securities.

Expenses of Soliciting Proxies

We will pay the expenses of soliciting proxies to be voted at the annual meeting. Following the original mailing of the proxies and other proxy materials, we or our agents may supplement the solicitation of proxies by mail, telephone, internet, telegraph or in person. Following the original mailing of the proxies and other proxy materials, we will request that brokers, custodians, nominees and other record holders of our common stock forward copies of the proxy and other annual meeting materials to persons for whom they hold shares of common stock and request authority for the exercise of proxies. In these cases, we will reimburse such record holders for their reasonable expenses if requested to do so.

3

Revocability of Proxies

If you attend the meeting, you may vote in person, regardless of whether you have submitted a proxy. Any person giving a proxy in the form accompanying this proxy statement may revoke it at any time before it is voted. A proxy may be revoked by (i) written notice of revocation or submission of a new proxy sent to our Corporate Secretary at 75 Adams Avenue, Hauppauge, New York 11788, or (ii) attending the meeting and voting in person.

Voting and Votes Required for Approval

Every stockholder of record is entitled to one vote, for each share held, on each proposal or item that comes before the meeting. There are no cumulative voting rights. By submitting your proxy, you authorize Bhupatlal K. Sutaria, or any person designated as his substitute, to represent you and vote your shares at the meeting in accordance with your instructions. If the meeting is adjourned, Mr. Sutaria or his substitute will be authorized to vote your shares at any adjournment or postponement of the meeting.

To vote by mail, please sign, date and complete the enclosed proxy and return it in the enclosed self-addressed envelope, to North American Transfer Agent, PO Box 311, Freeport, New York 11520-0311. If you hold your shares through a bank, broker or other nominee, it will give you separate instructions for voting your shares.

In addition to solicitations by mail, we may solicit proxies in person, by telephone, facsimile or e-mail. In the event that additional solicitation material is used, it will be filed with the SEC prior to its use.

Proposal 1: Election of Directors. Directors are elected by a plurality vote and the six nominees who receive the most votes will be elected. In the election of Directors, votes may be cast in favor of or withheld with respect to each nominee.

Proposal 2: Ratification of Selection of Auditors. The affirmative vote of stockholders owning at least a majority of our shares of common and preferred stock entitled to vote, and voting together as a single class, present in person or represented by proxy at our annual meeting at which a quorum is present is necessary for ratification of the selection of our auditors.

Tabulation of Votes

Edgar Filing: INTERPHARM HOLDINGS INC - Form DEF 14A

The votes received by proxy will be tabulated and certified by our transfer agent, North American Transfer. All other votes will be tabulated by an inspector of election at the meeting.

Voting by Street Name Holders

If you are the beneficial owner of shares held in "street name" by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker, the broker will nevertheless be entitled to vote the shares with respect to "discretionary" items but will not be permitted to vote the shares with respect to "non-discretionary" items (in which case, the shares will be treated as "broker non-votes").

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the annual meeting is one-third of the issued and outstanding shares of common and Series A, B, C and K preferred stock, collectively, at the annual meeting, in person or by proxy. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares represented and voting the votes cast at the annual meeting with respect to such matter.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, we believe that abstentions should be counted for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business; and (ii) the total number of votes cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal.

Under current Delaware case law, while broker non-votes (i.e. the votes of shares held of record by brokers as to which the underlying beneficial owners have given no voting instructions) should be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. We intend to treat broker non-votes in this manner. Thus, a broker non-vote will make a quorum more readily obtainable, but the broker non-vote will not otherwise affect the outcome of the voting on a proposal.

PROPOSALS TO STOCKHOLDERS

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors presently consists of five members. The Board of Directors has determined to nominate the existing five directors. Unless otherwise instructed, the proxy holder will vote the proxies received by him for the nominees named below. BOARD OF DIRECTORS MEETINGS AND COMMITTEES

Our Board of Directors held a total of six meetings during the fiscal

Edgar Filing: INTERPHARM HOLDINGS INC - Form DEF 14A

year ended June 30, 2005. In addition, the Board of Directors acted two times by unanimous written consent during the same period and the independent directors met three times during the fiscal year without the presence of non-independent directors and management. During the fiscal year ended June 30, 2005, each of our directors attended at least 75% of the aggregate number of all meetings of the Board of Directors and of the committees, if any, on which such director served. The Board of Directors has standing Audit, Nominating, Compensation and Corporate Governance Committees.

Audit Committee and Audit Committee Report

The Board of Directors created the audit committee in 1994. The audit committee is responsible for reviewing reports of financial results, audits, internal controls, and adherence to its Business Conduct Guidelines in compliance with federal procurement laws and regulations. The committee recommends to the Board of Directors the selection of Interpharm's outside auditors and reviews their procedures for ensuring their independence with respect to the services performed for Interpharm.

The audit committee is comprised of three directors: Kenneth Johnson, Stewart Benjamin and David Reback. In the opinion of the Board of Directors, Messrs. Johnson, Benjamin and Reback are independent of management and free of any relationship that would interfere with their exercise of independent judgment as members of this committee and they are independent as defined in Section 121(A) of the AMEX listing standards. The Board of Directors has adopted a written charter for the audit committee. The Audit Committee met four times during the fiscal year ended June 30, 2005.

7

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Committee is comprised of three Directors and operates under a written charter adopted by the Board of Directors. All of the audit committee members are independent within the meaning of Rule 121(A) of the AMEX listing standards, and are "independent," as that term is defined in Section 10A of the Securities Act of 1934, as amended. Management has the primary responsibility for the financial statements and the reporting process, including the Company's systems of internal control. In fulfilling its responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management, including discussing with management the quality and acceptability of the Company's financial reporting and controls.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting standards, their judgments as to the quality and acceptability of the Company's financial reporting and such other matters as are required to be discussed with the Committee under generally accepted auditing standards, including the matters required to be discussed by SAS 61 (Communication with Audit Committees). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the auditors' written disclosures required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Furthermore, the Audit Committee has considered whether the provision of non-audit services by the independent auditors for the fiscal year ended June 30, 2005 is compatible with maintaining their independence.

Edgar Filing: INTERPHARM HOLDINGS INC - Form DEF 14A

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended June 30, 2005 be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2005, for filing with the SEC.

Management is responsible for the Company's financial reporting process including its systems of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not the Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the independent auditors' report on the Company's financial statements.

The Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent accountants are in fact "independent."

The Audit Committee is pleased to submit this report to the stockholders with regard to the above matters.

/s/ Kenneth Johnson
/s/ Stewart Benjamin
/s/ David Reback

The Company believes that Kenneth Johnson and Stewart Benjamin qualify as a "financial experts" as defined in Rule 401(k) of Regulation S-K.

Compensation Committee

In August 1994, the Board of Directors established a Compensation Committee, which is responsible for decisions regarding salaries, stock option grants and other matters regarding executive officers and key employees. Kenneth Johnson, David C. Reback and Dr. Mark Goodman currently serve on the Compensation Committee. During the fiscal year ended June 30, 2005, the compensation committee met three times.

8

Nominating Committee

In March, 2004 the Board of Directors established a Nominating Committee, which is responsible for determination of the appropriate size, functioning and needs of the Board, including, recruitment and retention of high quality Board members, committee composition and structure, Board assessment of director performance and related party and conflicts oversight. Kenneth Johnson,

Edgar Filing: INTERPHARM HOLDINGS INC - Form DEF 14A

David C. Reback and Dr. Mark Goodman currently serve on the Nominating Committee. All of the Nominating Committee members are independent within the meaning of Rule 121(A) of the AMEX listing standards, and are "independent," as that term is defined in Section 10A of the Securities Act of 1934, as amended. During the fiscal year ended June 30, 2005 the Nominating Committee met one time.

The Nominating Committee considers nominees recommended by any stockholder entitled to vote in the election of directors. Any stockholder wishing to nominate an individual for election to the Board must comply with the advance notice procedures described in the "Stockholders' Proposals" section at the end of this proxy statement. The nomination must contain the following information about the nominee: name, age, business and residence addresses, principal occupation or employment, the number of shares of common stock held by the nominee, the information that would be required under SEC rules in a proxy statement soliciting proxies for the election of such nominee as a director, and a signed consent of the nominee to serve as a director of the Company, if elected. The Nominating Committee has not specified any minimum qualifications for serving on the Board. However, in its assessment of potential candidates, the Nominating Committee will review the candidate's character, business experience and understanding of the Company's business environment, and ability to devote the time and effort necessary to fulfill his or her responsibilities, all in the context of the perceived needs of the Board at that time.

A copy of our Nominating Committee Charter is available on our website at www.interpharminc.com.

Corporate Governance Committee

In March, 2004, the Board of Directors established a Corporate Governance Committee, which is responsible for reviewing the Company's corporate governance and making recommendations as to changes and improvements as necessary. Kenneth Johnson, David C. Reback, Stewart Benjamin and Dr. Mark Goodman currently serve on the Corporate Governance Nominating Committee. All of the Nominating Committee members are independent within the meaning of Rule 121(A) of the AMEX listing standards, and are "independent," as that term is defined in Section 10A of the Securities Act of 1934, as amended. During the fiscal year ended June 30, 2005 the Corporate Governance Committee met one time.

BOARD OF DIRECTORS COMPENSATION

Compensation of Directors

All directors are entitled to reimbursement of reasonable travel and lodging expenses related to attending meetings of the Board of Directors and any committee on which they serve. In addition, the Company and its Compensation Committee are currently working to determine the Board of Director's compensation for the fiscal year ended June 30, 2005 and for the fiscal year ending June 30, 2006.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors of Interpharm Holdings, Inc. (the "Company") is charged with developing and administering a compensation policy for senior management that contains appropriate performance incentives and equity-linked components, and reviewing annually the performance of the executive officers of the Company.

The Compensation Committee also administers the stock option and stock incentive plans and approves grants of stock options and other incentives under those plans.

Edgar Filing: INTERPHARM HOLDINGS INC - Form DEF 14A

Compensation programs for executive officers are designed to attract, retain and motivate employees who will contribute to the achievement of corporate goals and objectives. Elements of executive compensation include salaries, bonuses and awards of stock options, with the last two being variable. The Committee's policy is to achieve a balance between cash and other compensation in order to attract and retain qualified personnel, and to incentivize them in their duties.

9

In making its decisions or recommendations, the Committee takes into account factors it deems relevant to the specific compensation component being considered, including: compensation paid by other business organizations of comparable size in the same industry and related industries; profitability; the attainment of annual individual and business objectives; an assessment of individual contributions relative to others; and historic compensation awards.

The Committee considered the factors described above in determining Cameron Reid's total compensation to serve as Chief Executive Officer. Specifically, the Committee and the Board recognized Mr. Reid prior experience and his key contributions in developing the Company's business plan while a member of the Company's Board of Directors. While Mr. Reid's cash compensation is the highest of any employee of the Company, at \$300,000, it is less than that earned by CEO's of comparable companies. In consideration of this, the Committee awarded Mr. Reid options to purchase 2 million shares of Company common stock which it believes to be fair compensation and adequate incentive to meet the Company's long-term goals.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In August 1994, the Board of Directors established a Compensation Committee, which is responsible for decisions regarding salaries, stock option grants and other matters regarding executive officers and key employees. During the fiscal year ended June 30, 2005, David C. Reback, Kenneth Johnson and Dr. Mark Goodman were members of the Compensation Committee. In the opinion of the Board of Directors, each of such persons is independent of management and free of any relationship which would interfere with his exercise of independent judgment as a member of our Compensation Committee.

PERFORMANCE GRAPH

Prior to May 30, 2003, we were in the computer/systems integration business as Atec Group, Inc. On May 30, 2003, that business was sold, Interpharm, Inc. was acquired and we changed our name to Interpharm Holdings, Inc. SEC disclosure rules require that registrants provide a line graph comparing the yearly percentage change in the registrant's cumulative total stockholder return on a class of common stock registered under Section 12

Edgar Filing: INTERPHARM HOLDINGS INC - Form DEF 14A

of the Exchange Act with the cumulative total return of a broad equity market index. We believe that historical stock prices prior to May 30, 2003 are not representative of our current business and a comparison of our stock price between May 30, 2003 and June 30, 2003 to an index would not be meaningful and could be misleading. Accordingly, we have omitted this information prior to May 30, 2003.

The following chart compares for the period from May 30, 2003 to June 30, 2005, the cumulative total stockholder return on the Common Stock with (i) the S&P SmallCap 600 Index and (ii) the RDG Microcap Pharmaceutical Index (the "RDG Industry Index"), and assumes an investment of \$100 on May 30, 2003 in each of the Common Stock, the stocks comprising the S&P SmallCap 600 Index and the stocks comprising the RDG Industry Index. In January, 2005, our Board of Directors approved the stock option repricing program as a result of a significant reduction in the price of our common stock subsequent to the original grant of certain options. The Board determined that the options having an exercise price above the market price at that time no longer provided meaningful incentive to the option holders to remain in our employ and to maximize shareholder value. The Board believed that the exchange of new stock options with a lower exercise price for our existing stock options would once again provide incentive to our officers, directors and employees to continue to provide services to us and to maximize shareholder value.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We lease our 100,000 square foot facility at 75 Adams Avenue in Hauppauge, New York which is owned by Sutaria Family Realty, LLC which is owned by Perry Sutaria, Raj Sutaria and Mona Rametra.

No third party assessment or appraisal of the lease was made at the time it was entered into or at any subsequent time. Interpharm, Inc. is obligated to pay minimum annual rent of \$480,000, plus property taxes, insurance, maintenance and other expenses related to the leased facility. Upon a change in ownership of the Company, and every three years thereafter, the annual rent will be adjusted to fair market value, as determined by an independent third party.

Edgar Filing: INTERPHARM HOLDINGS INC - Form DEF 14A

In February and April 2005, we purchased 5.0 Class A membership interests ("Interests") from each of Cameron Reid ("Reid"), our Chief Executive Officer, and John Lomans ("Lomans"), who has no affiliation with us, for an aggregate purchase price of \$1,022,500 (including costs of \$22,500) of APR, LLC, a Delaware limited liability company primarily engaged in the development of complex bulk pharmaceutical products ("APR"). The purchases were made pursuant to separate Class A Membership Interest Purchase Agreements dated February 16, 2005 between us and Reid and Lomans (the "Purchase Agreements"). At the time of the purchases, Reid and Lomans owned all of the outstanding Class A membership interests of APR, which had outstanding 100 Class A membership interests and 100 Class B membership interests. The two classes of membership interests have different economic and voting rights, and the Class A members have the right to make most operational decisions. The Class B interests are held by one of our major customers and suppliers. As a result, we currently own 10 Interests out of the 100 Interests now outstanding.

In accordance with the terms of the Purchase Agreements, we have granted to Reid and Lomans each a proxy to vote 5 of the Interests owned by us on all matters on which the holders of Interests may vote. Our Board of Directors approved the purchases of Interests at a meeting held on February 15, 2005, based on an analysis and advice from an independent investment banking firm. Reid did not participate during the deliberations on this matter. We are accounting for our investment in APR pursuant to the cost method of accounting.
