Item 1.01. Entry into a Material Definitive Agreement.

On July 28, 2016, HealthWarehouse.com, Inc. (the "Company") entered into an exchange agreement with Dellave Holdings, Inc. ("Dellave") (the "Exchange Agreement"). Pursuant to the Exchange Agreement, Dellave extinguished accounts payable from the Company held by Dellave in the amount of \$698,594 in exchange for 2,253,528 shares of common stock of the Company. The shares of common stock were valued based on the closing market price of \$0.31 per share of common stock on July 27, 2016.

The transaction resulted in a significant improvement in the Company's balance sheet and financial health by reducing the Company's current liabilities and increasing the Company's stockholders' equity. The Company has had discussions with other holders of the Company's liabilities from time to time about such holders also converting the amounts owed to them by the Company into shares of common stock. While there can be no assurances that other holders of the Company's liabilities will agree to extinguish the amounts owed to them in exchange for shares of the Company's common stock, the Company intends to pursue such discussions as the Company believes that it is in the best interests of all stockholders of the Company to reduce the Company's liabilities in such manner.

The managing member of Dellave is Timothy E. Reilly, who is also the managing member of Melrose Capital Advisors, LLC, which is the Company's senior lender pursuant to a loan and security agreement.

On August 3, 2016, the Company issued a press release announcing the execution of the Exchange Agreement. A copy of the Exchange Agreement and the Press Release are included as Exhibits 10.1 and 99.1, respectively, to this Current Report on Form 8-K and are incorporated by reference hereto.

Item 3.02. Unregistered Sales of Equity Securities.

The issuance of the shares of common stock to Dellave, as described in Item 1.01 above, was exempt from registration under the Securities Act of 1933, as amended, pursuant to Section 4(2) thereof.
