## **Peace Arch Entertainment Provides Update on Release of Financial Statements**

### **Company to Restate Results for Year Ended August 31, 2006 and Quarterly Results for 2007**

#### **Annual General Meeting Now Scheduled For April 30, 2008**

TORONTO--(MARKET WIRE) February 28, 2008 Peace Arch Entertainment Group Inc. (AMEX:PAE) (TSX:PAE), an integrated global entertainment company, today provided a status update with respect to the Company's filing of its financial statements for the year ended August 31, 2007 and its first quarter ended November 30, 2007. The Company also announced that the date of its annual and special meeting of shareholders is now April 30, 2008, with the record date being March 31, 2008.

Since our change in management late last year, Peace Arch has accelerated its evolution from a film and television production company into a fully integrated North American distributor and international sales operation said Jeff Sagansky, Chief Executive Officer of Peace Arch Entertainment. As a result, we have taken a conservative view of the future prospects of a number of our older productions that will be reflected in our 2007 year end statements. In addition, we have re-examined certain issues relating primarily to interest and taxation that will require a restatement of our 2006 annual statement and our first three quarterly statements for 2007. Though work continues, with these changes we believe our audit is now substantially complete and we will enter the next phase of the Company's

expansion on firm financial footing. Based on the information available to us today, we anticipate that our annual financial statements will be filed by mid-March, with our first quarter results to be filed shortly thereafter. We confirm once again that except for the final financial information contained in our statements, there is no material information concerning the affairs of the Company that has not been generally disclosed at the time of this announcement.

As part of its detailed review of the Company's fourth quarter results, management re-evaluated its investment in film and television programming and concluded that there was an impairment in value across seven motion picture titles that will result in a write down of approximately \$5.5 million. The majority of these titles were delivered in fiscal 2005. This write down reflects management's current valuation of the future sales prospects of these older titles based on sales made to date and management's assessment of current market conditions.

In addition, upon the recommendation of management to the Audit Committee of the Board of Directors of the Company, the Company determined that its audited financial statements for the year ended August 31, 2006 and unaudited quarterly financial statements for the periods ended November 30, 2006, February 28, 2007 and May 31, 2007 should be restated in order to amend the Company's accounting treatment of (i) a portion of the interest incurred on certain of its production loans and the impact of that treatment on the Company's amortization of its investment in film and television programming, (ii) warrant costs incurred during the quarter ended February 28, 2007, (iii) interest and penalties relating to outstanding corporate tax issues for its year ended August 31, 2006, and (iv) an understatement of the Company's provision for income taxes for each of the quarterly periods noted above.

The currently estimated impact of these adjustments on the Company's net earnings for the year ended August 31, 2006 amounts to a decrease of approximately \$499,000. For the periods ended November 30, 2006, February 28, 2007 and May 31, 2007, these adjustments result in decreases of approximately \$459,000, \$1,003,000 and \$748,000, respectively.

During 2006 and 2007, the Company capitalized to investment in film and television programming the cost of interest incurred on certain loans received for the purpose of financing that programming. Management subsequently determined that a portion of the loan proceeds was deployed in the Company's corporate operations, so an allocable portion of the interest should have been expensed rather than capitalized. The increase to interest expense for the year ended August 31, 2006 is currently estimated to be approximately \$500,000. For the quarterly periods ended November 30, 2006, February 28, 2007 and May 31, 2007, the increase to interest expense is \$245,000, \$272,000 and \$266,000, respectively. The corresponding reduction to the Company's investment in film and television programming results in a decrease in amortization of \$177,000 for the year ended August 31, 2006 and a decrease for the quarterly periods ended November 30, 2006, February 28, 2007 and May 31, 2007 of \$48,000, \$136,000 and \$85,000 respectively.

The Company also made a revision to its 2006 annual financial statements related to its recognition of potential interest and penalties on pending corporate tax matters. The Company determined that a provision for interest and penalties should have been made for the fiscal year ended August 31, 2006, resulting in an increase to selling, general and administration expense of \$176,000 for that year.

The Company identified a required revision to its February 28, 2007 quarterly financial statements related to the understatement of warrant costs due to a revaluation of common share purchase warrants that should have been made on the date they vested. The adjustment resulted in a \$291,000 increase to stock and warrant based compensation costs.

Following an extensive review of its corporate tax affairs, the Company re-evaluated its potential risk associated with the recognition and measurement of its income tax provision and provided for these uncertainties. This review results in an increase in the provision for income taxes for the quarterly periods ended November 30, 2006, February 28, 2007 and May 31, 2007 of \$262,000, \$576,000 and \$567,000 respectively.

## Edgar Filing: PEACE ARCH ENTERTAINMENT GROUP INC - Form 6-K

These adjustments are preliminary and unaudited and reflect anticipated restatements as of the issuance of this press release. These results are subject to change arising from the restatement process, subsequent events and the completion of the audit of the Company's financial statements by the Company's independent auditors.

The Company has not yet filed its financial statements for the periods ending August 31, 2007 and November 30, 2007 due to reasons previously disclosed by the Company. On December 13, 2007 the Ontario Securities Commission (OSC) issued a Management Cease Trade Order until such time as the statements are filed. On January 28, 2007, the OSC agreed that the Management Cease Trade Order will remain in place to allow the Company additional time to complete the statements, provided the Company continues to comply with the alternative information guidelines of the OSC. The Company intends to continue complying with the alternative information guidelines of the OSC until such time as it becomes current with its filing obligations.

This update is provided pursuant to the alternative information guidelines of the OSC. These guidelines require the Company to provide bi-weekly updates on its affairs until such time as the Company is current with its filing obligations under Canadian securities laws.
