Properties Trust (the "Trust") on February 22, 2005. The Original Report is being amended to:

- o correct a typographical error in the table under "Executive Salary Increases and Long-Term Incentive Awards" in Item 1.01; and
- o remove the sentence "The Common Shares will (i) vest ratably over three years on the next three anniversaries of the grant date and (ii) be entitled to voting rights and receive dividends," from the second paragraph under Non-Employee Trustee Compensation.

We are restating the Original Form 8-K in its entirety.

Item 1.01. Entry Into a Material Definitive Agreement

Executive Salary Increases and Long-Term Incentive Awards

On February 16, 2005, the Compensation Committee of the Board of Trustees of Lexington Corporate Properties Trust (the "Trust") granted increases in annual base salaries and long-term incentive awards, in the form of grants of common shares of beneficial interest, par value \$0.0001 per share ("Common Shares") of the Trust, under the Trust's 2002 Equity-Based Award Plan (the "2002 Plan") to the executive officers of the Trust: E. Robert Roskind, Chairman of the Trust; Richard J. Rouse, Vice Chairman and Chief Investment Officer of the Trust; T. Wilson Eglin, Chief Executive Officer, President and Chief Operating Officer of the Trust; Patrick Carroll, Chief Financial Officer, Executive Vice President and Treasurer of the Trust; and John B. Vander Zwaag, Executive Vice President of the Trust. The increases, resulting base salaries for 2005 and awards are set forth in the following table:

	Salary Increase	2005 Base Salary	Value of Long-Term Incentive Award
E. Robert Roskind	\$ 45,000	\$ 425,000	\$ 950,000
T. Wilson Eglin	45,000	425,000	950,000
Richard J. Rouse	40,000	410,000	700,000
Patrick Carroll	25,000	300,000	600,000
John B. Vander Zwaag	25,000	290,000	411,400

Long-term incentive awards will be paid by the issuance of Common Shares, which are subject to certain vesting requirements under the 2002 Plan. The number of Common Shares issued will be determined by dividing the amount of the award as specified above by the closing price of the Common Shares on the New York Stock Exchange on February 16, 2005 (\$22.28 per share). The Common Shares issued in connection with the award will (i) vest ratably over five years on

the next five anniversaries of the grant date and (ii) be entitled to voting rights and receive dividends.

Non-Employee Trustee Compensation

On February 16, 2005, the Nominating and Corporate Governance Committee of the Trust approved revisions to the compensation program for non-employee Trustees of the Trust. This compensation program, as so revised, is described below:

Each non-employee Trustee will receive an annual cash retainer of \$25,000. In addition to the annual retainer, the Trust has increased the Common Share award from 2,000 shares to 2,500 shares per year (approximate current value of \$55,700, based upon the closing price of our Common Shares on the New York Stock Exchange of \$22.28 per share on February 16, 2005).

The Chairpersons of the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee and the Lead Trustee will each receive an additional annual cash retainer of \$10,000. This is an increase for the Chairpersons of the Audit Committee and the Compensation Committee and the Lead Trustee of \$2,500 from last year's additional annual cash retainer of \$7,500. The Chairperson of the Nominating and Corporate governance Committee did not receive an additional annual cash retainer for 2004.

In addition, each non-employee Trustee will be compensated \$1,000 per in-person meeting of the Board of Trustees or a Committee thereof, and \$500 per telephonic meeting of the Board of Trustees or Committee thereof. These levels are the same as were in place during 2004.

Pursuant to the 1994 Outside Director Stock Plan, as amended, each non-employee Trustee is required to receive not less than 50% of such Trustee's fees in Common Shares based on a per share value equal to 95% of the trading value of Common Shares as of the date of payment.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
