Item 1.01. Entry into a Material Definitive Agreement

On May 11, 2007, China Security & Surveillance Technology, Inc. (the “Company”) entered into an Equity Transfer Agreement (the “Equity Transfer Agreement”) with China Safetech Holdings Limited, a British Virgin Islands Corporation and a wholly-owned subsidiary of the Company (“Safetech”), and Yi Li, the sole owner of Link Billion Investment Limited, a Hong Kong Corporation (“Link Billion”) pursuant to which Safetech purchased 100% ownership of Link Billion from Mr. Li. Link Billion is a holding company that owns all the outstanding equity of HiEasy Electronic Technology Development Co., Ltd. (“HiEasy”), a corporation incorporated in the People’s Republic of China. HighEasy is based in Wuhan, China and will provide the Company with advanced compression technology to enhance the Company’s product offerings and user functionality by facilitating video and audio transmissions over telecommunications infrastructure networks. Additionally, the addition of HiEasy is expected to provide increased efficiency related to the Company’s current DVR system as data will be compressed more effectively and seamlessly across the Company’s entire product suite.

Under the Equity Transfer Agreement, the Company will pay a total consideration of RMB 80 million (approximately \$10.4 million) in exchange for 100% ownership of Link Billion, consisting of RMB 40 million (approximately USD\$5.2 million) in cash and RMB 40 million (approximately \$5.2 million) in the Company’s shares of common stock. RMB 32.29 million (approximately \$4.2 million) of the purchase price was paid before the execution of the Equity Transfer Agreement. An additional RMB 7.71 million (approximately USD\$1.0 million) was due on the date of the execution of the Equity Transfer Agreement. The number of shares issuable in satisfaction of the equity portion of the purchase price is 811,804 (based upon the average of the closing price of the Company’s common stock on the OTCBB for the 20 trading days prior to the date of the signing of the letter of intent on October 9, 2006) which must be issued within 90 days following the signing of the Equity Transfer Agreement.

The Equity Transfer Agreement also contains certain “make good” provisions. Under the Equity Transfer Agreement, Mr. Li pledged to the Company a total of RMB 25 million (approximately \$3.3 million) worth of the Company’s shares of common stock that he will receive as partial consideration for the acquisition to secure his make good obligation under the Equity Transfer Agreement. The Equity Transfer Agreement established minimum net income thresholds in the range of RMB 6 million (approximately \$0.8 million), RMB 8 million (approximately \$1.0 million) and RMB 10 million (approximately \$1.3 million) for the fiscal year of 2007 and RMB 11 million (approximately \$1.4 million), RMB 13 million (approximately \$1.7 million) and RMB 15 million (approximately \$2.0 million) for the fiscal year of 2008. If actual audited net income for the 2007 fiscal year is greater than RMB 6 million, but less than RMB 8 million, then the Company will return RMB 5 million (approximately \$0.7 million) worth of the pledged stock. If actual audited net income for the 2007 fiscal year is greater than RMB 8 million, but less than RMB 10 million, then the Company will return RMB 7 million (approximately \$0.9 million) worth of the pledged stock. If actual audited net income for the 2007 fiscal year is greater than RMB 10 million, then the Company will return RMB 10 million worth of pledged stock. For fiscal year 2008, if the actual audited net income is greater than RMB 11 million, but less than RMB 13 million, then the Company will return RMB 7.5 million (approximately \$1.0 million) worth of pledged stock. If actual audited net income for the 2008 fiscal year is greater than RMB 13 million, but less than RMB 15 million, then the Company will return RMB 10 million worth of pledged stock. Finally, if actual audited net income for the 2008 fiscal year is greater than RMB 15 million, then the Company will return RMB 15 million worth of the pledged stock.
