**E-DEBIT GLOBAL CORPORATION ANNOUNCES CLOSURE
OF FULLY SUBSCRIBED PRIVATE OFFERING MEMORANDUM**

Calgary, Alberta E-Debit Global Corporation (E-Debit) announced today it has successfully completed, and has closed, as fully subscribed, its Regulation D Confidential Private Offering Memorandum, for total proceeds to the Company of \$1,250,000 USD from twenty-seven investors. There were no underwriters or sales agents involved in the sales.

The Company has relied upon the Rule 505 of Regulation D safe harbour exemption and the exemption from registration set forth in Section 4(2) of the Securities Act of 1933 for these sales. The private placement was made with general solicitation or advertising and the offerees were provided the disclosure information set forth in the rule.

Management's Commentary:

We are pleased with the results of our closed private financing which has allowed us to continue the expansion of our merchant acquiring platform and to allow for the development of our Card Issuing Services and Payment Services business segments. said Doug Mac Donald, E-Debit's President and Chief Executive Officer.

With the Canadian card product marketplace transitioning over to Chip card security (identified as EMV standards) E-Debit's switching operations has successfully implemented its Interac certification enabling all Canadian Interac card products with the chip embedded security to be utilized in all bank machines processed through E-Debit. Our successful financing has enabled the Company to meet the capital costs required to enhance our world class state-of-the-art technology platform and to move into our fully integrated card product issuance service without any associated outstanding debt requirements.

The Canadian financial services industry is the best in the world and E-Debit shares in this marketplace through its strategic business relationships and our leading world class financial processing capabilities. This position allows for our move into the Card Payment services sector utilizing not only our historical world leading enhanced PIN based security but our chip card security experience and capabilities. Currently E-Debit processes in excess of eleven million (\$11,000,000) a month throughout its wholly owned Canadian ATM estate and we will grow our transaction
