PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
August 6, 2007
SOLICITATION, EXECUTION AND REVOCATION OF PROXIES

The mailing address of the principal corporate office of the Company is 9449 Science Center Drive, New Hope, MN 55428. This Proxy Statement and the form of proxy, which is enclosed, are being mailed to the Company's shareholders commencing on or about June 15, 2007.

Proxies in the accompanying form are solicited on behalf, and at the direction, of the Board of Directors of the Company. All shares of common stock represented by properly executed proxies, unless such proxies have previously been revoked, will be voted in accordance with the direction of the proxies. If no direction is indicated, the shares will be voted in accordance with the direction of the proxies. If any other matters are properly presented at the meeting for action, including a question of adjourning the meeting from time to time, the persons named in the proxies and acting thereunder will have discretion to vote on such matters in accordance with their best judgement.

When stock is in the name of more than one person, each such person must sign the proxy. If the shareholder is a corporation, an executive or other authorized officer must sign the proxy in the name of such corporation. If signed as attorney, executor, administrator, trustee, and guardian or in any other representative capacity, the signer's full title should be given and, if not previously furnished, a certificate or other evidence of appointment must be furnished.

A shareholder executing and returning a proxy has the power to revoke it at any time before it is voted. A shareholder who wishes to revoke a proxy can do so by executing a later dated proxy relating to the same shares and delivering it to the Secretary of the Company prior to the vote at the Annual Meeting, by written notice of revocation received by the Secretary prior to the vote at the Annual Meeting, or by appearing in person at the Annual Meeting and voting in person the shares to which the proxy relates.

In addition to the use of the mail, proxies may be solicited by personal interview, telephone and telegram by the Directors, officers and regular employees of the Company. Such persons will receive no additional compensation for such services. Arrangements will also be made with certain brokerage firms and certain other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of common stock held of record by such persons, and such brokers, custodians, nominees and fiduciaries will be reimbursed by the Company for their reasonable out-of-pocket expenses incurred by them in connection therewith. All expenses incurred in connection with this solicitation will be borne by the Company.

The Company is including with this Proxy Statement its Annual Report to shareholders for the year ended December 31, 2006, which includes a copy of the Company's Form 10-K, as amended, as filed with the Securities and Exchange Commission. Shareholders may receive, without charge, additional copies of the Form 10-K, as amended, by writing to Multiband Corporation at its principal corporate office.

The presence at the Annual Meeting in person or by proxy of the holders of 34% of the outstanding shares of the Company's common stock entitled to vote shall constitute a quorum for the transaction of business. If a broker returns

a “non-vote” proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. An abstention as to any proposal will therefore have the same effect as a vote against the proposal.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Only shareholders of record at the close of business on April 18, 2007 (the “Record Date”) will be entitled to vote at this meeting. The Company acknowledges that the designation of the members of the Audit Committee as financial experts does not impose on them any duties, obligations or liability that are greater than the duties, obligations and liability imposed on them as a member of the audit committee and the Board of Directors in the absence of such designation.

Report of the Audit Committee

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. During the year ended December 31, 2006, the Committee met four times, and Donald

Miller, as the Audit Committee chair and representative of the Audit Committee, discussed the interim financial information contained in quarterly earnings announcement with the Company's Chief Financial Officer and the Company's independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," discussed with the auditors any relationships that may affect their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed with management and the independent auditors the quality and adequacy of the Company's internal controls. The Audit Committee reviewed with the independent auditors their audit plans, audit scope, and identification of audit risks.

The Audit Committee discussed and reviewed with the Company's independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, both with and without management present, discussed and reviewed the results of the independent auditors' examination of the Company's consolidated financial statements. The Audit Committee reviewed the audited consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2006 with management and the independent auditors. Management has the responsibility for the preparation of the Company's consolidated financial statements and the Company's independent auditors have the responsibility for the examination of those statements.

Based on the review referred to above and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2006 for filing with the Securities and Exchange Commission. The Audit Committee also recommended the reappointment, subject to shareholder approval, of the independent auditors and the Board of Directors concurred in such recommendation.

The Nominating Committee will also consider nominees for Director suggested by shareholders in written submissions to the Company's Secretary.

Director Nomination Procedures

DIRECTOR MANAGER QUALIFICATIONS. The Company's Nominating Committee has established policies for the desired attributes of our Board as a whole. The Board will seek to ensure that a majority of its members are independent as defined in the NASDAQ listing standards. Each member of our Board must possess the individual qualities of integrity and accountability, informed judgment, financial literacy, high performance standards and must be committed to representing the long-term interests of the Company and the shareholders. In addition, Directors must be committed to devoting the time and effort necessary to be responsible and productive members of our Board. Our Board values diversity, in its broadest sense, reflecting, but not limited to, profession, geography, gender, ethnicity, skills and experience.

IDENTIFYING AND EVALUATING NOMINEES. The Nominating Committee regularly assesses the appropriate number of Directors comprising our Board, and whether any vacancies on our Board are expected due to retirement or otherwise. The Nominating Committee may consider those factors it deems appropriate in evaluating Director candidates including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other Board members, and specialized knowledge or experience. Depending upon the current needs of our Board, certain factors may be weighed more or less heavily by the Nominating Committee. In considering candidates for our Board, the Nominating Committee evaluates the entirety of each candidate's credentials and, other than the eligibility requirements established by the Nominating Committee, does not have any specific minimum qualifications that must be met by a nominee. The Nominating Committee considers candidates for the Board from any reasonable source, including current Board members, shareholders, professional search firms or other persons. The Nominating Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates.

CHARTER OF THE NOMINATING COMMITTEE. A copy of the charter of the Nominating Committee is available on our website at www.multibandusa.com.

Compensation Committee

Our compensation committee

· reviews and recommends the compensation arrangements for management, including the compensation for our chief executive officer; and

establishes and reviews general compensation policies with the objective to attract and retain superior talent, to reward individual performance and to achieve our financial goals.

We are committed to attracting, hiring and retaining an experienced management team that can successfully sell and operate our services. The fundamental policy of our compensation committee is to provide our executive officers with competitive compensation opportunities based upon their contribution to our development and financial success and long-term shareholder interest, as well as each officer's personal performance. The compensation package for each executive officer is comprised of three elements (i) base salary which reflects individual performance and is designed primarily to be competitive with salary levels in the industry; (ii) potential for cash bonus payments contingent upon specific corporate and individual milestones; and (iii) long-term stock-based incentive awards which strengthen the mutuality of interests between the executive officers and our shareholders.

At the beginning of each year, certain performance objectives are set by the compensation committee for management. 2006 Corporate objectives included goals based on subscriber growth and certain financial metrics. By year end, the compensation committee reviews the performance of the company against the Corporate objectives and reviews the performance of each executive officer against their individual objectives. Based upon results achieved, the executive officers may receive part or all of a targeted bonus award.

Our compensation committee met four times during 2006. The compensation committee is comprised entirely of non-employee Directors who meet the independence requirements of the NASDAQ listing standards. The compensation committee is comprised of Frank Bennett, Eugene Harris, and Donald Miller.

3. AMENDMENTS TO 2000 NON-EMPLOYEE DIRECTOR STOCK COMPENSATION PLAN

The Company's board of directors is recommending and seeking shareholder approval of several amendments to its 2000 Non-Employee Director Stock Compensation Plan. The Company is seeking to effectuate the following changes to the Plan:

a) Increase the total number of common stock shares reserved for awards to Non- Employee Directors under the Plan from 800,000 to 1,250,000; b) Extend the time for a Non-Employee Director to exercise stock options subsequent to termination from 90 days to 24 months for awards issued subsequent to December 31, 2007; c) Extend the termination date of the Plan from December 31, 2009 to December 31, 2015; d) Allow for Restricted Stock Grants to Non-Employee Directors in addition to stock options; e) Change the number of options that can be awarded under the plan to each Non-Employee Director from a fixed number to a discretionary number determined at any given time by the Company's Board of Directors or designated compensation committee, subject to the terms, conditions and limitations set forth in the Plan.

The purpose of the 2000 Directors' Plan as amended is to enable to Company through the grant of non-qualified stock options and restricted stock grants to non-employee ("outside") directors of the Company to attract and retain highly-qualified outside Directors and, by providing them with such a stock-based incentive, to motivate them to promote the best interests of the Company and its shareholders. For the purposes of the Plan, outside Directors are Directors who, at the time of granting of options under the Plan, are not and for the prior twelve months have not been employees of the Company or any of its subsidiaries.

All grants will provide for an exercise price equal to 100% of the fair market value of a Share at the date of the grant. Options will become exercisable approximately one year after date of grant and will expire ten years after date of grant, subject to earlier exercise and termination in certain circumstances. If an outside Director ceases to be a Director due to death, any of his outstanding options that have not yet become exercisable will accelerate, and all of his outstanding Options will remain exercisable for various specified periods of time up to a maximum of approximately one year. If an outside Director ceases to be a Director due to disability, all of his or her outstanding options not fully vested will immediately terminate, and those that are fully vested will remain exercisable for various specified periods of time up to a maximum of approximately one year. If an outside Director ceases to be a Director

for any other reason, all of his or her outstanding options not fully vested will immediately terminate.

The Company believes the proposed changes to the Plan will make the Plan more competitive with regards to attracting qualified independent and outside directors.

The closing sale price of a share of the Company's common stock was \$.44 on April 18, 2007.

The Plan as amended is attached hereto as an exhibit.

4. AMENDMENT TO 1999 EMPLOYEE STOCK COMPENSATION PLAN:

The Company's board of directors is recommending and seeking shareholder approval of an amendment to its 1999 Stock Compensation Plan related to employee stock options and grants. The Company is seeking to effectuate the following amendments to the Plan:

13

a) Extend the time for an employee to exercise stock options subsequent to termination of employment from 90 days to 24 months for awards issued subsequent to December 31, 2007; and b) to Extend the Termination Date of the Plan from December 31, 2008 to December 31, 2015.

The purpose of the Plan is to promote the interest of the Company and its shareholders by providing employees of the Company with an opportunity to receive a proprietary interest in the Company and thereby develop a stronger incentive to contribute to the Company's continued success and growth. The Plan is administered by a Committee of the Board of Directors. Awards pursuant to the 1999 Plan may be in the form of either a restricted stock grant, which means that stock issued will vest over a three year vesting period, or stock options.

Options granted under the Plan may be either "incentive" stock options within the meaning of Section 422 of the Internal Revenue Code ("IRC") or "nonqualified" stock options that do not qualify for special tax treatment under the IRC. No incentive stock option may be granted with a per share exercise price less than the fair market value of a share of the Company's common stock on the date the option is granted; in the case of any shareholder owning 10 percent or more of the common stock to whom an incentive stock option has been granted under the Plan, the exercise price thereof is required to be not less than 110 percent of the fair market value of the common stock on the date the option is granted. Options are not transferable. An optionee, or his or her personal representative, may exercise his or her option for a period of ninety (90) days following termination of employment, disability or death. The term of each option, which is fixed by the Committee, may not exceed 10 years from the date the option is granted, or 5 years in the case of incentive stock options granted to shareholder owning 10 percent or more of the common stock to whom options have been granted. Options may be made exercisable in whole or in installments as determined by the Committee or Board. The Committee or Board may cancel an option of an employee who has been terminated for cause or takes employment with a competitor.

The closing sale price of a share of the Company's common stock was \$.44 on April 18, 2007.

The Company believes the proposed changes to the Plan will make the Plan more competitive with regards to attracting and retaining qualified employees.

The Plan as amended is attached hereto as an exhibit.

Fully vested options may be exercised by the former Non-Employee Director, at any time prior to the earlier of:

(i) The expiration date specified in such Options; or

(ii) Ninety Days after the date of such termination of service as a director if said termination occurs prior to December 31, 2007 and Twenty-Four Months after the date of such termination of service as a director if said termination occurs subsequent to December 31, 2007.

7.06 Disability of Non-Employee Director: If a Non-Employee Director shall become disabled (within the meaning of section 22 (e) (3) of the Code) during the period in which he or she is a director of the Company and, prior to the expiration date fixed for his or her Options, his or her service as a director with the Company is terminated as a consequence of such disability, all such Non-Employee Director's outstanding options not fully vested shall immediately terminate. Fully vested options may be exercised by the former Non-Employee Director, at any time prior to the earlier of:

(i) The expiration date specified in such Options; or

(ii) One (1) year after the date of the Non-Employee Director's death.

In the event of a Non-Employee Director's legal disability, such Options may be so exercised by the Non-Employee Director's legal representative.

7.07 Death of Non-Employee Director: If a Non-Employee Director ceases to be a director of the Company by reason of his or her death prior to the expiration date fixed for his or her Options, all of such Non-Employee Director's outstanding Options immediately shall become fully exercisable, and such Options may be exercised at any time prior to the earlier of:

(i) The expiration date specified in such Option; or

(ii) One (1) year after the date of the Non-Employee Director's death.

If a Non-Employee Director who ceases to be a director for reasons described in Sections 7.06 and 7.07 hereof shall die following his or her ceasing to be a director but prior to the earlier of the expiration date fixed for his or her Options, or the expiration of the period determined under Sections 7.06 and 7.07 hereof, as the case may be, such Options may be exercised, to the extent of the number of shares with respect to which the Non-Employee Director could have exercised it on the date of his or her death, at any time prior to the earlier of:

(i) The expiration date specified in such Option; or

(ii) One (1) year after the date of the Non-Employee Director's death.

In the event of a Non-Employee Director's death, such Options may be so exercised by the Non-Employee Director's estate, personal representative or beneficiary who acquired the right to exercise such Option by bequest or inheritance or by reason of the death of the Non-Employee Director.

7.08 Non-Transferability: Except as otherwise provided in any Option Agreement (as defined in Section 8 hereof), no Option shall be assignable or transferable by the Non-Employee Director otherwise than by will or by the laws of descent and distribution, and during the lifetime of the Non-Employee Director, the Option shall be exercisable only by him or by his or her guardian or legal representative. If the Non-Employee Director is married at the time of exercise and if the Non-Employee Director so requests at the time of exercise, the share certificate or certificates shall be registered in the name of the Non-Employee Director's spouse, jointly, with right of survivorship.

7.09 Rights as a Shareholder: An Participant under the Plan shall have no rights as a shareholder with respect to any shares covered by his or her Option until the issuance of a stock certificate to him or her for such shares.

7.10 Listing and Registration of Shares: Each Option shall be subject to the requirement that, if at any time the Board shall determine, in its discretion, that the listing, registration or qualification of the shares covered thereby upon any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with the granting of such Option or the purchase of shares thereunder, or that action by the Company or by a Non-Employee Director should be taken in order to obtain an exemption from any such requirement, no such Option may be granted or be exercised, in whole or in part, unless and until such listing, registration, qualification, consent, approval, or action shall have been effected, obtained, or taken under conditions acceptable to the Board. Without limiting the generality of the foregoing, each Non-Employee Director or his or her legal representative or beneficiary may also be required to give satisfactory assurance that shares purchased upon exercise of an Option are being purchased for investment and not with a view to distribution, and certificates representing such shares may be legended accordingly.

8. RESTRICTED STOCK

The Board has the authority to grant Awards of Restricted Stock to Participants in any amount and at any time prior to the Plan's expiration with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Board shall determine.

8.01 Restrictions. Shares of Restricted Stock shall be subject to such restrictions as the Board may impose, including and without limitation, any limitation on the right to vote a share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto, which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Board may deem appropriate.

c. Forfeiture. Except as otherwise determined by the Board, upon termination of service during the applicable restriction period, all shares of Restricted Stock at such time subject to restrictions shall be forfeited and reacquired by the Company. However, the Board may, when it determines a waiver of the restrictions may be in the best interest of the Company, waive in whole or in part any or all of the remaining restrictions with Respect to Restricted Stock, at the sole discretion of the Board.

9. AWARD AGREEMENTS - OTHER PROVISIONS

Awards granted under the Plan shall be evidenced by written documents ("Award Agreements") in such form as the Board shall from time to time, approve which Award Agreements shall contain such provisions of the Plan as the Board shall deem advisable. In the event of a corporate transaction (as that term is described in section424(a) of the Code and the Treasury Regulations issued thereunder as, for example, a merger, consolidation, acquisition of property or stock, separation, reorganization, or liquidation) and provision is not made for the continuance and assumption of Options under the Plan to be delivered in connection with the transaction, the Board shall, by written notice to the holders of Options, provide that all unexercised Options will terminate immediately prior to the consummation of such merger, consolidation, acquisition, reorganization, liquidation, sale or transfer unless exercised by the holder within a specified number of days (which shall not be less than fourteen (14) days) following the date of such notice. On the date of such notice all such unexercised Options automatically shall become fully exercisable.

11. AMMENDMENT, SUSPENSION AND DISCONTINUANCE OF THE PLAN

The Board, from time to time, may suspend or discontinue the Plan or amend the Plan or any Option outstanding under it in any respect whatsoever, provided, however, that:

(a) without shareholder approval:

(i) the number of shares available under the Plan shall not be increased, except pursuant to Section 9 hereof,

(ii) the duration of the Plan shall not be extended and

(iii) the Option Price of an Option shall not be reduced, whether through amendment, cancellation, replacement grants or other similar means;

(b) no amendment to the Plan shall become effective without shareholder approval if such shareholder approval is required by applicable law, rule or regulation; and

(c) no amendment shall materially impair the rights of any holder of an outstanding Option without the consent of such holder.

The obligations of the Company under the Plan shall be conditioned on such payment, and the Company shall have the right to withhold the issuance of shares to the Participant and, to the extent permitted by law, shall have the right to deduct any such taxes from any payment of any kind otherwise due to the Non-Employee Director.

12.04 Indemnification and Hold Harmless: Each person who is or shall have been a member of the Board shall be indemnified and held harmless by the Company, to the fullest extent permissible by Minnesota Law, against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit, or proceeding to which such person may be made a party or in which such person may be involved by reason of any action from any and all amounts paid by such person in settlement thereof, with the Company's approval, or paid by such person in satisfaction of any judgment in any such action, suit, or proceeding against such person, provided such person shall give the Company an opportunity, at the Company's expense, to handle and defend the same before such person undertakes to handle and defend it on such person's own behalf. The foregoing right of indemnification shall not be exclusive and shall be independent of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or By-laws, by contract, as a matter of law, or otherwise.

12.05 Governing Law: The Plan and all awards made and actions taken thereunder shall be governed by and construed in accordance with laws of the State of Minnesota.

4. SHARES SUBJECT TO THE PLAN

4.1 Number. The total number of shares of Stock reserved for Awards under the Plan is 4,300,000. This included the 700,000 authorized under the Company’s 1997 Stock Option Plan. Such shares may consist, in whole or in part, of authorized but unissued Stock or treasury Stock, as determined by the Board. If any Award granted under the Plan lapses or terminates for any reason before being completely exercised or vested, the shares covered by the un-exercised or un-vested portion of such Award may again be made subject to Awards under the Plan.

4.2 Change in Capitalization. In the event of any change in the outstanding shares of Stock of the Company by reason of any stock dividend, split, recapitalization, merger, consolidation, combination, exchange of shares or other similar corporate change, the aggregate number of shares which may be subject to Awards under the Plan and the terms of any outstanding Award may be appropriately adjusted by the Board at its sole discretion. Notwithstanding the preceding sentence, in no event shall any fraction of a Share of stock be issued upon exercise of an Option and no fractional share of Restricted Stock may be issued.

5. ELIGIBLE EMPLOYEES

Awards may be granted by the Board to any employee or agent of the Company, including any such employee who is also an officer of the Company.

6. AWARDS

6.1 Generally. Subject to the terms, conditions, and limitation set forth in this Plan, the Company, by action of the Board, may from time to time grant Awards to those eligible employees as may be selected by the Board, in such amounts and on such other terms as the Board in its sole discretion shall determine. The date on which the Board approves the granting of Awards shall be the date on which such Award is granted.

6.2 Options. The Board has the authority to grant Awards of Options to Participants with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Board shall determine:

(a) **Exercise Price.** The purchase price for a share of Stock subject to an Option granted hereunder shall be no less than 100% of the Fair Market Value of the Stock. No withstanding the foregoing, in the case of an Incentive Stock Option granted to any participant then owning more than 10% of the voting power of all classes of the Company's stock, the purchase price per share of the Stock subject to such Option shall not be less than 110% of the Fair Market Value of the Stock on the date of grant of the Incentive Stock Option, determined as provided above.

(b) Option Term. An Incentive Stock Option Award shall be exercisable for a period of 10 years from the date of the grant thereof and NQSO Awards shall be exercisable for a period of 10 years and 1 day from the date of the grant thereof.

(c) Time and Method of Exercise. An Option may be exercised, in whole or in part, and shall be exercised by the Participant delivering a written notice of exercise to the Board and paying to the Company the full purchase price of the shares acquired upon exercisable until the Plan is approved by the Shareholders of the Company, and as provided in Section 14 hereof.

The full purchase price of each share of Stock purchased upon the exercise of an Option shall be paid:

(i) in United States dollars in cash or by check, bank draft or money order payable to the order of the Company; or

(ii) at the discretion of the Board, through the delivery of shares of Stock, having initially or as a result of successive exchanges of shares, an aggregate fair market value (as determined in the manner provided under this Plan) equal to the Option price;

(iii) by a combination of both (a) and (b) above;

provided, however, that the benefit received by a Participant upon exercise of an Option for which payment has been made in whole or in part by delivery of shares of Stock shall not exceed the spread inherent in such Option. For purposes of this Paragraph 7, the "spread inherent" in such Option shall equal the difference between the aggregate exercise price of the Option and the fair market value of the shares of Stock acquired upon the exercise of such Option.

The Board shall determine acceptable methods for tendering Stock as payment upon exercise of an Option and may impose such additional limitations and prohibitions on the use of stock as payment upon the exercise of an Option as it deems appropriate.

(d) Limits. The aggregate fair market value (determined as of the date of the Option grant) of all Incentive Stock Options granted under the Plan to any Optionee in any calendar year shall not exceed \$100,000, except to the extent of any unused carryover amount as permitted under Section 42A(b)(8) and Section 422A(c) (4) of the Code.

In addition to any other limitations or conditions that may be established by the Board with respect to an Incentive Stock Option granted under the Plan, no Incentive Stock Option granted pursuant to the Plan to any employee then owning more than 10% of the voting power of all classes of the Company's stock may be exercised by its terms after the expiration of five years from the date of the grant thereof. Until certificates for the shares acquired upon the exercise of an Option are issued to a Participant, such Participant shall not have any rights of a shareholder.

6.3 Restricted Stock The Board has the authority to grant Awards of Restricted Stock to Participants with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Board shall determine.

(a) Restrictions. Shares of Restricted Stock shall be subject to such restrictions as the Board may impose, including and without limitation, any limitation on the right to vote share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto, which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Board may deem appropriate.

(b) Stock Certificates. Any Restricted Stock granted under the Plan shall be evidenced by issuance of a stock certificate or certificates, which certificate or certificates shall be held by the Company. Such certificate or certificates shall be registered in the name of the Participant and shall bear and appropriate legend referring to the terms,

conditions, and restrictions applicable to such Restricted Stock.

(c) Forfeiture. Except as otherwise determined by the Board upon termination of employment during the applicable restriction period, all shares of Restricted Stock at such time subject to restrictions shall be forfeited and reacquired by the Company. However, the Board may, when it determines a waiver of the restrictions may be in the best interest of the Company, waive in whole or in part any or all of the remaining restrictions with respect to Restricted Stock, at the sole discretion of the Board.

(d) Delivery of Shares. Any share representing Restricted Stock that is no longer subject to restrictions shall be delivered to the holder promptly after the applicable restrictions lapse or are waived.

7. AWARD AGREEMENTS

Upon the grant of an Award under the Plan, the Participant⁶ shall enter into an agreement with the Company setting forth the terms and conditions under which the Award is so granted pursuant to the Plan and containing such other terms with respect to the Award as the Board in its sole discretion may determine.

8. INVESTMENT PURPOSES

Unless a registration statement under the Securities Act of 1933 is in effect with respect to Stock to be purchased or Awards to be granted under the Plan, the Company shall require that a Participant agree with and represent to the Company in writing that he or she is acquiring such shares of Stock for the purpose of investment and with no present intention to transfer, sell or otherwise dispose of such shares of stock other than by transfers which may occur by will or the laws of descent and distribution. No shares of Stock may be transferred unless, in the opinion of counsel to Company, such transfer shall at such time be in compliance with applicable securities laws. In addition, unless a registration statement under the Securities Act of 1933 is in effect with respect to the Stock to be purchased under the Plan, each certificate representing any shares of Stock issued to a Participant hereunder shall have the endorsed thereon legends in substantially the following form:

“THE SHARES REPRESENTED BY THIS CERTIFICATE WERE ISSUED WITHOUT REGISTRATION UNDER THE SECURITIES ACT OF 1933 AS AMENDED (THE “ACT) AND WITHOUT REGISTRATION UNDER ANY APPLICABLE STATE SECURITIES LAWS, IN RELIANCE UPON EXEMPTION(S) CONTAINED THEREIN. NO TRANSFER OF THESE SHARES OR ANY INTEREST THEREIN MAY BE MADE EXCEPT PURSUANT TO EFFECTIVE REGISTRATION STATEMENTS UNDER SAID LAWS UNLESS THE CORPORATION HAS RECEIVED AN OPINION OF COUNSEL SATISFACTORY TO IT THAT SUCH TRANSFER OR DISPOSITION DOES NOT REQUIRE REGISTRATION UNDER SAID LAWS AND, FOR ANY SALES UNDER RULE 144 OR THE ACT, SUCH EVIDENCE AS IT SHALL REQUEST FOR COMPLIANCE WITH THAT RULE, OR APPLICABLE STATE SECURITIES LAWS”

9. TRANSFERABILITY OF AWARDS

No Award granted under the Plan shall be transferable by a Participant (whether by sale, assignment, hypothecation or otherwise) other than by will or the laws of descent and distribution. Any Option granted under the Plan shall be exercisable during the Participant’s lifetime only by the Participant.

10. TERMINATION OF EMPLOYMENT

10.1 Generally. Except as otherwise provided in this Section 10, if the employment of a Participant with the Company should be terminated (hereinafter “Termination of Employment”), other than by death or Disability(as hereinafter defined) the Participant may, but only within ninety (90) days after the date of the Participant’s Termination of Employment, exercise an Option granted under the Plan, but only to the extent the Participant was entitled to exercise the Option at the Date of Termination of Employment and only if the term of the Option has not expired. The exercise of an Option under this Section shall deemed to have occurred one (1) day prior to the date of Termination of Employment. All shares of Restricted Stock granted to a Participant in which any restrictions have not lapsed at the Date of Termination shall be forfeited. For options awarded subsequent to December 31, 2007, Participants may, but only within 24 months after the date of the Participant’s Termination of Employment, exercise an Option granted under the Plan, but only to the extent the Participant was entitled to exercise the Option at the Date of Termination of Employment and only if the term of the Option has not expired.

10.2 Death or Disability of Participant. In the event of the death or Disability of a Participant prior to the expiration of an Option held by him or her:

10.2.1 If the Participant is at the time of his or her death or Disability employed by the Company and had been in continuous employment (as determined by the Board in its sole discretion) since the date of the Grant of the Option, then the Option may be exercised: (i) in the case of Disability, by the Participant within ninety (90) days following the date of such Disability. But only to the extent the Participant was entitled to exercise such Option at the time of his or her Disability; or (ii) in the case of death, by the Participant’s estate, or by a person who acquired the right to exercise the Option by will of the laws of descent or distribution within ninety (90) days from the date of the Participant’s

death, but only to the extent the Participant was entitled to exercise the Option at the time of death. For the purpose of this Section, the term “Disability” shall have meaning given to it in Section 105(d) (4) of the Code. The Disability of a Participant within the meaning of Section 105(d) (4) shall be determined by the Board, in its sole discretion.

10.2.2 If the Participant dies within ninety (90) days after the Termination of Employment, the option may be exercised at any time within six months following the date of death, by the Participant’s estate or by a person who acquired the right to exercise the Option by will or the laws of descent or distribution but only to the extent the Participant was entitled to exercise the Option at the time of Termination of Employment.

10.3 Cancellation of Awards. If the employment of a Participant is terminated by the Company for cause, or if a Participant enters into competition with or becomes employed by a competitor of the Company, or if the Participant otherwise conducts himself or herself in a manner which the Board determines detrimental to the Company, then the Board shall have the right to cancel any Option granted or other Award not fully vested under the Plan.

10.4 Agreement Not To Induce. If a Participant enters into competition with or becomes employed by a competitor of the Company, the Participant agrees not to induce or attempt to induce, either directly or indirectly, any present Company employee to discontinue such employee’s employment with the Company. The Participant further agrees not to induce or attempt to induce, either directly or indirectly, any present Company customer to discontinue the purchase of product or service from the Company.

10.5 Compromise of Proprietary Information. The Board, without approval by the Shareholders of the Company, reserves the right at any time to enact terms and conditions to the Award covenants which would protect proprietary company information and prohibit Participants from obtaining employment with competing or conflicting organizations.

11. AMENDMENT AND TERMINATION PLAN

11.1 The Board, without approval by the shareholders of the Company, may at any time, and from time to time, suspend or terminate the Plan in whole or in part or amend it from time to time in such respects as may be in the Best interests of the Company, provided, however, that no such amendment shall be made without approval of the shareholders which would: a) materially modify the eligibility requirements for Awards; (b) increase the total number of shares of Stock which may be issued pursuant to Awards, except in accordance with Section 4.2 of the Plan; (c) reduce the minimum option price per share; (4) extend the period of granting awards; or (e) materially increase in any other way the benefits accruing to Participants.

11.2 No amendment, suspension or termination of this Plan shall, without the Participant's consent, alter or impair any of the rights or obligations under any Award theretofore granted to him or her under the Plan.

11.3 The Board may amend the Plan, subject to the limitation cited above, in such manner as it deems necessary to permit the granting of Awards meeting the requirements of future amendments of regulations under the Code.

12. MISCELLANEOUS PROVISIONS

12.1 Right to Continued Employment: No person shall have any claim or right to be granted and Award under the Plan, and the grant of and Award under the Plan shall not be construed as giving the Participant the right to continued employment with the Company. The Company further expressly reserves the right at any time to dismiss a Participant with or without cause, free from any liability, or claim under the Plan, except as provided herein or in any Award agreement.

12.2 Withholding Taxes. The Company shall have the right to require a payment from a Participant to cover applicable withholding for income and employment taxes in the event of the exercise of a Non-Qualified Stock Option. Upon the exercise of a NQSO requiring tax withholding, a Participant may make a written election to have shares of Stock withheld by the Company from the shares otherwise to be received. The number of shares so withheld shall have an aggregate fair market value on the date of the exercise sufficient to satisfy the applicable withholding taxes. The acceptance of any such election by a Participant shall be at the sole discretion of the Board.

12.3 Governing Law. The Plan shall be administered in the State of Minnesota, and the validity, construction, interpretation, and administration and all rights relating to the Plan shall be determined solely in accordance with the laws of such state.

13 SHAREHOLDER APPROVAL AND EFFECTIVE DATES

The effective date of the Plan shall be December 31, 1998. No award may be granted after December 31, 2015, provided, however, that the Plan and all outstanding Awards shall remain in effect until such awards have expired or are canceled. If the shareholders of the Company shall not so approve the Plan, the Plan and all Awards hereunder shall not be effective, and any an all actions taken by the Board prior thereto shall be null and void or shall, if necessary, be deemed to have been fully rescinded.
