PROXY STATEMENT
For the Annual Meeting of Stockholders
To be held on Thursday, September 14, 2006

The enclosed proxy is solicited by the Board of Directors of SMITH-MIDLAND CORPORATION (the "Company") for use at the Annual Meeting of Stockholders to be held on Thursday, September 14, 2006 at 5:00 PM at the Company's Corporate Headquarters, located at 5119 Catlett Road, Midland, Virginia 22728 and at any adjournment or adjournments thereof.

Stockholders of record at the close of business on July 31, 2006 will be entitled to vote at the Annual Meeting or any adjournment thereof. On or about that date, 4,627,149 shares of the Company's Common Stock, \$.01 par value per share ("Common Stock"), were issued and outstanding. The Company has no other outstanding voting securities.

Each share of Common Stock entitles the holder to one vote with respect to all matters submitted to Stockholders at the Annual Meeting. A quorum for the Annual Meeting is a majority of the shares outstanding. Directors will be elected by plurality vote. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present. Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker does not receive voting instructions from the beneficial owner and (2) the broker lacks discretionary authority to vote the shares.

Abstentions or broker non-votes or failures to vote will have no effect in the election of directors, who will be elected by a plurality of the affirmative votes cast.

An Annual Report, containing the Company's audited financial statements for the years ended December 31, 2005 and December 31, 2004, is being mailed to all stockholders entitled to vote. This Proxy Statement and the accompanying proxy were first mailed to Stockholders on or about August 10, 2006.

Execution of a proxy will not in any way affect a Stockholder's right to attend the Annual Meeting and vote in person. The proxy may be revoked at any time before it is exercised by written notice to the Secretary prior to the Annual Meeting, or by giving to the Secretary a duly executed proxy bearing a later date than the proxy being revoked at any time before such proxy is voted, or by appearing at the Annual Meeting and voting in person. The shares represented by all properly executed proxies received in time for the Annual Meeting will be voted as specified therein. In the absence of a special choice, shares will be voted in favor of the election of Directors of those persons named in this Proxy Statement.

The Board of Directors knows of no other matter to be presented at the Annual Meeting. If any other matter should be presented at the Annual Meeting upon which a vote may be taken, such shares represented by all proxies received by the Board of Directors will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies. The Board of Directors knows of no matter to be acted upon at the Annual Meeting that would give rise to appraisal rights for dissenting stockholders.

Proposal #1**ELECTION OF DIRECTORS**

Four Directors, constituting the entire Board of Directors, are to be elected at the Annual Meeting. Each Director of the Company is elected at the Company's Annual Meeting of Stockholders and serves until his successor is elected or qualified. Vacancies and newly created directorships resulting from any increase in the number of authorized Directors may be filled by a majority vote of Directors then remaining in office. Officers are elected by and serve at the direction of the Board of Directors.

Shares represented by all proxies received by the Board of Directors and not so marked as to withhold authority to vote for an individual Director, or for all Directors, will be voted (unless one or more nominees are unable or unwilling to serve) for the election of the nominees named below. The Board of Directors knows of no reason why any such nominee should be unwilling to serve, but if such should be the case, proxies will be voted for the election of some other person or for fixing the number of Directors at a lesser number.

The Board unanimously recommends that Stockholders vote FOR election of the four nominees for Director.

The following table sets forth certain information concerning each nominee for election as a Director of the Company:

Name	Age	Director Position Since	Director Position
Rodney I. Smith	67	1970	Chief Executive Officer, President and Chairman of the Board of Directors

Ashley B. Smith. *Vice President of Sales and Marketing and Director.* Ashley B. Smith has served as Vice President of Sales and Marketing of the Company since 1990 and as a Director since December 1994. GENERAL INFORMATION RELATING TO THE BOARD OF DIRECTORS AND OFFICERS

Meetings and Committees of the Board of Directors

The Board of Directors has a Compensation Committee. The Compensation Committee consists of Andrew Kavounis and Wesley A. Taylor. The Compensation Committee was established to set and administer the policies that govern annual compensation for the Company's executives. Following review and approval by the Compensation Committee of the compensation policies, all issues pertaining to executive compensation are submitted to the Board of Directors for approval. The Compensation Committee negotiates and approves compensation arrangements for officers, employees, consultants and directors of the Company, including, but not limited to, the grant of options to purchase the Common Stock pursuant to the Company's 2004 Stock Option Plan or other plans which may be established. The Compensation Committee did not meet during 2005. Instead, the Board of Directors as a whole addressed these matters.

The Company does not have an audit committee, a standing nominating committee, or a committee performing functions similar to either committee. The entire Board of Directors acts as the audit committee.

The Company believes that a standing nominating committee is not necessary or cost efficient for a company its size. All directors participate in the consideration of director nominees, including Andrew Kavounis, who is independent as defined by the Nasdaq Marketplace Rules. The Company does not have a formal nominating committee charter. For at least the past four years, the Board of Directors has not received a recommendation from a stockholder as to a candidate for nomination to the Board of Directors and therefore has not previously formed a policy with respect to consideration of such a candidate. However, it is the Board's intent to consider any stockholder nominees that may be put forth in the future. The Board has not identified any specific minimum qualifications or skills that it believes must be met by a nominee for director. It is the intent of the Board to review from time to time the appropriate skills and characteristics of directors in the context of the current make-up of the Board and the requirements and needs of the Company at a given time. Given the current composition, stability and size of the Board of Directors of the Company, the fact that all director-nominees are standing for re-election and that the Board has received no nominee candidates from stockholders, the Board has not considered other candidates for election at the upcoming annual meeting of stockholders.

The Board of Directors met formally three times during 2005 and met informally on a number of occasions, voting on corporate actions by written consent. All of the Company's current directors attended all of the meetings of the Board of Directors either in person or by telephone.

With the exception of Rodney I. Smith and Ashley B. Smith, who are father and son, respectively, no Director or executive officer of the Company is related by blood, marriage, or adoption to any of the Company's other Directors or executive officers.

Communication Between Stockholders and the Board of Directors

Stockholders wishing to communicate with members of the Board of Directors should send a letter to the Secretary of the Company with instructions as to which director(s) is to receive the communication. The Secretary will forward the written communication to each member of the Board of Directors identified by the stockholder or, if no individual director is identified, to all members of the Board of Directors. The Company has not in the past required members of the Board of Directors to attend each annual meeting of the stockholders because the formal meetings have been attended by very few stockholders, and have generally been brief and procedural in nature. All of the Company's directors, however, attended the 2005 annual meeting of stockholders. The Board will continue to monitor stockholder interest and attendance at future meetings and re-evaluate this policy as appropriate.

Compensation of Directors

All non-employee Directors receive \$1,000 per meeting as compensation for their services as Directors and are reimbursed for expenses incurred in connection with the performance of their duties. All employee Directors, except Rodney I. Smith, receive \$250 per meeting as compensation for their services and are reimbursed for expenses incurred in connection with the performance of their duties. Rodney I. Smith receives no compensation as a Director, but is reimbursed for expenses incurred in connection with the performance of his duties as a Director.

Compensation of Executive Officers

The following table sets forth the compensation paid by the Company for services rendered for the last three completed fiscal years to the executive officers of the Company and its subsidiaries (the "named executive officers"), whose cash compensation exceeded \$100,000 during 2005:

** For 2005, 2004, and 2003, \$159,000 of the amount shown was for a non-cash (except for the portion related to the payment of taxes) payment to Rodney I. Smith to pay down an officer receivable due the Company. The receivable originated in 1968 and 1969, prior to the Company going public, as two \$30,000 loans to Rodney Smith, in lieu of salary, during two less profitable years. The current amount owed is equal to original \$60,000 principal plus accrued interest. See "Employment Contracts and Termination of Employment and Change in Control Arrangements." In 2005, 2004, and 2003, \$99,000 was paid to Mr. Smith for an annual royalty fee paid under his employment agreement.

Employment Contracts and Termination of Employment and Change in Control Arrangements.

The Company entered into a four-year Employment Agreement with Rodney I. Smith, its current President and Chief Executive Officer, effective as of September 30, 2002. The term of employment automatically renews commencing on the date one year after the effective date, and on an annual basis thereafter, for an additional one year, unless earlier terminated or not renewed as provided for therein. The agreement provides for an annual base salary of \$99,000 ("Base Salary"), which will be reviewed at least annually and adjusted from time to time at the determination of the Board of Directors. It also provides for an annual royalty fee of \$99,000 payable as consideration for Mr. Smith's assignment to the Company of all of his rights, title and interest in and to the Patents (as defined in the agreement). Payment of the royalty continues only for as long as the Company is using the inventions underlying the non-expired Patents. Mr. Smith is also entitled to bonuses as follows (the "Bonus"): (i) a performance-based bonus as determined by the Board each calendar year, and (ii) a \$27,000 quarterly bonus equal to one-twentieth of the then outstanding principal balance on the loan (the "Loan") made by the Company to Mr. Smith in the aggregate amount of \$540,000, at the date of the employment agreement, and the unpaid interest accrued thereon during the quarter, and a cash amount which reimburses Mr. Smith for certain taxes payable by him as a result of such quarterly bonus. Payment of the Bonuses that are equal to one-twentieth of the Loan and the quarterly interest thereon are paid in the form of forgiveness of such principal and interest. Once the Loan has been fully repaid, no further quarterly Bonus in respect of the Loan shall be payable.

Mr. Smith's employment agreement provides further that if Mr. Smith (i) voluntarily leaves the employ of the Company within six months of his becoming aware of a Change of Control (as defined in the agreement) of the Company, then he shall be entitled to receive a lump sum amount equal to three times the five-year average of his combined total annual compensation, which includes the Base Salary and Bonus, less one dollar (\$1.00), and certain

other unpaid accrued amounts as of the date of his termination, or (ii) is terminated by the Company without Cause (as defined in the agreement) or leaves the Company with Good Reason (as defined in the agreement), Mr. Smith shall be entitled to a lump sum payment equal to three times the combined Base Salary and Bonus paid during the immediately preceding calendar year, and such other unpaid accrued amounts. In any of such cases, the Company will provide Mr. Smith with certain Company fringe benefits for two years, subject to certain conditions as provided for in the agreement, and all of Mr. Smith's unvested options to purchase Company stock shall become fully vested and exercisable on the date of termination. Mr. Smith will be entitled to exercise all such options for three years from the date of termination. The Company will have no further obligations to Mr. Smith, other than with respect to the payment of royalties.

In the event Mr. Smith's employment by the Company is terminated as a result of Mr. Smith's (i) death, his estate shall be entitled to a lump sum payment of one times the combined Base Salary and Bonus, and certain other accrued and unpaid amounts, or (ii) disability, Mr. Smith shall be entitled to Base Salary and Bonus for a period of one year commencing with the date of termination, and all other unpaid accrued amounts. In either of such cases the outstanding principal balance of the Loan, and any accrued interest thereon, shall be forgiven in full, and payment shall be made to reimburse for taxes payable as a result thereof.

In the event Mr. Smith's employment is terminated for cause or Mr. Smith voluntarily leaves the employ of the Company for no reason, Mr. Smith shall be entitled to accrued but unpaid Base Salary and Bonus up to the date of termination, and all other unpaid amounts. The Company shall have no further obligations to Mr. Smith, other than with respect to the Loan.

The employment agreement also contains Noncompetition and Nonsolicitation covenants for one year following Mr. Smith's termination of employment for any reason.

Certain Relationships and Related Transactions.

At December 31, 2005, the Company owned an unsecured note receivable in the principal amount of approximately \$143,730 from Mr. Rodney I. Smith, the Company's President, accruing interest at a rate of 6% per annum and maturing on December 31, 2007. The Board also approved the use of bonuses to pay off the loan and any applicable taxes (as more fully set forth in the description of Mr. Smith's employment agreement). Principal received on the note was \$112,864 for the year ended December 31, 2005 and \$106,476 the year ended December 31, 2004. SOLICITATION OF PROXIES

The cost of solicitation of proxies will be borne by the Company. In addition to the solicitation of proxies by mail, officers and employees of the Company may solicit in person or by telephone. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to beneficial owners.

REVOCAION OF PROXY

Subject to the terms and conditions set forth herein, all proxies received by the Company will be effective, notwithstanding any transfer of the shares to which such proxies relate, unless prior to the Annual Meeting, the Company receives a written notice of revocation signed by the person who, as of the record date, was the registered holder of such shares. The Notice of Revocation must indicate the certificate number or numbers of the shares to which such revocation relates and the aggregate number of shares represented by such certificate(s).

STOCKHOLDER PROPOSALS

In order to be included in proxy material for next year's annual meeting, Stockholders proposed resolutions must be received by the Company no later than April 13, 2007. In addition, the by-laws of the Company require that we be given advance notice of stockholder nominations for election to the Board of Directors and of other matters which stockholders wish to present for action at an annual meeting of stockholders. The required notice must be delivered to the Secretary of the Company at our principal offices not less than 60 days and not more than 90 days prior to the anniversary date of the immediately preceding annual meeting of stockholders. These requirements are separate from and in addition to the SEC requirements that a stockholder must meet in order to have a stockholder proposal included in the Company's proxy statement.

Pursuant to our by-laws, if notice of any stockholder proposal is received after July 16, 2007, then the notice will be considered untimely and we are not required to present such proposal at the 2007 Annual Meeting. If the Board of Directors chooses to present a proposal submitted after July 16, 2007 at the 2007 Annual Meeting, then the persons named in proxies solicited by the Board of Directors for the 2007 Annual Meeting may exercise discretionary voting power with respect to such proposal.
