**PROXY STATEMENT**  
**2007 ANNUAL MEETING OF STOCKHOLDERS**

**GENERAL INFORMATION ABOUT THE ANNUAL MEETING**

**Why Did You Send Me this Proxy Statement?**

We sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the 2007 annual meeting of stockholders and any adjournments of the meeting to be held at 10:00 a.m. on Tuesday, June 19, 2007 at 9841 Broken Land Parkway, Columbia, Maryland. This proxy statement along with the accompanying Notice of Annual Meeting of Stockholders summarizes the purposes of the meeting and the information you need to know to vote at the annual meeting.

On [DATE] we began sending this proxy statement, the attached notice of annual meeting and the enclosed proxy card to all stockholders entitled to vote at the meeting. Although not part of this proxy statement, we are also sending along with this proxy statement, our 2006 annual report, which includes our financial statements for the fiscal year ended December 31, 2006. You can also find a copy of our 2006 Annual Report on Form 10-K on the Internet through the SEC's electronic data system called EDGAR at [www.sec.gov](http://www.sec.gov) or through the Investor Relations section of our website at [www.thefigi.com](http://www.thefigi.com).

**Who Can Vote?**

Only stockholders who owned our common stock at the close of business on May 9, 2007 are entitled to vote at the annual meeting. On this record date, there were [ \_\_\_\_\_ ] shares of our common stock outstanding and entitled to vote. Our common stock is our only class of voting stock.

You do not need to attend the annual meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. A stockholder may revoke a proxy before the proxy is voted by providing a signed statement of revocation to us at 9841 Broken Land Parkway, Columbia, Maryland 21046, Attention: Thomas P. Rosato, Chief Executive Officer. The proxy may also be revoked by submitting to us prior to the annual meeting a more recently dated proxy or by attending the annual meeting and voting in person.

**How Many Votes Do I Have?**

Each share of our common stock that you own entitles you to one vote.

**How Do I Vote?**

Whether you plan to attend the annual meeting or not, we urge you to vote by proxy. Voting by proxy will not affect your right to attend the annual meeting. If your shares are registered directly in your name through our stock transfer agent, Continental Stock Transfer & Trust Company, 17 Battery Place, New York, NY 10004, or you have stock certificates, you may vote:

**By mail.** Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.

**In person at the meeting.** If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

If your shares are held in “street name” (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

**By mail.** You will receive instructions from your broker or other nominee explaining how to vote your shares.

**In person at the meeting.** Contact the broker or other nominee who holds your shares to obtain a broker’s proxy card and bring it with you to the meeting. You will not be able to vote at the meeting unless you have a proxy card from your broker.

### **How Does the Board of Directors Recommend That I Vote on the Proposals?**

The board of directors recommends that you vote as follows:

- “**FOR**” the election of the nominees for director;
- “**FOR**” the amendment to our Certificate of Incorporation;
- “**FOR**” ratification of the selection of independent auditors for our fiscal year ending December 31, 2007.

If any other matter is presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

### **May I Revoke My Proxy?**

If you give us your proxy, you may revoke it at any time before the meeting. You may revoke your proxy in any one of the following ways:

- signing a new proxy card and submitting it, as instructed above;
- notifying us at 9841 Broken Land Parkway, Columbia, Maryland 21046, Attention: Thomas P. Rosato, Chief Executive Officer, in writing before the annual meeting that you have revoked your proxy; or
- attending the meeting in person and voting in person. Attending the meeting in person will not in and of itself revoke a previously submitted proxy, unless you specifically request it.

### **What if I Receive More Than One Proxy Card?**

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under “How Do I Vote?” for each account to ensure that all of your shares are voted.

### **Will My Shares be Voted if I Do Not Return My Proxy Card?**

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the meeting as described above under “How Do I Vote?”

If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under “How Do I Vote?,” the bank, broker or other nominee has the authority to vote your unvoted shares on both Proposals 1 and 3, even if it does not receive instructions from you. We encourage you to provide voting instructions. This ensures your shares will be voted at the meeting in the manner you desire. If your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a “broker non-vote”.

### **What Vote is Required to Approve Each Proposal and How are Votes Counted?**

#### **Proposal 1: Elect Directors**

The nominees for director who receive the most votes (also known as a “plurality” of the votes) will be elected. Abstentions are not counted for purposes of electing directors. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote for the election of directors. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name for the election of directors. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote.

#### **Proposal 2: Approve Amendment to our Certificate of Incorporation**

The affirmative vote of a majority of the company’s of the company’s outstanding common stock is required to approve the amendment to our Certificate of Incorporation to increase the number of the authorized shares of common stock by an additional 50,000,000 shares of common stock, to an aggregate of 100,000,000 shares of common stock. Abstentions and broker non-votes will be treated as votes against this proposal.

#### **Proposal 3: Ratify Selection of Auditors**

The affirmative vote of a majority of the votes present or represented by proxy and entitled to vote at the annual meeting is required to ratify the selection of independent auditors. Abstentions will be treated as votes against this proposal. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent accountants. However, if our

stockholders do not ratify the selection of Grant Thornton LLP as our independent accountants for 2007, our Audit Committee of our Board of Directors will reconsider its selection.

**Is Voting Confidential?**

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspectors of Election, Continental Stock Transfer & Trust Company, examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make, on the proxy card or elsewhere.

### **Do I have any appraisal or dissenters rights?**

No appraisal or dissenters rights are available under the Delaware General Corporation Law in connection with the acquisition.

### **What Are the Costs of Soliciting these Proxies?**

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

### **What Constitutes a Quorum for the Meeting?**

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

### **Attending the Annual Meeting**

The annual meeting will be held at 10:00 a.m. on Tuesday, June 19, 2007 at our corporate offices at 9841 Broken Land Parkway, Columbia, Maryland. When you arrive at our offices, signs will direct you to the appropriate meeting rooms. You need not attend the annual meeting in order to vote.

### **Householding of Annual Disclosure Documents**

In December 2000, the Securities and Exchange Commission adopted a rule concerning the delivery of annual disclosure documents. The rule allows us, or your broker, to send a single set of our annual report and proxy statement to any household at which two or more of our shareholders reside, if we or your broker believe that the shareholders are members of the same family. This practice, referred to as "householding," benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be "household," the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each shareholder will continue to receive a separate proxy card or voting instruction card.

If your household received a single set of disclosure documents this year, but you would prefer to receive your own copy, please contact our transfer agent, Continental Stock Transfer & Trust Company by calling 212.509.4000 ext. 206, or by e-mail at [cstmail@continentalstock.com](mailto:cstmail@continentalstock.com).

If you do not wish to participate in "householding" and would like to receive your own set of the annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another shareholder and together both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

- If your shares are registered in your own name, please contact our transfer agent, Continental Stock Transfer & Trust Company, and inform them of your request by calling them at 212.509.4000 ext. 206, by e-mail at [cstmail@continentalstock.com](mailto:cstmail@continentalstock.com). or writing them at 17 Battery Place, New York, NY 10004.

· If a broker or other nominee holds your shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Our Certificate of Incorporation and By-laws provide that our business is to be managed by or under the direction of our board of directors. Our board of directors is divided into three classes for purposes of election. One class is elected at each annual meeting of stockholders to serve for a three-year term. Our board of directors currently consists of nine members, classified into three classes as follows:

In anticipation of being listed on The Nasdaq Stock Market, we adhere to the rules of The Nasdaq Stock Market in determining whether a director is independent. Our board of directors will consult with counsel to ensure that the board of directors determination of independence of each director and nominee for election as a director is consistent with those rules and all relevant securities laws and regulations regarding the independence of directors. Based on these standards, the board of directors determined that each of the following non-employee directors is an “independent director” as defined by the Nasdaq Stock Market, LLC and has no relationship with us, except as a director and/or stockholder: David J. Mitchell, Donald L. Nickles, Asa Hutchinson, John Morton, III and William L. Jews.

### **Committees of the Board of Directors and Meetings**

Our Board has an Audit Committee and a Compensation Committee. The board of directors has adopted a charter for each of these committees.

#### ***Audit Committee***

Our Audit Committee currently has four members, John Morton, III (Chairman), David J. Mitchell, Asa Hutchinson and William L. Jews. Our Audit Committee’s role and responsibilities are set forth in a written charter and include the authority to retain and terminate the services of our independent accountants, review annual financial statements, consider matters relating to accounting policy and internal controls and review the scope of annual audits.

All members of the Audit Committee satisfy the current independence standards promulgated by the Securities and Exchange Commission and the Nasdaq Stock Market, as such standards apply specifically to members of audit committees. The Board has determined that Mr. Morton is an “audit committee financial expert,” as the Securities and Exchange Commission has defined that term in Item 407 of Regulation S-K.

A copy of the Audit Committee written charter is publicly available on our website at [www.thefigi.com](http://www.thefigi.com).

During the fiscal year ended December 31, 2006, all of our directors attended at least 75% of the meetings of the board of directors and committees on which they served.

## **Nominations for Directors**

The board of directors considers recommendations of potential candidates from current directors, management and stockholders. ## COMPENSATION DISCUSSION AND ANALYSIS

### *Overview*

Since our formation on December 20, 2004 until the consummation of our merger with TSS/Vortech on January 19, 2007, our operations were limited to organizational activities and, after our initial public offering, to activities relating to completing a business combination. No person serving as an executive officer, director or initial stockholder, nor any affiliate thereof, during any part of 2006 received any cash or equity compensation for services rendered to us in 2006. In addition, no compensation of any kind, including finder's and consulting fees, was paid to any person who was an officer, director, initial stockholder or special advisor, or any of their respective affiliates, prior to the merger for services rendered prior to or in connection with the merger. However, our officers, directors and special advisors were reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf, such as participating in the offering process with respect to our initial public offering, identifying potential target businesses, performing due diligence on suitable business combinations and negotiating on our behalf with respect to business combinations.

On January 19, 2007, we consummated the acquisition of TSS/Vortech. In connection with the completion of the acquisition, the Compensation Committee is developing a comprehensive executive compensation program and philosophy with respect to our executive officers. The Compensation Committee has not selected or hired a compensation consulting firm to assist in the development of a comprehensive executive compensation program and philosophy, but may consider doing so in the future.

The Compensation Committee of our board of directors makes all decisions regarding the compensation of our executive officers, which decisions are subject to ratification by our board of directors. On March 7, 2007, we established a Compensation Committee consisting of Donald Nickles and Asa Hutchinson, and on April 24, 2007, John Morton, III was appointed to the Committee. Our board has determined that each of these directors is an "independent director" within the meaning of the rules of the Nasdaq Stock Market and Rule 10A-3 promulgated under the Securities and Exchange Act of 1934, as amended. The Compensation Committee has the responsibility to:

- review, modify and approve our overall compensation strategy;
- recommend to the board of directors the compensation and terms of employment of our executive officers, including Thomas P. Rosato, our Chief Executive Officer, and to evaluate their respective performance in light of relevant goals and objectives;
- review and recommend to our board the type and amount of compensation to be paid or awarded to the members of our board;
- recommend to our board the adoption, amendment and termination of any bonus, equity and other deferred compensation plans, including the 2006 Omnibus Incentive Compensation Plan;
- determine appropriate insurance coverage for our executive officers and directors; and
- review, discuss and assess its own performance at least annually.

Our board of directors approved the adoption of the 2006 Omnibus Incentive Compensation Plan and the stockholders approved the Plan at the special meeting of our stockholders on January 17, 2007. In connection with the approval of the acquisition of TSS/Vortech, our board of directors also approved the employment agreements of Thomas P. Rosato, our Chief Executive Officer, Gerard J. Gallagher, our President and Chief Operating Officer, and Harvey L. Weiss, our Chairman. In connection with such employment agreements, our board approved the following annual base

salaries for our executive officers for 2007: \$425,000 for Mr. Rosato, \$425,000 for Mr. Gallagher and \$200,000 for Mr. Weiss.

**General Compensation Philosophy**

We recognize the importance of maintaining sound principles for the development and administration of our compensation and benefits programs. The overall compensation philosophy of our company is primarily driven by our business environment and our desire to align the interest of the employees with the interests of our company. It is also based on the principles of competitive and fair compensation, as well as our goal to attract, retain and motivate qualified employees.

The compensation and benefit plans are designed to enable us to meet our corporate goals and performance. The objectives of our compensation structure are to:

- enable the company to attract, engage and retain key executives and employees critical to future success;
- motivate and inspire employee behavior which fosters a high performance culture; and
- support the overall business objectives and ensure that a significant component of the compensation opportunity will be related to factors that both directly and indirectly influence shareholder value.

We measure the success of our compensation plans on overall business performance and our ability to attract and retain key talent which, in turn, will minimize risk and optimize return for our shareholders.

To this end, the Compensation Committee affirms that the total compensation plan should consist of:

- *Annual salary.* Designed to reward the core competence in the executive role relative to the skills, experience and contribution to our company.
- *Annual cash incentive/bonus awards.* Designed to reward the executive for specific contributions to our company aligned to both corporate and individual objectives.
- *Long-term equity compensation.* Designed to align the executives' interests with those of the shareholders.
- Certain other benefits, including retirement and welfare plans.

The use of the above components of our overall compensation plan enables us to reinforce our pay for performance philosophy and strengthen our ability to attract and retain high caliber and experienced executives. We believe that our combination of programs provides an appropriate mix of fixed and variable pay, balances short-term operational performance with longer-term shareholder value and facilitates effective executive recruitment and retention.

We will seek to target both short and long-term compensation levels competitively among a peer group of similar companies based on available survey data. The companies that will comprise our peer group to benchmark executive compensation levels against companies that have executive positions with responsibilities similar in breadth and scope to ours and have businesses which compete with us for executive talent.

### ***Compensation Components***

#### ***Base Salary***

The salaries of our executive officers are the only non-variable element of our compensation and are reviewed on an annual basis. The salaries reflect each executive's responsibilities, the importance and impact of the executive's role, and the contribution each executive delivers to us. Salary revisions are based on an evaluation of the individual's performance, as part of the company's Annual Performance Review process and related salary revision matrix, in addition to level of pay compared to homeland security industry peer group company levels. Within this comparison group, we seek to make comparisons to executives who are comparable in terms of (a) level of responsibility and (b) expected level of contribution to our performance. Performance-related increases generally take effect as of January 1 of each year.

#### ***Bonuses***

Our Compensation Committee will be responsible for establishing and implementing pre-established quantitative and qualitative performance standards for executive bonuses as well as guidelines and requirements for the distribution of such bonuses. To the extent that our employment agreements contain qualitative standards for discretionary bonuses, our board intends to take the following steps to ensure direct correlation between executive compensation and performance:

- initiate a practice of periodically reviewing the performance of all senior executives at board meetings; and

- establish annual reviews of compensation reports for the named executive officers.

### *Long-Term Equity Compensation*

We believe that long-term incentive compensation, primarily in the form of restricted stock awards, ensures that our executive officers have an ongoing stake in the long-term success of the company, as well as giving our employees the opportunity to share in any appreciation in the value of our common stock. Under the 2006 Omnibus Incentive Compensation Plan, stock options and stock appreciation rights may be granted, we currently have no plans or intentions of using these as a form of compensation.

The Compensation Committee supports the belief that equity participation aligns employees' interests with those of the shareholders. However, we have not yet instituted stock ownership or retention guidelines for our executives.

### *Other Benefits*

We provide a number of benefits as part of our overall remuneration package to all eligible employees including the named executive officers.

We operate a defined contribution retirement plan — a qualified 401(k) Plan which allows each of our employees to contribute up to the limits imposed by the Internal Revenue Code (US), on a pre-tax basis. We provide for matching payments up to 50% of the first six percent of employee contributions.

We also provide other benefits such as medical, dental, life insurance and short and long-term disability coverage to each named executive officer, as well as to all of our full-time employees. In addition, we provide paid time off and other paid holidays to all employees, including our named executive officers, which are in line with our peers in the industry.

### **Tax Considerations**

The Compensation Committee's compensation strategy is to be cost and tax effective. Therefore, the Compensation Committee's policy is to preserve corporate tax deductions, while maintaining the flexibility to approve compensation arrangements that it deems to be in the best interests of our company and our stockholders, even if such arrangements do not always qualify for full tax deductibility.

### **Employment Agreements**

Descriptions of the employment agreements with Messrs Rosato, Gallagher and Weiss are set forth below. The terms and conditions of Messrs. Rosato and Gallagher's employment agreements were negotiated with the sellers of TSS/Vortech as well as with such executives as part of the negotiation of the overall terms and conditions of the acquisition. We expect that now that the acquisition has been completed, the Compensation Committee will, in connection with the development of a comprehensive executive compensation program and philosophy, recommend to our board the compensation and terms of employment for our other executive officers whereupon we may enter into appropriate employment agreements with them.

### **Change in Control and Severance**

As described below, the employment agreements of Messrs. Rosato, Gallagher and Weiss provide for severance benefits. We have not yet developed any comprehensive severance policies for our executive officers but expect to do so in connection with the development of our comprehensive executive compensation program and philosophy.

**Role of Executive Officers in Executive Compensation**

We expect that our Compensation Committee will approve and make recommendations to our board on the compensation for our executive officers, other than Mr. Rosato, with the advice of Mr. Rosato and/or one or more other executive officers designated by Mr. Rosato. We expect Mr. Rosato and any such other executive officers to play no role in the Compensation Committee's determination of their respective compensation. However, to the extent we enter into employment agreements with our executive officers, such agreements would be subject to negotiation between us and the applicable executive officer.

## EXECUTIVE COMPENSATION

Since our formation on December 20, 2004 until the consummation of our merger with TSS/Vortech on January 19, 2007, our operations were limited to organizational activities and, after our initial public offering, to activities relating to completing a business combination. No person serving as an executive officer, director or initial stockholder, nor any affiliate thereof, during any part of 2006 received any cash or equity compensation for services rendered to us in 2006. In addition, no compensation of any kind, including finder's and consulting fees, was paid to any person who was an officer, director, initial stockholder or special advisor, or any of their respective affiliates, prior to the merger for services rendered prior to or in connection with the merger. However, our officers, directors and special advisors were reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf, such as participating in the offering process with respect to our initial public offering, identifying potential target businesses, performing due diligence on suitable business combinations and negotiating on our behalf with respect to business combinations.

On January 19, 2007, we entered into an employment agreement with Gerard J. Gallagher whereby Mr. Gallagher has agreed to serve as our president and chief operating officer for a period of three years. Under the terms of the employment agreement, Mr. Gallagher's base compensation will be \$425,000 per year (subject to a minimum annual increase of 5% per year), Mr. Gallagher will be eligible to receive an annual bonus of up to 50% of his then applicable base compensation (the amount of the bonus and the criteria for the bonus to be determined by the Board of Directors) with the bonus for 2006 to be prorated for the number of months remaining in 2006 following the effective date of the employment agreement, and Mr. Gallagher will be eligible to receive a share performance bonus on terms identical to those described above under "Employment Agreement with Thomas P. Rosato" set forth above. In addition to base compensation and eligibility for a bonus, (i) we will pay the premiums on the life insurance policies, and (ii) Mr. Gallagher will otherwise be entitled to receive vacation, health insurance and other benefits as generally made available to our other executives. Pursuant to the terms of the employment agreement, if we terminate Mr. Gallagher's employment for reasons other than "Cause" or Mr. Gallagher terminates his employment for "Good Reason" (as those terms are defined in the employment agreement), Mr. Gallagher is entitled to receive his base compensation as and when it would otherwise be payable if his employment had not been terminated (provided, however that if termination occurs during the last twelve months of Mr. Gallagher's employment, then Mr. Gallagher shall be entitled to receive amounts equal to base compensation (as and on the terms otherwise payable) for twelve months from the date of termination).

*Employment Agreement with Harvey L. Weiss*

On January 19, 2007, we entered into an employment agreement with Harvey L. Weiss whereby Mr. Weiss agreed to serve as our chairman for a period of three years. Under the terms of the employment agreement, Mr. Weiss' base compensation is \$200,000 per year (subject to a minimum annual increase of 5% per year) and Mr. Weiss is eligible to receive an annual bonus of up to 50% of his then applicable base compensation (the amount of the bonus and the criteria for the bonus to be determined by the Board of Directors) with the bonus for 2006 to be prorated for the number of months remaining in 2006 following the effective date of the employment agreement. In addition to base compensation and eligibility for a bonus, (i) Mr. Weiss will be entitled to a referral fee equal to 5% of the "Gross Profits" (as defined in the Employment Agreement) attributable to any client or customer (other than the federal government, or any agency or subdivision thereof) identified by Mr. Weiss to us or our subsidiaries, (ii) Mr. Weiss will be entitled to an "office allowance" of \$3,000 per month and (iii) Mr. Weiss will otherwise be entitled to receive vacation, health insurance and other benefits as generally made available to our other executives. Pursuant to the terms of the employment agreement, if we terminates Mr. Weiss' employment for reasons other than "Cause" or Mr. Weiss terminates his employment for "Good Reason" (as those terms are defined in the Employment Agreement), Mr. Weiss is entitled to receive his base compensation as and when it would otherwise be payable if his employment had not been terminated (provided, however that if termination occurs during the last twelve months of Mr. Weiss' employment, then Mr. Weiss shall be entitled to receive amounts equal to base compensation (as and on the terms otherwise

payable) for twelve months from the date of termination).

### **Potential Payments Upon Termination or Change-in-Control**

Pursuant to the terms of the employment agreement, if we terminate Mr. Rosato's employment for reasons other than "Cause" or Mr. Rosato terminates his employment for "Good Reason" (as those terms are defined in the employment agreement), Mr. Rosato is entitled to receive his base compensation as and when it would otherwise be payable if his employment had not been terminated (provided, however that if termination occurs during the last twelve months of Mr. Rosato's employment, then Mr. Rosato shall be entitled to receive amounts equal to base compensation (as and on the terms otherwise payable) for twelve months from the date of termination).

Pursuant to the terms of the employment agreement, if we terminate Mr. Gallagher's employment for reasons other than "Cause" or Mr. Gallagher terminates his employment for "Good Reason" (as those terms are defined in the employment agreement), Mr. Gallagher is entitled to receive his base compensation as and when it would otherwise be payable if his employment had not been terminated (provided, however that if termination occurs during the last twelve months of Mr. Gallagher's employment, then Mr. Gallagher shall be entitled to receive amounts equal to base compensation (as and on the terms otherwise payable) for twelve months from the date of termination).

Pursuant to the terms of the employment agreement, if we terminate Mr. Weiss' employment for reasons other than "Cause" or Mr. Weiss terminates his employment for "Good Reason" (as those terms are defined in the Employment Agreement), Mr. Weiss is entitled to receive his base compensation as and when it would otherwise be payable if his employment had not been terminated (provided, however that if termination occurs during the last twelve months of Mr. Weiss' employment, then Mr. Weiss shall be entitled to receive amounts equal to base compensation (as and on the terms otherwise payable) for twelve months from the date of termination).

### **Compensation Committee Interlocks and Insider Participation**

During the 2006 fiscal year, we did not have a compensation committee. During the 2006 fiscal year, no interlocking relationship existed between our board and the board of directors or the compensation committee of any other company, nor has any such interlocking relationship existed in the past.

### **Non-Employee Director Compensation**

During the 2006 fiscal year, we paid no compensation to our directors. On April 24, 2007, our board of directors, by unanimous vote, adopted a compensation policy for our non-employee directors, based on a recommendation of our compensation committee. The compensation policy provides non-employee directors an annual grant of 10,000 shares of restricted stock under our 2006 Omnibus Incentive Compensation Plan (the "Plan") to be granted on or about May 1 of each calendar year (unless the board determines otherwise), and which vest over a two-year period with one-third of the shares vesting on the grant date, and each one-half of the balance of such shares vesting on the first and second anniversaries of the grant date, respectively. In addition, a new member who joins the board of directors will be entitled to receive a one-time grant of \$100,000 worth of restricted stock under the Plan, based on the closing price on the grant date of our common stock on the OTC Bulletin Board, or such other recognized stock exchange on which our common stock trades. Such shares will vest over a three-year period, with one-third of such shares vesting on each of the first, second and third anniversaries of the grant date. Each non-employee director shall also receive an annual retainer fee of \$20,000 and \$3,000 for each in-person board meeting attended and \$1,000 for each telephonic board meeting attended. In addition, each member of the audit committee (except the chairman) shall receive \$10,000 per year and the chairman of the audit committee shall receive \$30,000 per year. Each member of the compensation committee (except the chairman) shall receive \$5,000 per year and the chairman of the compensation committee shall receive \$15,000 per year. This non-employee director compensation policy became effective on May 1, 2007.

In fulfilling its responsibilities for the financial statements for fiscal year ended December 31, 2006, the Audit Committee took the following actions:

- Discussed with Goldstein Golub Kessler LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T, relating to the conduct of the audit; and

Based on the Audit Committee's review of the audited financial statements and discussions with management and Goldstein Golub Kessler LLP, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2006 for filing with the SEC.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Our executive officers, directors and 10% stockholders are required under Section 16(a) of the Securities Exchange Act of 1934, as amended, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Copies of these reports must also be furnished to us.

Based solely on our review of copies of reports furnished to us, or written representations that no reports were required, we believe that during 2006 our executive officers, directors and 10% stockholders complied with all filing requirements of Section 16(a) in a timely manner.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS***Prior Share Issuances*

On March 9, 2005, we issued 1,750,000 shares of our common stock to the individuals set forth below for \$25,000 in cash, at an average purchase price of approximately \$0.014 per share, as follows:

<b>Name</b>	<b>Number of Shares</b>
Washington Capital Advisors, LLC	575,000
Harvey L. Weiss	575,000
David J. Mitchell	150,000
Donald L. Nickles	200,000
Asa Hutchinson	200,000
Paladin Homeland Security Fund, L.P.	24,765
Paladin Homeland Security Fund, L.P.	15,926
Paladin Homeland Security Fund, L.P.	5,553
Paladin Homeland Security Fund, L.P.	3,756

All of the shares of our common stock outstanding prior to our initial public offering (“initial shares”) and held by the above stockholders (“initial stockholders”) were placed in escrow with Continental Transfer & Trust Company, as escrow agent, until the earliest of: July 13, 2008; our dissolution and liquidation; or the consummation of a liquidation, merger, stock exchange or other similar transaction which results in all of our stockholders having the right to exchange their shares of common stock for cash, securities or other property subsequent to our consummating a business combination with a target business.

During the escrow period, the initial stockholders will not be able to sell or transfer their securities except to their spouses and children or trusts established for their benefit or otherwise as provided in the stock escrow agreement, but will retain all other rights as our stockholders, including, without limitation, the right to vote their shares of common stock and the right to receive cash dividends, if declared. If dividends are declared and payable in shares of common stock, such dividends will also be placed in escrow.

*Purchase of Warrants.* Pursuant to an agreement with the underwriters of our initial public offering, C. Thomas McMillen, our former chairman and current vice chairman, and Harvey L. Weiss, our former chief executive officer, president, secretary and current chairman and a member of our board of directors, or certain of their affiliates or designees, collectively purchased 600,000 warrants in the public marketplace at prices not exceeding \$0.70 per warrant.

*Registration Rights.* The holders of the majority of the initial shares are entitled to make up to two demands that we register the initial shares. The holders of the majority of the initial shares may elect to exercise these registration rights

at any time after the date on which the initial shares are released from escrow, which, except in limited circumstances, is not before July 13, 2008. In addition, the initial stockholders have certain “piggyback” registration rights on registration statements filed subsequent to the date on which these shares of common stock are released from escrow. We will bear the expenses incurred in connection with the filing of any such registration statements.

*Advancement of Certain Costs.* Washington Capital Advisors, Mr. Weiss and Mr. Mitchell advanced a total of \$70,000 to us to cover costs related to our initial public offering. These loans were repaid from the proceeds of our initial public offering not placed in trust.

*Goldman Advisors.* Goldman Advisors (“Goldman”), a division of Sunrise Securities Corp., the lead underwriter in our initial public offering, provided financial advisory services to us in connection with the acquisition of TSS/Vortech. Goldman received reimbursement of its reasonable expenses and a fee of \$750,000 upon the consummation of the acquisition.

*Washington Capital Advisors, LLC.* We paid Washington Capital Advisors, LLC (“Washington Capital Advisors”), of which Mr. C. Thomas McMillen, our vice chairman and a director, is the principal equity owner and officer, \$7,500 per month for office space and general administrative services. This arrangement was agreed to by Washington Capital Advisors, the successor-in-interest to Global Defense Corporation, also an affiliate of Mr. McMillen, for our benefit and was not intended to provide Mr. McMillen compensation in lieu of salary. Upon completion of the acquisition of TSS/Vortech, we were no longer required to pay this monthly fee. We paid an aggregate of \$97,500 pursuant to this agreement.

On January 19, 2007, we entered into a consulting agreement with Washington Capital Advisors, of which Mr. C. Thomas McMillen, our vice chairman and a director, is the principal equity owner and officer, pursuant to which Washington Capital Advisors will be engaged to serve as a consultant for a period of three years. Under the terms of the Consulting Agreement, Washington Capital Advisors will provide advisory services relating to strategic, financial, marketing and business development matters and will also provide mergers and acquisitions assistance. The base compensation to Washington Capital Advisors is \$200,000 per year (subject to a minimum annual increase of 5% per year) and Washington Capital Advisors is eligible to receive an annual bonus of up to 50% of its then applicable base compensation (the amount of the bonus and the criteria for the bonus to be determined by the board of directors) with the bonus for 2006 to be prorated for the number of months remaining in 2006 following the closing date. In addition to base compensation and eligibility for a bonus, Washington Capital Advisors will be entitled to a referral fee equal to 5% of the “Gross Profits” (as defined in the Consulting Agreement) attributable to any client or customer (other than the federal government, or any agency or subdivision thereof) identified by Washington Capital Advisors to us or any of our subsidiaries. Pursuant to the terms of the Consulting Agreement, if we terminate the Consulting Agreement for reasons other than “Cause” or Washington Capital Advisors terminates the Consulting Agreement for “Good Reason” (as those terms are defined in the Consulting Agreement), Washington Capital Advisors is entitled to receive its base compensation as and when it would otherwise be payable if the Consulting Agreement had not been terminated (provided, however that if termination occurs during the last twelve months of the Consulting Agreement, then Washington Capital Advisors shall be entitled to receive amounts equal to base compensation (as and on the terms otherwise payable) for twelve months from the date of termination). Under the terms of the Consulting Agreement, Washington Capital Advisors is subject to covenants not to solicit any of our customers or employees and to not otherwise compete against us. In connection with signing the Consulting Agreement, Washington Capital Advisors has signed an Invention Assignment, Non-Compete and Confidentiality Agreement. Washington Capital Advisors is not affiliated with us, TSS/Vortech or any of their respective officers, directors or material equity holders, except that Washington Capital Advisors’ principal equity owner and officer is Mr. McMillen, our vice chairman.

Our Audit Committee reviews and approves in advance all related party transactions in accordance with its written charter.

**PROPOSALS TO BE VOTED UPON BY STOCKHOLDERS**

**ELECTION OF DIRECTORS**

**(Notice Item 1)**

On May 7, 2007, our Board of Directors voted to nominate Harvey L. Weiss, Donald L. Nickles and William L. Jews for election at the annual meeting for a term of three years to serve until the 2010 annual meeting of stockholders, and until their respective successors have been elected and qualified, or until their earlier death, resignation or removal.

The Board of Directors currently consists of nine members, classified into three classes as follows:

- The Class I directors are Messrs. David J. Mitchell, Gerard J. Gallagher and Asa Hutchinson, and their term will end at the 2009 annual meeting of stockholders;
- The Class II directors are Messrs. Harvey L. Weiss, Donald L. Nickles and William L. Jews, and their term will end at the 2007 annual meeting of stockholders; and
- The Class III directors are Messrs. C. Thomas McMillen, Thomas P. Rosato and John Morton, III, and their term will end at the 2008 annual meeting of stockholders.

At each Annual Meeting of Stockholders, directors are elected for a full term of three years to succeed those directors whose terms are expiring. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

The Board of Directors has voted (i) to set the size of the Board of Directors at nine members and (ii) to nominate Messrs. Harvey L. Weiss, Donald L. Nickles and William L. Jews for election at the Annual Meeting for a term of three years to serve until the 2010 Annual Meeting of Stockholders, and until their respective successors are elected and qualified, or until the earlier their earlier death, resignation or removal. The Class III directors, C. Thomas McMillen, Thomas P. Rosato and John Morton, III, and the Class I directors, Messrs. David J. Mitchell, Gerard J. Gallagher and Asa Hutchinson, will serve until the Annual Meetings of Stockholders to be held in 2008 and 2009, respectively, and until their respective successors have been elected and qualified, or until his earlier death, resignation or removal.

Unless authority to vote for any of these nominees is withheld, the shares represented by the enclosed proxy will be voted **FOR** the election as directors of Messrs. Harvey L. Weiss, Donald L. Nickles and William L. Jews. In the event that either nominee becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in his/her place. We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

A plurality of the shares voted affirmatively or negatively at the meeting is required to elect each nominee as a director.

**The Board Of Directors Recommends The Election Of Messrs. Harvey L. Weiss, Donald L. Nickles and William L. Jews As Directors, And Proxies Solicited By The Board Will Be Voted In Favor Thereof Unless A Stockholder Has Indicated Otherwise On The Proxy.**

**AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO INCREASE FROM 50,000,000 SHARES TO 100,000,000 SHARES THE AGGREGATE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED TO BE ISSUED**

**(Notice Item 2)**

The Board of Directors has determined that it is advisable to increase our authorized common stock from 50,000,000 shares to 100,000,000 shares, and has voted to recommend that the stockholders adopt an amendment to our Second Amended and Restated Certificate of Incorporation effecting the proposed increase. The full text of the proposed amendment to the Second Amended and Restated Certificate of Incorporation is attached to this proxy statement as Appendix B.

As of May 8, 2007, approximately 12,152,813 shares of our common stock were issued and outstanding (excluding treasury shares), approximately an additional 17,700,000 shares were reserved for issuance upon the conversion or exercise of existing securities (including 2,100,000 shares reserved for issuance underlying the unit purchase options issued to the underwriters in our initial public offering). Accordingly, a total of approximately 20,147,187 shares of common stock is available for future issuance.

The Board of Directors believes it continues to be in our best interest to have sufficient additional authorized but unissued shares of common stock available in order to provide flexibility for corporate action in the future. Management believes that the availability of additional authorized shares for issuance from time to time in the Board of Directors' discretion in connection with possible acquisitions of other companies, future financings, investment opportunities, stock splits or dividends or for other corporate purposes is desirable in order to avoid repeated separate amendments to our Certificate of Incorporation and the delay and expense incurred in holding special meetings of the stockholders to approve such amendments. We currently have no specific understandings, arrangements or agreements with respect to any future acquisitions that would require us to issue a material amount of new shares of our common stock. However, the Board of Directors believes that the currently available unissued shares do not provide sufficient flexibility for corporate action in the future.

We will not solicit further authorization by vote of the stockholders for the issuance of the additional shares of common stock proposed to be authorized, except as required by law, regulatory authorities or rules of any other stock exchange on which our shares may then be listed. The issuance of additional shares of common stock could have the effect of diluting existing stockholder earnings per share, book value per share and voting power. Our stockholders do not have any preemptive right to purchase or subscribe for any part of any new or additional issuance of our securities.

The affirmative vote of the majority of the common stock outstanding and entitled to vote at the Meeting is required to approve the amendment to our Certificate of Incorporation to effect the proposed increase in our authorized shares.

**The Board Of Directors Recommends A Vote To Approve The Amendment To Our Certificate Of Incorporation, And Proxies Solicited By The Board Will Be Voted In Favor Of The Amendment Unless A Stockholder Indicates Otherwise On The Proxy.**

**INDEPENDENT PUBLIC ACCOUNTANTS****(Notice Item 3)**

The firm of Goldstein Golub Kessler LLP, or GGK, acted as our principal accountant during the fiscal year 2006. Through September 30, 2005, GGK had a continuing relationship with American Express Tax and Business Services Inc., or TBS, from which it leased auditing staff who were full time, permanent employees of TBS and through which its partners provide non-audit services. Subsequent to September 30, 2005, this relationship ceased and the firm established a similar relationship with RSM McGladrey, Inc., or RSM. GGK has no full time employees and, therefore, none of the audit services performed were provided by permanent full-time employees of GGK. GGK manages and supervises the audit and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination. The following is a summary of fees paid or to be paid to GGK and RSM for services rendered.

On April 20, 2007, we decided to engage the independent registered public accounting firm of Grant Thornton LLP to conduct review of our quarterly financial statements and to audit our financial statements for the fiscal year ending December 31, 2007. Our Board of Directors approved the change of our independent registered public accounting firm to Grant Thornton LLP. Accordingly, we dismissed GGK, effective April 20, 2007.

During our fiscal years ended December 31, 2006 and December 31, 2005, and through April 20, 2007, there were no disagreements with GGK, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of GGK, would have caused GGK to make reference to the subject matter of the disagreements in connection with its reports. None of the events described in Item 304(a)(1)(v) of Regulation S-K occurred during the years ended December 31, 2006 and December 31, 2005, and through April 20, 2007.

During our fiscal years ended December 31, 2006 and December 31, 2005, and through April 20, 2007, we did not consult with Grant Thornton LLP regarding the application of accounting principles to a specific transaction, or type of audit opinion that might be rendered on our financial statements and no written or oral advice was provided by Grant Thornton LLP that was a factor considered by us in reaching a decision as to accounting, auditing or financial reporting issues, and we did not consult with Grant Thornton LLP on or regarding any of the matters set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

**Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Auditors**

Consistent with policies of the Securities and Exchange Commission regarding auditor independence, the Audit Committee has responsibility, pursuant to its written charter, for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the audit committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor. The Audit Committee's policy is to approve all audit and non-audit services provided by our independent registered public accounting firm prior to the commencement of the services using a combination of pre-approvals for certain engagements up to predetermined dollar thresholds in accordance with the pre-approval policy and specific approvals for certain engagements on a case-by-case basis. The Audit Committee has delegated authority to the committee chairman to pre-approve between committee meetings those services that have not already been pre-approved by the committee. The chair is required to report any such pre-approval decisions to the full committee at its next scheduled meeting.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of Grant Thornton LLP as our independent public accountants, the Audit Committee will reconsider its appointment.

The affirmative vote of a majority of the shares present or represented and entitled to vote at the Meeting is required to ratify the appointment of the independent public accountants.

**The Board Of Directors Recommends A Vote To Ratify The Appointment Of Grant Thornton LLP As Independent Public Accountants, And Proxies Solicited By The Board Will Be Voted In Favor Of Such Ratification Unless A Stockholder Indicates Otherwise On The Proxy.**
