August 5, 2005

TO: Holders (the "Assure Securityholders") of common shares ("Assure Shares"), preferred shares ("Assure Preferred Shares") and warrants to purchase Assure Shares ("Assure Warrants") of Assure Energy, Inc. ("Assure").

You are invited to attend a special meeting (the "Meeting") of Assure Securityholders to be held at the offices of Bennett Jones LLP, 4500, 855-2nd Street S.W., Calgary, Alberta at 10:00 a.m. on Wednesday, September 7, 2005 for the purposes set forth in the accompanying Notice of Special Meeting of Assure Securityholders. Capitalized terms not defined herein shall have the meaning ascribed thereto in the information circular attached hereto.

At the Meeting, Assure Securityholders will be asked to consider and vote upon an arrangement (the "Arrangement") under the provisions of the Business Corporations Act (Alberta) (the "ABCA") involving Assure, Assure Securityholders and GEOCAN Energy Inc. ("GEOCAN"). Pursuant to the Arrangement, the following transactions will occur in the following order:

- (1) all of the issued and outstanding Assure Shares, Assure Preferred Shares and Assure Warrants held by Dissenting Securityholders as of the Effective Time shall be deemed to have been transferred to Assure and cancelled and shall cease to be issued and outstanding and, as of the Effective Time, such Dissenting Securityholders shall cease to have any rights as Assure Securityholders, other than the right to be paid the fair value of their Assure Shares, Assure Preferred Shares or Assure Warrants, as the case may be, and the names of such Dissenting Securityholders shall be removed from the register of holders of Assure Shares, Assure Preferred Shares and Assure Warrants, as applicable; and
- (2) all of the issued and outstanding Assure Shares beneficially owned by Assure Shareholders at the Effective Time shall be transferred to GEOCAN, solely in exchange for the issue by GEOCAN, to such Assure Shareholders in respect of such Assure Shares, of fully paid and non-assessable common shares of GEOCAN ("GEOCAN Shares") on the basis of 0.7 of a GEOCAN Share for each Assure Share.

No fractional GEOCAN Shares will be issued. In the event that the conversions contemplated by the Arrangement would result in an Assure Shareholder being entitled to a fractional GEOCAN Share, the number of GEOCAN Shares to be issued to each such former Assure Shareholder will be rounded up to the next whole number of GEOCAN Shares. In calculating such fractional interests, all Assure Shares held by a registered Assure Shareholder prior to the Effective Time will be aggregated.

For the Arrangement to proceed, it must be approved by at least 66 2/3% of all of the votes cast by holders of Assure Shares, Assure Preferred Shares and Assure Warrants, voting together as a class, present in person or by proxy, at the Meeting, such that (i) each Assure Shareholder shall be entitled to one vote for each Assure Share held, (ii) each Assure Preferred Shareholder shall be entitled to one vote for each Assure Preferred Share held, and (iii) each Assure Warrantholder shall be entitled to one vote for each Assure Share such holder would be entitled to receive upon the exercise of such Assure Warrants. If such approval is obtained and if other conditions to the Arrangement becoming

Edgar Filing: ASSURE ENERGY INC - Form 6-K

effective are satisfied or waived, it is expected that the Arrangement will be completed on or about the date of the Meeting.

If the requisite shareholder and regulatory approvals are obtained, an order of the Court of Queen's Bench of Alberta approving the Arrangement will be sought following the Meeting.

The Assure Board recommends that you vote in favour of the Arrangement.

The accompanying Information Circular provides a detailed description of the Arrangement, Assure, GEOCAN and the matters to come before the Meeting. Please give this material your careful consideration, and, if you require assistance, consult your financial, income tax or other professional advisor.

To be represented at the Meeting, you must either attend the Meeting in person or complete and sign the enclosed Form of Proxy and forward it so as to reach, or be deposited with, Continental Stock Transfer & Trust Company ("Continental"), 17 Battery Place, New York, NY 10004, not later than twenty-four hours (excluding Saturdays, Sundays and statutory holidays) prior to the time fixed for the Meeting or any adjournment thereof. An envelope addressed to Continental is enclosed for your convenience.

Yours very truly,

Neither delivery of this Information Circular nor any distribution of the securities referred to in this Information Circular shall, under any circumstance, create an implication that there has been no change in the information set forth therein since the date of this Information Circular.

All summaries of, and reference to, the Arrangement in this Information Circular are qualified in their entirety by reference to the complete text of the Arrangement Agreement and the Plan of Arrangement, copies of which are attached as Appendix B and Exhibit 1 to Appendix B respectively, to this Information Circular. You are urged to carefully read the full text of the Arrangement Agreement and the Plan of Arrangement.

All capitalized terms in this Information Circular but not otherwise defined herein have the meanings set forth under "Glossary of Terms". Information contained in this Information Circular is given as of August 5, 2005 unless otherwise specifically stated.

INFORMATION FOR UNITED STATES SHAREHOLDERS

Assure Securityholders in the United States should be aware that such requirements are different from those of the United States applicable to registration statements under the U.S. Securities Act and proxy statements under the U.S. Exchange Act. The financial statements for Assure and certain pro-forma and historical financial information included herein have been prepared in accordance with Canadian generally accepted accounting principles, which differ from United States generally accepted accounting principles in certain material respects, and thus are not comparable in all respects to financial statements and pro-forma and historical financial information of United States companies. Likewise, information concerning oil and gas properties, reserves and operations of GEOCAN and Assure has been prepared in accordance with Canadian disclosure standards and is not comparable in all respects to similar information for United States companies.

The GEOCAN Shares to be issued pursuant to the Arrangement have not been and will not be registered under the U.S. Securities Act and are being issued in reliance on the exemption from registration set forth in Section 3(a)(10) thereof. The U.S. Securities Act imposes limitations on the resale of GEOCAN Shares issued pursuant to the Arrangement to persons who were "affiliates" of GEOCAN or Assure before the Arrangement or of GEOCAN after the Arrangement. See "Part II -- The Arrangement -- Other Matters -- Resale of GEOCAN Shares -- United States" in this Information Circular.

- 1 -

Assure Securityholders should be aware that the Arrangement and the ownership of securities of GEOCAN and Assure may have material tax consequences in the United States that are not described in this Information Circular which may include, without limitation, the possibility that the Arrangement is a taxable transaction, in whole or in part, for United States federal income tax purposes, and the possibility that either Assure or GEOCAN may be classified as a passive foreign investment company, which classification would subject holders to special, generally adverse tax consequences.

Assure Securityholders resident in the United States are advised to consult their own tax advisors to determine the particular tax consequences to them of the Arrangement in light of their particular situation, as well as any tax

Edgar Filing: ASSURE ENERGY INC - Form 6-K

consequences that may arise under the laws of any other relevant foreign, state, local, or other taxing jurisdiction.

Enforcement by Assure Securityholders of civil liabilities under United States securities laws may be affected adversely by the fact that GEOCAN and Assure are organized under the laws of a jurisdiction outside the United States, that some or all of their officers and directors are residents of countries other than the United States, that some of the experts named in this Information Circular are residents of countries other than the United States, and that all or a substantial portion of the assets of GEOCAN and Assure and such persons may be located outside the United States.

The GEOCAN Shares to be issued in connection with the Arrangement have not been approved or disapproved by the SEC or securities regulatory authorities of any state of the United States, nor has the SEC or the securities regulatory authorities of any state of the United States passed on the adequacy or accuracy of this Information Circular. Any representation to the contrary is a criminal offence.

Some of the risks which could affect Assure's and GEOCAN's future results and could cause the results to differ materially from those expressed in these forward-looking statements include: the impact of general economic conditions in Canada and the United States; industry conditions, including fluctuations in the price of oil and natural gas and royalties payable in respect of oil and gas production; the impact of governmental regulation of the oil and gas industry, including environmental regulation; fluctuations in foreign exchange or interest rates; stock market volatility; the need to obtain required approvals from regulatory authorities; the uncertainty inherent in estimating oil and gas reserves; the impact of competition; difficulties encountered during the exploration for and production of oil and gas; variations in production and problems inherent to the marketability of oil and gas, including the proximity to and capacity of oil and gas pipelines and processing equipment; reservoir characteristics; and the uncertainty inherent in attracting capital.

The information set forth under the heading "Part III - Information Relating to GEOCAN, Post-Arrangement - Risk Factors" in this Information Circular and under "Risk Factors" in Appendix D and Appendix E attached hereto, identifies additional factors that could affect Assure's and GEOCAN's respective operations, results and performance. In this summary, all dollar amounts are in Canadian dollars unless otherwise indicated.

The Corporations

Assure is a publicly traded oil and gas corporation which is engaged in the acquisition of, exploration for, and the exploitation, development and production of, oil and natural gas in Western Canada. GEOCAN is a publicly traded oil and gas corporation engaged in the acquisition of, exploration for, and the exploitation, development and production of, oil and natural gas in four core areas, namely central Alberta, east central Alberta, the Lloydminster area of eastern Alberta and southeast Saskatchewan. For the three months ended March 31, 2005, GEOCAN's average daily production was 1,915 bbls/d of oil and liquids and 1.7 MMcf/d of natural gas.

The Assure Meeting

The Meeting will be held on Wednesday, September 7, 2005 at 10:00 a.m. (Calgary time), at the offices of Bennett Jones LLP, 4500, 855 - 2nd Street S.W., Calgary, Alberta, for the purpose of considering and, if deemed advisable, passing, with or without variation, the Arrangement Resolution approving the Arrangement.

Description of the Arrangement

On July 9, 2005, GEOCAN and Assure entered into the Arrangement Agreement, as amended and restated on August 2, 2005, a copy of which is attached as Appendix B to this Information Circular. The Arrangement Agreement provides for the implementation of the Plan of Arrangement, a copy of which is attached as Exhibit 1 to the Arrangement Agreement. The description in this Information Circular of the Arrangement and the Arrangement Agreement is a summary only and is qualified in its entirety by reference to the full text of the Arrangement Agreement and the Plan of Arrangement.

The following summarizes the events which will occur under the Plan of Arrangement on the Effective Date if all conditions to the implementation of the Arrangement (including obtaining the requisite Court and Assure Securityholder approvals) have been satisfied or waived:

Edgar Filing: ASSURE ENERGY INC - Form 6-K

- (a) all of the issued and outstanding Assure Shares, Assure Preferred Shares and Assure Warrants held by Dissenting Securityholders as of the Effective Time shall be deemed to have been transferred to Assure and cancelled and shall cease to be issued and outstanding and, as of the Effective Time, such Dissenting Securityholders shall cease to have any rights as Assure Securityholders, other than the right to be paid the fair value of their Assure Shares, Assure Preferred Shares or Assure Warrants, as the case may be, and the names of such Dissenting Securityholders shall be removed from the register of holders of Assure Shares, Assure Preferred Shares and Assure Warrants, as applicable; and
- (b) all of the issued and outstanding Assure Shares beneficially owned by Assure Shareholders at the Effective Time shall be transferred to GEOCAN, solely in exchange for the issue by GEOCAN, to such Assure Shareholders in respect of such Assure Shares, of fully paid and non-assessable common shares of GEOCAN on the basis of 0.7 of a GEOCAN Share for each Assure Share.

- 10 -

No fractional GEOCAN Shares will be issued pursuant to the Arrangement. In the event that the conversions contemplated by the Plan of Arrangement would result in an Assure Shareholder being entitled to a fractional GEOCAN Share, the number of GEOCAN Shares to be issued to each such former Assure Shareholder will be rounded up to the next whole number of GEOCAN Shares. In calculating such fractional interests, all Assure Shares held by an Assure Shareholder prior to the Effective Time will be aggregated.

The respective obligations of GEOCAN and Assure to complete the transactions contemplated by the Plan of Arrangement are subject to a number of conditions which must be satisfied or waived in order for the Arrangement to become effective. If the Arrangement is approved by the Assure Securityholders, the Final Order is obtained, and all of the conditions to completion of the Arrangement are fulfilled or waived, Assure is required to file a copy of the Final Order and the Articles of Arrangement with the Registrar under the ABCA in order to give effect to the Arrangement.

Directors and Officers

The GEOCAN Board, following the completion of the Arrangement, will be composed of Messrs. Christopher J. Bloomer, Raymond P. Cej, Bradley J. Farris, William C. Guinan, Garry W. Lohuis, Wayne S. Wadley and a nominee of Assure to be named later. The senior officers of GEOCAN following the Arrangement will be composed of the current senior officers of GEOCAN. See "Part III - Information Relating to GEOCAN, Post Arrangement - Directors and Officers of GEOCAN" in this Information Circular.

Benefits of the Arrangement

The Assure Board and management believes that the Arrangement is in the best interests of the Assure Securityholders and that the Arrangement provides a number of benefits including:

- (a) the combined company will have a larger production base and greater financial resources, enabling it to more effectively undertake and accelerate its oil and natural gas development and exploration opportunities;
- (b) the combined company will have a focused and experienced management team with a strong record for creating shareholder value;

Edgar Filing: ASSURE ENERGY INC - Form 6-K

- (c) the combined company will have increased operating efficiencies;
- (d) the combined company will have increased market capitalization and a wider shareholder base allowing greater access to capital and improved liquidity;
- (e) the combined company will have a stronger balance sheet providing for greater financial flexibility;
- (f) the combined company will have a balanced inventory of exploration and development projects; and
- (g) the transaction provides generally for the tax deferred rollover of Assure Shares into GEOCAN Shares under the Income Tax Act for Assure Shareholders resident in Canada and a tax free disposition of Assure Shares into GEOCAN Shares for Assure Shareholders not resident in Canada. See "Part II - The Arrangement - Certain Canadian Federal Income Tax Considerations" in this Information Circular.

- 11 -

Effect of the Arrangement

Each Assure Shareholder, other than Dissenting Securityholders, will be deemed to transfer the Assure Shares held by them to GEOCAN in exchange for the applicable number of GEOCAN Shares determined by the Exchange Ratio. Each Assure Preferred Share, other than Assure Preferred Shares held by Dissenting Securityholders, shall remain an Assure Preferred Share. Each Assure Warrant, other than Assure Warrants held by Dissenting Securityholders, will become warrants exercisable into GEOCAN Shares in accordance with the terms of the Assure Warrants. Assure has agreed, in the Arrangement Agreement, to use reasonable commercial efforts to cause the holders of Assure A Warrants and Assure B Warrants to exercise such warrants. Assure and certain Assure Warrantholders may enter into agreements to exercise such warrants whereby the Assure Warrantholder, rather than paying the exercise price and receiving an Assure Share, will receive the in-the-money amount of the Assure Warrant plus a premium for the remaining time value of the Assure Warrant, payable in Assure Shares.

Assuming there are no Dissenting Securityholders and prior to the exercise of any Assure Warrants, there will be approximately 41,063,171 GEOCAN Shares outstanding after giving effect to the Arrangement, on a non-diluted basis. Current GEOCAN Shareholders will hold approximately 23,961,973 GEOCAN Shares, on a non-diluted basis, immediately following completion of the Arrangement, representing approximately 58% of the issued and outstanding GEOCAN Shares (non-diluted). Current Assure Securityholders will hold approximately 17,101,198 GEOCAN Shares (on a non-diluted basis) immediately following completion of the Arrangement, representing approximately 42% of the issued and outstanding GEOCAN Shares (non-diluted). The foregoing information is approximate due to the rounding of fractional shares pursuant to the Arrangement and the exercise of the Assure Warrants.

The following graph illustrates the effect of the Arrangement on Assure Securityholders.

Arrangement Agreement, must be satisfied or waived by the appropriate party; and

- (d) the Final Order and Articles of Arrangement in the form prescribed by the ABCA must be filed with the Registrar.

Securityholder Approvals

The Interim Order provides that the Arrangement Resolution is required to be approved by 66 2/3% of all of the votes cast on such resolutions by Assure Securityholders, voting together as a class, present in person or by proxy at the Meeting such that (a) each Assure Shareholder is entitled to one vote for each Assure Share held, (b) each Assure Preferred Shareholder is entitled to one vote for each Assure Preferred Share held, and (c) each Assure Warrantholder is entitled to one vote for each Assure Share such holder would be entitled to receive upon the exercise of the Assure Warrants.

See "Part II - The Arrangement - Procedure for the Arrangement to Become Effective" in this Information Circular. See also Appendix A to this Information Circular for the full text of the Arrangement Resolution.

Court Approval

The ABCA provides that the Arrangement requires Court approval. On August 5, 2005 Assure obtained the Interim Order providing for the calling and holding of the Meeting and other procedural matters. The Interim Order is attached as Appendix C to this Information Circular.

Subject to the terms of the Arrangement Agreement and to the Arrangement Resolution being approved at the Meeting in the manner required by the Interim Order, Assure will make application to the Court for the Final Order at the Court, 611 - 4th Street S.W., Calgary, Alberta on September 7, 2005 at 1:15 p.m. (Calgary time) or as soon thereafter as counsel may be heard. Any Assure Securityholder or other interested party who wishes to participate in or be represented at the hearing may do so, subject to filing with the Court and serving on Assure, a Notice of Intention to Appear on or before 4:00 p.m. on Thursday, September 1, 2005, together with any evidence or materials which are to be presented to the Court, setting out the Assure Securityholder's or other interested party's address for service and indicating whether such Assure Securityholder or other interested party intends to support or oppose the petition or make submissions. See "Notice of Petition" in this Information Circular. See "Part II - The Arrangement - Procedures for the Arrangement to become Effective - Court Approval".

- 13 -

Regulatory Approvals

The Arrangement requires approval of certain regulatory authorities. The Arrangement Agreement provides that these approvals are conditions precedent to the Arrangement becoming effective. GEOCAN will make application to such authorities prior to the Effective Date in order to obtain all approvals required in respect of the Arrangement. There can be no assurance that the requisite approvals will be granted on a timely basis or on conditions satisfactory to Assure and GEOCAN. See "Part II - The Arrangement - Procedures for the Arrangement to become Effective - Regulatory Approvals".

Timing

If the Meeting is held as scheduled and is not adjourned and the other necessary conditions of the Arrangement are satisfied or waived, Assure will apply to the Court for the Final Order approving the Arrangement. If the Final

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Order is obtained on September 7, 2005 in form and substance satisfactory to GEOCAN and Assure, and all other conditions specified are satisfied or waived, Assure expects the Effective Date of the Arrangement will be September 8, 2005. See "Part II - The Arrangement - Timing".

The Assure Board has received the Fairness Opinion from Haywood Securities, which states that, on the basis of the assumptions and considerations summarized therein and based on the Exchange Ratio, Haywood Securities views the Arrangement as fair, from a financial point of view to the Assure Shareholders.

See "Part II - The Arrangement - Fairness Opinion" and the Fairness Opinion attached as Appendix H to this Information Circular. The Fairness Opinion should be read carefully and in its entirety.

Recommendation of the Assure Board

The Assure Board has determined that the Arrangement is in the best interests of Assure and the Assure Securityholders and is fair to the Assure Securityholders and, as such, has authorized the submission of the Arrangement to the Assure Securityholders for approval and to the Court for the Final Order.

The Assure Board unanimously recommends that Assure Securityholders vote in favour of the Arrangement Resolution. See "Part II - The Arrangement - Recommendation of the Assure Board".

Interests and Intentions of Directors, Officers, Insiders and Significant Securityholders in Matters to be Acted Upon

As of the date hereof, the directors and officers of Assure, as a group, beneficially own or control, directly or indirectly, or exercise control or direction over, 445,600 (?) Assure Shares. The directors and officers of Assure have indicated their intention to vote the Assure Shares and Assure Warrants beneficially held or controlled by them in favour of the Arrangement. All of the directors and officers of Assure have entered into the Lockup Agreements requiring them to vote their Assure Securities in favour of the Arrangement. See "Part II - The Arrangement - Interests and Intentions of Directors, Officers, Insiders and Significant Securityholders in Matters to be Acted Upon".

Right of Dissent

Pursuant to the Interim Order, registered Assure Securityholders have been granted the right to dissent in respect of the Arrangement Resolution, and, if the Arrangement becomes effective, to be paid the fair value of their securities in accordance with the provisions of Section 191 of the ABCA, as modified by the Interim Order. To exercise such right, Assure must receive from the Dissenting Securityholder a written objection to the Arrangement Resolution, delivered to Assure, c/o Bennett Jones LLP, 4500 Bankers Hall East, 855 - 2nd Street S.W., Calgary, Alberta, T2P 4K7, Attention: Mr. Ken Lenz, by 5:00 p.m. (Calgary time) two Business Days before the Meeting, and the Dissenting Securityholder must otherwise comply with Section 191 of the ABCA, as modified by the Interim Order. Beneficial Holders whose Assure Securities are registered in the name of a broker, custodian, nominee or other intermediary who wish to dissent should be aware that only the registered holders of such securities are entitled to dissent. Accordingly, a Beneficial Holder desiring to exercise dissent rights must make arrangements for the Assure Securities beneficially owned by such Beneficial Holder to be registered in his or her name prior to the time the written objection to the Arrangement Resolution is required to be received by Assure, or alternatively, make arrangements for the registered holder of his or her Assure Securities to dissent on his or her behalf. Pursuant to the Interim Order, an Assure Securityholder that exercises the Dissent Rights may not exercise the Dissent Rights in respect of only a portion of such holder's securities. See "Part II - The Arrangement - Right of Dissent" in this Information Circular.

- 15 -

It is a condition to the Arrangement that Assure Securityholders of not more than 10% of the aggregate of the outstanding Assure Shares, Assure Preferred Shares and Assure Warrants shall have exercised rights of dissent in respect to the Arrangement.

Selected Reserves and Operational Information

It should not be assumed that the estimates of future net revenues presented in the tables below represent the fair market value of the reserves. There is no assurance that the constant prices and costs assumptions and forecast prices and costs assumptions will be attained and variances could be material. The recovery and reserve estimates of the Corporation's crude oil, natural gas liquids and natural gas reserves provided herein are estimates only and there is no guarantee that the estimated reserves will be recovered. Actual crude oil, natural gas and natural gas liquid reserves may be greater than or less than the estimates provided herein.

The following table sets forth certain reserves information for GEOCAN and Assure and pro-forma combined reserves information for GEOCAN and Assure, for the year ended December 31, 2004 after giving effect to the Arrangement from January 1, 2004. Notes:

- (1) All pricing information for constant and forecast prices and costs and other pricing assumptions relating to GEOCAN and Assure are included in Appendices D and E to this Information Circular, respectively.
- (2) Pro-Forma combined reserves information is calculated solely by combining the reserves of Assure and GEOCAN. No adjustments have been made to reflect synergies or efficiencies resulting from the Arrangement or for Saskatchewan capital tax or abandonment costs, neither of which have been applied in the case of GEOCAN. Actual reserves information of GEOCAN subsequent to the Arrangement may be materially different from these figures and readers are cautioned not to place undue reliance on such information.
- (3) Assure disposed of producing properties in the Chestermere area of Alberta in early January 2005. Assure's working interest proved and proved plus probable reserves as estimated by Sproule for this property as of December 31, 2004 was 417 Mboe and 659 Mboe, respectively.
- (4) Pro-Forma combined average prices information reflects a weighted average percentage of approximately one third Assure and two-thirds GEOCAN. Actual prices of GEOCAN subsequent to the Arrangement may be materially different from these figures. The Assure Securityholders are advised to avoid placing undue reliance on these figures.

GEOCAN has provided the information contained in this Information Circular concerning GEOCAN and its businesses, including its financial information and financial statements. Assure assumes no responsibility for the accuracy or completeness of such information, nor for any omission on the part of GEOCAN of facts or events which may affect the accuracy of such information.

GEOCAN and Assure are, and GEOCAN will be, subject to certain risks that should be carefully considered. These risks include volatility of commodity prices, operational risks, and an inability to replace reserves. See "Part III - Information Relating to GEOCAN, Post-Arrangement - Risk Factors" in the Information Circular and "Risk Factors" in Appendices D & E attached hereto.

PART I - GENERAL PROXY MATTERS

Purpose of Solicitation

This Information Circular is provided in connection with the solicitation of proxies by the management of Assure for use at the Meeting to be held at the offices of Bennett Jones LLP, 4500, 855 - 2nd Street S.W., Calgary, Alberta, on Wednesday, September 7, 2005 at 10:00 a.m. (Calgary time) and at any adjournments thereof, for the purposes set forth in the Notice of Meeting accompanying this Information Circular.

Information contained herein is given as of August 5, 2005 unless otherwise specifically stated. All sums are expressed in Canadian dollars unless otherwise indicated.

Solicitation and Revocation of Proxies

It is expected that the solicitation will be primarily by mail, but some proxies may be solicited personally or by telephone, facsimile transmission or other electronic means by the directors, officers or employees of Assure. No remuneration will be paid to any person for soliciting proxies, but Assure may,

Edgar Filing: ASSURE ENERGY INC - Form 6-K

upon request, pay to brokerage firms, fiduciaries or other persons holding Assure Securities in their name for others, the charges incurred for distributing the form of proxy ("Form of Proxy") to those persons for whom they hold Assure Securities. The cost of any such solicitation will be borne by Assure.

The Form of Proxy is solicited by and on behalf of the management of Assure. Harvey Lalach, President and Chief Executive Officer of Assure and, alternatively, Colin McNeil, Director of Assure, are named as proxies in the enclosed Form of Proxy for Assure Securityholders at the Meeting.

An Assure Securityholder submitting a proxy has the right to appoint a nominee (who need not be an Assure Securityholder) to represent him or her at the Meeting other than the persons designated by management in the enclosed Form of Proxy, by inserting the name of the Assure Securityholder's chosen nominee in the space provided for that purpose on the applicable enclosed Form of Proxy, and by striking out the names of the management designees printed thereon or by completing another proper instrument of proxy. Such Assure Securityholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxy and instruct the nominee as to how the Assure Securityholder's Assure Shares, Assure Preferred Shares or Assure Warrants are to be voted.

A Form of Proxy will not be valid for the Meeting or any adjournments thereof unless it is in writing and signed by the Assure Securityholder or by his or her attorney authorized in writing or, if the Assure Securityholder is a corporation, by a duly authorized officer or attorney of such corporation, and forwarded so it reaches or is deposited with Continental, 17 Battery Place, New York, NY 10004, not later than twenty-four hours (excluding Saturdays, Sundays and statutory holidays) prior to the time fixed for the Meeting, or any adjournments thereof.

An Assure Securityholder who has submitted a proxy may revoke it at any time prior to the exercise of that proxy. If a person who has given a proxy attends personally at the Meeting such person may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Assure Securityholder or his or her attorney authorized in writing or, if the Assure Securityholder is a corporation, by a duly authorized officer or attorney of such corporation, and deposited either at the head office of Assure at any time up to 4:30 p.m. (Calgary time) on the last Business Day before the day of the Meeting, or with the Chairman of the Meeting on the day of the Meeting, and upon either of such deposits, the proxy is revoked. An Assure Securityholder who revokes his or her proxy and does not replace it with another that is deposited with Continental at least twenty-four hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting may not vote his or her Assure Securities in any manner at the Meeting.

19

Voting Shares and Principal Holders Thereof

The Assure Board has fixed August 2, 2005 as the record date for the determination of Assure Securityholders entitled to receive notice of the Meeting. Assure Shareholders and Assure Preferred Shareholders of record on that date are entitled to receive notice of and attend the Meeting and to vote thereat on the basis of one vote for each Assure Share and Assure Preferred Shares held, except to the extent that: (i) a registered Assure Shareholder or Assure Preferred Shareholder has transferred the ownership of any Assure Shares or Assure Preferred Shares subsequent to such date; and (ii) the transferee of those Assure Shares or Assure Preferred Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns such shares and

Edgar Filing: ASSURE ENERGY INC - Form 6-K

demands, not later than ten days before the Meeting, that his or her name be included on the list of the Assure Securityholders entitled to vote at the Meeting, in which case the transferee shall be entitled to vote such Assure Shares or Assure Preferred Shares at the Meeting. Assure Warrantholders of record on the record date are entitled to receive notice of and attend the Meeting and to vote thereat, together with the Assure Shareholders, on the basis of one vote for each Assure Share such holder would be entitled to receive upon the valid exercise of the Assure Warrants. As at the date hereof, there were issued and outstanding 24,430,284 Assure Shares, 22,750 Assure Preferred Shares (consisting of 17,500 Series A Shares and 5,250 Series B Shares) and 8,906,700 Assure Warrants. For the principal holders of Assure Securities, see "Principal Shareholders" in Appendix E to this Information Circular.

Pursuant to the by-laws of Assure, as modified by the Interim Order, business may be transacted at the Meeting if there are not less than two persons present at the Meeting, holding or representing not less than 10% of the Assure Securities entitled to be voted at the Meeting. The Interim Order provides that if no quorum is present within thirty minutes of the appointed time for the Meeting, the Meeting shall stand adjourned to a date, as determined by the Chairman of the Meeting, which is not less than seven days and not more than thirty days after the Meeting. The Interim Order also provides that at such adjourned Meeting, those persons present in person or by proxy and entitled to vote at such Meeting will constitute a quorum at such adjourned Meeting.

Advice to Beneficial Holders of Assure Shares

The information set forth in this section is of significant importance to a substantial number of Assure Shareholders who do not hold their Assure Shares in their own name. Assure Shareholders who do not hold their Assure Shares in their own name should note that only proxies deposited by Assure Shareholders whose names appear on the records of Assure as the registered holders of Assure Shares can be recognized and acted upon at the Meeting. If Assure Shares are listed in an account statement provided to an Assure Shareholder by a broker, then in almost all cases those Assure Shares will not be registered in such Assure Shareholder's name on the records of Assure. Such Assure Shares will more likely be registered under the name of the Assure Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Assure Shares are registered in the name of CDS & Co., the registration name for The Canadian Depository for Securities Limited, which company acts as a nominee for many Canadian brokerage firms. Assure Shares held by brokers or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Holder. Without specific instructions, brokers/nominees are prohibited from voting Assure Shares for their clients. Assure does not know for whose benefit the Assure Shares registered in the name of CDS & Co. are held.

20

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Holders in advance of securityholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Holders in order to ensure that their Assure Shares are voted at the Meeting. The purpose of a form of proxy supplied to a Beneficial Holder by its broker is limited to instructing the broker how to vote on behalf of the Beneficial Holder. The majority of brokers now delegate responsibility for obtaining instructions from clients to ADP. ADP typically mails a scannable Voting Instruction Form in lieu of the Form of Proxy issued by Assure. Beneficial Holders are requested to complete and return the Voting Instruction Form to ADP by mail or facsimile. Alternatively, Beneficial Holders can call a toll-free telephone number or access ADP's dedicated voting website at www.proxyvotecanada.com to deliver their voting instructions and vote the Assure

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Shares held by them. ADP then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Assure Shares to be represented at the Meeting. A Beneficial Holder receiving a Voting Instruction Form cannot use that Voting Instruction Form to vote Assure Shares directly at the Meeting as the Voting Instruction Form must be returned as directed by ADP well in advance of the Meeting in order to have the Assure Shares voted. Beneficial Holders who receive forms of proxies or voting materials from organizations other than ADP should complete and return such forms of proxies or voting materials in accordance with the instructions on such materials in order to properly vote their Assure Shares at the Meeting.

Voting of Proxies

The persons named in the enclosed Form of Proxy will, if the instructions are clear, vote the Assure Shares, Assure Preferred Shares or Assure Warrants represented by that Form of Proxy and, where the Assure Securityholders specify a choice with respect to any matter to be acted upon, the Assure Shares, Assure Preferred Shares or Assure Warrants will be voted on in accordance with the specification so made.

In the absence of such specification, the Assure Shares, Assure Preferred Shares or Assure Warrants represented by this Form of Proxy will be voted in favour of the matters to be acted upon as set out herein. The persons appointed under the Form of Proxy furnished by Assure are conferred with discretionary authority with respect to amendments or variations of those matters specified in the Form of Proxy and Notice of Meeting and with respect to any other matters which may properly be brought before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting, it is the intention of the persons designated in the enclosed Form of Proxy to vote in accordance with their best judgement on such matter or business. At the time of printing this Information Circular, Assure knows of no such amendment, variation or other matter.

PART II - THE ARRANGEMENT

Background to the Arrangement

On June 17, 2005, Assure and GEOCAN signed a letter of intent, which was amended by a letter agreement dated June 29, 2005, to negotiate a formal agreement to effect the business combination of Assure and GEOCAN by means of a share exchange on the basis of the Exchange Ratio. Pursuant to the letter of intent it was agreed that the acquisition would be structured in the most advantageous manner for both parties, giving consideration to tax and regulatory implications. The letter of intent provided that the formal agreement was subject to the completion of due diligence, the good faith negotiation of a definitive arrangement and certain exclusivity and confidentiality arrangements. The parties announced the Arrangement Agreement on July 11, 2005.

The Assure Board retained Haywood Securities as its financial advisor pursuant to an agreement effective April 21, 2005. Pursuant to this agreement, Haywood Securities agreed to consider the fairness, from a financial point of view, of the Arrangement to the Assure Shareholders. GEOCAN and Assure, with the assistance of their respective legal and financial advisors, proceeded to negotiate the terms of the Arrangement Agreement.

Haywood Securities has advised the Assure Board that it would be in a position to provide the Fairness Opinion. The Assure Board has determined that the proposed Arrangement is in the best interests of Assure and the Assure Securityholders, has resolved to recommend that Assure Securityholders vote in favour of the Arrangement Resolution and has authorized the negotiation,

Edgar Filing: ASSURE ENERGY INC - Form 6-K

entering into and execution of the Arrangement Agreement.

On July 9, 2005, the parties executed the Arrangement Agreement and announced the definitive terms of the proposed transaction. On August 2, 2005, the parties executed the amended and restated Arrangement Agreement. On August 5, 2005, the Assure Board approved the Information Circular and the application to the Court for the Interim Order.

21

Description of the Arrangement

On July 9, 2005, GEOCAN and Assure entered into the Arrangement Agreement, a copy of which is attached as Appendix B to this Information Circular. GEOCAN and Assure entered into an amended and restated Arrangement Agreement on August 2, 2005, which agreement is effective as of July 8, 2005. The Arrangement Agreement provides for the implementation of the Plan of Arrangement, a copy of which is attached as Exhibit 1 to the Arrangement Agreement. The description in this Information Circular of the Arrangement and the Arrangement Agreement is a summary only and is qualified in its entirety by reference to the full text of the Arrangement Agreement and the Plan of Arrangement.

The following summarizes the events which will occur under the Plan of Arrangement on the Effective Date if all conditions to the implementation of the Arrangement (including obtaining the requisite Court and Assure Securityholder approvals) have been satisfied or waived:

- (a) all of the issued and outstanding Assure Shares, Assure Preferred Shares and Assure Warrants held by Dissenting Securityholders as of the Effective Time shall be deemed to have been transferred to Assure and cancelled and shall cease to be issued and outstanding and, as of the Effective Time, such Dissenting Securityholders shall cease to have any rights as Assure Securityholders, other than the right to be paid the fair value of their Assure Shares, Assure Preferred Shares or Assure Warrants, as the case may be, and the names of such Dissenting Securityholders shall be removed from the register of holders of Assure Shares, Assure Preferred Shares and Assure Warrants, as applicable; and
- (b) all of the issued and outstanding Assure Shares beneficially owned by Assure Shareholders at the Effective Time shall be transferred to GEOCAN, solely in exchange for the issue by GEOCAN, to such Assure Shareholders in respect of such Assure Shares, of GEOCAN on the basis of 0.7 of a GEOCAN Share for each Assure Share.

No fractional GEOCAN Shares will be issued pursuant to the Arrangement. In the event that the conversions contemplated by the Plan of Arrangement would result in an Assure Shareholder being entitled to a fractional GEOCAN Share, the number of GEOCAN Shares to be issued to each such former Assure Shareholder will be rounded up to the next whole number of GEOCAN Shares. In calculating such fractional interests, all Assure Shares held by Assure Shareholders prior to the Effective Time will be aggregated.

The respective obligations of GEOCAN and Assure to complete the transactions contemplated by the Plan of Arrangement are subject to a number of conditions which must be satisfied or waived in order for the Arrangement to become effective. If the Arrangement is approved by the Assure Securityholders, the Final Order is obtained, and all of the conditions to completion of the Arrangement are fulfilled or waived, Assure is required to file a copy of the Final Order and the Articles of Arrangement with the Registrar under the ABCA in order to give effect to the Arrangement.

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Directors and Officers

The GEOCAN Board, following the completion of the Arrangement, will be composed of Christopher J. Bloomer, Raymond P. Cej, Bradley J. Farris, William C. Guinan, Garry W. Lohuis, Wayne S. Wadley and a nominee of Assure to be named later. The senior officers of GEOCAN, following the Arrangement, will be composed of the current senior officers of GEOCAN. See "Part III - Information Relating to GEOCAN, Post Arrangement - Directors and Officers of GEOCAN" in this Information Circular.

Benefits of the Arrangement

The Assure Board believes that the Arrangement is in the best interests of the Assure Securityholders and that the Arrangement provides a number of benefits including:

22

- (a) the combined company will have a larger production base and greater financial resources, enabling it to more effectively undertake and accelerate its oil and natural gas development and exploration opportunities;
- (b) the combined company will have a focused and experienced management team with a strong record for creating shareholder value;
- (c) the combined company will have increased operating efficiencies;
- (d) the combined company will have increased market capitalization and a wider shareholder base allowing greater access to capital and improved liquidity;
- (e) the combined company will have a stronger balance sheet providing for greater financial flexibility;
- (f) the combined company will have a well balanced inventory of exploration and development projects; and
- (g) the transaction provides generally for the tax deferred rollover of Assure Shares into GEOCAN Shares under the Income Tax Act for Assure Shareholders resident in Canada and a tax free disposition of Assure Shares into GEOCAN Shares for Assure Shareholders not resident in Canada. See "Part II - The Arrangement - Certain Canadian Federal Income Tax Considerations" in this Information Circular.

Effect of the Arrangement

Each Assure Shareholder, other than Dissenting Securityholders, will be deemed to transfer the Assure Shares held by them to GEOCAN in exchange for the applicable number of GEOCAN Shares determined by the Exchange Ratio. Each Assure Preferred Share, other than Assure Preferred Shares held by Dissenting Securityholders, shall remain an Assure Preferred Share. Each Assure Warrant, other than Assure Warrants held by Dissenting Securityholders, will become warrants exercisable into GEOCAN Shares in accordance with the terms of the Assure Warrants. Assure has agreed, in the Arrangement Agreement, to use reasonable commercial efforts to cause the holders of Assure A Warrants and Assure B Warrants to exercise such warrants. Assure and certain Assure Warrantholders may enter into agreements to exercise such warrants whereby the Assure Warrantholder, rather than paying the exercise price and receiving an

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Assure Share, will receive the in-the-money amount of the Assure Warrant plus a premium for the remaining time value of the Assure Warrant, payable in Assure Shares.

Assuming there are no Dissenting Securityholders and prior to the exercise of any Assure Warrants, there will be approximately 41,063,171 GEOCAN Shares outstanding after giving effect to the Arrangement, on a non-diluted basis. Current GEOCAN Shareholders will hold approximately 23,961,973 GEOCAN Shares, on a non-diluted basis, immediately following completion of the Arrangement, representing approximately 58% of the issued and outstanding GEOCAN Shares (non-diluted). Current Assure Securityholders will hold approximately 17,101,198 GEOCAN Shares (on a non-diluted basis) immediately following completion of the Arrangement, representing approximately 42% of the issued and outstanding GEOCAN Shares (non-diluted). The foregoing information is approximate due to the rounding of fractional shares pursuant to the Arrangement and the exercise of the Assure Warrants.

The Arrangement Agreement

Edgar Filing: ASSURE ENERGY INC - Form 6-K

GEOCAN and Assure entered into the Arrangement Agreement, which provides for the implementation of the Arrangement pursuant to Section 193 of the ABCA. The Arrangement Agreement contains representations and warranties of and from each of GEOCAN and Assure, covenants (including restrictions on interim operations and other matters), and various conditions precedent, with respect to each of Assure and GEOCAN, to the implementation of the Arrangement.

Conditions to the Arrangement

The respective obligations of GEOCAN and Assure to complete the transactions contemplated by the Arrangement Agreement are subject to a number of conditions, which must be satisfied or waived in order for the Arrangement to become effective. These conditions are provided in the Arrangement Agreement and include the following:

- (iii) on or before October 5, 2005, subject to an extension of up to 20 days pursuant to Section 10.4 of the Arrangement Agreement, the Final Order shall have been granted in form and substance satisfactory to GEOCAN and Assure, each acting reasonably;
- (iv) the Arrangement shall have become effective on or before October 6, 2005, subject to an extension of up to 20 days pursuant to Section 10.4 of the Arrangement Agreement;
- (v) the Articles of Arrangement relating to the Arrangement shall be in form and substance satisfactory to GEOCAN and Assure, each acting reasonably;
- (vi) there shall be no action taken under any existing applicable law or regulation, nor any statute, rule, regulation or order which is enacted, enforced, promulgated or issued by any court, department, commission, board, regulatory body, government or governmental authority or similar agency, domestic or foreign, that:
 - (A) makes illegal or otherwise directly or indirectly restrains, enjoins or prohibits the Arrangement or any other material transactions contemplated herein; or

Edgar Filing: ASSURE ENERGY INC - Form 6-K

- (B) results in a judgment or assessment of material damages directly or indirectly relating to the transactions contemplated herein;
- (vii) all requisite domestic and foreign regulatory approvals and consents, necessary in connection with the transactions contemplated hereby including, without limitation, those under the Investment Canada Act and of the TSX to the issuance of the GEOCAN Shares to be issued under the Arrangement and those of the SEC shall have been obtained on terms and conditions satisfactory to GEOCAN and Assure, each acting reasonably, and all applicable domestic and foreign statutory or regulatory waiting periods to the transactions contemplated under the Arrangement shall have expired or been terminated, and no objection or opposition shall have been filed, initiated or made by any regulatory authority during any applicable statutory or regulatory period;
- (viii) except, in the case of (i) below for those disclosed in writing to GEOCAN or Assure, as the case may be, no act, action, suit or proceeding shall have been threatened or taken before or by any domestic or foreign court or tribunal or government agency or other regulatory authority or administrative agency or commission or by any elected or appointed public official or private person (including, without limitation, any individual, corporation, firm, group or other entity) in Canada or elsewhere, whether or not having the force of law, and no law, regulation or policy shall have been proposed, enacted, promulgated or applied:

25

- (A) which has the effect or may have the effect to cease trade, enjoin, prohibit or impose material limitations or conditions on the Arrangement; or
- (B) which would have a Material Adverse Effect on GEOCAN or Assure;
- (ix) there shall not have occurred any actual or threatened change (including any proposal by the Minister of Finance (Canada) to amend the Income Tax Act (Canada) or any announcement, governmental or regulatory initiative, condition, event or development involving a change or a prospective change) that, in the sole judgment of GEOCAN or Assure, acting reasonably, directly or indirectly, has or may have material adverse significance with respect to the business or operations of either of GEOCAN or Assure, in which either of them has a material interest or with respect to the regulatory regime applicable to their respective business and operations;
- (x) all third parties consents, including, without limitation, consent of lenders to GEOCAN or Assure, required in connection with the matters contemplated by the Arrangement Agreement and the Arrangement shall have been obtained; and
- (xi) if applicable, the relevant waiting period in section 123 of the Competition Act (Canada) shall have expired and: (i) an advance ruling certificate ("ARC") pursuant to section 102 of the Competition Act shall have been issued by the Commissioner of the Competition Bureau ("Commissioner") appointed under the

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Competition Act (Canada); or (ii) a "no action letter" satisfactory to each of GEOCAN and Assure, acting reasonably, indicating that the Commissioner has determined not to make an application for an order under section 92 of the Competition Act (Canada) shall have been received from the Commissioner, and any terms and conditions attached to any such letter shall be acceptable to each of GEOCAN and Assure, acting reasonably; and in addition, in the event that the ARC or "no action" letter described in (i) or (ii) in the foregoing is issued, there shall be no threatened or actual application by the Commissioner for an order under section 92 or 100 of the Competition Act (Canada).

The foregoing conditions are for the mutual benefit of GEOCAN and Assure and may be waived, in whole or in part, by GEOCAN and Assure together, at any time. Subject to Section 10.4 of the Arrangement Agreement, if any of the conditions precedent set forth in this Article shall not be complied with or waived as aforesaid on or before the date required for the performance thereof, GEOCAN or Assure may, in addition to the other remedies they may have at law or in equity, rescind and terminate the Arrangement Agreement by written notice to the other party.

(b) GEOCAN Conditions

The obligations of GEOCAN to complete the Arrangement are subject to fulfillment of the following conditions precedent on or before the Effective Date:

- (i) the representations and warranties made by Assure in Section 6.1 of the Arrangement Agreement shall be true as of the Effective Date as if made on and as of such date (except to the extent such representations and warranties speak to a particular date and except, in the case of Section 6.1(e) of the Arrangement Agreement, to the extent the number of Assure Shares, Assure Preferred Shares and Assure Warrants has changed as a result of the exercise of such warrants prior to the Effective Date) except where the failure of such representations and warranties to be true and correct would not have a Material Adverse Effect on Assure and Assure shall have provided to GEOCAN a certificate of an officer of Assure certifying (to the best of his knowledge and not in his personal capacity) as to such matters on the Effective Date;

26

- (ii) Assure shall have furnished GEOCAN with:
 - (A) certified copies of the resolutions duly passed by the board of directors of Assure approving the Arrangement Agreement and the consummation of the transactions contemplated thereby and directing the submission of the Arrangement for approval at the Assure Meeting and recommending that Assure Securityholders vote in favour of the Arrangement; and

- (vi) the aggregate number of Assure Securities held by Assure Securityholders exercising their right to dissent shall not exceed an amount equal to 10% of the aggregate of the outstanding Assure Shares, Assure Preferred Shares and Assure Warrants;
- (vii) resignations, on or prior to the Effective Date, of all of Assure's directors, officers, employees and consultants shall have been delivered (in the case of directors, in a manner which allows for the orderly replacement of directors);
- (viii) releases by Assure's directors and officers of Assure and GEOCAN, which shall include normal course exceptions respecting any statutory or contractual indemnities by Assure of such parties, shall have been delivered;
- (ix) no lawsuits, claims or regulatory proceedings shall be pending, threatened or in existence that would prevent or effect in a materially adverse manner GEOCAN's ownership or operation of all or a material portion of Assure's business or assets or impose any limitations on GEOCAN's exercise of full ownership rights of the Assure Shares;

27

GEOCAN shall be entitled to terminate the Arrangement Agreement by written notice at any time after July 18, 2005 if Lockup Agreements have not been executed and delivered to GEOCAN by each of the current directors and officers of Assure.

The foregoing conditions precedent are for the benefit of GEOCAN and may be waived, in whole or in part, by GEOCAN in writing at any time. Subject to Section 10.4 of the Arrangement Agreement, if any of the conditions precedent

Edgar Filing: ASSURE ENERGY INC - Form 6-K

set forth herein shall not be complied with or waived by GEOCAN on or before the date required for the performance thereof, GEOCAN may, in addition to the other remedies they may have at law or equity, rescind and terminate the Arrangement Agreement by written notice to Assure.

(c) Assure Conditions

The obligation of Assure to complete the Arrangement is subject to the fulfillment of the following conditions precedent on or before the Effective Date:

- (i) the representations and warranties made by GEOCAN in Section 7.1 of the Arrangement Agreement shall be true as of the Effective Date as if made on and as of such date (except to the extent such representation and warranty speaks as of a particular date) except where the failure of such representations and warranties to be true and correct would not have a Material Adverse Effect on GEOCAN and GEOCAN shall have provided to Assure a certificate of an officer of GEOCAN certifying (to the best of his knowledge and not in his personal capacity) as to such matters on the Effective Date;
- (ii) GEOCAN shall have furnished Assure (all in form acceptable to Assure, acting reasonably) with certified copies of the resolutions duly passed by the board of directors of GEOCAN approving the Arrangement Agreement and the consummation of the transactions contemplated hereby;
- (iii) GEOCAN shall have complied in all material respects with its covenants in the Arrangement Agreement and GEOCAN shall have provided to Assure a certificate of an officer of GEOCAN certifying (to the best of his knowledge and not in his personal capacity) as to such compliance;
- (iv) releases by GEOCAN and Assure of Assure's directors and officers, and any employees who have provided releases pursuant to Section 9.1(u) of the Arrangement Agreement, which shall include normal course exceptions respecting confidentiality, fraud, negligence, criminal behaviour, willful misconduct or failure to act honestly, in good faith and in the best interests of Assure, shall have been delivered;
- (v) GEOCAN shall have entered into written agreement effective as of the Effective Date satisfactory to Assure, acting reasonably, pursuant to which GEOCAN shall agree that, for a period of three years after the Effective Date, GEOCAN shall cause to be maintained directors' and officers' liability insurance providing coverage on a "trailing" or "run-off" basis for all present (to the Effective Date) and former directors and officers of Assure with respect to claims arising from facts or events which occurred before the Effective Date, such insurance to have substantially the same coverage limits and terms from time to time as GEOCAN provides for its own directors and officers;
- (vi) there shall not have occurred any Material Adverse Change in respect of GEOCAN;

- (vii) the Assure Shareholder Loan Mandatory Repayment shall have

Edgar Filing: ASSURE ENERGY INC - Form 6-K

- (viii) the GEOCAN Shares issuable pursuant to the Arrangement shall be freely tradable by the holders of such GEOCAN Shares subject to requirements of general application, the TSX and in respect of trades by control persons; and
- (ix) Assure shall have received an opinion of legal counsel dated as of the Effective Date, in respect of such matters related to the transactions contemplated by the Arrangement Agreement and the Arrangement as may reasonably be requested by Assure.

The foregoing conditions precedent are for the benefit of Assure and may be waived, in whole or in part, by Assure in writing at any time. Subject to Section 10.4, if any of the conditions precedent set forth above shall not be complied with or waived by Assure on or before the date required for the performance thereof, Assure may, in addition to the other remedies they may have at law or equity, rescind and terminate the Arrangement Agreement by written notice from Assure to GEOCAN.

Non-Solicitation and Superior Proposals

The Arrangement Agreement provides that:

- (a) Assure shall immediately cease and cause to be terminated all solicitations, initiations, encouragements, discussions or negotiations, if any, with any persons conducted before the date of the Arrangement Agreement with respect to any Assure Acquisition Proposal and shall immediately request the return or destruction of all information provided to third parties, if any, who have entered into a confidentiality agreement with Assure relating to an Assure Acquisition Proposal and shall use all reasonable commercial efforts to ensure that such requests are honoured.
- (b) Assure shall not, directly or indirectly, authorize or permit any of the officers, directors or employees of Assure or of any financial advisor, expert or other person acting on its behalf to:
 - (i) solicit, initiate or encourage (including, without limitation, by way of furnishing information or entering into any form of agreement, arrangement or understanding) an Assure Acquisition Proposal;
 - (ii) enter into or participate in any discussions on negotiations regarding an Assure Acquisition Proposal, or, except in the ordinary course of business, furnish to any other person any information with respect to the business, properties, operations, prospects or conditions (financial or otherwise) of Assure or an Assure Acquisition Proposal or otherwise cooperate in any way with, or assist or participate in, facilitate or encourage, any effort or attempt of any other person to do or seek to do any of the foregoing; or
 - (iii) waive, or otherwise forbear (except in respect of non material matters) in the enforcement of, or enter into or participate in any discussions, negotiations or agreements to waive or otherwise forbear in respect of, any rights or other benefits of Assure under confidential information agreements, including, without limitation, any "standstill provisions" thereunder;

Edgar Filing: ASSURE ENERGY INC - Form 6-K

provided, however, that notwithstanding any other provisions hereof, Assure (and its directors, officers, employees and advisors) may:

(iv) engage in discussions or negotiations with a third party who (without any solicitation, initiation or encouragement, directly or indirectly, by Assure or any of the officers, directors or employees of Assure or any financial advisor, expert or other representative or agent acting on its behalf) seeks to initiate such discussions or negotiations and, subject to execution of a confidentiality agreement substantially similar to the Confidentiality Agreement, may furnish such third party information concerning Assure and its business, properties and assets, in each case if, and only to the extent that:

29

(A) the third party has first made a written bona fide Assure Acquisition Proposal that is a Superior Proposal; and

(B) prior to furnishing such information to or entering into discussions or negotiations with such third party, Assure provides prompt notice to GEOCAN to the effect that it is furnishing information to or entering into discussions or negotiations with such third party together with a copy of the confidentiality agreement referenced above and if not previously provided to GEOCAN, copies of all information provided to such third party are provided to GEOCAN concurrently with the provision of such information to such third party. Assure shall immediately notify GEOCAN orally and in writing of any inquiries, offers or proposals with respect to any Assure Acquisition Proposal (including without limitation, the terms and conditions of any such proposal (and any amendments or changes thereto), the identity of the person making it, and if not previously provided to GEOCAN, copies of all information provided to such person and all other information reasonably requested by GEOCAN), shall keep GEOCAN informed of the status and details of any such inquiry, offer or proposal and answer GEOCAN's questions with respect thereto.

(c) Assure shall give GEOCAN 48 hours advance notice of any agreement (and the terms of such agreement) to be entered into with, or any information to be supplied to, any person making an inquiry, offer or proposal with respect to a Superior Proposal and shall confirm the determination of the Assure Board that the Assure Acquisition Proposal is a Superior Proposal. For a period of 48 hours from the time that Assure provides notice of such Superior Proposal to GEOCAN and any amendment thereto, together with the foregoing confirmation in respect of the determination of the Assure Board, the Assure Board and Assure agree not to accept, recommend or approve or enter into any agreement (an "Assure Proposed Agreement") to implement such a Superior Proposal or release the party from making the Superior Proposal from any standstill provisions. In addition, in respect of any Superior Proposal, Assure shall, and shall cause its financial and legal advisors to, negotiate in good faith with GEOCAN to make such adjustments in the terms and conditions of the Arrangement Agreement and the terms of the Arrangement as would enable Assure to proceed with the transaction contemplated herein, as amended, rather than the Superior

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Proposal. In the event that GEOCAN proposes to and does amend the Arrangement Agreement and the terms of the Arrangement to provide equal or superior value to that provided under the Superior Proposal within a period of 48 hours from the time that GEOCAN receives notice of the Superior Proposal and a copy of the Assure Proposed Agreement (and any amendments thereto), Assure shall not enter into any Assure Proposed Agreement regarding the Superior Proposal or any amendment thereof.

- (d) Notwithstanding Section 6.1(u) of the Arrangement Agreement in the event that, prior to the completion of the Arrangement, a Superior Proposal is offered or made to the Assure Securityholders or Assure, the Assure Board may fail to make, withdraw, modify or change any recommendation regarding the Arrangement if, in the opinion of the board of directors acting in good faith after written advice from outside counsel to such effect, which is reflected in the minutes of a meeting of the Assure Board (a copy of the relevant extract of which minutes shall be provided to GEOCAN), the making or failure to so withdraw, modify or change any recommendation regarding the Arrangement would be inconsistent with the performance by the directors of Assure of their fiduciary duties under applicable law, and provided Assure shall have complied with the provisions of Section 9.3 of the Arrangement Agreement and paid the GEOCAN Break Fee to GEOCAN in the circumstances where such fee is payable.

30

Payment of Break Fees

Subject to Section 10.4 of the Arrangement Agreement, if at any time after the date of this Agreement:

- (a) the Assure Board fails to recommend that the Assure Securityholders approve the Arrangement or withdraws or, in any manner adverse to GEOCAN redefines, modifies or changes any of its recommendations referred to in Section 6(u) of the Arrangement Agreement, unless it has the right to do so under Section 9.4 of the Arrangement Agreement; or
- (b) prior to the date of the Meeting:
- (i) an Assure Acquisition Proposal that is a Superior Proposal is publicly announced or made to Assure or the Assure Securityholders;
- (ii) the Superior Proposal has not been withdrawn or expired; and
- (A) the Assure Board fails to confirm to the Assure Securityholders, within five business days after the making of the Assure Acquisition Proposal its recommendation that the Assure Securityholders reject the Superior Proposal; or
- (B) Assure enters into an agreement (other than a confidentiality agreement) with respect to the Superior Proposal;
- and the Arrangement is not approved at the Meeting; or
- (c) Assure shall have breached, or failed to comply with, in any material respect, any of its covenants or other obligations under the Arrangement Agreement or any of the representations and warranties of Assure contained in the Arrangement Agreement shall not be true and correct in all material respects as of the date of

Edgar Filing: ASSURE ENERGY INC - Form 6-K

the Arrangement Agreement, except where the failure of such representations and warranties to be true and correct would not have a Material Adverse Effect on Assure, or shall have ceased to be true and correct in any material respect thereafter, except where the failure of such representations and warranties to be true and correct would not have a Material Adverse Effect on Assure, (other than, in either case, as a direct result of and in direct response to a breach by GEOCAN of its obligations under the Arrangement Agreement);

then Assure shall, within two business days after the first to occur of the events described above, pay to GEOCAN the GEOCAN Break Fee. Such payment shall be made in immediately available funds to an account designated by GEOCAN. The payment of the GEOCAN Break Fee to GEOCAN shall represent full and final settlement of all claims of GEOCAN arising in respect of the matter giving rise to such payment and GEOCAN shall have no further remedy or recourse in respect of such matter against Assure or its present or former directors, officers, employers, agents or advisors or Assure's counsel.

Change of Board Recommendation

The board of directors of Assure reserves the right to not make, withdraw, redefine, modify or change its recommendations or its determinations referred to in Section 6.1(u) of the Arrangement Agreement if any of the following occur on or prior to the Effective Date:

- (a) GEOCAN shall have breached, or failed to comply with, in any material respect, any of its covenants or other obligations under the Arrangement Agreement;

31

- (b) any of the representations and warranties of GEOCAN contained in the Arrangement Agreement shall not be true and correct in all material respects as of the date of the Arrangement Agreement or shall have ceased to be true and correct in any material respect thereafter (other than as a result of a breach of the Arrangement Agreement by Assure or of the Lockup Agreements by any of the Assure Securityholders); or
- (c) it becomes certain that any of the conditions contained in Sections 3.1 or 5.1 of the Arrangement Agreement will not be satisfied on or before the Effective Date (other than as a result of a breach of this Agreement by Assure or of the Lockup Agreements by any of the Assure Securityholders who execute and deliver Lockup Agreements) and all relevant parties do not agree to waive or modify such conditions.

Termination of the Arrangement Agreement

The Arrangement Agreement may, prior to the filing of the Articles of Arrangement, be terminated by mutual agreement of GEOCAN and Assure without further action on the part of the Assure Securityholders. Subject to Section 10.4 of the Arrangement Agreement, notwithstanding any other rights contained herein, GEOCAN may terminate the Arrangement Agreement upon notice to Assure:

- (a) if the Interim Order has been refused, or if granted, is set aside or modified in a manner unacceptable to GEOCAN, acting reasonably, on appeal or otherwise;

Edgar Filing: ASSURE ENERGY INC - Form 6-K

- (b) if the Arrangement is not approved by Assure Securityholders in accordance with the terms of the Interim Order and all applicable laws on or before October 5, 2005, subject to an extension of up to 20 days pursuant to Section 10.4 of the Arrangement Agreement;
- (c) if the Final Order has not been granted in form and substance satisfactory to GEOCAN, acting reasonably, on or before October 5, 2005, subject to an extension of up to 20 days pursuant to Section 10.4 of the Arrangement Agreement or, if issued, has been set aside or modified in a manner unacceptable to GEOCAN, acting reasonably, on appeal or otherwise;
- (d) if the Arrangement has not been completed on or before October 6, 2005, subject to an extension of up to 20 days pursuant to Section 10.4 of the Arrangement Agreement;
- (e) if a circumstance giving rise to payment of the GEOCAN Break Fee to GEOCAN shall have occurred;
- (f) if a circumstance giving rise to payment of the Assure Break Fee to Assure shall have occurred and such payment shall have been made; or
- (g) upon any other circumstances hereunder that give rise to a termination of the Arrangement Agreement by GEOCAN, including those set forth in Sections 4.1 and 5.1 of the Arrangement Agreement.

Subject to Section 10.4 of the Arrangement Agreement, notwithstanding any other rights contained herein, Assure may terminate the Arrangement Agreement upon notice to GEOCAN:

- (a) if the Interim Order has been refused, or if granted, is set aside or modified in a manner unacceptable to Assure, acting reasonably, on appeal or otherwise;
 - (b) if the Arrangement is not approved by Assure Securityholders in accordance with the terms of the Interim Order and all applicable laws on or before October 5, 2005, subject to an extension of up to 20 days pursuant to Section 10.4 of the Arrangement Agreement;
 - (c) if the Final Order has not been granted in form and substance satisfactory to GEOCAN, acting reasonably, on or before October 5, 2005, subject to an extension of up to 20 days pursuant to Section 10.4 of the Arrangement Agreement, or, if issued, has been set aside or modified in a manner unacceptable to Assure, acting reasonably, on appeal or otherwise;
- 32
- (d) if the Arrangement has not been completed on or before October 6, 2005, subject to an extension of up to 20 days pursuant to Section 10.4 of the Arrangement Agreement;
 - (e) if a circumstance giving rise to the payment of the Assure Break Fee to Assure shall have occurred;
 - (f) if a circumstance giving rise to payment of the GEOCAN Break Fee to GEOCAN shall have occurred and such payment shall have been made; or
 - (g) upon any other circumstances hereunder that give rise to a

Edgar Filing: ASSURE ENERGY INC - Form 6-K

termination of this agreement by Assure, including those set forth in Sections 3.1 and 5.1 of the Arrangement Agreement.

Each of GEOCAN and Assure will give prompt notice to the other of the occurrence, or failure to occur, at any time from the date hereof until the Effective Date, of any event or state of facts which occurrence or failure would, or would likely to:

- (i) cause any of the representations or warranties of either GEOCAN or Assure contained in the Arrangement Agreement to be untrue or inaccurate in any material respect on the date thereof or on the Effective Date; or
 - (ii) result in the failure to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied, in any material respect, by either GEOCAN or Assure under the Arrangement Agreement on or prior to the Effective Date.
- (a) Subject to Section 10.4(c) of the Arrangement Agreement, neither GEOCAN nor Assure may elect not to complete the transactions contemplated hereby pursuant to the non-fulfillment of the conditions precedent contained in Articles 3, 4 or 5 or pursuant to Section 10.2 or 10.3 of the Arrangement Agreement or any termination right arising therefrom and no payments are payable pursuant to Section 8.2 or 9.3 of the Arrangement Agreement as a result of such election unless promptly and in any event prior to the filing of the articles of Arrangement for acceptance by the Registrar, the party intending to rely thereon has delivered a written notice (a "Default Notice") to the other party specifying in reasonable detail all breaches, in any material respect, of covenants, representations and warranties or other matters which the party delivering such notice is asserting as the basis for the non-fulfillment of the applicable condition precedent or termination right, as the case may be.
- (b) Nothing in this Section 10.4 of the Arrangement Agreement shall effect, and no Default Notice shall be required in respect of, (i) the right of GEOCAN to receive payment of the GEOCAN Break Fee pursuant to Section 9.3 (a) or (b) of the Arrangement Agreement, or (ii) the right of either party to terminate the Arrangement Agreement for matters arising out of the failure to make appropriate disclosure in writing to the other party.
- (c) If any such Default Notice is delivered, provided that the affected party is proceeding diligently to cure such matter and such matter is capable of being cured neither party may terminate the Arrangement Agreement (if they otherwise have the right to do so) until expiration of a period of twenty (20) days from such Default Notice and then only if such matter is not cured in all material respects. If such Default Notice has been delivered prior to the date of the Meeting, such meeting shall be postponed until the expiry of such period. If such Default Notice has been delivered prior to the making of the application for the Final Order or the filing of the Articles of Arrangement with the Registrar, such application and such filing shall be postponed until the expiry of such period.
- (d) Nothing in this Section 10.4 of the Arrangement Agreement shall give either GEOCAN or Assure, as the case may be, any right to terminate the Arrangement Agreement in addition to the rights contained in

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Articles 3, 4 or 5 or pursuant to Section 10.2 or 10.3 of the Arrangement Agreement or any termination right arising therefrom or any right to receive payment of the Assure Break Fee or GEOCAN Break Fee except in the circumstances provided in Sections 8.2 and 9.3 of the Arrangement Agreement.

If the Arrangement Agreement is validly terminated pursuant to any provision of the Arrangement Agreement, the parties shall return all materials and copies of all materials delivered to Assure or GEOCAN, as the case may be, or their agents and, except for the obligations set forth in Sections 8.2, 9.3, and 10.4 and Article 11 (which shall survive any termination of the Arrangement Agreement and continue in full force and effect) of the Arrangement Agreement, no party shall have any further obligations to any other party hereunder with respect to the Arrangement Agreement except those incurred prior to termination. Except as expressly provided herein, nothing herein, (including without limitation the payment of the GEOCAN Break Fee or the Assure Break Fee) shall relieve any party from liability for any breach of the Arrangement Agreement. The exercise by any party of any right of termination hereunder shall be without prejudice to any other remedy available to such party.

Procedure for the Arrangement to Become Effective

Procedural Steps

The Arrangement is proposed to be carried out pursuant to Section 193 of the ABCA. The following procedural steps must be taken in order for the Arrangement to become effective:

- (a) the Arrangement must be approved by the Assure Securityholders in the manner set forth in the Interim Order;
- (b) the Court must grant the Final Order approving the Arrangement;
- (c) all conditions precedent to the Arrangement, as set forth in the Arrangement Agreement, must be satisfied or waived by the appropriate party; and
- (d) the Final Order and Articles of Arrangement in the form prescribed by the ABCA must be filed with the Registrar.

Securityholder Approvals

The Interim Order provides that the Arrangement Resolution is required to be approved by 66 2/3% of all of the votes cast on such resolutions by Assure Shareholders, Assure Preferred Shareholders and Assure Warranholders, voting together as a class, present in person or by proxy at the Meeting such that (a) each Assure Shareholder and Assure Preferred Shareholder is entitled to one vote for each Assure Share or Assure Preferred Share held, and (b) each Assure Warranholder is entitled to one vote for each Assure Share such holder would be entitled to receive upon the exercise of the Assure Warrants. See Appendix A to this Information Circular for the full text of the Arrangement Resolution.

Notwithstanding the foregoing, the Arrangement Resolution authorizes the Assure Board, without further notice or approval of the Assure Securityholders, to amend the Arrangement Agreement or the Plan of Arrangement to the extent permitted by the Arrangement Agreement and, subject to the terms of the Arrangement Agreement, not to proceed with the Arrangement. See Appendix A to this Information Circular for the full text of the Arrangement Resolution.

Court Approval

Interim Order

On August 5, 2005, Assure obtained the Interim Order providing for the calling and holding of the Meeting and other procedural matters. The Interim Order is attached as Appendix C to this Information Circular.

Final Order

Pursuant to the ABCA, the implementation of the Arrangement requires Court approval. Subject to the terms of the Arrangement Agreement, if the Arrangement Resolution is approved at the Meeting in the manner required by the Interim Order, Assure will make application to the Court for the Final Order at the Court, 611 - 4th Street S.W., Calgary, Alberta on September 7, 2005 at 1:15 p.m. (Calgary time) or as soon thereafter as counsel may be heard. The Notice of Petition for the Final Order accompanies this Information Circular. Any Assure Securityholder or other interested party who wishes to participate or be represented at the hearing may do so, subject to filing with the Court and serving on Assure, a Notice of Intention to Appear on or before 4:00 p.m. (Calgary time) on Thursday, September 1, 2005 together with any evidence or materials which are to be presented to the Court, setting out Assure Securityholder's or other interested party's address for service and indicating whether such Assure Securityholder or other interested party intends to support or oppose the petition or make submissions. Service of such notice shall be effected by service by ordinary mail upon the solicitors for Assure: Bennett Jones LLP, 4500 Bankers Hall East, 855 - 2nd Street S.W., Calgary, Alberta, T2P 4K7, Attention: Mr. Ken Lenz. See "Notice of Petition" in this Information Circular.

Assure has been advised by legal counsel, Bennett Jones LLP, that the Court has broad discretion under the ABCA when making orders with respect to an arrangement and that the Court, in hearing the application for the Final Order, will consider, among other things, the fairness of the Arrangement to the Assure Securityholders (and any other interested party as the Court determines appropriate). The Court may approve the Arrangement either as proposed or as amended in any manner the Court may direct, subject to compliance with such terms and conditions, if any, as the Court may determine appropriate. Either GEOCAN or Assure may determine not to proceed with the Arrangement in the event that any amendment ordered by the Court is not satisfactory to it, acting reasonably.

Regulatory Approvals

The Arrangement requires approval of certain regulatory authorities. The Arrangement Agreement provides that these approvals are conditions precedent to the Arrangement becoming effective. GEOCAN will make application to such authorities prior to the Effective Date in order to obtain all approvals required in respect of the Arrangement. There can be no assurance that the requisite approvals will be granted on a timely basis or on conditions satisfactory to Assure and GEOCAN.

Timing

If the Meeting is held as scheduled, is not adjourned, the Arrangement Resolution is approved and the other conditions are satisfied or waived, Assure will apply to the Court for the Final Order approving the Arrangement. If the Final Order is obtained on September 7, 2005 in form and substance satisfactory

Edgar Filing: ASSURE ENERGY INC - Form 6-K

to GEOCAN and Assure and all other conditions to the Arrangement are satisfied or waived, Assure expects the Effective Date of the Arrangement will be September 8, 2005. GEOCAN and Assure may terminate the Arrangement Agreement in certain circumstances, in which case the Arrangement will not be completed. See "Part II - The Arrangement - The Arrangement Agreement - Termination of the Arrangement Agreement" in this Information Circular.

35

The Arrangement will become effective upon the acceptance by the Registrar of the filing of a copy of the Final Order and the Articles of Arrangement.

Assure's objective is to have the Effective Date occur as soon as practicable after the Meeting. The Effective Date could be delayed, however, for a number of reasons, including an objection before the Court in the hearing of the application for the Final Order. As soon as the Effective Date has been determined, GEOCAN and Assure will issue a joint press release announcing completion of the Arrangement.

Fairness Opinion

The Assure Board retained Haywood Securities as its financial advisor pursuant to an agreement effective April 21, 2005. Pursuant to this agreement, Haywood Securities has considered the fairness, from a financial point of view, of the Arrangement to the Assure Shareholders.

Haywood Securities acts as a trader and dealer, both as principal and agent, in major Canadian equity markets and as such may execute transactions on behalf of clients or on behalf of Assure or its related entities for which it receives compensation. In addition, as an investment dealer, Haywood Securities conducts research on securities and may, in the ordinary course of business, be expected to provide research support and investment advice to its clients on investment matters pertaining to the resulting entity of the Arrangement.

There are no commitments or agreements between Haywood Securities and Assure, GEOCAN or any of their respective associates or affiliates with respect to future business dealings. However, Haywood Securities may, from time to time in the future, perform financial advisory or investment banking services for GEOCAN or its successor(s) or related entities.

Neither Haywood Securities nor any of its affiliates is an insider, associate or affiliate (as those terms are defined in the Securities Act (Alberta)) of GEOCAN or Assure or any of their respective associates or affiliates. Haywood Securities has not been engaged to provide any financial advisory services to GEOCAN nor has it participated in any financing involving GEOCAN or Assure Securityholders or any of their respective associates or affiliates, within the past two years.

Summary of Fairness Opinion

In connection with its evaluation of the Arrangement, the Assure Board received the Fairness Opinion to the effect that, as of the Agreement Date, based on certain assumptions and considerations summarized therein and based upon the Exchange Ratio, Haywood Securities views the Arrangement as fair, from a financial point of view, to the Assure Shareholders.

The full text of the Fairness Opinion, which sets forth the assumptions and considerations made, procedures followed, matters considered and limitations on review undertaken, is attached as Appendix H to this Information Circular. Assure Securityholders are urged to read the Fairness Opinion in its entirety.

Edgar Filing: ASSURE ENERGY INC - Form 6-K

This summary of the Fairness Opinion is qualified in its entirety by reference to the full text of such opinion.

Recommendation of the Assure Board

The Assure Board has determined that the Arrangement is in the best interests of Assure and the Assure Securityholders and is fair to the Assure Securityholders and, as such, has authorized the submission of the Arrangement to the Assure Securityholders for approval and to the Court for the Final Order.

36

In coming to its conclusions and recommendations, the Assure Board considered, among other things, the following factors:

- (a) the purpose and benefits of the Arrangement as outlined herein;
- (b) information concerning the financial condition, results of operations, the business plans and prospects of GEOCAN and Assure, and the resulting potential for the enhancement of the business efficiency, management effectiveness and financial results of the combined entity;
- (c) the advice of Haywood Securities and the fact that Haywood Securities is in a position to provide the Fairness Opinion;
- (d) that the Assure Securityholders who oppose the Arrangement will be permitted, subject to compliance with certain conditions, to dissent from the Arrangement and will be entitled to be paid the fair value for their Assure Shares, Assure Preferred Shares and Assure Warrants in accordance with Section 191 of the ABCA, as modified by the Interim Order; and
- (e) that the Arrangement will only become effective if, after hearing from all interested parties who choose to appear before it, the Court determines that the Arrangement is fair to the Assure Securityholders.

The Assure Boards unanimously recommends that the Assure Securityholders vote in favour of the Arrangement Resolution.

Interests and Intentions of Directors, Officers, Insiders and Significant Securityholders in Matters to be Acted Upon

As of the date hereof, the directors and officers of Assure, as a group, beneficially own or control, directly or indirectly, or exercise control or direction over, 504,600 Assure Securities. The directors and officers of Assure have indicated their intention to vote the Assure Shares and Assure Warrants beneficially held or controlled by them in favour of the Arrangement. All of the directors and officers of Assure have entered into the Lockup Agreements requiring them to vote their Assure Securities in favour of the Arrangement.

To the knowledge of directors and senior officers of Assure, there are no material interests of any director or senior officer of Assure or anyone who has held office as such since the beginning of the last completed financial year or of any associate or affiliate of any of the foregoing, in any matter to be acted upon at the Meeting, other than the foregoing and as described elsewhere in this Information Circular or the Appendices hereto.

Expenses of The Arrangement

If completed, all out-of-pocket expenses incurred in connection with the

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Arrangement, the transactions contemplated thereby, the Meeting and the preparation and mailing of the Information Circular, including legal and accounting fees, printing costs, financial advisor fees and all disbursements by advisors, shall be borne by the party incurring such expenses.

Exchange and Issuance of Share Certificates

In order for an Assure Shareholder to receive GEOCAN Shares under the Arrangement, such Assure Shareholder must deposit a properly completed and duly executed Letter of Transmittal, together with the certificate(s) representing such Assure Shareholders' Assure Shares, with the Depositary at the address set forth in the Letter of Transmittal. A Letter of Transmittal will be forwarded to all Assure Shareholders once the Arrangement has been approved.

Any use of the mail to transmit the share certificates and Letter of Transmittal is at the risk of the Assure Shareholders and Assure Warrantheolders. If such documents are mailed, it is recommended that registered mail, with return receipt requested, properly insured, be used.

37

Assure Shareholders and Assure Warrantheolders who dissent and who ultimately are not entitled to be paid the fair value of their Assure Shares or Assure Warrants respectively; will be entitled to receive GEOCAN Shares under the Arrangement.

If the Arrangement proceeds, certificates representing the number of GEOCAN Securities issued to each Assure Securityholder will be, as soon as practicable following the Effective Date and the receipt by the Depositary of a properly completed and duly executed Letter of Transmittal:

- (a) forwarded by, or on behalf of GEOCAN to that Assure Security holder, at the address specified in the Letter of Transmittal, by first class mail (postage prepaid); or
- (b) made available at the Depositary for pick up by the holder, if requested by the Assure Securityholder in the Letter of Transmittal.

If a certificate representing Assure Securities has been lost, apparently destroyed or wrongfully taken, the holder of such shares should immediately contact the registrar and transfer agent of the Assure Securities, Continental, so that arrangements can be made to issue a replacement certificate to such holder upon such holder satisfying such reasonable requirements as may be imposed by Assure and Continental in that regard.

Failure to Forward Letters of Transmittal and to Deposit Certificates

Pursuant to the terms of the Plan of Arrangement, any certificates formerly representing Assure Securities that are not deposited with the Depositary together with a duly completed Letter of Transmittal and any other documents the Depositary reasonably requires, on or before the fifth anniversary of the Effective Date, shall cease to represent a right or claim of any kind or nature and the GEOCAN Securities to which the holder of such securities was entitled shall be cancelled.

Certain Canadian Federal Income Tax Considerations

In the opinion of Bennett Jones LLP and Borden Ladner Gervais LLP, the following is a fair and adequate summary of the principal Canadian federal income tax considerations under the Income Tax Act in respect of the Arrangement generally applicable to Assure Shareholders who, for the purposes of the Income Tax Act and at all relevant times, hold their Assure Shares as capital property, deal at arm's length with GEOCAN and do not dissent to the Arrangement. Assure Shares generally will be considered to be capital property to an Assure Shareholder unless they are held in the course of carrying on a business or are acquired in a transaction which may be considered to be an adventure in the nature of trade. Certain Assure Shareholders who are resident in Canada and whose Assure Shares might not otherwise qualify as capital property may be entitled to make an irrevocable election in accordance with subsection 39(4) of the Income Tax Act to have their Assure Shares treated as capital property.

38

This summary is not applicable to Assure Shareholders: (a) that do not hold their Assure Shares as capital property; (b) that are "financial institutions" or "specified financial institutions" (as defined in the Income Tax Act); (c) an interest in whom would be a "tax shelter investment" (as defined in the Income Tax Act); (d) who are exempt from tax under Part I of the Income Tax Act; or (e) that are Dissenting Securityholders. Any such Assure Shareholders should consult their own tax advisors with respect to the Arrangement.

This summary is based upon the current provisions of the Income Tax Act and counsels' understanding of the current administrative and assessing practices of the Canada Revenue Agency to the date hereof. This summary assumes that all specific publicly announced proposals to amend the Income Tax Act and regulations thereunder announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof will be enacted as proposed, although there is no assurance that such proposed amendments will be enacted as proposed, or at all. This summary does not take into account or anticipate any other changes in the law, whether by judicial, governmental or legislative action or decision, nor does it take into account the tax laws of any province, territory or foreign jurisdiction, any of which may differ significantly from the Canadian federal income tax considerations described herein.

This summary is of a general nature only and is not exhaustive of all Canadian federal income tax considerations. This summary is not intended to be, and should not be construed to be, legal or tax advice to any Assure Shareholder. Assure Shareholders should consult their own tax advisors to determine the particular tax consequences to them of the Arrangement.

Residents of Canada

This part of the summary is applicable to an Assure Shareholder who is resident, or deemed to be resident, in Canada for the purposes of the Income Tax

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Act.

Generally, an Assure Shareholder will realize neither a capital gain nor a capital loss as a result of the exchange of Assure Shares for GEOCAN Shares provided that: (i) such Assure Shareholder does not include any portion of the capital gain or capital loss otherwise determined from such exchange in computing the Assure Shareholder's income, and (ii) immediately after the exchange, such Assure Shareholder, persons with whom such holder does not deal at arm's length or the holder together with such persons, does not control GEOCAN or beneficially own shares of GEOCAN having a fair market value of more than 50% of the fair market value of all of the outstanding shares of GEOCAN. The adjusted cost base of an Assure Shareholder's Assure Shares will become the cost of the GEOCAN Shares received in these circumstances. The cost of such GEOCAN Shares generally must be averaged with the adjusted cost base of any other GEOCAN Shares held by such Assure Shareholder to determine the adjusted cost base of each GEOCAN Share to the holder.

An Assure Shareholder may choose to file a tax return recognizing a capital gain or capital loss on the exchange under the Arrangement in such holder's taxation year which includes the Effective Date. In such event, the holder will be considered to have disposed of the Assure Shares for GEOCAN Shares for proceeds of disposition equal to the fair market value of the GEOCAN Shares received on the exchange. The amount of the capital gain (or capital loss) will equal the amount that the holder's proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of that holder's Assure Shares immediately before the exchange. Any Assure Shareholder that chooses to recognize a capital gain or capital loss will acquire the GEOCAN Shares at a cost equal to the fair market value of such GEOCAN Shares received on the exchange. The cost of such GEOCAN Shares must be averaged with the adjusted cost base of all other GEOCAN Shares held by such Assure Shareholder to determine the adjusted cost base of each GEOCAN Share to the holder.

39

Under the Income Tax Act, one-half of a capital gain must be included in computing a holder's income as a taxable capital gain. One-half of any capital loss may be deducted as an allowable capital loss only against taxable capital gains in computing income in accordance with the provisions of the Income Tax Act. Allowable capital losses for a taxation year in excess of taxable capital gains for that year generally may be carried back and deducted in any of the three preceding taxation years or carried forward and deducted in any subsequent taxation year against net taxable capital gains realized in such years, to the extent and in the circumstances provided in the Income Tax Act. The amount of any such capital loss otherwise determined will, if the Assure Shareholder is a corporation, be reduced by the amount of dividends or deemed dividends received on the Assure Shares to the extent and in the circumstances provided in the Income Tax Act. Similar rules apply to a partnership or a trust of which a corporation, partnership or trust is a member or beneficiary. Taxable capital gains of a Canadian-controlled private corporation (as defined in the Income Tax Act) may be subject to an additional refundable tax at a rate of 6-2/3%. Eighty percent of any capital gains realized by a holder who is an individual will be included in computing such individual's liability for alternative minimum tax.

Non-Resident Assure Shareholders

This portion of the summary is applicable to an Assure Shareholder who is neither a resident, nor deemed to be a resident, of Canada for the purposes of the Income Tax Act ("Non-Resident"). Such a holder whose Assure Shares are not and are not deemed to be "taxable Canadian property" for the purposes of the Income Tax Act will not be subject to tax under the Income Tax Act on the exchange of such holder's Assure Shares for GEOCAN Shares under the Arrangement.

Edgar Filing: ASSURE ENERGY INC - Form 6-K

A Non-Resident's Assure Shares generally will not be taxable Canadian property provided: (a) the Non-Resident does not use or hold, and is not deemed to use or hold, such shares in connection with carrying on a business in Canada; (b) such shares are not "designated insurance property" of the Non-Resident within the meaning of the Income Tax Act; (c) the Non-Resident has not, alone or in combination with persons with whom the Non-Resident does not deal at arm's length, owned (or had an interest in or option to acquire) 25% or more of the issued shares of any class or series of the capital stock of Assure at any time within the 60 month period preceding the exchange; (d) the Assure Shareholder has not elected under the Income Tax Act to treat such shares as taxable Canadian property upon ceasing to be a resident of Canada; or (e) the Assure Shares are not otherwise deemed to be taxable Canadian property of the Non-Resident under the Income Tax Act. The Canadian income tax consequences to a Non-Resident who holds Assure Shares that are taxable Canadian property would generally be the same as those described above for Assure Shareholders who are residents of Canada.

Right of Dissent

The following description of the rights of Dissenting Securityholders is not a comprehensive statement of the procedures to be followed by a Dissenting Securityholder who seeks payment of the fair value of the securities held by it and is qualified in its entirety by reference to the full text of the Interim Order and Section 191 of the ABCA which are attached to this Information Circular as Appendix C and G, respectively. A Dissenting Securityholder intending to exercise the Dissent Rights should carefully consider and comply with the provisions of Section 191 of the ABCA, as modified by the Interim Order. The statutory provisions covering the Dissent Rights are technical and complex. Failure to comply with the provisions of Section 191 of the ABCA, as modified by the Interim Order, and to adhere to the procedures established therein may result in the loss of all rights thereunder.

The Court hearing the application for the Final Order has the discretion to alter the rights of dissent described herein based on the evidence presented at such hearing.

Pursuant to the Dissent Rights, a registered Assure Securityholder is entitled to dissent and be paid the fair value of the securities held by such Assure Securityholder, determined as of the close of business on the last Business Day before the day on which the Arrangement Resolution from which such holder dissents is adopted. A registered Assure Securityholder may dissent only with respect to all securities held by such registered Assure Securityholder or on behalf of any one Beneficial Holder and registered in the Dissenting Securityholder's name. Only registered Assure Securityholders may dissent. Persons who are Beneficial Holders of Assure Securities registered in the name of a broker, custodian, nominee or other intermediary who wish to dissent, should be aware that they may do so only through the registered owner of such securities. Accordingly, a Beneficial Holder must make arrangements for the registered holder of his or her Assure Securities to dissent on his or her behalf. A registered holder, such as a broker, who holds securities as a nominee for Beneficial Holders, some of whom wish to dissent, must exercise dissent rights on behalf of such Beneficial Holders with respect to the securities held for such Beneficial Holders. In such case, the demand for dissent should set forth the number of securities covered by it. Alternatively, a Beneficial Holder of Assure Securities desiring to exercise dissent rights may make arrangements for the Assure Securities beneficially owned by such Beneficial Holder to be registered in his or her name prior to the time the written objection to the Arrangement Resolution is required to be received by Assure.

Edgar Filing: ASSURE ENERGY INC - Form 6-K

Securityholder a written objection to the Arrangement Resolution, delivered to Assure, c/o Bennett Jones LLP, 4500 Bankers Hall East, 855 - 2nd Street S.W., Calgary, Alberta, T2P 4K7, Attention: Mr. Ken Lenz, by 5:00 p.m. (Calgary time) two Business Days before the Meeting, and the Dissenting Securityholder must otherwise comply with Section 191 of the ABCA, as modified by the Interim Order. An Assure Securityholder wishing to exercise the Dissent Rights with respect to such holder's securities must abstain from voting the securities held by it in respect of the Arrangement Resolution.

A vote against the Arrangement Resolution or an abstention does not constitute a written objection. If the Arrangement Resolution is adopted, Assure or the Dissenting Securityholder, where the Dissenting Securityholder has sent the required written objection, may apply to the Court to fix the fair value of the Dissenting Securityholder's securities. If the application is made, Assure is required to send to each Dissenting Securityholder a written offer to pay such Dissenting Securityholder an amount considered by the directors of Assure to be the fair value of the Dissenting Securityholder's securities. If such offer is not made or is not accepted, the Court shall fix the fair value of the Assure Securities, as applicable. There is no obligation on Assure to apply to the Court. If an application is made by either party, the Dissenting Securityholder will be entitled to be paid the amount fixed by the Court for the securities in respect of which the Dissenting Securityholder dissented. A Dissenting Securityholder may make an agreement with Assure for the purchase of such holder's securities in the amount of the offer made by Assure at any time before the Court pronounces an order fixing the fair value of the applicable securities.

A Dissenting Securityholder is not required to give security for costs in respect of an application and, except in special circumstances, will not be required to pay the costs of the application or appraisal. On the application, the Court will make an order fixing the fair value of the securities of all Dissenting Securityholders who are parties to the application, giving judgment in that amount against Assure and in favour of each of those Dissenting Securityholders, and fixing the time within which Assure must pay that amount payable to the Dissenting Securityholders. The Court may in its discretion allow a reasonable rate of interest on the amount payable to each Dissenting Securityholder calculated from the date on which the Dissenting Securityholder ceases to have any rights as a Assure Securityholder, until the date of payment.

On the Arrangement becoming effective, or upon the making of an agreement between Assure and the Dissenting Securityholder as to the payment to be made by Assure to the Dissenting Securityholder, or upon the pronouncement of a Court order, whichever first occurs, the Dissenting Securityholder will cease to have any rights as a Assure Securityholder other than the right to be paid the fair value of such holder's securities, in the amount agreed to between Assure and the Dissenting Securityholder or in the amount of the judgment, as the case may be. Until one of these events occurs, the Dissenting Securityholder may withdraw their dissent, or Assure may rescind the Arrangement Resolution, and in either event the dissent and appraisal proceedings in respect of that Dissenting Securityholder will be discontinued.

Assure shall not make a payment to a Dissenting Securityholder under Section 191 if there are reasonable grounds for believing that Assure is or would after the payment be unable to pay its liabilities as they become due, or that the realizable value of the assets of Assure would thereby be less than the aggregate of its liabilities. In such event, Assure shall notify each Dissenting Securityholder that it is unable lawfully to pay Dissenting Securityholders for their securities, in which case the Dissenting Securityholder may, by written notice to Assure within 30 days after receipt of such notice, withdraw such holder's written objection, in which case Assure shall, subject to the terms of the Arrangement, be deemed to consent to the withdrawal and such Dissenting Securityholder shall be reinstated with full rights as a Assure Securityholder

Edgar Filing: ASSURE ENERGY INC - Form 6-K

failing which such Dissenting Securityholder retains a status as a claimant against Assure to be paid as soon as Assure is lawfully entitled to do so or, in a liquidation, to be ranked subordinate to the rights of creditors of Assure but in priority to its shareholders.

41

Assure Securityholders who exercise the Dissent Rights and who:

- (a) are ultimately entitled to be paid fair value for their securities shall be deemed to have transferred such securities to Assure for cancellation at the Effective Time; or
- (b) are ultimately not entitled, for any reason, to be paid fair value for their securities shall be deemed to have participated in the Arrangement on the same basis as non-dissenting Assure Securityholders in accordance with the Plan of Arrangement.

In no case shall Assure or any other person be required to recognize Dissenting Securityholders as Assure Securityholders, as applicable, after the Effective Time.

Any Assure Securityholder who may wish to exercise the Dissent Rights should carefully consider and comply with the provisions of the Interim Order and Section 191 of the ABCA, the full texts of which are set out in Appendix C and G, respectively, to this Information Circular and consult his or her own legal advisor.

It is a condition to the Arrangement that Assure Securityholders of not more than 10% of the aggregate of the outstanding Assure Shares, Assure Preferred Shares and Assure Warrants shall have exercised rights of dissent in respect of the Arrangement.

Other Matters

Resale of GEOCAN Shares

Canada

The GEOCAN Securities to be issued to Assure Securityholders pursuant to the Arrangement will be issued in reliance on exemptions from prospectus and registration requirements of applicable securities laws of the various applicable provinces in Canada (other than the province of Quebec) and will generally be "freely tradable" (and not subject to any "restricted period" or "hold period") if the following conditions are met: (i) the trade is not a control distribution (as defined in applicable securities legislation); (ii) no unusual effort is made to prepare the market or to create a demand for the securities that are the subject of the trade; (iii) no extraordinary commission or consideration is paid to a person or company in respect of the trade; and (iv) if the selling shareholder is an insider or an officer of the issuer, the selling shareholder has no reasonable grounds to believe that the issuer is in default of securities legislation.

In Quebec, GEOCAN will apply for and expects to receive orders from the securities regulatory authority providing exemptions from the prospectus and registration requirements for the issuance of GEOCAN Securities to Assure Securityholders resident in the province of Quebec and the subsequent resale of such GEOCAN Securities.

United States

Edgar Filing: ASSURE ENERGY INC - Form 6-K

The GEOCAN Securities to be issued to Assure Securityholders pursuant to the Arrangement will not be registered under the U.S. Securities Act, in reliance upon the exemption from registration provided by Section 3(a)(10) thereof. Following the Arrangement, GEOCAN Securities held by any holder who was not an "affiliate", for purposes of United States federal securities laws, of Assure, before the Arrangement, and who will not be an affiliate of GEOCAN after the Arrangement and at the time of any resale of such GEOCAN Securities, may be resold without restriction under the U.S. Securities Act. Any resale of GEOCAN Securities by a holder who was such an affiliate before the Arrangement or is such an affiliate after the Arrangement may be subject to the registration requirements of the U.S. Securities Act, absent an exemption therefrom. Any such affiliate (or former affiliate) should obtain the advice of its legal counsel with respect to the application of the U.S. Securities Act to the offer or sale of such GEOCAN Securities by such person. For the purposes of the U.S. Securities Act, an "affiliate" of GEOCAN or Assure is a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, GEOCAN or Assure, as the case may be.

42

Assure Securityholders residing elsewhere than in Canada are urged to consult their legal advisers to determine the extent of all applicable resale provisions.

Legal Developments

Section 193 of the ABCA provides that, where it is impracticable for a corporation to effect an arrangement under any other provision of the ABCA, a corporation may apply to the Court for an order approving the arrangement proposed by such corporation. Pursuant to this section of the ABCA, such an application will be made by Assure for approval of the Arrangement. There have been a number of judicial decisions considering this section and its application; however, there have not been, to the knowledge of Assure, any recent significant decisions.

Assure Securityholders should consult their legal advisers with respect to the legal rights available to them in relation to the Arrangement.

Legal Matters

Certain legal matters relating to the Arrangement have been passed upon by Bennett Jones LLP, on behalf of Assure and by Borden Ladner Gervais LLP, on behalf of GEOCAN. As at August 2, 2005, the partners and associates of each of Bennett Jones LLP and Borden Ladner Gervais LLP each beneficially owned, directly or indirectly, less than 2% of the outstanding GEOCAN Shares. As at August 2, 2005, the partners and associates of each of Bennett Jones LLP and Borden Ladner Gervais LLP each beneficially owned, directly or indirectly, less than 1% of the outstanding Assure Securities.

other pricing assumptions relating to GEOCAN and Assure are included in Appendices D and E to this Information Circular, respectively.

- (2) Pro-Forma combined reserves information reflects the combined reserves of Assure and GEOCAN. No adjustments have been made to reflect synergies and efficiencies resulting from the Arrangement or for Saskatchewan capital tax or abandonment costs, neither of which have been applied in the case of GEOCAN. Actual reserves information of GEOCAN subsequent to the Arrangement may be materially different from these figures. The Assure Securityholders are advised to avoid placing undue reliance on these figures.
- (3) Assure disposed of producing properties in the Chestermere area of Alberta in early January 2005. Assure's working interest proved and proved plus probable reserves as estimated by Sproule for this property as of December 31, 2004 was 417 Mboe and 659 Mboe, respectively.
- (4) Pro-Forma combined average prices information reflects a weighted average percentage of approximately one third Assure and two-thirds GEOCAN. Actual prices of GEOCAN subsequent to the Arrangement may be materially different from these figures. The Assure Securityholders are advised to avoid placing undue reliance on these figures.

GEOCAN has provided the information contained in this Information Circular concerning GEOCAN and its businesses, including its financial information and financial statements. Assure assumes no responsibility for the accuracy or completeness of such information, nor for any omission on the part of GEOCAN of facts or events which may affect the accuracy of such information.

Risk Factors

GEOCAN and Assure are, and GEOCAN will be, subject to certain risks that should be carefully considered. The risks facing GEOCAN and Assure are set out in Appendix D and Appendix E, respectively, attached thereto. The following are risks related specifically to the Arrangement.

The Arrangement is expected to result in benefits to the combined company, but the combined company may not realize those benefits due to challenges associated with integrating the companies.

The success of the Arrangement will be dependent in large part on the success of the management of the combined company in integrating the operations, technologies and personnel of the two companies following the close of the Agreement. The failure of the combined company to meet the challenges involved in successfully integrating the operations of GEOCAN and Assure or otherwise to realize any of the anticipated benefits of the Agreement, including anticipated cost savings described in this Information Circular, could seriously harm the results of operations of the combined company. In addition, the overall integration of the two companies may result in unanticipated operations problems, expenses and liabilities and diversion of management's attention. The challenges involved in this integration include the following:

- o integrating successfully each company's operations, technologies, products and services;
- o coordinating sales and marketing efforts to effectively communicate the capabilities of the combined company;
- o demonstrating to the customers of GEOCAN and Assure that the Arrangement will not result in adverse changes in business focus;
- o coordinating and rationalizing research and development activities to enhance introduction of new products and technologies with reduced cost;

Edgar Filing: ASSURE ENERGY INC - Form 6-K

- o preserving distribution, marketing or other important relationships of both GEOCAN and Assure and resolving potential conflicts that may arise;
- o assimilating the personnel of both companies and persuading employees that the business cultures of both companies are compatible;

46

- o maintaining employee morale and motivation, particularly given recent cost reduction initiatives undertaken by both companies, and retaining key employees; and
- o reducing the costs associated with each company's operations.

GEOCAN and Assure may not be able to successfully integrate their operations in a timely manner, or at all, and the combined company may not realize the anticipated benefits or synergies of the Arrangement to the extent or in the timeframe anticipated. The anticipated benefits and synergies include cost savings associated with anticipated restructuring efforts and other operational efficiencies, greater economies of scale and revenue enhancement opportunities. In addition, GEOCAN anticipates that Assure's cash reserves will provide the combined company with an increased ability to fund development and operations. However, these anticipated benefits and synergies are based on assumptions, not actual experience, and assume a successful integration. Also, upon completion of the Arrangement, Assure's cash reserves may be significantly less than anticipated, due to, among other things, the exercise of dissent rights by Assure Securityholders. The combined company's ability to realize these benefits and synergies could be adversely impacted to the extent that GEOCAN's or Assure's relationships with existing or potential customers, suppliers or strategic partners is adversely affected as a consequence of the Arrangement, or by practical or legal constraints on its ability to combine operations or implement workforce reductions.

GEOCAN and Assure expect to incur significant costs associated with the Arrangement.

GEOCAN and Assure estimate they could collectively incur direct transaction costs of approximately \$3,000,000 in connection with the Arrangement. GEOCAN's direct transaction costs will be included as a part of the total purchase cost for accounting purposes. Actual direct transaction costs incurred in connection with the Arrangement may vary. In addition, GEOCAN will incur additional costs to the extent that any holders of issued and outstanding Assure Securities exercise their right to dissent and receive fair value of their shares.

If the Arrangement is not completed, GEOCAN's and Assure's share prices and future business and operations could be harmed.

If the current market prices of GEOCAN Shares and Assure Shares reflect an assumption that the Arrangement will be completed, the price of their respective securities may decline if the Arrangement is not completed. Moreover, GEOCAN's and Assure's costs related to the Arrangement, including legal, accounting and some of the fees of their financial advisors, must be paid even if the Arrangement is not completed.

In addition, if the Arrangement is not completed, GEOCAN and Assure may be

Edgar Filing: ASSURE ENERGY INC - Form 6-K

subject to a number of additional material risks, including the following:

- o either company may forego other opportunities which would have otherwise been available had the Arrangement Agreement not been executed, including, without limitation, opportunities foregone as a result of affirmative and negative covenants made by each company in the Arrangement Agreement, such as covenants affecting the conduct of each company's business outside the ordinary course of business; and
- o either company may be unable to obtain additional sources of financing or conclude another sale, merger or Arrangement on as favourable terms, in a timely manner, or at all.

Fluctuations in the Canadian-U.S. exchange rate will affect the value of GEOCAN Shares that the Assure Shareholders will receive in the Arrangement.

The value of GEOCAN Shares that Assure Shareholders will receive in the Arrangement depends on the Canadian-U.S. exchange rate, as the GEOCAN Shares are valued in Canadian dollars and Assure Shares are valued in U.S. dollars.

The completion of the Arrangement is subject to the satisfaction of conditions.

47

The obligations of GEOCAN and Assure to complete the Arrangement are subject to the satisfaction or waiver, where permissible, of certain conditions set forth in the Arrangement Agreement. Some of these conditions cannot be waived, including obtaining the requisite approval of Assure Securityholders, GEOCAN Securityholders, the Court, relevant Canadian and U.S. securities regulators and the Toronto Stock Exchange. If these conditions are not satisfied, the Arrangement will not be completed.

Some of the conditions to the Arrangement may be waived by GEOCAN or Assure without resoliciting shareholder approval for the Arrangement.

Some of the conditions set forth in the Arrangement Agreement may be waived by Assure or GEOCAN, subject to the agreement of the other party in specific cases. If those conditions are waived, GEOCAN and Assure will evaluate whether an amendment to the Information Circular and a resolicitation of proxies is warranted. In the event that the GEOCAN Board or Assure Board determines that resolicitation of proxies is not warranted, the applicable company will have the discretion to complete the Arrangement without seeking further shareholder approval.

Members of the management and board of directors of Assure have interests in the Arrangement that may present them with actual or potential conflicts of interest in connection with the Arrangement.

In considering whether to approve the Arrangement, Assure Securityholders and GEOCAN Securityholders should recognize that some of the members of management and board of directors of Assure have interests in the Arrangement that differ from, or are in addition to, their interests as Assure Securityholders or GEOCAN Securityholders.

- 9.2
- (a) Assure shall immediately cease and cause to be terminated all solicitations, initiations, encouragements, discussions or negotiations, if any, with any persons conducted before the date of this Agreement with respect to any Assure Acquisition Proposal and shall immediately request the return or destruction of all information provided to third parties, if any, who have entered into a confidentiality agreement with Assure relating to an Assure Acquisition Proposal and shall use all reasonable commercial efforts to ensure that such requests are honoured.
 - (b) Assure shall not, directly or indirectly, authorize or permit any of the officers, directors or employees of Assure or of any financial advisor, expert or other person acting on its behalf to:
 - (i) solicit, initiate or encourage (including, without limitation, by way of furnishing information or entering into any form of agreement, arrangement or understanding) a Assure Acquisition Proposal;
 - (ii) enter into or participate in any discussions on negotiations regarding a Assure Acquisition Proposal, or, except in the ordinary course of business, furnish to any other person any information with respect to the business, properties, operations, prospects or conditions (financial or otherwise) of Assure or a Assure Acquisition Proposal or otherwise cooperate in any way with, or assist or participate in, facilitate or encourage, any effort or attempt of any other person to do or seek to do any of the foregoing; or

- provided, however, that notwithstanding any other provisions hereof, Assure (and its directors, officers, employees and advisors) may:
- (iv) engage in discussions or negotiations with a third party who (without any solicitation, initiation or encouragement, directly or indirectly, by Assure or any of the officers,

Edgar Filing: ASSURE ENERGY INC - Form 6-K

directors or employees of Assure or any financial advisor, expert or other representative or agent acting on its behalf) seeks to initiate such discussions or negotiations and, subject to execution of a confidentiality agreement substantially similar to the Confidentiality Agreement, may furnish such third party information concerning Assure and its business, properties and assets, in each case if, and only to the extent that:

- (A) the third party has first made a written bona fide Assure Acquisition Proposal that is a Assure Superior Proposal; and
- (B) prior to furnishing such information to or entering into discussions or negotiations with such third party, Assure provides prompt notice to GEOCAN to the effect that it is furnishing information to or entering into discussions or negotiations with such third party together with a copy of the confidentiality agreement referenced above and if not previously provided to GEOCAN, copies of all information provided to such third party are provided to GEOCAN concurrently with the provision of such information to such third party. Assure shall immediately notify GEOCAN orally and in writing of any inquiries, offers or proposals with respect to any Assure Acquisition Proposal (including without limitation, the terms and conditions of any such proposal (and any amendments or changes thereto), the identity of the person making it, and if not previously provided to GEOCAN, copies of all information provided to such person and all other information reasonably requested by GEOCAN), shall keep GEOCAN informed of the status and details of any such inquiry, offer or proposal and answer GEOCAN's questions with respect thereto.

31

- (c) Assure shall give GEOCAN 48 hours advance notice of any agreement (and the terms of such agreement) to be entered into with, or any information to be supplied to, any person making an inquiry, offer or proposal with respect to a Assure Superior Proposal and shall confirm the determination of Assure's board of directors that the Assure Acquisition Proposal is a Assure Superior Proposal. For a period of 48 hours from the time that Assure provides notice of such Assure Superior Proposal to GEOCAN and any amendment thereto, together with the foregoing confirmation in respect of the board of directors' determination, the board of directors of Assure and Assure agree not to accept, recommend or approve or enter into any agreement (an "Assure Proposed Agreement") to implement such a Assure Superior Proposal or release the party from making the Assure Superior Proposal from any standstill provisions. In addition, in respect of any Assure Superior Proposal, Assure shall and shall cause its financial and legal advisors to negotiate in good faith with GEOCAN to make such adjustments in the terms and conditions of this Agreement and the terms of the Arrangement as would enable Assure to proceed with the transaction contemplated herein, as amended, rather than the Assure Superior Proposal. In the event that GEOCAN proposes to and does amend this Agreement and the terms of the Arrangement to provide equal or superior value to that provided

Edgar Filing: ASSURE ENERGY INC - Form 6-K

under the Assure Superior Proposal within a period of 48 hours from the time that GEOCAN receives notice of the Assure Superior Proposal and a copy of the Assure Proposed Agreement (and any amendments thereto), Assure shall not enter into any Assure Proposed Agreement regarding the Assure Superior Proposal or any amendment thereof.

- (d) Notwithstanding Section 6.1(u) in the event that, prior to the completion of the Arrangement, a Assure Superior Proposal is offered or made to the holders of Assure Shares or Assure, the board of directors of Assure may fail to make, withdraw, modify or change any recommendation regarding the Arrangement if, in the opinion of the board of directors acting in good faith after written advice from outside counsel to such effect, which is reflected in the minutes of a meeting of the board of directors of Assure (a copy of the relevant extract of which minutes shall be provided to GEOCAN), the making or failure to so withdraw, modify or change any recommendation regarding the Arrangement would be inconsistent with the performance by the directors of Assure of their fiduciary duties under applicable law, and provided Assure shall have complied with the provisions of Section 9.3 and paid the GEOCAN Break Fee to GEOCAN in the circumstances where such fee is payable.

9.3 Subject to Section 10.4, if at any time after the date of this Agreement:

- (a) the board of directors of Assure fails to recommend that the Assure Securityholders approve the Arrangement or withdraws or, in any manner adverse to GEOCAN redefines, modifies or changes any of its recommendations referred to in Section 6(u), unless it has the right to do so under Section 9.4 hereof; or
- (b) prior to the date of the Assure Meeting:
- (i) a Assure Acquisition Proposal that is a Assure Superior Proposal is publicly announced or made to Assure or Assure's shareholders;
- (ii) the Assure Superior Proposal has not been withdrawn or expired; and
- (A) the board of directors of Assure fails to confirm to the Assure Shareholders, within five business days after the making of the Assure Proposal its recommendation that the Assure Shareholders reject the Assure Superior Proposal; or
- (B) Assure enters into an agreement (other than a confidentiality agreement) with respect to the Assure Superior Proposal;

and the Arrangement is not approved at the Assure Meeting; or

- (c) Assure shall have breached, or failed to comply with, in any material respect, any of its covenants or other obligations under this Agreement or any of the representations and warranties of Assure contained in this Agreement shall not be true and correct in all material respects as of the date of this Agreement, except where the failure of such representations and warranties to be true and correct would not have a Material Adverse Effect on Assure, or shall

Edgar Filing: ASSURE ENERGY INC - Form 6-K

have ceased to be true and correct in any material respect thereafter, except where the failure of such representations and warranties to be true and correct would not have a Material Adverse Effect on Assure, (other than, in either case, as a direct result of and in direct response to a breach by GEOCAN of its obligations under this Agreement);

then Assure shall, within two business days after the first to occur of the events described above, pay to GEOCAN the GEOCAN Break Fee. Such payment shall be made in immediately available funds to an account designated by GEOCAN. The payment of the GEOCAN Break Fee to GEOCAN shall represent full and final settlement of all claims of GEOCAN arising in respect of the matter giving rise to such payment and GEOCAN shall have no further remedy or recourse in respect of such matter against Assure or its present or former directors, officers, employers, agents or advisors or Assure's counsel.

9.4 The board of directors of Assure reserves the right to not make, withdraw, redefine, modify or change its recommendations or its determinations referred to in Section 6.1(u) if any of the following occur on or prior to the Effective Date:

- (a) GEOCAN shall have breached, or failed to comply with, in any material respect, any of its covenants or other obligations under this Agreement;
- (b) any of the representations and warranties of GEOCAN contained in this Agreement shall not be true and correct in all material respects as of the date of this Agreement or shall have ceased to be true and correct in any material respect thereafter (other than as a result of a breach of this Agreement by Assure or of the Lockup Agreements by any of the holders of the Assure Shares, Assure Options or Assure Warrants); or
- (c) it becomes certain that any of the conditions contained in Sections 3.1 or 5.1 will not be satisfied on or before the Effective Date (other than as a result of a breach of this Agreement by Assure or of the Lockup Agreements by any of the holders of the Assure Shares, Assure Options or Assure Warrants who execute and deliver Lockup Agreements) and all relevant parties do not agree to waive or modify such conditions.

9.5 Assure shall use its reasonable efforts to cause all persons holding Assure Options or Assure Warrants, other than directors and officers of Assure, to exercise those Assure Options or Assure Warrants prior to the Assure Meeting and to vote the Assure Shares acquired on exercise in favour of the Arrangement, all in accordance with the terms of the Lockup Agreements. Assure shall also use its reasonable efforts to ensure that all Assure Shares acquired on exercise of the Assure Options or Assure Warrants at any time prior to the Assure Meeting, be made eligible for voting at the Assure Meeting, subject to all applicable law.

- (e) if a circumstance giving rise to payment of the GEOCAN Break Fee to GEOCAN shall have occurred;
- (f) if a circumstance giving rise to payment of the Assure Break Fee to Assure shall have occurred and such payment shall have been made; or
- (g) upon any other circumstances hereunder that give rise to a termination of this Agreement by GEOCAN, including those set forth in Sections 4.1 and 5.1 hereof.

10.3 Subject to Section 10.4, notwithstanding any other rights contained herein, Assure may terminate this Agreement upon notice to GEOCAN:

Edgar Filing: ASSURE ENERGY INC - Form 6-K

termination of this agreement by Assure, including those set forth in Sections 3.1 and 5.1 hereof.

- 10.4 (a) Each of GEOCAN and Assure will give prompt notice to the other of the occurrence, or failure to occur, at any time from the date hereof until the Effective Date, of any event or state of facts which occurrence or failure would, or would likely to:
- (i) cause any of the representations or warranties of either GEOCAN or Assure contained herein to be untrue or inaccurate in any material respect on the date hereof or on the Effective Date; or
 - (ii) result in the failure to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied, in any material respect, by either GEOCAN or Assure hereunder on or prior to the Effective Date.
- (b) Subject to Section 10.4(c), neither GEOCAN nor Assure may elect not to complete the transactions contemplated hereby pursuant to the non-fulfillment of the conditions precedent contained in Articles 3, 4 or 5 or pursuant to Section 10.2 or 10.3 or any termination right arising therefrom and no payments are payable pursuant to Section 8.2 or 9.3 as a result of such election unless promptly and in any event prior to the filing of the articles of Arrangement for acceptance by the Registrar, the party intending to rely thereon has delivered a written notice (a "Default Notice") to the other party specifying in reasonable detail all breaches, in any material respect, of covenants, representations and warranties or other matters which the party delivering such notice is asserting as the basis for the non-fulfillment of the applicable condition precedent or termination right, as the case may be.
- (c) Nothing in this Section 10.4 shall effect, and no Default Notice shall be required in respect of, (i) the right of GEOCAN to receive payment of the GEOCAN Break Fee pursuant to Section 9.3 (a) or (b), or (ii) the right of either party to terminate this Agreement for matters arising out of the failure to make appropriate disclosure In Writing to the other party.
- (d) If any such Default Notice is delivered, provided that the affected party is proceeding diligently to cure such matter and such matter is capable of being cured neither party may terminate this Agreement (if they otherwise have the right to do so) until expiration of a period of twenty (20) days from such Default Notice and then only if such matter is not cured in all material respects. If such Default Notice has been delivered prior to the date of the Assure Meeting, such meeting shall be postponed until the expiry of such period. If such Default Notice has been delivered prior to the making of the application for the Final Order or the filing of the Articles of Arrangement with the Registrar, such application and such filing shall be postponed until the expiry of such period.
- (e) Nothing in this Section 10.4 shall give either GEOCAN or Assure, as the case may be, any right to terminate this Agreement in addition to the rights contained in Articles 3, 4 or 5 or pursuant to Section 10.2 or 10.3 or any termination right arising therefrom or any right to receive payment of the Assure Break Fee or GEOCAN Break Fee

Edgar Filing: ASSURE ENERGY INC - Form 6-K

except in the circumstances provided in Sections 8.2 and 9.3.

- 10.5 If this Agreement is validly terminated pursuant to any provision of this Agreement, the parties shall return all materials and copies of all materials delivered to Assure or GEOCAN, as the case may be, or their agents and, except for the obligations set forth in Sections 8.2, 9.3, and this 10.4 and Article 11 (which shall survive any termination of this Agreement and continue in full force and effect), no party shall have any further obligations to any other party hereunder with respect to this Agreement except those incurred prior to termination. Except as expressly provided herein, nothing herein, (including without limitation the payment of the GEOCAN Break Fee or the Assure Break Fee) shall relieve any party from liability for any breach of this Agreement.
- 10.6 The exercise by any party of any right of termination hereunder shall be without prejudice to any other remedy available to such party.
