PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

To be held January 18, 2013

INTRODUCTION

The Board of Directors of Meta Financial Group, Inc. (“Meta Financial” or the “Company”) is using this proxy statement to solicit proxies from the holders of Company common stock for use at Meta Financial’s Annual Meeting of Stockholders (“Annual Meeting”). We are commencing mailing of this proxy statement and the enclosed proxy card to our stockholders on or about December 26, 2012.

Certain information provided herein relates to MetaBank, which is a wholly owned subsidiary of Meta Financial.

INFORMATION ABOUT THE ANNUAL MEETING

Time and Place of the Annual Meeting; Matters to be Considered at the Annual Meeting

Time and Place of the Annual Meeting. Our Annual Meeting will be held as follows:

Date: January 18, 2013
Time: 1:00 p.m., local time
Place: MetaBank
5501 South Broadband Lane
Sioux Falls, South Dakota

Matters to be Considered at the Annual Meeting. At the Annual Meeting, stockholders of Meta Financial will be asked to consider and vote on the election of two (2) directors, each for a three-year term. The stockholders will also transact any other business that may properly come before the Annual Meeting. As of the date of this proxy statement, we are not aware of any other business to be presented for consideration at the Annual Meeting other than the matters described in this proxy statement.

Voting Rights; Vote Required

Voting Rights of Stockholders. December 10, 2012 is the record date for the Annual Meeting (the “Record Date”). Only stockholders of record of Meta Financial common stock as of the close of business on that date are

entitled to notice of, and to vote at, the Annual Meeting. You are entitled to one vote for each share of Meta Financial common stock that you own. On the Record Date, a total of 5,471,727 shares of Meta Financial common stock were outstanding and entitled to vote at the Annual Meeting.

Employee Plan Shares. We maintain the Meta Financial Employee Stock Ownership Plan (the “ESOP”) and the MetaBank Profit Sharing 401(k) Plan (collectively, the “Employee Plans”), which hold collectively approximately 4.48% of the Meta Financial common stock outstanding as of the Record Date. Subject to certain eligibility requirements, employees of Meta Financial and MetaBank participate in one or both of the Employee Plans. Each participant in an Employee Plan is entitled to instruct the trustee of such Employee Plan as to how to vote such participant’s shares of Meta Financial common stock allocated to his or her Employee Plan account. If an Employee Plan participant properly executes the voting instruction card distributed by the Employee Plan trustee, the Employee Plan trustee will vote such participant’s shares in accordance with the participant’s instructions. If properly executed voting instruction cards are returned to the Employee Plan trustee with no specific instruction as to how to vote at the Annual Meeting, the trustee may vote such shares in its discretion. If the Employee Plan participant fails to give timely or properly executed voting instructions to the trustee with respect to the voting of the common stock that is allocated to the participant’s Employee Plan account, the Employee Plan trustee may vote such shares in its discretion. The Employee Plan trustee will vote the shares of Meta Financial common stock held in the Employee Plans but not allocated to any participant’s account in the manner directed by the majority of the participants who directed the trustee as to the manner of voting their allocated shares. As of the Record Date, all the shares held in the Employee Plans were allocated.

Shares held by a Broker. If you are the beneficial owner of shares held by a broker in “street name,” your broker, as the record holder of the shares, will vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker will nevertheless be entitled to vote the shares with respect to “discretionary” items, but will not be permitted to vote your shares with respect to “non-discretionary” items. A broker non-vote” is submitted when a member broker returns a proxy card and indicates that, with respect to a particular matter, it is not voting a specified number of shares on that matter, as it has not received voting instructions with respect to those shares from the beneficial owner and does not have “discretionary” authority to vote those shares on such matter. The election of directors is considered a “non-discretionary” matter. Accordingly, your broker may not vote your shares with respect to the election of directors without instructions from you.

Votes Required for Election of Directors and a Quorum. Directors are elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting by holders of Meta Financial common stock. This means that the two director nominees with the most affirmative votes will be elected. Shares that are represented by a proxy which are marked “vote withheld” for the election of one or more director nominees and broker non-votes will have no effect on the vote for the election of directors, although they will be counted for purposes of determining whether there is a quorum. A quorum is necessary in order for us to conduct the Annual Meeting, and if one-third of all the shares entitled to vote are in attendance at the meeting, either in person or by proxy, then the quorum requirement is met. Broker non-votes will be counted for purposes of determining whether there is a quorum.

If a director nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority. As of the date of this proxy statement, we are not aware of any reason that a director nominee would be unable to stand for election.

The members of the Board of Directors unanimously recommend that you vote “FOR” each of the director nominees set forth in this proxy statement.

Voting of Proxies; Revocability of Proxies; Proxy Solicitation Costs

Voting of Proxies. You may vote in person at the Annual Meeting or by proxy. To ensure your representation at the Annual Meeting, we recommend that you vote now by proxy even if you plan to attend the Annual Meeting. You may change your vote by attending and voting at the Annual Meeting or by submitting another proxy with a later

date. See “—Revocability of Proxies” below.

Voting instructions are included on your proxy card. Shares of Meta Financial common stock represented by properly executed proxies will be voted by the individuals named in such proxy in accordance with the stockholder’s instructions. If properly executed proxies are returned to Meta Financial with no specific instruction as to how to vote at the Annual Meeting, the persons named in the proxy will vote the shares “FOR” the election of each of the director nominees.

VOTE BY TELEPHONE — 1-800-690-6903. Use any touch-tone telephone to transmit your voting instructions up until 11:59 p.m. Eastern Time on the day before the meeting date. Have your proxy card in hand when you call and then follow the instructions. If you vote by telephone, please do not mail your Proxy Card.

VOTE BY INTERNET — www.proxyvote.com. Use the Internet to transmit your voting instructions and for electronic delivery of information up until 11:59 p.m. Eastern Time on the day before the meeting date. Have your proxy card in hand when you access the website, and follow the instructions to obtain your records and to create an electronic voting instruction form. If you vote over the Internet, please do not mail your Proxy Card.

The Internet voting procedures are designed to authenticate Meta Financial's stockholders' identities, to allow Meta Financial's stockholders to give their voting instructions, and to confirm that Meta Financial's stockholders' instructions have been recorded properly. Stockholders who wish to vote over the Internet should be aware that there might be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies.

Any Meta Financial stockholder of record desiring to vote over the Internet will be required to enter the unique control number imprinted on such holder's Meta Financial proxy card and should therefore have his or her Meta Financial proxy card in hand when initiating the session. To vote over the Internet, log on to the website www.proxyvote.com, and follow the instructions provided. Instructions are also included on the proxy card.

The persons named in the proxy will have the discretion to vote on any other business properly presented for consideration at the Annual Meeting in accordance with their best judgment. We are not aware of any other matters to be presented at the Annual Meeting other than those described in the Notice of Annual Meeting of Stockholders accompanying this document.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children, in which case you would receive three separate proxy cards to vote.

Counting of Votes. Regan & Associates, Inc., which we have engaged to serve as proxy solicitor in connection with the Annual Meeting, will collect and tabulate all proxies from brokers and banks. David W. Leedom, Executive Vice President, Secretary, Treasurer and Chief Financial Officer of the Company, will act as the inspector of election and will count the votes at the Annual Meeting.

Revocability of Proxies. You may revoke your proxy before it is voted by:

submitting a new proxy with a later date (your proxy card must be received before the start of the Annual Meeting);

notifying the Corporate Secretary of Meta Financial in writing before the Annual Meeting that you have revoked your proxy (the notification must be received by the close of business on January 17, 2013); or

voting in person at the Annual Meeting.

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your shares are held in the name of your broker, bank, or other nominee, you must bring an authorization letter from the broker, bank, or nominee indicating that you were the beneficial owner of Meta Financial common stock on the Record Date if you wish to vote in person.

If you have any questions or need assistance in voting your shares, please call our proxy solicitor, Regan & Associates, Inc., toll-free at (800) 737-3426.

Proxy Solicitation Costs. We will pay our own costs of soliciting proxies. In addition to this mailing, Meta Financial's directors, officers, and employees may also solicit proxies personally, electronically, or by telephone. We will also reimburse brokers, banks, and other nominees for their expenses in sending these materials to you and obtaining your voting instructions. We have engaged Regan & Associates, Inc., a proxy solicitor, to assist in the solicitation of proxies. We estimate that the fee for such services will be approximately \$7,000.

STOCK OWNERSHIP

Except as otherwise noted, the following table presents information regarding the beneficial ownership of Meta Financial common stock as of the Record Date, by:

Except as disclosed in this proxy statement, there are no arrangements or understandings between any nominee and any other person pursuant to which such nominee was selected. MEETINGS AND COMMITTEES

Meetings

Meetings of the Board of Directors are generally held on a monthly basis. The Board of Directors conducted twelve regular meetings during fiscal 2012. Each director attended at least 75% of the Board meetings and any committees on which he or she served during fiscal 2012.

Committees

During fiscal 2012, the Board of Directors of Meta Financial had an Audit Committee, Compensation Committee, Stock Option Committee and Nominating Committee. In December 2011, the responsibilities of the Stock Option Committee were assumed by the Compensation Committee, and the Stock Option Committee ceased to exist. Charters of each of the committees can be found on the Company's website at www.metafinancialgroup.com, "Corporate Governance."

The Audit Committee met five times during fiscal 2012. The functions of the Audit Committee are as follows:

Monitor the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting, and regulatory compliance;

Monitor the independence and performance of the Company's independent auditors and internal auditing department; and

Provide an avenue of communication among the independent auditors, management, the internal auditing department, and the Board of Directors.

The Compensation Committee met once during fiscal 2012. The functions of the Compensation Committee are as follows:

Make salary and bonus recommendations to the Board of Directors and determine the terms and conditions of employment of the officers of Meta Financial and MetaBank;

Oversee the administration of our employee benefit plans covering employees generally;

Administer our stock incentive plan; and

Make recommendations to the Board of Directors with respect to our compensation policies and changes in year-to-year compensation packages.

The Nominating Committee, which met once during fiscal 2012, is comprised entirely of "independent directors", meeting the criteria for independence in Rule 10A-3(b)(1) under the Exchange Act and Rule 5605(a)(2) of the NASDAQ Listing Rules. Nominations of persons for election to the Board of Directors may be made only by or at the direction of the Nominating Committee, or by any stockholder entitled to vote for the election of directors who complies with the notice procedures set forth in the By-laws of Meta Financial. Pursuant to the By-laws, nominations by stockholders must be delivered in writing to the Secretary of Meta Financial at least 30 days prior to the date of the Annual Meeting; provided, however, that in the event that less than 40 days' notice or prior disclosure of the date of the Annual Meeting is given or made to stockholders, to be timely, notice by the stockholder must be received at the executive offices of Meta Financial not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure thereof was made. Except as may be required by rules promulgated by NASDAQ or the SEC, currently there are no specific, minimum qualifications that must be met by each candidate for the Board of Directors, nor are there any specific qualities or skills that are necessary for one or more of the members of the Board of Directors to possess. In evaluating candidates proposed by either the Board or stockholders, the Board looks for director candidates who possess the skills, experience, professional background and commitment necessary to contribute significantly to the Board. In making its determinations, the Board considers all relevant laws and regulations as well as other factors deemed important by it (such as the present composition of the Board). The Nominating Committee will also take into account whether a candidate satisfies the criteria for "independence" under the NASDAQ Listing Rules and, if a nominee is sought for service on the Audit Committee, the financial and accounting experience of a candidate, including whether an individual qualifies as an audit committee financial expert. Although the Nominating Committee and the Board do not have a formal policy with regard to the consideration of diversity in identifying a director nominee, diversity is considered in the identification process. While attributes such as relevant experience, financial acumen, and formal education are always considered in the identification process, the Nominating Committee and the Board will also evaluate a potential director nominee's personal character, community involvement, and willingness to serve so that he or she can help further the Company's role as a community-based financial institution.

The Company is incorporated in Delaware and has held its annual meetings in Iowa or South Dakota since its incorporation. Senior members of management have been present at each annual meeting to meet with stockholders and answer any questions. Historically, stockholder attendance has been limited, which we attribute to our policy of regular and detailed communications with our stockholders and investors through meetings with management and other investor relations activities. In view of the fact that stockholders have not historically attended our annual meetings, and that a majority of our directors have historically attended our annual meetings, we have not adopted a policy regarding the attendance of directors at the annual meeting.

CORPORATE GOVERNANCE

Code of Ethics

The Company has adopted a written code of ethics within the meaning of Item 406 of SEC Regulation S-K, which applies to our principal executive officer and senior financial officers, a copy of which can be found on the Company's website at www.metafinancialgroup.com, "Corporate Governance." If we make substantive amendments to the Code of Ethics that are applicable to our principal executive or financial officers, we will disclose the nature of such amendment or waiver in a report on Form 8-K in a timely manner.

Separation of Board Chairman and CEO

The Board of Directors has no formal policy requiring the separation of the positions of Chairman of the Board and Chief Executive Officer. The Board has determined that its current structure, with a combined Chairman and Chief Executive Officer and an independent Vice Chairman and Lead Director, is in the best interests of the Company and its stockholders. The Board believes that combining the Chairman and Chief Executive Officer positions is currently the most effective leadership structure for the Company given J. Tyler Haahr's in-depth knowledge of the Company's business, his ability to formulate and implement strategic initiatives, and his extensive contact with and knowledge of customers. As President and Chief Executive Officer, Mr. Haahr is intimately involved in the day-to-day operations of the Company and is thus in a position to elevate the most critical business issues for consideration by the Board. The Board believes that the combination of the Chairman and Chief Executive Officer roles as part of a governance structure that includes an independent Lead Director provides an effective balance for the management of the Company in the best interests of its stockholders.

Risk Oversight

The Board of Directors of the Company is actively involved in oversight of risks that could affect the Company. This oversight is conducted primarily through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors satisfies this responsibility through reports by each committee chair regarding the committee's considerations and actions, as well as through reports directly from Company officers responsible for the oversight of particular risks within the Company, particularly MetaBank's Chief Risk Officer who reports to the Company's Audit Committee. Risks relating to the direct operations of MetaBank are overseen by the Board of Directors of the Company, as they also serve as directors of MetaBank. The directors oversee risk of MetaBank through the directors' membership on MetaBank's Committees. In particular, all the Company's Audit Committee members serve on MetaBank's Audit Committee. The Board of Directors of MetaBank also has the Loan Committee and the Internal Control and Risk Committee that conduct risk oversight separate from the Company. Further, MetaBank's Board of Directors oversees risks through the establishment of policies and procedures recommended by MetaBank's Chief Risk Officer and other officers that are designed to guide daily operations in a manner consistent with applicable laws, regulations, and risks acceptable to MetaBank.

Audit Committee Matters

The following Report of the Audit Committee of the Board of Directors shall not be deemed to be soliciting material or to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent Meta Financial Group, Inc., specifically incorporates this Report therein, and it shall not otherwise be deemed filed under such Act.

Audit Committee Report. The Audit Committee has issued the following report with respect to the audited financial statements of the Company for the fiscal year ended September 30, 2012:

The Audit Committee has reviewed and discussed with the Company's management the Company's fiscal 2012 audited financial statements;

The Audit Committee has discussed with the Company's independent registered public accounting firm (KPMG LLP) the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T;

The Audit Committee has received the written disclosures and letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence; and

Based on the review and discussions referred to in the three items above, the Audit Committee recommended to the Board of Directors that the fiscal 2012 audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2012.

Audit Committee Member Independence; Audit Committee Financial Expert; and Audit Committee Charter. Each member of the Audit Committee is a non-employee director who (1) meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Exchange Act and Rule 5605(a)(2) of the NASDAQ Listing Rules; (2) has not participated in the preparation of the financial statements of Meta Financial or any of its current subsidiaries at any time during the past three years; and (3) is able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. Our Board of Directors has determined that our Audit Committee has at least one member who qualifies as an "audit committee financial expert" as that term is defined in the rules and regulations of the SEC. The Board has determined that Ms. Partlow, based upon her experience, training and education, qualifies as an audit committee financial expert by virtue of the fact that she has (a) an understanding of generally accepted accounting principles ("GAAP") and financial statements; (b) the ability to assess the general application of GAAP in connection with accounting for estimates, accruals and reserves; (c) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements as well as experience actively supervising one or more persons engaged in such activities; (d) an understanding of internal controls and procedures for financial reporting; and (e) an understanding of audit committee functions.

COMPENSATION PROCESSES AND PROCEDURES

The Compensation Committee reviews annual salaries and bonuses of the Company's executive officers and makes recommendations to the Board of Directors for review and approval. During fiscal 2012, following the assumption by the Compensation Committee of the responsibilities of the Stock Option Committee, the Compensation Committee administered the Meta Financial Group, Inc. 2002 Omnibus Incentive Plan, including the approval of all grants of stock options, stock appreciation rights, restricted stock and performance awards.

The compensation approval process, which is undertaken in the last month of each fiscal year, consists of annual performance evaluations that are completed by each executive officer's immediate supervisor. Based on that individual evaluation, the relevant metrics for Company performance, and updated salary data on comparable positions, the Chairman prepared proposed salary adjustments for all executives other than himself for the fiscal year ended September 30, 2012. The Compensation Committee makes salary adjustment recommendations to the Board of Directors with respect to the compensation of the Chairman and the remaining executives for review, discussion and approval. The full Board of Directors, with affected executive officers recusing themselves and abstaining from voting when appropriate, then reviews the recommendations of the Compensation Committee and approves the final compensation amounts except for equity awards which, as described above, are awarded without review or approval by the Board of Directors. Regarding the compensation components, equity awards are effective as of September 30th, and compensation adjustments are effective on the first payroll period following October 1st of each year and remain in effect until the following September 30th. Equity awards under the 2002 Omnibus Incentive Plan are subject to the approval by the Compensation Committee, are dependent on the availability of authorized shares under the Plan, and are determined in accordance with the same criteria used by the Compensation Committee and the Board of Directors in determining the award of cash incentive compensation described above.

During 2010, the Compensation Committee engaged The Hay Group to conduct a total compensation review to analyze the competitiveness of the Company's compensation arrangements (base salary, bonus and long-term incentive compensation) for its senior executives. The total compensation review involved the analysis of the comparison of the Company's senior executive officer positions to similar positions within The Hay Group's proprietary General Industry database and of compensation paid at peer organizations in the financial services/banking industry. Findings were summarized for each senior executive's position against the comparator markets for base salary, total cash and total direct compensation and were considered by the Compensation Committee in determining incentive compensation awards for fiscal 2011 and establishing base salary, total cash, and total direct compensation for fiscal year 2012. This analysis was considered by the Compensation Committee when it approved the fully vested restricted stock awards granted in September 2012 related to fiscal 2012 compensation.

Director compensation is determined by the full Board of Directors. No compensation consultants are utilized to determine total non-employee director compensation, although the Board does utilize comparative sources and other secondary materials to determine, in its opinion, the adequacy of such compensation.

COMPENSATION OF DIRECTORS

The following table sets forth compensation information for the fiscal year ended September 30, 2012, for the Company's non-employee directors. Compensation for directors who are named executive officers is set forth in the "Summary Compensation Table" set forth below.

The elements of compensation paid to the Company's non-employee directors during the year ended September 30, 2012 were as follows:

Material Terms of Employment

MetaBank has an employment agreement with each of J. Tyler Haahr, Bradley C. Hanson and David W. Leedom. Each employment agreement provides for a minimum annual base salary and an initial term of three years. Each agreement provides for extensions of one year, in addition to the then-remaining term under the agreement, on each anniversary date under the agreement, subject to a formal performance evaluation performed by disinterested members of the Board of Directors of MetaBank and their approval to extend (a “Rollover”). The agreements terminate upon such executive’s death, for cause, upon certain events specified by regulations of the Office of the Comptroller of the Currency (“OCC”) or by such executive upon 90 days’ notice to MetaBank. Notwithstanding any provisions to the contrary in the agreements, pursuant to administrative actions taken by the OTS against the Company in July 2011, and subject to certain exceptions, no golden parachute payments, generally payments that are contingent upon termination of employment of Messrs. Haahr, Hanson and Leedom, may be made currently, including those payments described below under “Potential Payments Upon Termination or Change-in-Control.” The Bank’s regulators have construed the rule to prohibit a Rollover. Accordingly, at September 30, 2012, each of the agreements had a remaining employment term of approximately one year although certain provisions of each of the agreements extend beyond such one year term. Effective for the first pay period following October 1, 2012, the base salaries of Messrs. Haahr, Hanson and Leedom were \$408,447, \$360,500 and \$208,417, respectively, with no set bonuses.

An incentive compensation program has been established to reward those named executive officers who provide a level of performance to the Company which warrants recognition in the form of compensation above base compensation amounts. Incentive compensation is based upon (1) performance by the individual and (2) overall Company performance. Yearly incentive awards are tied to Company current year performance and to other quantifiable metrics that demonstrate the strengthening and broadening of the Company’s banking and payments businesses. The compensation awards made at the conclusion of fiscal year 2012 were such that total cash incentive compensation could not exceed 50% of base compensation and stock-based compensation as a percentage of base compensation varied by the executive officer. Neither the Board nor the Compensation Committee is required to authorize incentive compensation to eligible executive officers if, as determined by the Board or the Compensation Committee, respectively, the officer’s performance does not warrant such awards.

Calculation of 2012 Restricted Stock Awards Pursuant to the 2002 Omnibus Incentive Plan

The number of restricted shares awarded for the year ended September 30, 2012 was determined by taking the applicable percentage of base compensation times base compensation, divided by the closing bid price of \$24.25 per share on September 28, 2012. The number of restricted shares awarded for the year ended September 30, 2011 was determined by taking the applicable percentage of base compensation times base compensation, divided by the closing bid price of \$17.58 per share on September 30, 2011.

Retirement Benefits, Nonqualified Defined Contribution and Other Nonqualified Deferred Compensation Plans

Most of our employees, including the members of our executive management team which includes the Named Executive Officers, participate in the MetaBank Profit Sharing 401(k) Plan and the Meta Financial Group, Inc. Employee Stock Ownership Plan. Messrs. Haahr, Hanson and Leedom participate in the Supplemental Employees' Investment Plan for Salaried Employees (the Benefit Equalization Plan or BEP) and related Trust Agreement. This

plan is an excess benefit plan that provides for employer contributions to the extent that Code Section 401(a)(17) and/or Code Section 415 limits the amounts that may be contributed to a participant's qualified plan account.

Benefits payable under the BEP are designed to be taxable as ordinary income at the time of distribution. The BEP was amended during 2008 to comply with Code Section 409A.

Potential Payments Upon Termination or Change-in-Control

The employment agreement for each of Messrs. Haahr, Hanson and Leedom described above provides for payment to the executive of the greater of his salary for the remainder of the term of the agreement, or 299% of his base compensation, in the event there is a “change in control” of Meta Financial or MetaBank if employment terminates involuntarily in connection with such change in control or within 12 months thereafter. This termination payment is subject to reduction by the amount of all other compensation to the executive deemed for purposes of the Internal Revenue Code of 1986, as amended, to be contingent on a “change in control” and may not equal or exceed three times the executive’s average annual compensation over the most recent five-year period or otherwise be non-deductible by MetaBank for federal income tax purposes. For the purposes of the employment agreements, a change in control is defined, in accordance with standard industry provisions, as any event which would require the filing of an application for acquisition of control or notice of change in control. These events may be triggered upon the acquisition or control of 10% of Meta Financial’s common stock. Each agreement also guarantees participation in an equitable manner in employee benefits available to executive personnel. Based on their current salaries, if the employment of Messrs. Haahr, Hanson and Leedom had been terminated as of September 30, 2012 under circumstances entitling them to termination payments as described above, they would have been entitled to receive lump sum cash payments of approximately \$1.2 million, \$1.1 million and \$754,526, respectively. As described above, pursuant to the administrative actions against the Company and MetaBank, no payments that are contingent upon termination of employment of Messrs. Haahr, Hanson or Leedom may be made currently.

RELATED PERSON TRANSACTIONS

James S. Haahr Consulting Agreement

Following James S. Haahr’s retirement as Chairman of the Board of Directors of the Company and Chairman of the Board of Directors of MetaBank, the Company and James S. Haahr entered into a Consulting Services Agreement (the “Consulting Agreement”) on October 10, 2011, effective October 1, 2011, pursuant to which James S. Haahr rendered consulting advice and other services to the Company regarding the business and affairs of the Company and MetaBank (the “Services”) during the year ended September 30, 2012. Effective as of September 30, 2012, the Company terminated James S. Haahr’s obligations to provide Services under the Consulting Agreement. James S. Haahr is the father of J. Tyler Haahr and the father-in-law of Troy Moore III.

The Consulting Agreement provides that, during his life, James S. Haahr will not, without the prior written consent of the Company, serve as a director, officer, employee, consultant or advisor, either directly or indirectly, on behalf of any bank that is located within a 100-mile radius of any retail bank branch of MetaBank (the “Non-Compete”). In consideration for the Services provided and for other benefits inuring to the Company and MetaBank under the Consulting Agreement (including the Non-Compete), for the year ended September 30, 2012, the Company paid to James S. Haahr \$100,000 in equal monthly installments. In consideration for the Non-Compete, the Company will continue to provide to James S. Haahr and his spouse during their lives health and medical benefits substantially equivalent to the benefits provided to the Company’s senior executives at the expense of the Company, to the extent permitted by the terms of the applicable health or medical plans or policies of the Company. In the event that the Company is unable to provide James S. Haahr and his spouse such health and medical benefits under the Company’s health and medical plans or policies, the Company will pay or reimburse him or his spouse for the costs of purchasing health and medical insurance that provide benefits that are substantially equivalent to the health and medical benefits that are then being provided to the senior executives of the Company (the “Health Benefits”). The Health Benefits will continue in effect following the termination of services under the Consulting Agreement, except that the Health Benefits will terminate in the event of a breach by James S. Haahr of the Non-Compete, unless such breach is cured to the satisfaction of the Company. Other than payment of the Health Benefits, the Company has no further payment obligations to James S. Haahr as of October 1, 2012.

Executives

Troy Moore III is a brother-in-law of J. Tyler Haahr and received approximately \$497,000 and \$493,000 of total compensation as an officer in fiscal year 2012 and 2011, respectively. Ellen Moore, our Senior Vice President of Sales & Marketing, is a sister of Mr. Haahr and the wife of Mr. Moore. Ms. Moore received approximately \$124,000 of total compensation in fiscal year 2012 as an officer.

Loans

MetaBank has followed a written policy of granting loans to eligible directors, officers, employees and members of their immediate families for the financing of their personal residences and for consumer purposes. As of September 30, 2012, all loans or extensions of credit to executive officers and directors were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to MetaBank, and did not involve more than the normal risk of collectibility or present other unfavorable features.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires Meta Financial's directors and executive officers, and persons who own more than 10% of a registered class of Meta Financial's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Meta Financial common stock and other equity securities of Meta Financial generally by the second business day following a transaction. Officers, directors and greater-than-10% stockholders are required by SEC regulations to furnish Meta Financial with copies of all Section 16(a) forms they file.

To Meta Financial's knowledge, based solely on a review of the copies of such reports furnished to Meta Financial and written representations that no other reports were required during the fiscal year ended September 30, 2012, all Section 16(a) filing requirements applicable to its officers, directors and greater-than-10% beneficial owners were complied with.

Audit fees consist of fees for the audit of the Company's annual financial statements, review of financial statements included in the Company's Quarterly Reports on Form 10-Q, and services normally provided by the independent auditor in connection with statutory and regulatory filings or engagements.

Audit-related fees consist of fees for audits of financial statements of the employee benefit plan maintained by the Company, fees related to the Company's registration statements and assistance with accounting research matters.

Tax fees consist of fees for tax consultation and tax compliance services for the Company and the employee benefit plan maintained by the Company.

All other fees consist of fees for professional services rendered for Statement on Standards for Attestation Engagements No. 16 ("SSAE 16") services performed.

The Company's Audit Committee has considered and concluded that the provision of all non-auditing services (and the aggregate fees billed for such services) in the fiscal year ended September 30, 2012 by KPMG LLP is compatible with maintaining the independence of the independent registered public accounting firm.

Pre-Approval Policy. The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. The non-audit services include audit-related, tax, and SSAE 16 services. The Audit Committee's policy is to pre-approve all services and fees for up to one year, which approval includes the appropriate detail with regard to each particular service and its related fees. In addition, the Audit Committee can be convened on a case-by-case basis to approve any services not anticipated or services whose costs exceed the pre-approved amounts.

During the last two fiscal years ended September 30, 2012, 100% of all audit and permissible non-audit services were pre-approved by the Audit Committee.

STOCKHOLDER PROPOSALS FOR THE YEAR 2014 ANNUAL MEETING

Under Rule 14a-8 under the Exchange Act, stockholder proposals to be presented at Meta Financial's 2014 Annual Meeting of Stockholders must be received by our Secretary no later than August 28, 2014 to be eligible for inclusion in Meta Financial's proxy statement and form of proxy related to the 2014 Annual Meeting. Any such proposal will be subject to the requirements of the proxy rules adopted under the Exchange Act, and as with any stockholder proposal (regardless of whether such proposal is included in Meta Financial's proxy materials), Meta Financial's certificate of incorporation and by-laws, and Delaware law.

To be considered for presentation at the next Annual Meeting, but not for inclusion in the Company's proxy statement and form of proxy for that meeting, proposals must be received by the Company by the Deadline. As reflected in Meta Financial's by-laws, the "Deadline" means the date that is 60 days prior to the anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced by more than 20 days, or delayed by more than 50 days from such anniversary date, to be timely, notice by the stockholder must be so delivered not later than the close of business on the later of the 60th day prior to such annual meeting or the 10th day following the day on which notice of the date of the annual meeting was mailed or public announcement of the date of such meeting is first made. If a stockholder proposal that is received by the Company after the Deadline is raised at the next Annual Meeting, the holders of the proxies for that meeting will have the discretion to vote on the proposal in accordance with their best judgment and discretion, without any discussion of the proposal in the Company's proxy statement for such Annual Meeting.

Pursuant to Meta Financial's by-laws, stockholders may nominate a person or persons for election to the Board of Directors at a meeting of stockholders at which directors are to be elected by delivering timely notice in writing to its Secretary. To be timely, a stockholder's notice must be delivered or mailed to and received at the Company's principal executive offices not less than 30 days prior to the date of the meeting; provided, however, that in the event that less than 40 days' notice or prior disclosure of the date of the meeting is given or made to stockholders, to be timely, notice by the stockholder must be so received not later than the close of business on the tenth day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made.
