ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE

New Credit Facilities

On June 17, 2004, American Leisure Holdings, Inc. (the "Company") entered into two new credit facilities with Stanford Venture Capital Holdings, Inc. ("Stanford"). The terms of these facilities and certain related transactions are described below.

A. \$1,000,000 Credit Facility.

The Company and Stanford have entered into a Credit Agreement dated as of June 17, 2004, pursuant to which the Company has borrowed \$1,000,000 from Stanford.

The proceeds of the loan will be used by the Company to fund operating and related costs of the Company's customer service and marketing center located in Antigua. This facility is owned by Caribbean Leisure Marketing Ltd. ("CLM"). CLM is 100% owned by Castlechart Limited, which in turn is 100% owned by the Company.

The loan bears interest at 8% per annum, payable quarterly in arrears. All principal is due in one lump sum on April 27, 2007.

The loan is secured by a lien on all shares of CLM and all of the shares of Castlechart Limited. Both liens are subordinated to existing liens previously granted to Stanford for an earlier loan.

Under the credit agreement, the loan is non-recourse to the Company except in certain limited circumstances.

The loan is convertible by Stanford at any time into shares of the common stock of the Company, at a conversion price of \$10.00 per share.

B. \$3,000,000 Credit Facility.

The Company and Stanford have entered into a Credit Agreement dated as of June 17, 2004, pursuant to which the Company may borrow up to \$3,000,000 from Stanford. To date, the Company has received \$2,514,000, and expects to receive the remaining \$486,000 in August 2004.

The proceeds of the loan will be used by the Company to support the Company's proposed acquisition of Around The World Travel, Inc. and to pay expenses of the Company's travel division. Certain of the company's travel division subsidiaries are co-borrowers.

The loan bears interest at 8% per annum, payable quarterly in arrears. The principal balance is due in one lump sum on April 27, 2007.

The loan is secured by the following:

2

(i) A lien on the stock owned by the Company in all of the co-borrowers except the Corporation;

(ii) a collateral assignment of the Company's rights under a certain Option Agreement dated as of May 17, 2004, under which the Company has the right to acquire all of the membership interests in Around The World Holdings, LLC. This company owns a majority of the outstanding common stock of AWT.

(iii) a collateral assignment of certain notes payable made by AWT which are held by the Company. These notes evidence loans in the outstanding principal amount of \$19,200,000, and are secured by a first priority lien on substantially all of the assets of AWT.

(iv) all of the other assets, property and rights of the Company's active travel division subsidiaries other than CLM and Castlechart.

The loan is convertible at the option of Stanford at any time into shares of the Company's common stock, at a conversion price of \$10.00 per share.

C. Amendment of the Designation of the Series C Preferred Stock Terms

In connection with the new credit facilities, the Company, with the consent of the holders of more than 75% of the issued and outstanding Series C Preferred Stock, amended the terms of the Company's Series C Preferred Stock to

eliminate any obligation of the Company to redeem the Series C Preferred Stock. Stanford holds approximately 82% of the Series C shares.

D. Modification of Certain Existing Warrants

In connection with the new credit facilities, the Company agreed to modify the terms of certain warrants previously issued to Stanford and certain individuals affiliated with Stanford. These warrants, which were issued in December 2003, entitled the holders to purchase 1,350,000 shares of the Company's common stock at an exercise price of \$2.96 per share. Under the terms of the amendment, the Company agreed to reduce the exercise price of warrants to \$.001 per share. No other terms of these existing warrants were changed.

E. Issuance of New Warrants

As additional consideration for the new credit facilities, the Company issued warrants to purchase common stock of the Company to Stanford and certain of its affiliates. These warrants allow the holders to purchase 500,000 shares at an exercise price of \$5.00 per share. These warrants have a five year term.

F. Grant of Registration Rights

3

In conjunction with the new credit facilities, the Company and Stanford entered into a Registration Rights Agreement pursuant to which the Company agreed to register the shares issuable to Stanford and its affiliates upon the conversion of the loans under the new credit facilities. The Company has agreed to file a registration statement for this purpose with the Securities and Exchange Commission on or before August 15, 2004. The Company is currently seeking to modify this agreement to extend the date for filing the registration statement until November 2004.

G. Management Agreement with AWT.

AWT will have access to the services of the Company's travel subsidiaries' staff and resources.
