Item 1.01 Entry into a Material Definitive Agreement

On January 18, 2008, we received net proceeds of \$500,000 in connection with a financing provided by Vicis Capital Master Fund, an unaffiliated, accredited institutional investor (the “Investor”). In connection with the financing, we and the Investor entered into a Securities Purchase Agreement, dated January 18, 2008 (the “January Securities Purchase Agreement”), pursuant to which we issued 50 shares of Series B Convertible Preferred Stock, par value \$0.001 per share (“Series B Preferred Stock”), a seven year Series F Warrant to purchase 375,000 shares of our common stock at a price of \$2.25 per share and a seven year Series G Warrant to purchase 250,000 shares of our common stock at a price of \$2.50 per share.

The Securities Purchase Agreement, dated January 18, 2008, by and between the Investor and us (the “January Securities Purchase Agreement”) provides that our obligations to the Investor under the Series B Preferred Stock, the January Securities Purchase Agreement and the various transaction documents entered into in connection with the January Securities Purchase Agreement (the “January Transaction Documents”) are secured by a lien on all of our assets pursuant to the security agreement, dated September 28, 2007, between us and the Investor (the “Company Security Agreement”). The Company Security Agreement is more fully described below and is attached as an exhibit to our Current Report on Form 8-K, which was filed with the Securities and Exchange Commission (the “SEC”) on October 2, 2007.

The January Securities Purchase Agreement further provides that our obligations under the Series B Preferred Stock, the January Securities Purchase Agreement and the January Transaction Documents are guaranteed by each of our subsidiaries pursuant to the terms of the guaranty agreements, dated September 28, 2007, between Investor and each of our subsidiaries (the “Guaranty Agreements”). The Guaranty Agreements are more fully described below and are attached as exhibits to our Current Report on Form 8-K, which was filed with the SEC on October 2, 2007.

The January Securities Purchase Agreement also provides that the guaranty obligations of our subsidiaries in connection with the January Securities Purchase Agreement and the January Transaction Documents are secured by the liens on all of the assets of each our subsidiaries, except for the accounts receivable and certain contract rights of Xeni Financial Services, Corp., created pursuant to the security agreements, dated September 28, 2007 by and between our subsidiaries and the Investor (the “Guarantor Security Agreements”). The Guarantor Security Agreements are more fully described below and are attached as exhibits to our Current Report on Form 8-K, which was filed with the SEC on October 2, 2007.

In connection with the sale of the Series B Preferred Stock, we amended the Registration Rights Agreement, dated September 28, 2007, by and between the Investor and us (the "Registration Rights Agreement"), pursuant to which we agreed, in addition to registering the securities previously covered by such Registration Rights Agreement, to register for resale, the shares of our common stock into which the Series B Preferred Stock sold pursuant to the January Securities Purchase Agreement is convertible and the shares of our common stock for which the Series F Warrants and the Series G Warrants sold pursuant to the January Securities Purchase Agreement are exercisable.

The following summary description of the material agreements entered into in connection with the transaction described above and the terms of the Series B Preferred Stock is qualified in its entirety by reference to the copies of such material agreements and the Certificate of Designations for the Series B Preferred Stock filed as exhibits to this Current Report on Form 8-K.

January Securities Purchase Agreement

The January Securities Purchase Agreement provided for the sale by us to the Investor of (i) 50 shares of Series B Preferred Stock (ii) Series F Warrants to purchase an aggregate of 375,000 shares of common stock and (iii) Series G Warrants to purchase an aggregate of 250,000 shares of common stock. Pursuant to the January Securities Purchase Agreement, the aggregate purchase price for the Series Preferred Stock, the Series F Warrants and the Series G Warrants was \$500,000, which was paid by wire transfer of immediately available funds.

The January Securities Purchase Agreement provides to the Investor, for a period of eighteen months after the closing date, a right of first refusal with respect to subsequent placements of equity or equity equivalent securities by us. The right of first refusal is on a *pro rata* basis (based upon the amount invested) with Gottbetter Capital Master, Ltd.

The January Securities Purchase Agreement contains certain restrictions on our ability to: (i) declare dividends; (ii) reclassify, combine or reverse split our Common Stock; (iii) incur liens; (iii) incur certain types of indebtedness; (iv) issue classes of securities senior to, or *parri passu* with, the Series B Preferred Stock; (v) liquidate or sell a substantial portion of our assets; (vi) enter into transactions that would result in a Change of Control (as defined in the January Securities Purchase Agreement); (vi) amend our charter documents in a way that adversely affects the rights of the Investor; (vii) except through Xeni Financial Services, Corp., make loans to, or advances or guarantee the obligations of, third parties; (viii) make intercompany transfers; (ix) engage in transactions with officers, directors, employees or affiliates; (x) divert business to other business entities; (xi) make investments in securities or evidences of indebtedness (excluding of loans made by Xeni Financial Services, Corp.) in excess of \$250,000 in a calendar year; and (xii) file registration statements.

Events of default under the January Securities Purchase Agreement include: (i) default in the payment of dividends on or the failure to redeem the Series B Preferred Stock when due; (ii) failure to perform the covenants contained in the Securities Purchase Agreement or the related transaction documents; (iii) failure to file, or cause to become effective, a registration statement covering the shares of common stock underlying the Series F Warrants, the Series G Warrants and the Series B Preferred Stock within the timeframes required by the Registration Rights Agreement or the failure to keep such registration effective as required by the Registration Rights Agreement; (iv) suspension from listing on the OTC Bulletin Board or other exchange for 10 consecutive trading days; (v) the failure to timely deliver shares of common stock upon conversion of the Series B Preferred Stock or exercise of the Series F Warrants or the Series G Warrants; (vi) default in the payment of indebtedness in excess of \$250,000; (vii) a judgment entered against us in excess of \$250,000; and (viii) insolvency, bankruptcy and similar circumstances.

The January Securities Purchase Agreement also contains customary representations, warranties, covenants and indemnification provisions for transactions of the type entered into between the Company and Investor.

Series B Preferred Stock

On January 17, 2008 we filed an amended and restated Certificate of Designations (as amended and restated, the “Certificate of Designations”) with the Secretary of State of the State of Delaware, to, among other things, increase the number of authorized shares of Series B Preferred Stock from 250 shares to 325 shares.

The Certificate of Designations, which designates the rights, preferences, privileges and terms of the Series B Preferred Stock provides that the Series B Preferred Stock will rank senior to other classes of common stock and preferred Stock that are currently outstanding as to distributions of assets upon liquidation, dissolution or winding up and as to payment of dividends on shares of equity securities.

Each share of Series B Preferred Stock is entitled to cumulative dividends at the annual rate of 8% of the stated value of the Series B Preferred Stock. The stated value of each share of Series B Preferred Stock is \$10,000. Dividends are payable in cash or additional shares of Series B Preferred Stock.

Each share of Series B Preferred Stock is convertible, at any time, at the option of the holder, into the number of shares of common stock determined by dividing the stated value of the Series B Preferred Stock by the conversion price. The initial conversion price of the Series B Preferred Stock is \$2.25 per share.

The conversion price is subject to adjustment for stock splits, dividends, subdivisions, distributions reorganizations and similar transactions. Furthermore, the conversion price is also subject to adjustment in the event of the issuance of securities for a price below the conversion price then in effect or the issuance of convertible securities with an exercise or conversion price that is less than the then current conversion price for the shares of Series B Preferred Stock.

To the extent that any shares Series B Preferred Stock remain outstanding on September 28, 2008, each holder thereof shall have the option to either require us to redeem such holder's shares of Series B Preferred Stock or convert such holder's shares of Series B Preferred Stock into shares of common stock at the conversion price then in effect.

Holders of Series B Preferred Stock have the option to require us to redeem shares of Series B Preferred Stock in the event of a Change of Control (as defined in the Certificate of Designations).

Holders of Series B Preferred Stock are entitled to vote on matters submitted to our stockholders as if the Series B Preferred Stock had been converted into shares of Common Stock pursuant to the terms of the Certificate of Designations. To the extent the holders of Series B Preferred Stock are required to vote separately, as a class, the affirmative vote of the holders of a majority of the outstanding shares of Series B Preferred Stock will be required to approve the matter to be voted upon.

As of the date of this report, there are 250 shares of Series B Preferred Stock issued and outstanding.

Series F Warrants

The Series F Warrants are exercisable at a price of \$2.25 per share for a period of seven years from the date of issuance. The Series F Warrants may be exercised on a cashless basis. The exercise price will be subject to adjustment in the event of subdivision or combination of shares of our common stock and similar transactions, distributions of assets, issuances of shares of common stock with a purchase price below the exercise price of the Series F Warrants, issuances of any rights, warrants or options to purchase shares of our common stock with an exercise price below the exercise price of the Series F Warrants, issuances of convertible securities with a conversion price below the exercise price of the Series F Warrants.

As of the date of this report, the outstanding Series F Warrants are exercisable for an aggregate of 1,875,000 shares of our common stock.

Series G Warrants

The Series G Warrants are exercisable at a price of \$2.50 per share for a period of seven years from the date of issuance. The Series G Warrants may be exercised on a cashless basis. The exercise price will be subject to adjustment in the event of subdivision or combination of shares of our common stock and similar transactions, distributions of assets, issuances of shares of common stock with a purchase price below the exercise price of the Series G Warrants, issuances of any rights, warrants or options to purchase shares of our common stock with an exercise price below the exercise price of the Series G Warrants, issuances of convertible securities with a conversion price below the exercise price of the Series G Warrants.

As of the date of this report, the outstanding Series G Warrants are exercisable for an aggregate of 1,250,000 shares of our common stock.

Company Security Agreement

Pursuant to the terms of the January Securities Purchase Agreement, we agreed that the lien granted pursuant to the Company Security Agreement would, in addition to securing the obligations previously secured thereby, secure our obligations in connection with the January Securities Purchase Agreement, the January Transaction Documents and the Series B Preferred Stock issued in connection with the January Securities Purchase Agreement. The Company Security Agreement provides for a lien on all of our assets in favor of the Investor.

Guaranty Agreements

Pursuant to the terms of the January Securities Purchase Agreement, we agreed that the Guaranty Agreements would, in addition to applying to the obligations previously guaranteed thereby, apply to our obligations in connection with the January Securities Purchase Agreement, the January Transaction Documents and the Series B Preferred Stock issued pursuant to the January Securities Purchase Agreement. The Guaranty Agreements provide for unconditional guaranties of the obligations guaranteed thereunder.

Guarantor Security Agreements

Pursuant to the terms of the January Securities Purchase Agreement, we agreed that the security interests granted by our subsidiaries pursuant to the Guarantor Security Agreements would, in addition to securing the obligations previously secured thereunder, secure the obligations of our subsidiaries under the Guaranty Agreements insofar as those obligations related to the January Securities Purchase Agreement, the January Transaction Documents and the Series B Preferred Stock issued pursuant to January Securities Purchase Agreement. The Guarantor Security Agreements provide for liens in favor of the Investor on all of the assets of each of our subsidiaries, except for the accounts receivable and certain contract rights of Xeni Financial Services, Corp.

Amendment to Registration Rights Agreement

Pursuant to a First Amendment to Registration Rights Agreement, dated January 18, 2008, we agreed that, in addition to registering the securities previously covered by the Registration Rights Agreement, to register for resale, the shares of our common stock into which the Series B Preferred Stock sold pursuant to the January Securities Purchase Agreement is convertible and the shares of our common stock for which the Series F Warrants and the Series G Warrants sold pursuant to the January Securities Purchase Agreement are exercisable.

The Registration Rights Agreement requires us to file a registration statement covering the resale of the shares underlying the Senior Note, the Series D Warrants and the Series E Warrants within 365 calendar days after September 28, 2007. We are required to cause such registration statement to become effective on or before the date which is 485 calendar days after the filing of such registration statement. In addition to it being an event of default under the Securities Purchase Agreement, if we fail to file such registration statement in the time frame required, fail to cause it to become effective in the time frame required, or fail to maintain the effectiveness of the registration statement as required by the Registration Rights Agreement, we will be required to pay a cash penalty in the amount of 2% of the aggregate stated value of the Series B Preferred Stock for each month, or part thereof, that the registration statement is not filed or effective, as the case may be. The cash penalty is limited to 15% of the aggregate stated value of the Series B Preferred Stock.

The Registration Rights Agreement also provides for piggyback registration rights.

Item 3.02 Unregistered sales of Equity Securities.

Item 1.01 above is incorporated into this Item 3.02 by reference.

Investor is an “accredited investor,” as defined in Regulation D under the Securities Act of 1933, as amended, or the Securities Act. None of the Series B Preferred Stock, the Series F Warrant, the Series G Warrant or the shares of our common stock underlying such securities were registered under the Securities Act, or the securities laws of any state and were offered and sold in reliance on the exemption from registration afforded by Section 4(2) and Regulation D (Rule 506) under the Securities Act and corresponding provisions of state securities laws, which exempts transactions by an issuer not involving any public offering.

We made this determination with respect to the sale of the Series B Preferred Stock, the Series F Warrant, the Series G Warrant based on the representations of the Investor, which included, in pertinent part, that Investor is an “accredited investor” within the meaning of Rule 501 of Regulation D promulgated under the Securities Act, and that Investor was acquiring the securities it was acquiring for investment purposes for its own account and not as nominee or agent, and not with a view to the resale or distribution, and that Investor understood such securities may not be sold or otherwise disposed of without registration under the Securities Act or an applicable exemption therefrom.

Thus, the Series B Preferred Stock, the Series F Warrant, the Series G Warrant and shares of common stock underlying such securities may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements and certificates evidencing such shares contain a legend stating the same.

AMENDED AND RESTATED CERTIFICATE OF DESIGNATIONS
DESIGNATING
SERIES B CONVERTIBLE PREFERRED STOCK
OF
MDWERKS, INC.
PURSUANT TO SECTION 151 OF THE
DELAWARE GENERAL CORPORATION LAW

MDWERKS, INC., a corporation organized and existing under the Delaware General Corporation Law (hereinafter called the "Corporation"), in accordance with the provisions of Section 151 thereof, DOES HEREBY CERTIFY:

The following is a Certificate of Designations which was adopted by consent of the Board of Directors of this Corporation (the "Board") in the manner prescribed by Section 151 of the Delaware General Corporation Law ("Certificate"). Shareholder action was not required.

RESOLVED, that pursuant to the authority granted to and vested in the Board in accordance with the provisions of the Certificate of Incorporation and Bylaws of the Corporation, each as amended and restated through the date hereof, the Board hereby authorizes a series of the Corporation's previously authorized Preferred Stock, par value \$.001 per share (the "Preferred Stock"), and hereby states the designation and number of shares, and fixes the preferences and relative and other rights, and the qualifications, limitations or restrictions thereof (in addition to those set forth in the Corporation's Certificate of Incorporation) as follows:

1. Designation. This series shall be designated as Series B Convertible Preferred Stock (the "Series B Preferred Stock"), to consist of Three Hundred Twenty-Five (325) shares, par value \$.001 per share, with a mandatory redemption date of September 28, 2008.
 2. Rank. The Series B Preferred Stock shall rank (i) prior to the Corporation's common stock, par value \$.001 per share (the "Common Stock"); (ii) prior to all other series of the Corporation's Preferred Stock outstanding as of the Issuance Date (defined below) of the Series B Preferred Stock; (iii) prior to any class or series of capital stock of the Corporation hereafter created that does not, by its terms, rank senior to or pari passu with the Series B Preferred Stock (each security described in (i) through (iii), a "Junior Security" and collectively, the "Junior Securities"); (iii) pari passu with any class or series of capital stock of the Corporation hereafter created that, by its terms, ranks on parity with the Series B Preferred Stock (the "Pari Passu Securities"); and (iv) junior to any class or series of capital stock of the Corporation hereafter created that, by its terms, ranks senior to the Series B Preferred Stock (collectively, the "Senior Securities"), in each case as to distribution of assets upon liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary and payment of dividends on shares of equity securities. For purposes of this Certificate of Designation, "Issuance Date" means, with respect to any share of the Corporation's capital stock, the date such share was originally issued by the Corporation. The Issuance Date shall be deemed to be the date on which the Corporation initially issues a share regardless of the number of transfers of such share recorded on the stock records maintained by or for the Corporation and regardless of the number of certificates which may be issued to evidence such share.
-

3. Stated Value. The stated value of the Series B Preferred Stock shall be Ten Thousand Dollars (\$10,000) per share (the “Stated Value”).
4. Cumulative Preferred Dividends. Before any dividends shall be paid or set aside for payment on any Junior Security of the Corporation, each holder of the Series B Preferred Stock (each, a “Holder” and collectively, the “Holders”) shall be entitled to receive dividends payable on the Stated Value of the Series B Preferred Stock at a rate of 8% per annum, which shall be cumulative, accrue daily from the Issuance Date and be due and payable on the first day of each calendar quarter (each, a “Dividend Date”). Such dividends shall accrue whether or not declared, but no dividend shall be paid unless there are profits, surplus or other funds of the Corporation legally available for the payment of dividends. The accumulation of unpaid dividends shall bear interest at a rate of 8% per annum. If a Dividend Date is not a business day, then the dividend shall be due and payable on the business day immediately following such Dividend Date. Dividends shall be payable in cash or shares of the Corporation’s Series B Preferred Stock, at the Stated Value, at the Corporation’s option.
5. Liquidation Rights. In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary (each of which is hereinafter referred to as a “Liquidation Event”), and before any distribution shall be made to the holders of any shares of any Junior Security of the Corporation, the holders of shares of Series B Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders an amount per share equal to the Stated Value of the Series B Preferred Stock plus the aggregate amount of accumulated but unpaid dividends on each share of Series B Preferred Stock. If, upon a Liquidation Event, the assets of the Corporation, or proceeds thereof, to be distributed among the holders of the Series B Preferred Stock are insufficient to permit payment in full to such Holders of the aggregate amount that they are entitled to be paid by their terms, then the entire assets, or proceeds thereof, available to be distributed to the corporation’s stockholders shall be distributed to the holders of the Series B Preferred Stock ratably in accordance with the respective amounts that would be payable on such shares if all amounts payable thereon were paid in full. Prior to the Liquidation Event, the corporation shall declare for payment all accrued and unpaid dividends with respect to the Series B Preferred Stock but only to the extent of funds of the Corporation legally available for the payment of dividends. For the purpose of this Section 5, a consolidation or merger of the Corporation with any other corporation, or the sale, transfer or lease of all or substantially all of its assets, shall not constitute or be deemed a Liquidation Event.

6. Voting Rights.

6.1 Except as otherwise required by law, the Holders of shares of Series B Preferred Stock shall be entitled to vote on all matters submitted to a vote of the shareholders of the Corporation and shall have such number of votes equal to the number of shares of Common Stock into which such Holders' shares of Series B Preferred Stock are convertible pursuant to the provisions hereof and subject to the limitations on conversion contained herein, at the record date for the determination of shareholders entitled to vote on such matters or, if no such record date is established, at the date such vote is taken or any written consent of shareholders is solicited. Except as otherwise required by law, the holders of shares of Series B Preferred Stock and Common Stock shall vote together as a single class, and not as separate classes.

6.2 In the event that the Holders of the Series B Preferred Stock are required to vote separately as a class, the affirmative vote of holders of a majority of the outstanding shares of Series B Preferred Stock shall be required to approve each such matter to be voted upon, and if any matter is approved by such requisite percentage of holders of Series B Preferred Stock, such matter shall bind all Holders of Series B Preferred Stock.

7. Conversion Rights.

7.1 Conversion Price. At any time after the Issuance Date, each share of Series B Preferred Stock shall be convertible at the option of the Holder into that number of shares of Common Stock of the Corporation equal to (a) the Stated Value of such share of Series B Preferred Stock divided by (b) a per share price of the Common Stock of \$2.25 per share (the "Conversion Price"). The Conversion Price is subject to adjustment as hereinafter provided, at any time or from time to time upon the terms and in the manner herein after set forth in Paragraph 7.3.

7.2 Conversion Procedures.

(a) In order to convert any share of Series B Preferred Stock into Common Stock, the holder thereof shall (i) surrender the certificate or certificates for such shares of Series B Preferred Stock, duly endorsed to the Corporation or in blank, to the Corporation at its principal office or at the office of the transfer agent maintained for such purposes, (ii) give written notice to the Corporation at such office that such Holder elects to convert such shares of Series B Preferred Stock, in the same form as Exhibit I (the "Conversion Notice") and (iii) state in writing therein the name or names in which such holder wishes the certificate or certificates for shares of Common Stock to be issued. Each conversion shall be deemed to have been effected at the close of business on the date on which the Corporation or such transfer agent shall have received such surrendered Series B Preferred Stock certificate(s), and the person or persons in whose name or names any certificate or certificates for shares of Common Stock shall be issuable upon such conversion shall be deemed to have become the record holder or holders of the shares represented thereby on such date (the "Conversion Date"). No fractional shares or scrip representing fractional shares will be issued upon any conversion, but an adjustment in cash will be made, in respect of any fraction of a share which would otherwise be issuable upon the conversion of the Series B Preferred Stock.

(b) Upon receipt by the Corporation of a Conversion Notice, the Corporation shall (i) as soon as practicable, but in any event within one (1) Trading Day after receipt of such Conversion Notice, send, via facsimile, a confirmation of receipt of such Conversion Notice to such Holder and the Corporation's transfer agent, which confirmation shall constitute an instruction to the transfer agent to process such Conversion Notice in accordance with the terms herein. Not later than three (3) Trading Days after any Conversion Date (the "Delivery Date"), the Corporation or its designated transfer agent, as applicable, shall (A) issue and deliver to the address as specified in the Conversion Notice, a certificate, registered in the name of the holder or its designee, for the number of shares of Common Stock to which the holder shall be entitled, or (B) provided the transfer agent is participating in The Depository Trust Corporation ("DTC") Fast Automated Securities Transfer Program, upon the request of the Holder, credit such aggregate number of shares of Common Stock to which the Holder shall be entitled to the Holder's or its designee's balance account with DTC through its Deposit Withdrawal Agent Commission system. If the number of shares of Series B Preferred Stock represented by the Series B Preferred Stock Certificate(s) submitted for conversion, is greater than the number of shares of Series B Preferred Stock being converted, then the Corporation shall, as soon as practicable and in no event later than three (3) Trading Days after receipt of the Series Preferred Stock Certificate(s) (the "Preferred Stock Delivery Date") and at its own expense, issue and deliver to the holder a new Series B Preferred Stock Certificate representing the number of shares of Series B Preferred Stock not converted. If in the case of any Conversion Notice such certificate or certificates are not delivered to or as directed by the applicable Holder by the Delivery Date, the Holder shall be entitled by written notice to the Corporation at any time on or before its receipt of such certificate or certificates thereafter, to rescind such conversion, in which event the Corporation shall immediately return the Series B Preferred Stock Certificate(s) tendered for conversion, whereupon the Corporation and the Holder shall each be restored to their respective positions immediately prior to the delivery of such notice of revocation, except that any amounts described in Sections 7.2(c) and (d) shall be payable through the date notice of rescission is given to the Corporation.

(c) The Corporation understands that a delay in the delivery of the shares of Common Stock upon conversion of Series B Preferred Stock beyond the Delivery Date could result in economic loss to the Holder. If the Corporation fails to deliver to the Holder such shares via DWAC or a certificate or certificates pursuant to this Section by the Delivery Date, the Corporation shall pay to the Holder, in cash, as partial liquidated damages and not as a penalty, for each \$500 of Series B Preferred Stock to be converted (based on the Stated Value), \$10 per Trading Day (increasing to \$15 per Trading Day five (5) Trading Days after such damages have begun to accrue and increasing to \$20 per Trading Day ten (10) Trading Days after such damages have begun to accrue) for each Trading Day after the Delivery Date until such Common Stock certificate is delivered. Notwithstanding the foregoing, the Holder shall not be entitled to the damages set forth herein for the delay in the delivery of the shares of Common Stock upon conversion of the Series B Preferred stock, if such delay is due to causes which are beyond the reasonable control of the Corporation, including, but not limited to, acts of God, acts of civil or military authority, fire, flood, earthquake, hurricane, riot, war, terrorism, sabotage and/or governmental action, provided that the Corporation: (i) gives the Holder prompt notice of each such cause; and (ii) uses reasonable efforts to correct such failure or delay in its performance. Nothing herein shall limit a Holder's right to pursue actual damages for the Corporation's failure to deliver certificates, and the Holder shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief. Notwithstanding anything to the contrary contained herein, the Holder shall be entitled to withdraw a Conversion Notice, and upon such withdrawal the Corporation shall only be obligated to pay the liquidated damages accrued in accordance with this Section through the date the Conversion Notice is withdrawn.

(d) In addition to any other rights available to the Holder, if the Corporation fails to cause its transfer agent to transmit to the Holder a certificate or certificates representing the shares of Common Stock issuable upon conversion of the Series B Preferred Stock on or before the Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of the shares of Common Stock issuable upon conversion of the Series B Preferred Stock which the Holder anticipated receiving upon such conversion (a "Buy-In"), then the Corporation shall (1) pay in cash to the Holder the amount by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (A) the number of shares of Common Stock issuable upon conversion of the Series B Preferred Stock that the Corporation was required to deliver to the Holder in connection with the conversion at issue times (B) the price at which the sell order giving rise to such purchase obligation was executed, and (2) at the option of the Holder, either reinstate the portion of the Series B Preferred Stock and equivalent number of shares of Common Stock for which such conversion was not honored or deliver to the Holder the number of shares of Common Stock that would have been issued had the Corporation timely complied with its conversion and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (1) of the immediately preceding sentence the Corporation shall be required to pay the Holder \$1,000. The Holder shall provide the Corporation written notice indicating the amounts payable to the Holder in respect of the Buy-In, together with applicable confirmations and other evidence reasonably requested by the Corporation. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Corporation's failure to timely deliver certificates representing shares of Common Stock upon conversion of Series B Preferred Stock as required pursuant to the terms hereof.

7.3 Adjustment of Conversion Price. The Conversion Price shall be subject to adjustment from time to time as follows:

- (a) Adjustment of Conversion Price upon Issuance of Common Stock. If the Corporation issues or sells, or in accordance with this Section 7.3(a) is deemed to have issued or sold, any shares of Common Stock (including the issuance or sale of shares of Common Stock owned or held by or for the account of the Corporation, but excluding shares of Common Stock which are an Excluded Security or are deemed to have been issued or sold by the Corporation in connection with any Excluded Security or are issued upon conversion or exercise of an Excluded Security) for a consideration per share (the "New Issuance Price") less than a price (the "Applicable Price") equal to the Conversion Price in effect immediately prior to such issue or sale (the foregoing a "Dilutive Issuance"), then immediately after such Dilutive Issuance, the Conversion Price then in effect shall be reduced to the New Issuance Price. For purposes of determining the adjusted Conversion Price under this Section 7(a), the following shall be applicable:
- (i) Issuance of Options. If the Corporation in any manner grants or sells any Options and the lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Option or upon conversion or exchange or exercise of any Convertible Securities issuable upon exercise of such Option is less than the Applicable Price, then all of such shares of Common Stock underlying such Option shall be deemed to be outstanding and to have been issued and sold by the Corporation at the time of the granting or sale of such Option for such price per share. For purposes of this Section 7.3(a)(i), the "lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Option or upon conversion or exchange or exercise of any Convertible Securities issuable upon exercise of such Option" shall be equal to the sum of the lowest amounts of consideration (if any) received or receivable by the Corporation with respect to any one share of Common Stock upon granting or sale of the Option, upon exercise of the Option and upon conversion or exchange or exercise of any Convertible Security issuable upon exercise of such Option. No further adjustment of the Conversion Price shall be made upon the actual issuance of such share of Common Stock or of such Convertible Securities upon the exercise of such Options or upon the actual issuance of such Common Stock upon conversion or exchange or exercise of such Convertible Securities.

- (ii) Issuance of Convertible Securities. If the Corporation in any manner issues or sells any Convertible Securities and the lowest price per share for which one share of Common Stock is issuable upon such conversion or exchange or exercise thereof is less than the Applicable Price, then all shares of Common Stock issuable upon conversion of such Convertible Securities shall be deemed to be outstanding and to have been issued and sold by the Corporation at the time of the issuance or sale of such Convertible Securities for such price per share. For the purposes of this Section 7.3(a)(ii), the “lowest price per share for which one share of Common Stock is issuable upon such conversion or exchange or exercise” shall be equal to the sum of the lowest amounts of consideration (if any) received or receivable by the Corporation with respect to any one share of Common Stock upon the issuance or sale of the Convertible Security and upon the conversion or exchange or exercise of such Convertible Security. No further adjustment of the Conversion Price shall be made upon the actual issuance of such share of Common Stock upon conversion or exchange or exercise of such Convertible Securities, and if any such issue or sale of such Convertible Securities is made upon exercise of any Options for which adjustment of the Conversion Price had been or are to be made pursuant to other provisions of this Section 7(a), no further adjustment of the Conversion Price shall be made by reason of such issue or sale.
- (iii) Change in Option Price or Rate of Conversion. If the purchase price provided for in any Options, the additional consideration, if any, payable upon the issue, conversion, exchange or exercise of any Convertible Securities, or the rate at which any Convertible Securities are convertible into or exchangeable or exercisable for Common Stock changes at any time, the Conversion Price in effect at the time of such change shall be adjusted to the Conversion Price which would have been in effect at such time had such Options or Convertible Securities provided for such changed purchase price, additional consideration or changed conversion rate, as the case may be, at the time initially granted, issued or sold. For purposes of this Section 7.3(a)(iii), if the terms of any Option or Convertible Security that was outstanding as of the Subscription Date are changed in the manner described in the immediately preceding sentence, then such Option or Convertible Security and the Common Stock deemed issuable upon exercise, conversion or exchange thereof shall be deemed to have been issued as of the date of such change. No adjustment shall be made if such adjustment would result in an increase of the Conversion Price then in effect.

- (iv) Calculation of Consideration Received. If any Option is issued in connection with the issue or sale of other securities of the Corporation, together comprising one integrated transaction in which no specific consideration is allocated to such Options by the parties thereto, the Options will be deemed to have been issued for a consideration of \$0.01. If any Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for cash, the consideration received therefor will be deemed to be the gross amount paid by the purchaser of such Common Stock, Options, or Convertible Securities, before any commissions, discounts, fees or expenses. If any Common Stock, Options or Convertible Securities are issued to the owners of the non-surviving entity in connection with any merger in which the Corporation is the surviving entity, the amount of consideration therefor will be deemed to be the fair value of such portion of the net assets and business (including goodwill) of the non-surviving entity as is attributable to such Common Stock, Options or Convertible Securities, as the case may be. If any Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for non-cash consideration, the consideration received therefore will be deemed to be the fair value of such non-cash consideration as determined in good faith by the Board of Directors of the Corporation.
- (v) Record Date. If the Corporation takes a record of the holders of Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in Common Stock, Options or in Convertible Securities or (B) to subscribe for or purchase Common Stock, Options or Convertible Securities, then such record date will be deemed to be the date of the issue or sale of the Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.
- (b) Stock Dividends and Splits. If the Corporation, at any time while any Series B Preferred Stock is outstanding, (i) pays a stock dividend on its Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, (ii) subdivides outstanding shares of Common Stock into a larger number of shares, or (iii) combines outstanding shares of Common Stock into a smaller number of shares, then in each such case the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such subdivision or combination.

- (c) Fundamental Transactions. If, at any time while Series B Preferred Stock is outstanding there is a Fundamental Transaction, then the Holder shall have the right thereafter to receive, upon conversion of Series B Preferred Stock, the same amount and kind of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of the number of shares of Common Stock then issuable upon conversion in full of Series B Preferred Stock held by such Holder (the "Alternate Consideration"). For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Corporation shall apportion the Conversion Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of Series B Preferred Stock following such Fundamental Transaction. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this paragraph (c) and insuring that the Series B Preferred Stock (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.
- (d) Other Events. If any event occurs of the type contemplated by the provisions of this Section 7.3 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features), then the Corporation's Board of Directors in good faith will make an appropriate adjustment in the Conversion Price so as to be equitable under the circumstances and otherwise protect the rights of the Holders; provided that no such adjustment will increase the Conversion Price as otherwise determined pursuant to this Section 7.3.

7.4 Written Instrument as to Adjustments. Whenever the Conversion Price is adjusted as herein provided, an officer of the Corporation shall compute the adjusted Conversion Price in accordance with the foregoing provisions and shall prepare a written instrument setting forth such adjusted Conversion Price and showing in detail the facts upon which such adjustment is based, and a copy of such written instrument shall forthwith be mailed to each Holder of record of the Series B Preferred Stock, and made available for inspection by the stockholders of the Corporation.

7.5 Reservation of Common Stock. The Corporation shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock, for the purpose of effecting the conversion of the shares of Series B Preferred Stock, an amount of Common Stock equal to one hundred twenty-five percent (125%) of the aggregate number of shares of Common Stock then deliverable upon the conversion of all shares of Series B Preferred Stock then outstanding, and such shares shall be listed, subject to notice of issuance, on any stock exchange(s) on which outstanding shares of Common Stock may then be listed.

7.6 Payment of Taxes. The Corporation will pay any and all taxes that may be payable in respect of the issuance or delivery of shares of Class A Common Stock on conversion of shares of Series B Preferred Stock pursuant hereto. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issue and delivery of shares of Class A Common Stock in a name other than that in which the shares of Series B Preferred Stock so converted were registered, and no such issue or delivery shall be made unless and until the person requesting such issue has paid to the Corporation the amount of any such tax, or has established, to the satisfaction of the Corporation, that such tax has been paid or is not payable.

7.7 Ownership Cap and Certain Exercise Restrictions.

(a) Notwithstanding anything to the contrary set forth in this Certification of Designations, at no time may a Holder of this Series B Preferred Stock convert this Series B Preferred Stock to the extent that after giving effect to such conversion, the Holder (together with the Holder's affiliates) would beneficially own (as determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules thereunder) in excess of 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to such conversion; provided, however, that upon a Holder of this Series B Preferred Stock providing the Corporation with sixty-one (61) days notice (the "Waiver Notice") that such Holder would like to waive this Section 7.7(a) with regard to any or all shares of Common Stock issuable upon conversion of this Series B Preferred Stock, this Section 7.7(a) will be of no force or effect with regard to all or a portion of the Series B Preferred Stock referenced in the Waiver Notice.

- (b) Notwithstanding anything to the contrary set forth in this Certificate of Designations, at no time may a Holder of this Series B Preferred Stock convert this Series B Preferred Stock to the extent that after giving effect to such conversion, the Holder (together with the Holder's affiliates) would beneficially own (as determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules thereunder) in excess of 9.99% of the number of shares of Common Stock outstanding immediately after giving effect to such conversion; provided, however that upon a Holder of this Series B Preferred Stock providing the Corporation with a Waiver Notice that such Holder would like to waive this Section 7.7(b) with regard to any or all shares of Common Stock issuable upon conversion of the Series B Preferred Stock, this Section 7.7(b) shall be of no force or effect with regard to those shares of Series B Preferred Stock referenced in the Waiver Notice.
- (c) Notwithstanding anything to the contrary set forth in this Certificate of Designations, at no time may a Holder of this Series B Preferred Stock convert this Series B Preferred Stock to the extent that the issuance of shares of Common Stock upon such conversion would exceed the aggregate number of shares of Common Stock which the Corporation may issue upon conversion or exercise of this Series B Preferred Stock without breaching the Corporation's obligations under the rules or regulation of the principal exchange upon which shares of the Corporation's Common Stock are traded. In such an event, the Corporation covenants to promptly as possible seek to obtain the necessary shareholder or other approvals necessary to effect complete conversion of all shares of Series B Preferred Stock outstanding.
- 7.8 No Impairment. The Corporation will not, by amendment of its Certificate of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in the carrying out of all the provisions of Sections 7.1 through 7.7 and in the taking of all such actions as may be necessary or appropriate in order to protect the conversion rights of the Holders against impairment.

8.

Other Rights.

8.1 Redemption Right. No sooner than fifteen (15) days nor later than ten (10) days prior to the consummation of a Change of Control, but not prior to the public announcement of such Change of Control, the Corporation shall deliver written notice thereof via facsimile and overnight courier to the Holder (a "Change in Control Notice"). At any time during the period beginning after the Holder's receipt of a Change of Control Notice and ending ten (10) Trading Days after the consummation of such Change of Control, the Holder may require the Corporation to redeem all or any portion of Series B Preferred Stock held by such Holder by delivering written notice thereof ("Change in Control Redemption Notice") to the Corporation, which Change of Control Redemption Notice shall indicate the amount the Holder is electing to be redeemed. Each share of Series B Preferred Stock subject to redemption pursuant to this Section 8.1 shall be redeemed by the Corporation in cash at a price equal to one hundred twenty-five percent (125%) of the Stated Value of the Series B Preferred Stock plus all accrued and unpaid dividends thereon at the time of such request.

8.2 Purchase Rights. If at any time the Corporation grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of Series B Preferred Stock (without taking into account any limitations or restrictions on the convertibility of Series B Preferred Stock) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

9. Mandatory Conversion or Redemption at Maturity. If any share of Series B Preferred Stock remains outstanding on September 27, 2008, (the "Maturity Date"), then the Corporation shall either, at the option of the Holder: (y) convert each such share at the Conversion Price as of the Maturity Date share without the Holder of such share being required to give a Conversion Notice on such Maturity Date; or (z) redeem each such share of Series B Preferred Stock for an amount in cash equal to its Stated Value plus all accrued and unpaid dividends thereon.

10. Required Holder Approvals. So long as any shares of Series B Preferred Stock are outstanding, the Corporation shall not, without first obtaining the approval (by vote or written consent) of the Holders of a majority of the then outstanding shares of Series B Preferred Stock: (a) amend the rights, preferences or privileges of the Series B Preferred Stock set forth in this Certificate of Designation, (b), amend or waive any provision of its Certificate of Incorporation in a manner that would alter the rights, preferences or privileges of the Series B Preferred Stock, (c) create any Senior Securities, or (d) enter into any agreement with respect to the foregoing clauses (a) through (c).

11. Notice of Corporate Events. If the Corporation (i) declares a dividend or any other distribution of cash, securities or other property in respect of its Common Stock, including without limitation any granting of rights or warrants to subscribe for or purchase any capital stock of the Corporation, (ii) authorizes or approves, enters into any agreement contemplating or solicits stockholder approval for any transaction or (iii) authorizes the voluntary dissolution, liquidation or winding up of the affairs of the Corporation, then the Corporation shall deliver to the Holders a notice describing the material terms and conditions of such transaction, at least 10 calendar days prior to the applicable record or effective date on which Common Stock would need to be owned in order to participate in or vote with respect to such transaction, and the Corporation will take all steps reasonably necessary in order to insure that the Holder is given the practical opportunity to convert its Series B Preferred Stock prior to such time so as to participate in or vote with respect to such transaction.
12. Exclusion of Other Rights. Except as may otherwise be required by law, the shares of Series B Preferred Stock shall not have any preferences or relative, participating, optional or other special rights other than those specifically set forth in this resolution and in the Certificate of Incorporation, as amended.
13. Status of Series B Preferred Stock Reacquired. Shares of Series B Preferred Stock, which have been issued and reacquired in any manner shall (upon compliance with applicable provisions of the laws of the State of Delaware), be deemed to be canceled and have the status of authorized and unissued shares of the class of Preferred Stock issuable in series undesignated as to series and may be redesignated and reissued.
14. Severability of Provisions. If any right, preference or limitation of the Series B Preferred Stock set forth in this resolution is invalid, unlawful, or incapable of being enforced by reason of any rule of law or public policy, all other rights, preferences and limitations set forth in this resolution which can be given effect without the invalid, unlawful or unenforceable right, preference or limitation shall, nevertheless, remain in full force and effect, and no right, preference or limitation herein set forth shall be deemed dependent upon any other such right, preference or limitation unless so expressed herein.
15. Headings of Subdivisions. The headings of the various subdivisions hereof are for convenience of reference only and shall not affect the interpretation of any of the provisions hereof.

16. Certain Definitions. For purposes of this Certificate of Designations, the following terms shall have the following meanings:

If the Closing Bid Price or the Closing Sale Price cannot be calculated for a security on a particular date on any of the foregoing bases, the Closing Bid Price or the Closing Sale Price, as the case may be, of such security on such date shall be the fair market value as mutually determined by the Corporation and the Holder. (b) In the event that the Purchaser elects to participate in a Subsequent Financing, the Purchaser may, at its option, on one occasion only, exchange any or all shares of Series B Preferred Stock held by the Purchaser for securities issued in the Subsequent Financing at a rate of 1 Preferred Share for each \$11,500 of securities issued in the Subsequent Financing.

(c) Notwithstanding the foregoing, Section 1.4(a) shall not apply in respect to the issuance of the following (each, a “Permitted Financing”): (i) shares of Common Stock or Common Stock options, warrants or other rights to purchase Common Stock issued to employees, officers, directors or consultants of the Company pursuant to any stock, option, equity incentive or similar plan duly adopted by the Board of Directors of the Company or shares of Common Stock issued upon exercise of any option or warrant or conversion of any convertible security issued pursuant to any stock, option, equity incentive or similar plan duly adopted by the Board of Directors of the Company, (ii) securities issued upon the exercise of or conversion of any securities issued pursuant to this Agreement, (iii) Common Stock issued upon the exercise or conversion of options, warrants, preferred stock or convertible debt instruments issued and outstanding on the date of this Agreement; provided that, (A) such securities have not been amended since the date of this Agreement to increase the number of such securities or underlying Common Stock or (B) to decrease the exercise or conversion price of any such security (except in the case of (A) and (B) pursuant to any anti-dilution or price reset provisions or otherwise that are in effect as of the date hereof), (iv) securities issued pursuant to acquisitions or strategic transactions, provided any such issuance shall only be to a Person which is, itself or through its subsidiaries, an operating company in a business synergistic with the business of the Company and in which the Company receives benefits in addition to the investment of funds, but shall not include an issuance or transaction in which the Company is issuing securities primarily for the purpose of raising capital or to an entity whose primary business is investing in

(iii) discharged or satisfied any Lien or encumbrance in excess of \$250,000 or paid any obligation or liability (absolute or contingent) in excess of \$250,000, other than current liabilities paid in the ordinary course of business and payments of principal and interest to Gottbetter;

(iv) declared or made any payment or distribution of cash or other property to stockholders with respect to its stock, or purchased or redeemed, or made any agreements so to purchase or redeem, any shares of its capital stock, in each case in excess of \$50,000 individually or \$100,000 in the aggregate;

3.16 Solvency. The Company has not taken, nor does it have any intention to take, any steps to seek protection pursuant to any bankruptcy or similar law. The Company does not have any actual knowledge nor has it received any written notice that its creditors intend to initiate involuntary bankruptcy proceedings or any actual knowledge of any fact that, as of the date hereof, would reasonably lead a creditor to do so. After giving effect to the transactions contemplated hereby to occur at the Closing, the Company will not be Insolvent (as hereinafter defined). For purposes of this Agreement, "Insolvent" means (i) the present fair saleable value of the Company's assets is less than the amount required to pay the Company's total Indebtedness, contingent or otherwise, (ii) the Company is unable to pay its debts and liabilities, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured, (iii) the Company intends to incur or believes that it will incur debts that would be beyond its ability to pay as such debts mature or (iv) the Company has unreasonably small capital with which to conduct the business in which it is engaged as such business is now conducted and is proposed to be conducted.

3.17 Off-Balance Sheet Arrangements. There is no transaction, arrangement, or other relationship between the Company and an unconsolidated or other off balance sheet entity that is required to be disclosed by the Company in its Exchange Act filings and is not so disclosed or that if made or not made would be reasonably likely to have a Material Adverse Effect.

3.18 Foreign Corrupt Practices. None of the Company, any Subsidiary, nor any of their respective directors, officers, agents, employees or other Persons acting on behalf of such subsidiaries has, in the course of their respective actions for or on behalf of the Company or any of its subsidiaries (a) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity, (b) made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds, (c) violated or is in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977, as amended or (d) made any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any foreign or domestic government official or employee.

3.19 Transactions With Affiliates. Except as set forth in the SEC Documents or as disclosed in Schedule 3.19 attached hereto, none of the officers, directors or employees of the Company is presently a party to any transaction with the Company or any Subsidiary (other than for ordinary course services as employees, officers or directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any such officer, director or employee or, to the knowledge of the Company, any corporation, partnership, trust or other entity in which any such officer, director, or employee has a substantial interest or is an officer, director, trustee or partner.

3.20 Insurance. Except as disclosed in Schedule 3.20, the Company and each Subsidiary are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as management of the Company believes to be prudent and customary in the businesses in which the Company and each Subsidiary are engaged. Neither the Company nor any Subsidiary has been refused any insurance coverage sought or applied for and neither the Company nor any Subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect.

3.21 Employee Relations. Neither the Company nor any Subsidiary is a party to any collective bargaining agreement or employs any member of a union. No Executive Officer of the Company (as defined in Rule 501(f) of the Securities Act) has notified the Company that such officer intends to leave the Company or otherwise terminate such officer's employment with the Company. No Executive Officer of the Company, to the knowledge of the Company, is, or is now, in violation of any material term of any employment contract, confidentiality, disclosure or proprietary information agreement, non-competition agreement, or any other contract or agreement or any restrictive covenant, and, to the actual knowledge of the Company, the continued employment of each such executive officer does not subject the Company or any Subsidiary to any liability with respect to any of the foregoing matters. The Company and each Subsidiary are in compliance with all federal, state, local and foreign laws and regulations respecting employment and employment practices, terms and conditions of employment and wages and hours, except where failure to be in compliance would not, either individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

3.22 Title. Except as set forth in the SEC Documents or Schedule 3.22, the Company and each Subsidiary have good and marketable title to all personal property owned by them which is material to their respective business, in each case free and clear of all Liens. Any real property and facilities held under lease by the Company or any Subsidiary are held by them under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company or any Subsidiary.

3.23 Intellectual Property Rights. The Company and its Subsidiaries own or possess the rights to use all patents, trademarks, domain names (whether or not registered) and any patentable improvements or copyrightable derivative works thereof, websites and intellectual property rights relating thereto, service marks, trade names, copyrights, licenses and authorizations which are necessary for the conduct of its business as now conducted (collectively, the “Intellectual Property Rights”) without any conflict with the rights of others, except any failures as, individually or in the aggregate, are not reasonably likely to have a Material Adverse Effect. Neither the Company nor any Subsidiary has received a written notice that the Intellectual Property Rights used by the Company or any Subsidiary violates or infringes upon the rights of any Person. To the knowledge of the Company, all such Intellectual Property Rights are enforceable and there is no existing infringement by another Person of any of the Intellectual Property Rights. The Company and its Subsidiaries have taken reasonable measures to protect the value of the Intellectual Property Rights.

3.24 Environmental Laws. The Company and each of its Subsidiaries (a) are in compliance with any and all Environmental Laws (as hereinafter defined), (b) have received all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses and (c) are in compliance with all terms and conditions of any such permit, license or approval where, in each of the foregoing clauses (a), (b) and (c), the failure to so comply could be reasonably expected to have, individually or in the aggregate, a Material Adverse Effect. The term “Environmental Laws” means all federal, state, local or foreign laws relating to pollution or protection of human health or the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata), including, without limitation, laws relating to emissions, discharges, releases or threatened releases of chemicals, pollutants, contaminants, or toxic or hazardous substances or wastes (collectively, “Hazardous Materials”) into the environment, or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials, as well as all authorizations, codes, decrees, demands or demand letters, injunctions, judgments, licenses, notices or notice letters, orders, permits, plans or regulations issued, entered, promulgated or approved thereunder.

3.25 Tax Matters. The Company and each of its Subsidiaries (a) have made or filed all federal and state income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject, (b) have paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and (c) have set aside on its books reasonably adequate provision for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply, except where such failure would not have a Material Adverse Effect. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company know of no basis for any such claim.

3.26 Sarbanes-Oxley Act; Internal Accounting and Disclosure Controls. The Company is in compliance in all material respects with the requirements of the Sarbanes-Oxley Act of 2002 that are effective as of the date hereof and applicable to it, and any and all rules and regulations promulgated by the SEC thereunder that are effective and applicable to it as of the date hereof. The Company maintains a system of internal accounting controls sufficient, in the judgment of the Company's board of directors, to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management's general or specific authorization and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate actions are taken with respect to any differences. The Company has established disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the Company and designed such disclosure controls and procedures to ensure that material information relating to the Company, including its Subsidiaries, is made known to the certifying officers by others within those entities, particularly during the period in which the Company's most recently filed periodic report under the Exchange Act, as the case may be, is being prepared. The Company's certifying officers have evaluated the effectiveness of the Company's controls and procedures as of the date prior to the filing date of the most recently filed periodic report under the Exchange Act (such date, the "Evaluation Date"). The Company presented in its most recently filed periodic report under the Exchange Act the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date. Since the Evaluation Date, there have been no significant changes in the Company's internal controls (as such term is defined in Item 307(c) of Regulation S-B under the Exchange Act) or, to the Company's knowledge, in other factors that could significantly affect the Company's internal controls. The Company maintains and will continue to maintain a standard system of accounting established and administered in accordance with United States GAAP and the applicable requirements of the Exchange Act.

3.27 Investment Company Status. The Company is not, and immediately after receipt of payment for the Securities will not be, an "investment company," an "affiliated person" of, "promoter" for or "principal underwriter" for, or an entity "controlled" by an "investment company," within the meaning of the Investment Company Act.

3.28 Material Contracts. Each contract of the Company that involves expenditures or receipts in excess of \$250,000 (each, a "Material Contract") is in full force and effect and is valid and enforceable in accordance with its terms. The Company is and has been in full compliance with all applicable terms and requirements of each Material Contract and no event has occurred or circumstance exists that (with or without notice or lapse of time) may contravene, conflict with or result in a violation or breach of, or give the Company or any other entity the right to declare a default or exercise any remedy under, or to accelerate the maturity or performance of, or to cancel, terminate or modify any Material Contract. The Company has not given or received from any other Person any notice or other communication (whether oral or written) regarding any actual, alleged, possible or potential violation or breach of, or default under, any Material Contract.

3.29 Inventory. All inventory of the Company consists of a quality and quantity usable and salable in the ordinary course of business, except for obsolete items and items of below-standard quality, all of which have been or will be written off or written down to net realizable value on the unaudited consolidated balance sheet of the Company and its Subsidiaries as of September 30, 2007. The quantities of each type of inventory (whether raw materials, work-in-process, or finished goods) are not excessive, but are reasonable and warranted in the present circumstances of the Company.

3.30 No Disagreements with Accountants. There are no disagreements of any kind presently existing, or reasonably anticipated by the Company to arise, between the Company and the accountants formerly or presently employed by the Company.

3.31 Ranking of Series B Preferred Stock. No capital stock of the Company is senior to or ranks *pari passu* with the Series B Preferred Stock in right of payment, whether with respect of payment of redemptions, interest, damages or upon liquidation or dissolution or otherwise.

3.32 Manipulation of Price. The Company has not, and to its knowledge no one acting on its behalf has, taken, directly or indirectly, any action designed to cause or to result or that could reasonably be expected to cause or result, in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any of the Securities.

3.33 Listing and Maintenance Requirements. The Company has not, in the 12 months preceding the date hereof, received notice from any Trading Market on which the Common Stock is or has been listed or quoted to the effect that the Company is not in compliance with the listing or maintenance requirements of such Trading Market. The Company is in compliance with all such maintenance requirements.

3.34 Application of Takeover Protections. The Company and its Board of Directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under the Company's Certificate of Incorporation (or similar charter documents) or the laws of its state of incorporation that is or could become applicable to the Purchaser as a result of the Purchaser and the Company fulfilling their obligations or exercising their rights under the Transaction Documents, including without limitation the Company's issuance of the Securities and the Purchaser's ownership of the Securities.

3.35 Disclosure. All written disclosure provided to the Purchaser regarding the Company, its business and the transactions contemplated hereby, including the Schedules to this Agreement, furnished by or on behalf of the Company are true and correct and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading; provided however, the Company makes no representation as to studies and reports prepared by third parties not engaged by the Company and included in the materials delivered to Purchaser.

ARTICLE IV

The Purchaser is acquiring the Securities hereunder in the ordinary course of its business. The Purchaser does not have any agreement or understanding, directly or indirectly, with any Person to distribute any of the Securities.

The Purchaser is able to bear the economic risk of an investment in the Securities and, at the present time, is able to afford a complete loss of such investment.

4.5 General Solicitation. The Purchaser is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.

4.6 No Short Position. Neither the Purchaser nor any of its affiliates has an open short position in the Common Stock of the Company. From and after Closing, the Purchaser will not use any share of Common Stock acquired pursuant to this Agreement to cover any short position until such time as the Registration Statement covering such share of Common Stock has been declared effective by the Commission. For purposes of this Agreement a “short sale” or “short position” includes, without limitation, all “short sales” as defined in Rule 200 promulgated under Regulation SHO under the 1934 Act and all types of direct and indirect stock pledges, forward sale contracts, options, puts, calls, swaps and similar arrangements (including on a total return basis), and sales and other transactions through non-US broker dealers or foreign regulated brokers.

7.2 Maintenance of Properties. The Company shall and shall cause its subsidiaries to, keep each of its properties necessary to the conduct of its business in good repair, working order and condition, reasonable wear and tear excepted, and from time to time make all needful and proper repairs, renewals, replacements, additions and improvements thereto; and the Company shall and shall its subsidiaries to at all times comply with each material provision of all material leases to which it is a party or under which it occupies property.

9.1 Events of Default. The occurrence and continuance of any of the following events shall constitute an event of default under this Agreement (each, an “Event of Default” and, collectively, “Events of Default”):

(a) if the Company shall default in the payment of any dividend on or redemption of any Preferred Share when the same shall become due and payable; and in each case such default shall have continued without cure for five (5) Trading Days after written notice (a “Default Notice”) is given to the Company of such default;

(b) if the Company shall default in the performance of any of the covenants contained in Articles VII or VIII hereof and (i) such default shall have continued without cure for ten (10) Trading Days after a Default Notice is given to the Company or (ii) such default shall have materially adversely affected the Purchaser regardless of any action taken by the Company to cure such default;

(j) the Company shall (A) default in any payment of any amount or amounts of principal of or interest on any Indebtedness (other than the Indebtedness hereunder) the aggregate principal amount of which Indebtedness is in excess of \$250,000 or (B) default in the observance or performance of any other agreement or condition relating to any such Indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event shall occur or condition exist, the effect of which default or other event or condition is to cause, or to permit the holder or holders or beneficiary or beneficiaries of such Indebtedness to cause with the giving of notice if required, such Indebtedness to become due prior to its stated maturity;

(k) if any of the Company or its subsidiaries shall default in the observance or performance of any term or provision of an agreement to which it is a party or by which it is bound, which default will have a Material Adverse Effect and such default is not waived or cured within the applicable grace period provided for in such agreement;

(l) if a final judgment which, either alone or together with other outstanding final judgments against the Company and its subsidiaries, exceeds an aggregate of \$250,000 shall be rendered against the Company or any subsidiary and such judgment shall have continued undischarged or unstayed for thirty-five (35) days after entry thereof; or

(m) the Company or any subsidiary shall (i) apply for or consent to the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of itself or of all or a substantial part of its property or assets, (ii) make a general assignment for the benefit of its creditors, (iii) commence a voluntary case under the United States Bankruptcy Code (as now or hereafter in effect) or under the comparable laws of any jurisdiction (foreign or domestic), (iv) file a petition seeking to take advantage of any bankruptcy, insolvency, moratorium, reorganization or other similar law affecting the enforcement of creditors' rights generally, (v) acquiesce in writing to any petition filed against it in an involuntary case under United States Bankruptcy Code (as now or hereafter in effect) or under the comparable laws of any jurisdiction (foreign or domestic), or admit in writing its inability to pay its debts (vi) issue a notice of bankruptcy or winding down of its operations or issue a press release regarding same, or (vii) take any action under the laws of any jurisdiction (foreign or domestic) analogous to any of the foregoing; or

9.2 Remedies.

(a) Upon the occurrence and continuance of an Event of Default, the Purchaser may at any time (unless all defaults shall theretofore have been remedied) at its option, by written notice or notices to the Company require the Company to immediately redeem in cash all or a portion of the Preferred Shares held by the Purchaser at a price per share equal to one hundred twenty-five percent (125%) of the Stated Value of the Series B Preferred Stock plus all accrued and unpaid dividends thereon at the time of such request. (b) The Purchaser, by written notice or notices to the Company, may in its own discretion waive an Event of Default and its consequences and rescind or annul such declaration; provided that, no such waiver shall extend to or affect any subsequent Event of Default or impair any right resulting therefrom.

(c) In case any one or more Events of Default shall occur and be continuing, the Purchaser may proceed to protect and enforce its rights by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Transaction Document or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law. In case of a default in the payment of any dividend on or redemption of any Preferred Share, the Company will pay to the Purchaser such further amount as shall be sufficient to cover the cost and the expenses of collection, including, without limitation, actual attorney's fees, expenses and disbursements. No course of dealing and no delay on the part of a Purchaser in exercising any rights shall operate as a waiver thereof or otherwise prejudice such Purchaser's rights. No right conferred hereby or by any Transaction Document upon the Purchaser shall be exclusive of any other right referred to herein or therein or now available at law in equity, by statute or otherwise.

ARTICLE X

CERTIFICATE LEGENDS

10.1 Legend. Each certificate representing the Securities shall be stamped or otherwise imprinted with a legend substantially in the following form (in addition to any legend required by applicable state securities or "blue sky" laws):

NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE CONVERTIBLE HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL, IN A FORM REASONABLY ACCEPTABLE TO THE COMPANY, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.

The Company shall issue irrevocable instructions to its transfer agent, and any subsequent transfer agent, to issue certificates, registered in the name of each Purchaser or its respective nominee(s), for the Conversion Shares and the Warrant Shares in such amounts as specified from time to time by each Purchaser to the Company upon conversion of the Preferred Shares or exercise of the Warrants in the form of Exhibit I attached hereto (the “Irrevocable Transfer Agent Instructions”). Prior to registration of the Conversion Shares and the Warrant Shares under the Securities Act, all such certificates shall bear the restrictive legend specified in this Section 10.1. Certificates evidencing the Conversion Shares and Warrant Shares shall not contain any legend (including the legend set forth in Section 10.1 hereof), (i) while a registration statement (including the Registration Statement) covering the resale of such security is effective under the Securities Act, or (ii) following any sale of such Conversion Shares or Warrant Shares pursuant to Rule 144, or (iii) if such Conversion Shares or Warrant Shares are eligible for sale under Rule 144 by the Purchaser without limitation as to volume or manner of sale, or (iv) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the Staff of the Commission). The Company shall cause its counsel to issue a legal opinion to the Company’s transfer agent promptly after the effective date of a registration statement covering such Conversion Shares or Warrant Shares, if required by the Company’s transfer agent, to effect the removal of the legend hereunder. If all or any portion of the Preferred Shares or a Warrant is exercised at a time when there is an effective registration statement to cover the resale of the Conversion Shares or the Warrant Shares, such Conversion Shares and Warrant Shares, as the case may be, shall be issued free of all legends. The Company agrees that following the effective date of the registration statement covering Conversion Shares or Warrant Shares or at such time as such legend is no longer required under this Section 10.1, it will, no later than five (5) Trading Days following the delivery by the Purchaser to the Company or the Company’s transfer agent of a certificate representing Conversion Shares or Warrant Shares, as the case may be, issued with a restrictive legend (such date, the “Delivery Date”), deliver or cause to be delivered to the Purchaser a certificate representing such Securities that is free from all restrictive and other legends. The Company may not make any notation on its records or give instructions to any transfer agent of the Company that enlarge the restrictions on transfer set forth in this Section. Whenever a certificate representing the Conversion Shares or Warrant Shares is required to be issued to the Purchaser without a legend, in lieu of delivering physical certificates representing the Conversion Shares or Warrant Shares, provided the Company’s transfer agent is participating in the Depository Trust Company (“DTC”) Fast Automated Securities Transfer program, the Company shall use its reasonable best efforts to cause its transfer agent to electronically transmit the Conversion Shares or Warrant Shares to the Purchaser by crediting the account of such Purchaser’s Prime Broker with DTC through its Deposit Withdrawal Agent Commission (“DWAC”) system (to the extent not inconsistent with any provisions of this Agreement).

10.2 Liquidated Damages. The Company understands that a delay in the delivery of unlegended certificates for the Conversion Shares or the Warrant Shares as set forth in Section 10.1 hereof beyond the Delivery Date could result in economic loss to the Purchaser. If the Company fails to deliver to a Purchaser such shares via DWAC or a certificate or certificates pursuant to this Section hereunder by the Delivery Date, the Company shall pay to the Purchaser, in cash, as partial liquidated damages and not as a penalty, for each \$500 of Conversion Shares or Warrant Shares (based on the closing price of the Common Stock reported by the principal Trading Market on the date such Securities are submitted to the Company’s transfer agent) subject to Section 10.1, \$10 per Trading Day (increasing to \$15 per Trading Day five (5) Trading Days after such damages have begun to accrue and increasing to \$20 per Trading Day ten (10) Trading Days after such damages have begun to accrue) for each Trading Day after the Legend Removal Date until such certificate is delivered. Nothing herein shall limit the Purchaser’s right to pursue actual damages for the Company’s failure to deliver certificates representing any Securities as required by the Transaction Documents, and the Purchaser shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief.

10.3 Sales by the Purchaser. The Purchaser agrees that the removal of the restrictive legend from certificates representing Securities as set forth in Section 10.1 is predicated upon the Company's reliance that the Purchaser will sell any Securities pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom.

ARTICLE XI INDEMNIFICATION

11.1 Indemnification by the Company. The Company agrees to defend, indemnify and hold harmless the Purchaser and shall reimburse the Purchaser for, from and against each claim, loss, liability, cost and expense (including without limitation, interest, penalties, costs of preparation and investigation, and the actual fees, disbursements and expenses of attorneys, accountants and other professional advisors) (collectively, "Losses") directly or indirectly relating to, resulting from or arising out of (a) any untrue representation, misrepresentation, breach of warranty or non-fulfillment of any covenant, agreement or other obligation by or of the Company contained in any Transaction Document or in any certificate, document, or instrument-delivered by the Company to the Purchaser pursuant to Section 5.4(i) hereof; or (b) any action instituted against the Purchaser or its affiliates, by any stockholder of the Company who is not an affiliate of the Purchaser, with respect to any of the transactions contemplated by the Transaction Documents (unless such action is based upon a breach of the Purchaser's representations, warranties or covenants under the Transaction Documents or any agreements or understandings the Purchaser may have with any such stockholder or any violations by the Purchaser of state or federal securities laws or any conduct by the Purchaser which constitutes fraud, gross negligence, willful misconduct or malfeasance).

11.2 Indemnification by the Purchaser. Purchaser shall defend, indemnify and hold harmless the Company and its subsidiaries and shall reimburse the Company and its Subsidiaries for, from and against each Loss directly or indirectly relating to, resulting from or arising out of any untrue representation, misrepresentation, breach of warranty or non-fulfillment of any covenant, agreement or other obligation by or of the Purchaser contained in any Transaction Document delivered to the Company or any of its subsidiaries pursuant thereto.

11.3 Procedure.

(a) The indemnified party shall promptly notify the indemnifying party of any claim, demand, action or proceeding for which indemnification will be sought under this Agreement; provided, that the failure of any party entitled to indemnification hereunder to give notice as provided herein shall not relieve the indemnifying party of its obligations under this Article XI except to the extent that the indemnifying party is actually prejudiced by such failure to give notice.

(b) In case any such action, proceeding or claim is brought against an indemnified party in respect of which indemnification is sought hereunder, the indemnifying party shall be entitled to participate in and, unless in the reasonable, good-faith judgment of the indemnified party a conflict of interest between it and the indemnifying party exists with respect to such action, proceeding or claim (in which case the indemnifying party shall be responsible for the reasonable fees and expenses of one separate counsel for the indemnified party), to assume the defense thereof with counsel reasonably satisfactory to the indemnified party. If the indemnifying party elects to defend any such action or claim, then the indemnified party shall be entitled to participate in such defense (but not control) with counsel of its choice at its sole cost and expense (except that the indemnifying party shall remain responsible for the reasonable fees and expenses of one separate counsel for the indemnified party in the event in the reasonable, good-faith judgment of the indemnified party a conflict of interest between it and the indemnifying party exists).

(c) In the event that the indemnifying party advises an indemnified party that it will contest such a claim for indemnification hereunder, or fails, within thirty (30) days of receipt of any indemnification notice to notify, in writing, such person of its election to defend, settle or compromise, at its sole cost and expense, any action, proceeding or claim (or discontinues its defense at any time after it commences such defense), then the indemnified party may, at its option, defend, settle or otherwise compromise or pay such action or claim. In any event, unless and until the indemnifying party elects in writing to assume and does so assume the defense of any such claim, proceeding or action, the indemnified party's costs and expenses arising out of the defense, settlement or compromise of any such action, claim or proceeding shall be Losses subject to indemnification hereunder.

(d) The parties shall cooperate fully with each other in connection with any negotiation or defense of any such action or claim and shall furnish to the other party all information reasonably available to such party which relates to such action or claim. The each party shall keep the other party fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto.

(e) Notwithstanding anything in this Article XI to the contrary, the indemnifying party shall not, without the indemnified party's prior written consent, settle or compromise any claim or consent to entry of any judgment in respect thereof which imposes any future obligation on the indemnified party or which does not include, as an unconditional term thereof, the giving by the claimant or the plaintiff to the indemnified party of a release from all liability in respect of such claim. The indemnification obligations to defend the indemnified party required by this Article XI shall be made by periodic payments of the amount thereof during the course of investigation or defense, as and when the Loss is incurred, so long as the indemnified party shall refund such moneys if it is ultimately determined by a court of competent jurisdiction that such party was not entitled to indemnification. The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar rights of the indemnified party against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

Ladies and Gentlemen:

Reference is made to that certain Securities Purchase Agreement (the "Purchase Agreement"), dated January __, 2008, by and between MDwerks, Inc., a Delaware corporation (the "Company"), and the purchaser named therein (the "Purchasers") pursuant to which the Company is issuing to the Purchasers shares of its Series B Preferred Stock, par value \$0.001 per share (the "Preferred Shares"), convertible into shares of the Company's common stock, par value \$0.001 per share (the "Common Stock") and warrants (the "Warrants") to purchase shares of the Company's Common Stock. This letter shall serve as our irrevocable authorization and direction to you (provided that you are the transfer agent of the Company at such time) to issue shares of Common Stock upon conversion of the Preferred Shares (the "Conversion Shares") and exercise of the Warrants (the "Warrant Shares") to or upon the order of a Purchaser from time to time upon (i) surrender to you of a properly completed and duly executed Conversion Notice or Exercise Notice, as the case may be, in the form attached hereto as Exhibit I and Exhibit II, respectively, (ii) in the case of the conversion of Preferred Shares, a copy of the certificate representing the Preferred Shares (with the original delivered to the Company) representing the Preferred Shares being converted or, in the case of Warrants being exercised, a copy of the Warrants (with the original Warrants delivered to the Company) being exercised (or, in each case, an indemnification undertaking with respect to such Preferred Shares or the Warrants in the case of their loss, theft or destruction), and (iii) delivery of a treasury order or other appropriate order duly executed by a duly authorized officer of the Company. So long as you have previously received written confirmation from counsel to the Company that a registration statement covering resales of the Conversion Shares or Warrant Shares, as applicable, has been declared effective by the Securities and Exchange Commission (the "SEC") under the Securities Act of 1933, as amended (the "1933 Act"), and you have not received any subsequent notice by the Company or its counsel of the suspension or termination of the effectiveness of such registration statement, then certificates representing the Conversion Shares and the Warrant Shares, as the case may be, shall not bear any legend restricting transfer of the Conversion Shares and the Warrant Shares, as the case may be, thereby and should not be subject to any stop-transfer restriction; provided, however, that if you have not previously received written confirmation from counsel to the Company that a registration statement covering resales of the Conversion Shares or Warrant Shares, as applicable, has been declared effective by the SEC under the 1933 Act, then the certificates for the Conversion Shares and the Warrant Shares shall bear the following legend:

NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE CONVERTIBLE HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL, IN A FORM REASONABLY ACCEPTABLE TO THE COMPANY, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN

ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.

A form of written confirmation from counsel to the Company that a registration statement covering resales of the Conversion Shares and the Warrant Shares has been declared effective by the SEC under the 1933 Act is attached hereto as Exhibit III.

Re: **MDwerks, Inc.**

Ladies and Gentlemen:

We are special counsel to MDwerks, a Delaware corporation (the "Company"), and have represented the Company in connection with that certain Securities Purchase Agreement (the "Purchase Agreement"), dated as of January __, 2008, by and among the Company and the purchasers named therein (collectively, the "Purchasers") pursuant to which the Company issued to the Purchasers secured convertible promissory notes (the "Notes") and warrants (the "Warrants") to purchase shares of the Company's common stock, par value \$0.001 per share (the "Common Stock"). Pursuant to the Purchase Agreement, the Company has also entered into a Registration Rights Agreement with the Purchasers (the "Registration Rights Agreement"), dated as of January __, 2008, pursuant to which the Company agreed, among other things, to register the Registrable Securities (as defined in the Registration Rights Agreement), including the shares of Common Stock issuable upon conversion of the Notes and exercise of the Warrants, under the Securities Act of 1933, as amended (the "1933 Act"). In connection with the Company's obligations under the Registration Rights Agreement, on _____, 2007, the Company filed a Registration Statement on Form SB-2 (File No. 333-_____) (the "Registration Statement") with the Securities and Exchange Commission (the "SEC") relating to the resale of the Registrable Securities which names each of the present Purchasers as a selling stockholder thereunder.

In connection with the foregoing, we advise you that a member of the SEC's staff has advised us by telephone that the SEC has entered an order declaring the Registration Statement effective under the 1933 Act at [ENTER TIME OF EFFECTIVENESS] on [ENTER DATE OF EFFECTIVENESS] and we have no knowledge, after telephonic inquiry of a member of the SEC's staff, that any stop order suspending its effectiveness has been issued or that any proceedings for that purpose are pending before, or threatened by, the SEC and accordingly, the Registrable Securities are available for resale under the 1933 Act pursuant to the Registration Statement.

Very truly yours,

3. Administration.

(a) *Authority of the Committee.* The Plan shall be administered by the Committee, except to the extent the Board elects to administer the Plan, in which case the Plan shall be administered by only those directors who are Independent Directors, in which case references herein to the “Committee” shall be deemed to include references to the Independent members of the Board. The Committee shall have full and final authority, subject to and consistent with the provisions of the Plan, to select Eligible Persons to become Participants, grant Awards, determine the type, number and other terms and conditions of, and all other matters relating to, Awards, prescribe Award Agreements (which need not be identical for each Participant) and rules and regulations for the administration of the Plan, construe and interpret the Plan and Award Agreements and correct defects, supply omissions or reconcile inconsistencies therein, and to make all other decisions and determinations as the Committee may deem necessary or advisable for the administration of the Plan. In exercising any discretion granted to the Committee under the Plan or pursuant to any Award, the Committee shall not be required to follow past practices, act in a manner consistent with past practices, or treat any Eligible

Person or Participant in a manner consistent with the treatment of other Eligible Persons or Participants.

(b) *Manner of Exercise of Committee Authority.* The Committee, and not the Board, shall exercise sole and exclusive discretion on any matter relating to a Participant then subject to Section 16 of the Exchange Act with respect to the Company to the extent necessary in order that transactions by such Participant shall be exempt under Rule 16b-3 under the Exchange Act. Any action of the Committee shall be final, conclusive and binding on all persons, including the Company, its Related Entities, Participants, Beneficiaries, transferees under Section 10(b) hereof or other persons claiming rights from or through a Participant, and shareholders. The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. The Committee may delegate to officers or managers of the Company or any Related Entity, or committees thereof, the authority, subject to such terms as the Committee shall determine, to perform such functions, including administrative functions as the Committee may determine to the extent that such delegation will not result in the loss of an exemption under Rule 16b-3(d)(1) for Awards granted to Participants subject to Section 16 of the Exchange Act in respect of the Company and will not cause Awards intended to qualify as “performance-based compensation” under Code Section 162(m) to fail to so qualify. The Committee may appoint agents to assist it in administering the Plan.

(c) *Limitation of Liability.* The Committee and the Board, and each member thereof, shall be entitled to, in good faith, rely or act upon any report or other information furnished to him or her by any officer or Employee, the Company's independent auditors, Consultants or any other agents assisting in the administration of the Plan. Members of the Committee and the Board, and any officer or Employee acting at the direction or on behalf of the Committee or the Board, shall not be personally liable for any action or determination taken or made in good faith with respect to the Plan, and shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action or determination.

4. *Shares Subject to Plan.*

(a) *Limitation on Overall Number of Shares Available for Delivery Under Plan.* Subject to adjustment as provided in Section 10(c) hereof, the total number of Shares reserved and available for delivery under the Plan shall be 10,000,000. Any Shares delivered under the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares.

(b) *Application of Limitation to Grants of Award.* No Award may be granted if the number of Shares to be delivered in connection with such an Award or, in the case of an Award relating to Shares but settled only in cash (such as cash-only Stock Appreciation Rights), the number of Shares to which such Award relates, exceeds the number of Shares remaining available for delivery under the Plan, minus the number of Shares deliverable in settlement of or relating to then outstanding Awards. The Committee may adopt reasonable counting procedures to ensure appropriate counting, avoid double counting (as, for example, in the case of tandem or substitute awards) and make adjustments if the number of Shares actually delivered differs from the number of Shares previously counted in connection with an Award.

(c) Availability of Shares Not Delivered under Awards and Adjustments to Limits.

(i) If any Shares subject to an Award are forfeited, expire or otherwise terminate without issuance of such Shares, or any Award is settled for cash or otherwise does not result in the issuance of all or a portion of the Shares subject to such Award or award, the Shares shall, to the extent of such forfeiture, expiration, termination, cash settlement or non-issuance, again be available for Awards under the Plan, subject to Section 4(c)(v) below.

(ii) In the event that any Option or other Award granted hereunder is exercised through the tendering of Shares (either actually or by attestation) or by the withholding of Shares by the Company, or withholding tax liabilities arising from such option or other award are satisfied by the tendering of Shares (either actually or by attestation) or by the withholding of Shares by the Company, then only the number of Shares issued net of the Shares tendered or withheld shall be counted for purposes of determining the maximum number of Shares available for grant under the Plan.

(iii) Shares reacquired by the Company on the open market using Option Proceeds shall be available for Awards under the Plan. The increase in Shares available pursuant to the repurchase of Shares with Option Proceeds shall not be greater than the amount of such proceeds divided by the Fair Market Value of a Share on the date of exercise of the Option giving rise to such Option Proceeds.

(iv) Substitute Awards shall not reduce the Shares authorized for grant under the Plan or authorized for grant to a Participant in any period. Additionally, in the event that a company acquired by the Company or any Related Entity or with which the Company or any Related Entity combines has shares available under a pre-existing plan approved by shareholders and not adopted in contemplation of such acquisition or combination, the shares available for delivery pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for delivery under the Plan; provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Employees or Directors prior to such acquisition or combination.

(v) Any Shares that again become available for delivery pursuant to this Section 4(c) shall be added back as one (1) Share.

(vi) Notwithstanding anything in this Section 4(c) to the contrary and solely for purposes of determining whether Shares are available for the delivery of Incentive Stock Options, the maximum aggregate number of shares that may be granted under this Plan shall be determined without regard to any Shares restored pursuant to this Section 4(c) that, if taken into account, would cause the Plan to fail the requirement under Code Section 422 that the Plan designate a maximum aggregate number of shares that may be issued.

5. Eligibility; Per-Person Award Limitations. Awards may be granted under the Plan only to Eligible Persons. Subject to adjustment as provided in Section 10(c), in any fiscal year of the Company during any part of which the Plan is in effect, no Participant may be granted (i) Options or Stock Appreciation Rights with respect to more than 2,000,000 Shares or (ii) Restricted Stock, Deferred Stock, Performance Shares and/or Other Stock-Based Awards with respect to more than 2,000,000 Shares. In addition, the maximum dollar value payable to any one Participant with respect to Performance Units is (x) \$3,000,000 with respect to any 12-month Performance Period, and (y) with respect to any Performance Period that is more than 12 months, \$3,000,000 multiplied by the number of full years in the Performance Period.

6. *Specific Terms of Awards.*

(a) *General.* Awards may be granted on the terms and conditions set forth in this Section 6. In addition, the Committee may impose on any Award or the exercise thereof, at the date of grant or thereafter (subject to Section 10(e)), such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine, including terms requiring forfeiture of Awards in the event of termination of the Participant's Continuous Service and terms permitting a Participant to make elections relating to his or her Award. The Committee shall retain full power and discretion to accelerate, waive or modify, at any time, any term or condition of an Award that is not mandatory under the Plan. Except in cases in which the Committee is authorized to require other forms of consideration under the Plan, or to the extent other forms of consideration must be paid to satisfy the requirements of applicable law, no consideration other than services may be required for the grant (but not the exercise) of any Award.

(b) *Options.* The Committee is authorized to grant Options to any Eligible Person on the following terms and conditions:

(i) *Exercise Price.* Other than in connection with Substitute Awards, the exercise price per Share purchasable under an Option shall be determined by the Committee, provided that such exercise price shall not, in the case of Incentive Stock Options, be less than 100% of the Fair Market Value of a Share on the date of grant of the Option and shall not, in any event, be less than the par value of a Share on the date of grant of the Option. If an Employee owns or is deemed to own (by reason of the attribution rules applicable under Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company (or any parent corporation or subsidiary corporation of the Company, as those terms are defined in Sections 424(e) and (f) of the Code, respectively) and an Incentive Stock Option is granted to such employee, the exercise price of such Incentive Stock Option (to the extent required by the Code at the time of grant) shall be no less than 110% of the Fair Market Value a Share on the date such Incentive Stock Option is granted.

(ii) *Time and Method of Exercise.* The Committee shall determine the time or times at which or the circumstances under which an Option may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the time or times at which Options shall cease to be or become exercisable following termination of Continuous Service or upon other conditions, the methods by which the exercise price may be paid or deemed to be paid (including in the discretion of the Committee a cashless exercise procedure), the form of such payment, including, without limitation, cash, Shares, other Awards or awards granted under other plans of the Company or a Related Entity, or other property (including notes or other contractual obligations of Participants to make payment on a deferred basis provided that such deferred payments are not in violation of the Sarbanes-Oxley Act of 2002, or any rule or regulation adopted thereunder or any other applicable law), and the methods by or forms in which Shares will be delivered or deemed to be delivered to Participants.

(iii) *Incentive Stock Options.* The terms of any Incentive Stock Option granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code. Anything in the Plan to the contrary notwithstanding, no term of the Plan relating to Incentive Stock Options (including any Stock Appreciation Right issued in tandem therewith) shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be exercised, so as to disqualify either the Plan or any Incentive Stock Option under Section 422 of the Code, unless the Participant has first requested, or consents to, the change that will result in such disqualification. Thus, if and to the extent required to comply with Section 422 of the Code, Options granted as Incentive Stock Options shall be subject to the following special terms and conditions:

(A) the Option shall not be exercisable more than ten years after the date such Incentive Stock Option is granted; provided, however, that if a Participant owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company (or any parent corporation or subsidiary corporation of the Company, as those terms are defined in Sections 424(e) and (f) of the Code, respectively) and the Incentive Stock Option is granted to such Participant, the term of the Incentive Stock Option shall be (to the extent required by the Code at the time of the grant) for no more than five years from the date of grant; and

(B) The aggregate Fair Market Value (determined as of the date the Incentive Stock Option is granted) of the Shares with respect to which Incentive Stock Options granted under the Plan and all other option plans of the Company (and any parent corporation or subsidiary corporation of the Company, as those terms are defined in Sections 424(e) and (f) of the Code, respectively) during any calendar year exercisable for the first time by the Participant during any calendar year shall not (to the extent required by the Code at the time of the grant) exceed \$100,000.

(c) *Stock Appreciation Rights.* The Committee may grant Stock Appreciation Rights to any Eligible Person in conjunction with all or part of any Option granted under the Plan or at any subsequent time during the term of such Option (a “Tandem Stock Appreciation Right”), or without regard to any Option (a “Freestanding Stock Appreciation Right”), in each case upon such terms and conditions as the Committee may establish in its sole discretion, not inconsistent with the provisions of the Plan, including the following:

(i) *Right to Payment.* A Stock Appreciation Right shall confer on the Participant to whom it is granted a right to receive, upon exercise thereof, the excess of (A) the Fair Market Value of one Share on the date of exercise over (B) the grant price of the Stock Appreciation Right as determined by the Committee. The grant price of a Stock Appreciation Right shall not be less than 100% of the Fair Market Value of a Share on the date of grant, in the case of a Freestanding Stock Appreciation Right, or less than the associated Option exercise price, in the case of a Tandem Stock Appreciation Right.

(ii) *Other Terms.* The Committee shall determine at the date of grant or thereafter, the time or times at which and the circumstances under which a Stock Appreciation Right may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the time or times at which Stock Appreciation Rights shall cease to be or become exercisable following termination of Continuous Service or upon other conditions, the method of exercise, method of settlement, form of consideration payable in settlement, method by or forms in which Shares will be delivered or deemed to be delivered to Participants, whether or not a Stock Appreciation Right shall be in tandem or in combination with any other Award, and any other terms and conditions of any Stock Appreciation Right.

(iii) *Tandem Stock Appreciation Rights.* Any Tandem Stock Appreciation Right may be granted at the same time as the related Option is granted or, for Options that are not Incentive Stock Options, at any time thereafter before exercise or expiration of such Option. Any Tandem Stock Appreciation Right related to an Option may be exercised only when the related Option would be exercisable and the Fair Market Value of the Shares subject to the related Option exceeds the exercise price at which Shares can be acquired pursuant to the Option. In addition, if a Tandem Stock Appreciation Right exists with respect to less than the full number of Shares covered by a related Option, then an exercise or termination of such Option shall not reduce the number of Shares to which the Tandem Stock Appreciation Right applies until the number of Shares then exercisable under such Option equals the number of Shares to which the Tandem Stock Appreciation Right applies. Any Option related to a Tandem Stock Appreciation Right shall no longer be exercisable to the extent the Tandem Stock Appreciation Right has been exercised, and any Tandem Stock Appreciation Right shall no longer be exercisable to the extent the related Option has been exercised.

(d) *Restricted Stock Awards.* The Committee is authorized to grant Restricted Stock Awards to any Eligible Person on the following terms and conditions:

(i) *Grant and Restrictions.* Restricted Stock Awards shall be subject to such restrictions on transferability, risk of forfeiture and other restrictions, if any, as the Committee may impose, or as otherwise provided in this Plan, covering a period of time specified by the Committee (the "Restriction Period"). The terms of any Restricted Stock Award granted under the Plan shall be set forth in a written Award Agreement which shall contain provisions determined by the Committee and not inconsistent with the Plan. The restrictions may lapse separately or in combination at such times, under such circumstances (including based on achievement of performance goals and/or future service requirements), in such installments or otherwise, as the Committee may determine at the date of grant or thereafter. Except to the extent restricted under the terms of the Plan and any Award Agreement relating to a Restricted Stock Award, a Participant granted Restricted Stock shall have all of the rights of a shareholder, including the right to vote the Restricted Stock and the right to receive dividends thereon (subject to any mandatory reinvestment or other requirement imposed by the Committee). During the Restriction Period, subject to Section 10(b) below, the Restricted Stock may not be sold, transferred, pledged, hypothecated, margined or otherwise encumbered by the Participant.

(ii) *Forfeiture.* Except as otherwise determined by the Committee, upon termination of a Participant's Continuous Service during the applicable Restriction Period, the Participant's Restricted Stock that is at that time subject to a risk of forfeiture that has not lapsed or otherwise been satisfied shall be forfeited and reacquired by the Company; provided that the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that forfeiture conditions relating to Restricted Stock Awards shall be waived in whole or in part in the event of terminations resulting from specified causes.

(iii) *Certificates for Stock.* Restricted Stock granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing Restricted Stock are registered in the name of the Participant, the Committee may require that such certificates bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Restricted Stock, that the Company retain physical possession of the certificates, and that the Participant deliver a stock power to the Company, endorsed in blank, relating to the Restricted Stock.

(iv) *Dividends and Splits.* As a condition to the grant of a Restricted Stock Award, the Committee may require or permit a Participant to elect that any cash dividends paid on a Share of Restricted Stock be automatically reinvested in additional Shares of Restricted Stock or applied to the purchase of additional Awards under the Plan. Unless otherwise determined by the Committee, Shares distributed in connection with a stock split or stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such Shares or other property have been distributed.

(e) *Deferred Stock Award.* The Committee is authorized to grant Deferred Stock Awards to any Eligible Person on the following terms and conditions:

(i) *Award and Restrictions.* Satisfaction of a Deferred Stock Award shall occur upon expiration of the deferral period specified for such Deferred Stock Award by the Committee (or, if permitted by the Committee, as elected by the Participant). In addition, a Deferred Stock Award shall be subject to such restrictions (which may include a risk of forfeiture) as the Committee may impose, if any, which restrictions may lapse at the expiration of the deferral period or at earlier specified times (including based on achievement of performance goals and/or future service requirements), separately or in combination, in installments or otherwise, as the Committee may determine. A Deferred Stock Award may be satisfied by delivery of Shares, cash equal to the Fair Market Value of the specified number of Shares covered by the Deferred Stock, or a combination thereof, as determined by the Committee at the date of grant or thereafter. Prior to satisfaction of a Deferred Stock Award, a Deferred Stock Award carries no voting or dividend or other rights associated with Share ownership.

(ii) *Forfeiture.* Except as otherwise determined by the Committee, upon termination of a Participant's Continuous Service during the applicable deferral period or portion thereof to which forfeiture conditions apply (as provided in the Award Agreement evidencing the Deferred Stock Award), the Participant's Deferred Stock Award that is at that time subject to a risk of forfeiture that has not lapsed or otherwise been satisfied shall be forfeited; provided that the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that forfeiture conditions relating to a Deferred Stock Award shall be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of any Deferred Stock Award.

(iii) *Dividend Equivalents.* Unless otherwise determined by the Committee at date of grant, any Dividend Equivalents that are granted with respect to any Deferred Stock Award shall be either (A) paid with respect to such Deferred Stock Award at the dividend payment date in cash or in Shares of unrestricted stock having a Fair Market Value equal to the amount of such dividends, or (B) deferred with respect to such Deferred Stock Award and the amount or value thereof automatically deemed reinvested in additional Deferred Stock, other Awards or other investment vehicles, as the Committee shall determine or permit the Participant to elect.

(f) *Bonus Stock and Awards in Lieu of Obligations.* The Committee is authorized to grant Shares to any Eligible Persons as a bonus, or to grant Shares or other Awards in lieu of obligations to pay cash or deliver other property under the Plan or under other plans or compensatory arrangements, provided that, in the case of Eligible Persons subject to Section 16 of the Exchange Act, the amount of such grants remains within the discretion of the Committee to the extent necessary to ensure that acquisitions of Shares or other Awards are exempt from liability under Section 16(b) of the Exchange Act. Shares or Awards granted hereunder shall be subject to such other terms as shall be determined by the Committee.

(g) *Dividend Equivalents.* The Committee is authorized to grant Dividend Equivalents to any Eligible Person entitling the Eligible Person to receive cash, Shares, other Awards, or other property equal in value to the dividends paid with respect to a specified number of Shares, or other periodic payments. Dividend Equivalents may be awarded on a free-standing basis or in connection with another Award. The Committee may provide that Dividend Equivalents shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional Shares, Awards, or other investment vehicles, and subject to such restrictions on transferability and risks of forfeiture, as the Committee may specify.

(h) *Performance Awards.* The Committee is authorized to grant Performance Awards to any Eligible Person payable in cash, Shares, or other Awards, on terms and conditions established by the Committee, subject to the provisions of Section 8 if and to the extent that the Committee shall, in its sole discretion, determine that an Award shall be subject to those provisions. The performance criteria to be achieved during any Performance Period and the length of the Performance Period shall be determined by the Committee upon the grant of each Performance Award. Except as provided in Section 9 or as may be provided in an Award Agreement, Performance Awards will be distributed only after the end of the relevant Performance Period. The performance goals to be achieved for each Performance Period shall be conclusively determined by the Committee and may be based upon the criteria set forth in Section 8(b), or in the case of an Award that the Committee determines shall not be subject to Section 8 hereof, any other criteria that the Committee, in its sole discretion, shall determine should be used for that purpose. The amount of the Award to be distributed shall be conclusively determined by the Committee. Performance Awards may be paid in a lump sum or in installments following the close of the Performance Period or, in accordance with procedures established by the Committee, on a deferred basis.

(i) *Other Stock-Based Awards.* The Committee is authorized, subject to limitations under applicable law, to grant to any Eligible Person such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Shares, as deemed by the Committee to be consistent with the purposes of the Plan. Other Stock-Based Awards may be granted to Participants either alone or in addition to other Awards granted under the Plan, and such Other Stock-Based Awards shall also be available as a form of payment in the settlement of other Awards granted under the Plan. The Committee shall determine the terms and conditions of such Awards. Shares delivered pursuant to an Award in the nature of a purchase right granted under this Section 6(i) shall be purchased for such consideration (including, without limitation, loans from the Company or a Related Entity provided that such loans are not in violation of the Sarbanes Oxley Act of 2002, or any rule or regulation adopted thereunder or any other applicable law) paid for at such times, by such methods, and in such forms, including, without limitation, cash, Shares, other Awards or other property, as the Committee shall determine.

7. Certain Provisions Applicable to Awards.

(a) *Stand-Alone, Additional, Tandem and Substitute Awards.* Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Related Entity, or any business entity to be acquired by the Company or a Related Entity, or any other right of a Participant to receive payment from the Company or any Related Entity. Such additional, tandem, and substitute or exchange Awards may be granted at any time. If an Award is granted in substitution or exchange for another Award or award, the Committee shall require the surrender of such other Award or award in consideration for the grant of the new Award. In addition, Awards may be granted in lieu of cash compensation, including in lieu of cash amounts payable under other plans of the Company or any Related Entity, in which the value of Stock subject to the Award is equivalent in value to the cash compensation (for example, Deferred Stock or Restricted Stock), or in which the exercise price, grant price or purchase price of the Award in the nature of a right that may be exercised is equal to the Fair Market Value of the underlying Stock minus the value of the cash compensation surrendered (for example, Options or Stock Appreciation Right granted with an exercise price or grant price “discounted” by the amount of the cash compensation surrendered).

(b) *Term of Awards.* The term of each Award shall be for such period as may be determined by the Committee; provided that in no event shall the term of any Option or Stock Appreciation Right exceed a period of ten years (or in the case of an Incentive Stock Option such shorter term as may be required under Section 422 of the Code).

(c) *Form and Timing of Payment Under Awards; Deferrals.* Subject to the terms of the Plan and any applicable Award Agreement, payments to be made by the Company or a Related Entity upon the exercise of an Option or other Award or settlement of an Award may be made in such forms as the Committee shall determine, including, without limitation, cash, Shares, other Awards or other property, and may be made in a single payment or transfer, in installments, or on a deferred basis. Any installment or deferral provided for in the preceding sentence shall, however, be subject to the Company's compliance with the provisions of the Sarbanes-Oxley Act of 2002, the rules and regulations adopted by the U.S. Securities and Exchange Commission thereunder, and all applicable rules of the Nasdaq Stock Market or any national securities exchange on which the Company's securities are listed for trading and, if not listed for trading on either the Nasdaq Stock Market or a national securities exchange, then the rules of the Nasdaq Stock Market. The settlement of any Award may be accelerated, and cash paid in lieu of Shares in connection with such settlement, in the discretion of the Committee or upon occurrence of one or more specified events (in addition to a Change in Control). Installment or deferred payments may be required by the Committee (subject to Section 10(e) of the Plan, including the consent provisions thereof in the case of any deferral of an outstanding Award not provided for in the original Award Agreement) or permitted at the election of the Participant on terms and conditions established by the Committee. Payments may include, without limitation, provisions for the payment or crediting of a reasonable interest rate on installment or deferred payments or the grant or crediting of Dividend Equivalents or other amounts in respect of installment or deferred payments denominated in Shares.

(d) *Exemptions from Section 16(b) Liability.* It is the intent of the Company that the grant of any Awards to or other transaction by a Participant who is subject to Section 16 of the Exchange Act shall be exempt from Section 16 pursuant to an applicable exemption (except for transactions acknowledged in writing to be non-exempt by such Participant). Accordingly, if any provision of this Plan or any Award Agreement does not comply with the requirements of Rule 16b-3 then applicable to any such transaction, such provision shall be construed or deemed amended to the extent necessary to conform to the applicable requirements of Rule 16b-3 so that such Participant shall avoid liability under Section 16(b).

8. *Code Section 162(m) Provisions.*

(a) *Covered Employees.* The Committee, in its discretion, may determine at the time an Award is granted to an Eligible Person who is, or is likely to be, as of the end of the tax year in which the Company would claim a tax deduction in connection with such Award, a Covered Employee, that the provisions of this Section 8 shall be applicable to such Award.

(b) *Performance Criteria.* If an Award is subject to this Section 8, then the lapsing of restrictions thereon and the distribution of cash, Shares or other property pursuant thereto, as applicable, shall be contingent upon achievement of one or more objective performance goals. Performance goals shall be objective and shall otherwise meet the requirements of Section 162(m) of the Code and regulations thereunder including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being "substantially uncertain." One or more of the following business criteria for the Company, on a consolidated basis, and/or for Related Entities, or for business or geographical units of the Company and/or a Related Entity (except with respect to the total shareholder return and earnings per share criteria), shall be used by the Committee in establishing performance goals for such Awards: (1) earnings per share; (2) revenues or margins; (3) cash flow; (4) operating margin; (5) return on net assets, investment, capital, or equity; (6) economic value added; (7) direct contribution; (8) net income; pretax earnings; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; earnings after interest expense and before extraordinary or special items; operating income; income before interest income or expense, unusual items and income taxes, local, state or federal and excluding budgeted and actual bonuses which might be paid under any ongoing bonus plans of the Company; (9) working capital; (10) management of fixed costs or

variable costs; (11) identification or consummation of investment opportunities or completion of specified projects in accordance with corporate business plans, including strategic mergers, acquisitions or divestitures; (12) total shareholder return; and (13) debt reduction. Any of the above goals may be determined on an absolute or relative basis or as compared to the performance of a published or special index deemed applicable by the Committee including, but not limited to, the Standard & Poor's 500 Stock Index or a group of companies that are comparable to the Company. The Committee may exclude the impact of an event or occurrence which the Committee determines should appropriately be excluded, including without limitation (i) restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges, (ii) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, or (iii) a change in accounting standards required by generally accepted accounting principles.

(c) *Performance Period; Timing For Establishing Performance Goals.* Achievement of performance goals in respect of such Performance Awards shall be measured over a Performance Period no shorter than 12 months and no longer than five years, as specified by the Committee. Performance goals shall be established not later than 90 days after the beginning of any Performance Period applicable to such Performance Awards, or at such other date as may be required or permitted for “performance-based compensation” under Code Section 162(m).

(d) *Adjustments.* The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with Awards subject to this Section 8, but may not exercise discretion to increase any such amount payable to a Covered Employee in respect of an Award subject to this Section 8. The Committee shall specify the circumstances in which such Awards shall be paid or forfeited in the event of termination of Continuous Service by the Participant prior to the end of a Performance Period or settlement of Awards.

(e) *Committee Certification.* No Participant shall receive any payment under the Plan unless the Committee has certified, by resolution or other appropriate action in writing, that the performance criteria and any other material terms previously established by the Committee or set forth in the Plan, have been satisfied to the extent necessary to qualify as “performance based compensation” under Code Section 162(m).

9. *Change in Control.*

(a) *Effect of “Change in Control.”* Subject to Section 9(a)(iv), and if and only to the extent provided in the Award Agreement, or to the extent otherwise determined by the Committee, upon the occurrence of a “Change in Control,” as defined in Section 9(b):

(i) Any Option or Stock Appreciation Right that was not previously vested and exercisable as of the time of the Change in Control, shall become immediately vested and exercisable, subject to applicable restrictions set forth in Section 10(a) hereof.

(ii) Any restrictions, deferral of settlement, and forfeiture conditions applicable to a Restricted Stock Award, Deferred Stock Award or an Other Stock-Based Award subject only to future service requirements granted under the Plan shall lapse and such Awards shall be deemed fully vested as of the time of the Change in Control, except to the extent of any waiver by the Participant and subject to applicable restrictions set forth in Section 10(a) hereof.

(iii) With respect to any outstanding Award subject to achievement of performance goals and conditions under the Plan, the Committee may, in its discretion, deem such performance goals and conditions as having been met as of the date of the Change in Control.

(iv) Notwithstanding the foregoing, if in the event of a Change in Control the successor company assumes or substitutes for an Option, Stock Appreciation Right, Restricted Stock Award, Deferred Stock Award or Other Stock-Based Award, then each outstanding Option, Stock Appreciation Right, Restricted Stock Award, Deferred Stock Award or Other Stock-Based Award shall not be accelerated as described in Sections 9(a)(i), (ii) and (iii). For the purposes of this Section 9(a)(iv), an Option, Stock Appreciation Right, Restricted Stock Award, Deferred Stock Award or Other Stock-Based Award shall be considered assumed or substituted for if following the Change in Control the award confers the right to purchase or receive, for each Share subject to the Option, Stock Appreciation Right, Restricted Stock Award, Deferred Stock Award or Other Stock-Based Award immediately prior to the Change in Control, the consideration (whether stock, cash or other securities or property) received in the transaction constituting a Change in Control by holders of Shares for each Share held on the effective date of such transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the transaction constituting a Change in Control is not solely common stock of the successor company or its parent or subsidiary, the Committee may, with the consent of the successor company or its parent or subsidiary, provide that the consideration to be received upon the exercise or vesting of an Option, Stock Appreciation Right, Restricted Stock Award, Deferred Stock Award or Other Stock-Based Award, for each Share subject thereto, will be solely common stock of the successor company or its parent or subsidiary substantially equal in fair market value to the per share consideration received by holders of Shares in the transaction constituting a Change in Control. The determination of such substantial equality of value of consideration shall be made by the Committee in its sole discretion and its determination shall be conclusive and binding.

(b) *Definition of "Change in Control."* Unless otherwise specified in an Award Agreement, a "Change in Control" shall mean the occurrence of any of the following:

(i) The acquisition by any Person of Beneficial Ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of more than fifty percent (50%) of either (A) the then outstanding shares of common stock of the Company (the "Outstanding Company Common Stock") or (B) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the "Outstanding Company Voting Securities") (the foregoing Beneficial Ownership hereinafter being referred to as a "Controlling Interest"); provided, however, that for purposes of this Section 9(b), the following acquisitions shall not constitute or result in a Change of Control: (v) any acquisition directly from the Company; (w) any acquisition by the Company; (x) any acquisition by any Person that as of the Effective Date owns Beneficial Ownership of a Controlling Interest; (y) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any Subsidiary; or (z) any acquisition by any corporation pursuant to a transaction which complies with clauses (A), (B) and (C) of subsection (iii) below; or

(ii) During any period of two (2) consecutive years (not including any period prior to the Effective Date) individuals who constitute the Board on the Effective Date (the "Incumbent Board") cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the Effective Date whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board; or

(iii) Consummation of a reorganization, merger, statutory share exchange or consolidation or similar corporate transaction involving the Company or any of its Subsidiaries, a sale or other disposition of all or substantially all of the assets of the Company, or the acquisition of assets or stock of another entity by the Company or any of its Subsidiaries (each a “Business Combination”), in each case, unless, following such Business Combination, (A) all or substantially all of the individuals and entities who were the Beneficial Owners, respectively, of the Outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than fifty percent (50%) of the then outstanding shares of common stock and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Business Combination (including, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company’s assets either directly or through one or more subsidiaries) in substantially the same proportions as their ownership, immediately prior to such Business Combination, of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be, (B) no Person (excluding any employee benefit plan (or related trust) of the Company or such corporation resulting from such Business Combination or any Person that as of the Effective Date owns Beneficial Ownership of a Controlling Interest) beneficially owns, directly or indirectly, fifty percent (50%) or more of the then outstanding shares of common stock of the corporation resulting from such Business Combination or the combined voting power of the then outstanding voting securities of such corporation except to the extent that such ownership existed prior to the Business Combination and (C) at least a majority of the members of the Board of Directors of the corporation resulting from such Business Combination were members of the Incumbent Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such Business Combination; or

(iv) Approval by the shareholders of the Company of a complete liquidation or dissolution of the Company.

10. *General Provisions.*

(a) *Compliance With Legal and Other Requirements.* The Company may, to the extent deemed necessary or advisable by the Committee, postpone the issuance or delivery of Shares or payment of other benefits under any Award until completion of such registration or qualification of such Shares or other required action under any federal or state law, rule or regulation, listing or other required action with respect to any stock exchange or automated quotation system upon which the Shares or other Company securities are listed or quoted, or compliance with any other obligation of the Company, as the Committee, may consider appropriate, and may require any Participant to make such representations, furnish such information and comply with or be subject to such other conditions as it may consider appropriate in connection with the issuance or delivery of Shares or payment of other benefits in compliance with applicable laws, rules, and regulations, listing requirements, or other obligations.

(b) *Limits on Transferability; Beneficiaries.* No Award or other right or interest granted under the Plan shall be pledged, hypothecated or otherwise encumbered or subject to any lien, obligation or liability of such Participant to any party, or assigned or transferred by such Participant otherwise than by will or the laws of descent and distribution or to a Beneficiary upon the death of a Participant, and such Awards or rights that may be exercisable shall be exercised during the lifetime of the Participant only by the Participant or his or her guardian or legal representative, except that Awards and other rights (other than Incentive Stock Options and Stock Appreciation Rights in tandem therewith) may be transferred to one or more Beneficiaries or other transferees during the lifetime of the Participant, and may be exercised by such transferees in accordance with the terms of such Award, but only if and to the extent such transfers are permitted by the Committee pursuant to the express terms of an Award Agreement (subject to any terms and conditions which the Committee may impose thereon). A Beneficiary, transferee, or other person claiming any rights under the Plan from or through any Participant shall be subject to all terms and conditions of the Plan and any Award Agreement applicable to such Participant, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

(c) *Adjustments.*

(i) *Adjustments to Awards.* In the event that any extraordinary dividend or other distribution (whether in the form of cash, Shares, or other property), recapitalization, forward or reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction or event affects the Shares and/or such other securities of the Company or any other issuer such that a substitution, exchange, or adjustment is determined by the Committee to be appropriate, then the Committee shall, in such manner as it may deem equitable, substitute, exchange or adjust any or all of (A) the number and kind of Shares which may be delivered in connection with Awards granted thereafter, (B) the number and kind of Shares by which annual per-person Award limitations are measured under Section 5 hereof, (C) the number and kind of Shares subject to or deliverable in respect of outstanding Awards, (D) the exercise price, grant price or purchase price relating to any Award and/or make provision for payment of cash or other property in respect of any outstanding Award, and (E) any other aspect of any Award that the Committee determines to be appropriate.

(ii) *Adjustments in Case of Certain Corporate Transactions.* In the event of any merger, consolidation or other reorganization in which the Company does not survive, or in the event of any Change in Control, any outstanding Awards may be dealt with in accordance with any of the following approaches, as determined by the agreement effectuating the transaction or, if and to the extent not so determined, as determined by the Committee: (a) the continuation of the outstanding Awards by the Company, if the Company is a surviving corporation, (b) the assumption or substitution for, as those terms are defined in Section 9(b)(iv) hereof, the outstanding Awards by the surviving corporation or its parent or subsidiary, (c) full exercisability or vesting and accelerated expiration of the outstanding Awards, or (d) settlement of the value of the outstanding Awards in cash or cash equivalents or other property followed by cancellation of such Awards (which value, in the case of Options or Stock Appreciation Rights, shall be measured by the amount, if any, by which the Fair Market Value of a Share exceeds the exercise or grant price of the Option or Stock Appreciation Right as of the effective date of the transaction). The Committee shall give written notice of any proposed transaction referred to in this Section 10(c)(ii) a reasonable period of time prior to the closing date for such transaction (which notice may be given either before or after the approval of such transaction), in order that Participants may have a reasonable period of time prior to the closing date of such transaction within which to exercise any Awards that are then exercisable (including any Awards that may become exercisable upon the closing date of such transaction). A Participant may condition his exercise of any Awards upon the consummation of the transaction.

(iii) *Other Adjustments.* The Committee (and the Board if and only to the extent such authority is not required to be exercised by the Committee to comply with Section 162(m) of the Code) is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including Performance Awards, or performance goals relating thereto) in recognition of unusual or nonrecurring events (including, without limitation, acquisitions and dispositions of businesses and assets) affecting the Company, any Related Entity or any business unit, or the financial statements of the Company or any Related Entity, or in response to changes in applicable laws, regulations, accounting principles, tax rates and regulations or business conditions or in view of the Committee's assessment of the business strategy of the Company, any Related Entity or business unit thereof, performance of comparable organizations, economic and business conditions, personal performance of a Participant, and any other circumstances deemed relevant; provided that no such adjustment shall be authorized or made if and to the extent that such authority or the making of such adjustment would cause Options, Stock Appreciation Rights, Performance Awards granted pursuant to Section 8(b) hereof to Participants designated by the Committee as Covered Employees and intended to qualify as "performance-based compensation" under Code Section 162(m) and the regulations thereunder to otherwise fail to qualify as "performance-based compensation" under Code Section 162(m) and regulations thereunder.

(d) *Taxes.* The Company and any Related Entity are authorized to withhold from any Award granted, any payment relating to an Award under the Plan, including from a distribution of Shares, or any payroll or other payment to a Participant, amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company or any Related Entity and Participants to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Shares or other property and to make cash payments in respect thereof in satisfaction of a Participant's tax obligations, either on a mandatory or elective basis in the discretion of the Committee.

(e) *Changes to the Plan and Awards.* The Board may amend, alter, suspend, discontinue or terminate the Plan, or the Committee's authority to grant Awards under the Plan, without the consent of shareholders or Participants, except that any amendment or alteration to the Plan shall be subject to the approval of the Company's shareholders not later than the annual meeting next following such Board action if such shareholder approval is required by any federal or state law or regulation (including, without limitation, Rule 16b-3 or Code Section 162(m)) or the rules of any stock exchange or automated quotation system on which the Shares may then be listed or quoted), and the Board may otherwise, in its discretion, determine to submit other such changes to the Plan to shareholders for approval; provided that, without the consent of an affected Participant, no such Board action may materially and adversely affect the rights of such Participant under any previously granted and outstanding Award. The Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue or terminate any Award theretofore granted and any Award Agreement relating thereto, except as otherwise provided in the Plan; provided that, without the consent of an affected Participant, no such Committee or the Board action may materially and adversely affect the rights of such Participant under such Award.

(f) *Limitation on Rights Conferred Under Plan.* Neither the Plan nor any action taken hereunder shall be construed as (i) giving any Eligible Person or Participant the right to continue as an Eligible Person or Participant or in the employ or service of the Company or a Related Entity; (ii) interfering in any way with the right of the Company or a Related Entity to terminate any Eligible Person's or Participant's Continuous Service at any time, (iii) giving an Eligible Person or Participant any claim to be granted any Award under the Plan or to be treated uniformly with other Participants and Employees, or (iv) conferring on a Participant any of the rights of a shareholder of the Company unless and until the Participant is duly issued or transferred Shares in accordance with the terms of an Award.

(g) *Unfunded Status of Awards; Creation of Trusts.* The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant or obligation to deliver Shares pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company; provided that the Committee may authorize the creation of trusts and deposit therein cash, Shares, other Awards or other property, or make other arrangements to meet the Company's obligations under the Plan. Such trusts or other arrangements shall be consistent with the "unfunded" status of the Plan unless the Committee otherwise determines with the consent of each affected Participant. The trustee of such trusts may be authorized to dispose of trust assets and reinvest the proceeds in alternative investments, subject to such terms and conditions as the Committee may specify and in accordance with applicable law.

(h) *Nonexclusivity of the Plan.* Neither the adoption of the Plan by the Board nor its submission to the shareholders of the Company for approval shall be construed as creating any limitations on the power of the Board or a committee thereof to adopt such other incentive arrangements as it may deem desirable including incentive arrangements and awards which do not qualify under Section 162(m) of the Code.

(i) *Payments in the Event of Forfeitures; Fractional Shares.* Unless otherwise determined by the Committee, in the event of a forfeiture of an Award with respect to which a Participant paid cash or other consideration, the Participant shall be repaid the amount of such cash or other consideration. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, other Awards or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(j) *Governing Law.* The validity, construction and effect of the Plan, any rules and regulations under the Plan, and any Award Agreement shall be determined in accordance with the laws of the State of Delaware without giving effect to principles of conflict of laws, and applicable federal law.

(k) *Non-U.S. Laws.* The Committee shall have the authority to adopt such modifications, procedures, and subplans as may be necessary or desirable to comply with provisions of the laws of foreign countries in which the Company or its Subsidiaries may operate to assure the viability of the benefits from Awards granted to Participants performing services in such countries and to meet the objectives of the Plan.

(l) *Plan Effective Date and Shareholder Approval; Termination of Plan.* The Plan shall become effective on the Effective Date, subject to subsequent approval, within 12 months of its adoption by the Board, by shareholders of the Company eligible to vote in the election of directors, by a vote sufficient to meet the requirements of Code Sections 162(m) (if applicable) and 422, Rule 16b-3 under the Exchange Act (if applicable), applicable requirements under the rules of any stock exchange or automated quotation system on which the Shares may be listed or quoted, and other laws, regulations, and obligations of the Company applicable to the Plan. Awards may be granted subject to shareholder approval, but may not be exercised or otherwise settled in the event the shareholder approval is not obtained. The Plan shall terminate at the earliest of (a) such time as no Shares remain available for issuance under the Plan, (b) termination of this Plan by the Board, or (c) the tenth anniversary of the Effective Date. Awards outstanding upon expiration of the Plan shall remain in effect until they have been exercised or terminated, or have expired.

MDWERKS, INC.

SERIES F WARRANT TO PURCHASE COMMON STOCK

Warrant No.: W-F-2

Number of Shares of Common Stock: 375,000

Date of Issuance: January 18, 2008 (“ISSUANCE DATE”)

MDwerks, Inc., a Delaware corporation (the “COMPANY”), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, VICIS CAPITAL MASTER FUND, the registered holder hereof or its permitted assigns (the “HOLDER”), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, upon surrender of this Warrant to Purchase Common Stock (including any Warrants to purchase Common Stock issued in exchange, transfer or replacement hereof, the “WARRANT”), at any time or times on or after the date hereof, but not after 11:59 p.m., New York Time, on the Expiration Date (as defined below), Three Hundred Seventy-Five Thousand (375,000) fully paid nonassessable shares of Common Stock (as defined below) (the “WARRANT SHARES”). Except as otherwise defined herein, capitalized terms in this Warrant shall have the meanings set forth in Section 15. This Warrant is one of the Warrants to purchase Common Stock (the “WARRANTS”) issued pursuant to that certain Securities Purchase Agreement, dated January 18, 2008 (the “SUBSCRIPTION DATE”), between the Company and the Purchaser referred to therein (the “SECURITIES PURCHASE AGREEMENT”).

1. EXERCISE OF WARRANT.

(a) Mechanics of Exercise. Subject to the terms and conditions hereof (including, without limitation, the limitations set forth in Section 1(f)), this Warrant may be exercised by the Holder on any day on or after the date hereof, in whole or in part, by (i) delivery of a written notice, in the form attached hereto as Exhibit A (the “EXERCISE NOTICE”), of the Holder’s election to exercise this Warrant and (ii) (A) payment to the Company of an amount equal to the applicable Exercise Price multiplied by the number of Warrant Shares as to which this Warrant is being exercised (the “AGGREGATE EXERCISE PRICE”) in cash or by wire transfer of immediately available funds or (B) by notifying the Company that this Warrant is being exercised pursuant to a Cashless Exercise (as defined in Section 1(d)). The Holder shall not be required to deliver the original Warrant in order to affect an exercise hereunder. Execution and delivery of the Exercise Notice with respect to less than all of the Warrant Shares shall have the same effect as cancellation of the original Warrant and issuance of a new Warrant evidencing the right to purchase the remaining number of Warrant Shares. On or before the first (1st) Business Day following the date on which the Company has received each of the Exercise Notice and the Aggregate Exercise Price (or notice of a Cashless Exercise) (the “EXERCISE DELIVERY DOCUMENTS”), the Company shall transmit by facsimile an acknowledgment of confirmation of receipt of the

Exercise Delivery Documents to the Holder and the Company's transfer agent (the "TRANSFER AGENT"). On or before the third (3rd) Business Day following the date on which the Company has received all of the Exercise Delivery Documents (the "SHARE DELIVERY DATE"), the Company shall (X) provided that the Transfer Agent is participating in The Depository Trust Company ("DTC") Fast Automated Securities Transfer Program, credit such aggregate number of shares of Common Stock to which the Holder is entitled pursuant to such exercise to the Holder's or its designee's balance account with DTC through its Deposit Withdrawal Agent Commission system, or (Y) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and dispatch by overnight courier to the address as specified in the Exercise Notice, a certificate, registered in the Company's share register in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder is entitled pursuant to such exercise. Upon delivery of the Exercise Delivery Documents, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder's DTC account or the date of delivery of the certificates evidencing such Warrant Shares as the case may be. If this Warrant is submitted in connection with any exercise pursuant to this Section 1(a) and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then the Company shall as soon as practicable and in no event later than three Business Days after any exercise and at its own expense, issue, a new Warrant (in accordance with Section 7(d)) representing the right to purchase the number of Warrant Shares purchasable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised. No fractional shares of Common Stock are to be issued upon the exercise of this Warrant, but rather the number of shares of Common Stock to be issued shall be rounded up to the nearest whole number. The Company shall pay stamp and similar taxes which may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant. The Company shall not be required, however, to pay any transfer tax or similar charge imposed in connection with the issuance and delivery of Warrant shares in any name other than that of the Holder.

(b) Exercise Price. For purposes of this Warrant, “EXERCISE PRICE” means \$2.25 subject to adjustment as provided herein.

(c) Company’s Failure to Timely Deliver Securities.

(i) The Company understands that a delay in the delivery of the shares of Common Stock upon exercise of this Warrant beyond the Share Delivery Date could result in economic loss to the Holder. If the Company fails to deliver to the Holder such shares via DWAC or a certificate or certificates pursuant to this Section by the Share Delivery Date, the Company shall pay to the Holder, in cash, as partial liquidated damages and not as a penalty, for each \$500 of Warrant Shares (based on the closing price of the Common Stock reported by the principal Trading Market on the date such securities are submitted to the Company’s transfer agent), \$10 per Trading Day (increasing to \$15 per Trading Day five (5) Trading Days after such damages have begun to accrue and increasing to \$20 per Trading Day ten (10) Trading Days after such damages have begun to accrue) for each Trading Day after the Share Delivery Date until such Common Stock certificate is delivered. Nothing herein shall limit a Holder’s right to pursue actual damages for the Company’s failure to deliver certificates, and the Holder shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief. Notwithstanding anything to the contrary contained herein, the Holder shall be entitled to withdraw an Exercise Notice, and upon such withdrawal the Company shall only be obligated to pay the liquidated damages accrued in accordance with this Section through the date the Exercise Notice is withdrawn. Notwithstanding the foregoing, the Holder shall not be entitled to the damages set forth herein for the delay in the delivery of the shares of Common Stock upon exercise of this Warrant, if such delay is due to causes which are beyond the reasonable control of the Company, including, but not limited to, acts of God, acts of civil or military authority, fire, flood, earthquake, hurricane, riot, war, terrorism, sabotage and/or governmental action, provided that the Company: (i) gives the Holder prompt notice of each such cause; and (ii) uses reasonable efforts to correct such failure or delay in its performance.

(ii) In addition to any other rights available to the Holder, if the Company fails to cause its transfer agent to transmit to the Holder a certificate or certificates representing the shares of Common Stock issuable upon exercise of the Warrant on or before the Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of the shares of Common Stock issuable upon exercise of the Warrant which the Holder anticipated receiving upon such exercise (a "BUY-IN"), then the Company shall (1) pay in cash to the Holder the amount by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (A) the number of shares of Common Stock issuable upon exercise of the Warrant that the Company was required to deliver to the Holder in connection with the conversion at issue times (B) the price at which the sell order giving rise to such purchase obligation was executed, and (2) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of shares of Common Stock for which such conversion was not honored or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its conversion and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (1) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In, together with applicable confirmations and other evidence reasonably requested by the Company. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

(d) Cashless Exercise. Notwithstanding anything contained herein to the contrary, if, at the time of exercise of this Warrant, a Registration Statement (as defined in the Registration Rights Agreement) covering the Warrant Shares that are the subject of the Exercise Notice (the “UNAVAILABLE WARRANT SHARES”) is not available for the resale of such Unavailable Warrant Shares, the Holder may, in its sole discretion, exercise this Warrant in whole or in part and, in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Aggregate Exercise Price, elect instead to receive upon such exercise the “Net Number” of shares of Common Stock determined according to the following formula (a “CASHLESS EXERCISE”):

$$\text{Net Number} = \frac{(A \times B) - (A \times C)}{B}$$

For purposes of the foregoing formula:

A = the total number of shares with respect to which this Warrant is then being exercised.

B = the Closing Sale Price of the shares of Common Stock (as reported by Bloomberg) on the date immediately preceding the date of the Exercise Notice.

C = the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.

(e) Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed and resolve such dispute in accordance with Section 12.

(f) Limitations on Exercises.

(i) Notwithstanding anything to the contrary set forth in this Warrant, at no time may a Holder of this Warrant exercise this Warrant to the extent that after giving effect to such exercise, the Holder (together with the Holder’s affiliates) would beneficially own (as determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules thereunder) in excess of 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to such exercise; provided, however, that upon a Holder of this Warrant providing the Company with sixty-one (61) days notice (the “WAIVER NOTICE”) that such Holder would like to waive this Section with regard to any or all shares of Common Stock issuable upon exercise of this Warrant, this Section will be of no force or effect with regard to all or a portion of the Warrant referenced in the Waiver Notice.

(ii) Notwithstanding anything to the contrary set forth in this Warrant, at no time may a Holder of this Warrant exercise this Warrant to the extent that after giving effect to such exercise, the Holder (together with the Holder’s affiliates) would beneficially own (as determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules thereunder) in excess of 9.99% of the number of shares of Common Stock outstanding immediately after giving effect to such exercise; provided, however, that upon a Holder of this Warrant providing the Company with a Waiver Notice that such Holder would like to waive this Section with regard to any or all shares of Common Stock issuable upon exercise of the Warrant, this Section shall be of no force or effect with regard to all or a portion of the Warrant referenced in the Waiver Notice.

(iii) Notwithstanding anything to the contrary set forth in this Warrant, at no time may a Holder of this Warrant exercise this Warrant to the extent that the issuance of shares of Common Stock upon such exercise would exceed the aggregate number of shares of Common Stock which the Company may issue upon exercise of this Warrant without breaching the Company's obligations under the rules or regulation of the principal exchange upon which shares of the Company's Common Stock are traded. In such an event, the Company covenants to promptly as possible seek to obtain the necessary shareholder or other approvals necessary to issue the shares of Common Stock upon the exercise of this Warrant.

(g) Insufficient Authorized Shares. If at any time while any of the Warrants remain outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock (an "AUTHORIZED SHARE FAILURE") to satisfy its obligation to reserve for issuance upon exercise of the Warrants at least a number of shares of Common Stock equal to 100% of the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of all of the Warrants then outstanding (the "REQUIRED RESERVE AMOUNT"), then the Company shall immediately take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for the Warrants then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than ninety (90) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal.

(h) Redemption. Except as otherwise explicitly provided for herein, this Warrant is not redeemable or callable by the Company at any time.

2. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES.

The Exercise Price and the number of Warrant Shares shall be adjusted from time to time as follows:

(a) Adjustment upon Issuance of shares of Common Stock. If and whenever on or after the Subscription Date the Company issues or sells, or in accordance with this Section 2 is deemed to have issued or sold, any shares of Common Stock (including the issuance or sale of shares of Common Stock owned or held by or for the account of the Company, but excluding shares of Common Stock which are Excluded Securities or are deemed to have been issued by the Company in connection with any Excluded Securities) for a consideration per share (the "NEW ISSUANCE PRICE") less than a price (the "APPLICABLE PRICE") equal to the Exercise Price in effect immediately prior to such issue or sale or deemed issuance or sale (the foregoing a "DILUTIVE ISSUANCE"), then immediately after such Dilutive Issuance, the Exercise Price then in effect shall be reduced to an amount equal to the New Issuance Price. Upon each such adjustment of the Exercise Price hereunder, the number of Warrant Shares shall be adjusted to the number of shares of Common Stock determined by multiplying the Exercise Price in effect immediately prior to such adjustment by the number of Warrant Shares acquirable upon exercise of this Warrant immediately prior to such adjustment and dividing the product thereof by the Exercise Price resulting from such adjustment. For purposes of determining the adjusted Exercise Price under this Section 2(a), the following shall be applicable:

(i) Issuance of Options. If the Company in any manner grants any Options and the lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Option or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option is less than the Applicable Price, then such shares of Common Stock (underlying such Option shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the granting or sale of such Option for such price per share. For purposes of this Section 2(a)(i), the "lowest price per share for which one share of Common Stock is issuable upon

exercise of such Options or upon conversion, exercise or exchange of such Convertible Securities” shall be equal to the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to any one share of Common Stock upon the granting or sale of the Option, upon exercise of the Option and upon conversion, exercise or exchange of any Convertible Security issuable upon exercise of such Option. No further adjustment of the Exercise Price or number of Warrant Shares shall be made upon the actual issuance of such shares of Common Stock or of such Convertible Securities upon the exercise of such Options or upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities.

(ii) Issuance of Convertible Securities. If the Company in any manner issues or sells any Convertible Securities and the lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange thereof is less than the Applicable Price, then such shares of Common Stock issuable upon conversion of such Convertible Securities shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the issuance or sale of such Convertible Securities for such price per share. For the purposes of this Section 2(a)(ii), the “lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange” shall be equal to the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to one share of Common Stock upon the issuance or sale of the Convertible Security and upon conversion, exercise or exchange of such Convertible Security. No further adjustment of the Exercise Price or number of Warrant Shares shall be made upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities, and if any such issue or sale of such Convertible Securities is made upon exercise of any Options for which adjustment of this Warrant has been or is to be made pursuant to other provisions of this Section 2(a), no further adjustment of the Exercise Price or number of Warrant Shares shall be made by reason of such issue or sale. A change that permits the holder of an Option or Convertible Security to utilize a cashless exercise feature shall not be deemed to decrease the consideration payable by the holder solely by reason of the fact that the cashless exercise feature would result in a reduction in cash consideration receivable by the Company.

(iii) Change in Option Price or Rate of Conversion. If the purchase price provided for in any Options, the additional consideration, if any, payable upon the issue, conversion, exercise or exchange of any Convertible Securities, or the rate at which any Convertible Securities are convertible into or exercisable or exchangeable for shares of Common Stock increases or decreases at any time, the Exercise Price and the number of Warrant Shares in effect at the time of such increase or decrease shall be adjusted to the Exercise Price and the number of Warrant Shares which would have been in effect at such time had such Options or Convertible Securities provided for such increased or decreased purchase price, additional consideration or increased or decreased conversion rate, as the case may be, at the time initially granted, issued or sold. For purposes of this Section 2(a)(iii), if the terms of any Option or Convertible Security that was outstanding as of the date of issuance of this Warrant are increased or decreased in the manner described in the immediately preceding sentence, then such Option or Convertible Security and the shares of Common Stock deemed issuable upon exercise, conversion or exchange thereof shall be deemed to have been issued as of the date of such increase or decrease. No adjustment pursuant to this Section 2(a) shall be made if such adjustment would result in an increase of the Exercise Price then in effect or a decrease in the number of Warrant Shares. A change that permits the holder of an Option or Convertible Security to utilize a cashless exercise feature shall not be deemed to decrease the consideration payable by the holder solely by reason of the fact that the cashless exercise feature would result in a reduction in cash consideration receivable by the Company.

(iv) Calculation of Consideration Received. If any Option is issued in connection with the issue or sale of other securities of the Company, together comprising one integrated transaction in which no specific consideration is allocated to such Options by the parties thereto, the Options will be deemed to have been issued for a consideration of \$0.01. If any Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for cash, the consideration received therefor will be deemed to be the gross amount paid by the purchaser of such Common Stock, Options, or Convertible Securities, before any commissions, discounts, fees or expenses. If any Common Stock, Options or Convertible Securities are issued to the owners of the non-surviving entity in connection with any merger in which the Company is the surviving entity, the amount of consideration therefor will be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such Common Stock, Options or Convertible Securities, as the case may be. If any Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for non-cash consideration, the consideration received therefore will be deemed to be the fair value of such non-cash consideration as determined in good faith by the Board of Directors of the Company.

(v) Record Date. If the Company takes a record of the holders of shares of Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in shares of Common Stock, Options or in Convertible Securities or (B) to subscribe for or purchase shares of Common Stock, Options or Convertible Securities, then such record date will be deemed to be the date of the issue or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.

(b) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding, (i) pays a stock dividend on its Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, (ii) subdivides outstanding shares of Common Stock into a larger number of shares, or (iii) combines outstanding shares of Common Stock into a smaller number of shares, then in each such case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such subdivision or combination.

(c) Fundamental Transactions. If, at any time while this Warrant is outstanding there is a Fundamental Transaction, then the Holder shall have the right thereafter to receive, upon exercise of this Warrant, the same amount and kind of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of the number of shares of Common Stock then issuable upon exercise in full of this Warrant (the "ALTERNATE CONSIDERATION"). For purposes of any such conversion, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of Warrant following such Fundamental Transaction. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this paragraph (c) and insuring that the Series B Preferred Stock (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

(d) Other Events. If any event occurs of the type contemplated by the provisions of this Section 2 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features), then the Company's Board of Directors in good faith will make an appropriate adjustment in the Conversion Price so as to be equitable under the circumstances and otherwise protect the rights of the Holder; provided that no such adjustment will increase the Exercise Price as otherwise determined pursuant to this Section 7.3.

3. RIGHTS UPON DISTRIBUTION OF ASSETS.

If the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “DISTRIBUTION”), at any time after the issuance of this Warrant, then, in each such case, the Exercise Price in effect immediately prior to the close of business on the record date fixed for the determination of holders of shares of Common Stock entitled to receive the Distribution shall be reduced, effective as of the close of business on such record date, to a price determined by multiplying such Exercise Price by a fraction of which (i) the numerator shall be the Exercise Price on such record date minus the value of the Distribution (as determined in good faith by the Company’s Board of Directors) applicable to one share of Common Stock, and (ii) the denominator shall be the Exercise Price on such record date.

4. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

(a) Purchase Rights. In addition to any adjustments pursuant to Section 2 above, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the “PURCHASE RIGHTS”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the proportionate number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

(b) Redemption Right. No sooner than fifteen (15) days nor later than ten (10) days prior to the consummation of a Change of Control, but not prior to the public announcement of such Change of Control, the Company shall deliver written notice thereof via facsimile and overnight courier to the Holder (a “CHANGE IN CONTROL NOTICE”). At any time during the period beginning after the Holder’s receipt of a Change of Control Notice and ending ten (10) Trading Days after the consummation of such Change of Control, the Holder may require the Company to redeem all or any portion of this Warrant by delivering written notice thereof (“CHANGE IN CONTROL REDEMPTION NOTICE”) to the Company, which Change of Control Redemption Notice shall indicate the amount the Holder is electing to be redeemed. Any such redemption shall be in cash in the amount equal to the value of the remaining unexercised portion of this Warrant on the date of such consummation, which value shall be determined by use of the Black Scholes Option Pricing Model reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the remaining term of this Warrant as of such date of request and (B) an expected volatility equal to the greater of 60% and the 100 day volatility obtained from the HVT function on Bloomberg.

5. NONCIRCUMVENTION.

The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation, Bylaws or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the exercise of this Warrant, and (iii) shall, so long as any of the Warrants are outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of the Warrants, 100% of the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of the Warrants then outstanding (without regard to any limitations on exercise).

6. WARRANT HOLDER NOT DEEMED A STOCKHOLDER.

Except as otherwise specifically provided herein, the Holder, solely in such Person's capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in such Person's capacity as the Holder of this Warrant, any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which such Person is then entitled to receive upon the due exercise of this Warrant. In addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 6, the Company shall provide the Holder with copies of the same notices and other information given to the stockholders of the Company generally, contemporaneously with the giving thereof to the stockholders.

7. REISSUANCE OF WARRANTS.

(a) Transfer of Warrant. If this Warrant is to be transferred, the Holder shall surrender this Warrant to the Company, whereupon the Company will issue promptly following satisfaction of the transfer provisions contained in the Securities Purchase Agreement and deliver upon the order of the Holder a new Warrant (in accordance with Section 7(d)), in the name of the validly registered assignee or transferee, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant (in accordance with Section 7(d)) to the Holder representing the right to purchase the number of Warrant Shares not being transferred.

(b) Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant, and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary form and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant (in accordance with Section 7(d)) representing the right to purchase the Warrant Shares then underlying this Warrant.

(c) Exchangeable for Multiple Warrants. This Warrant is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Warrant or Warrants (in accordance with Section 7(d)) representing in the aggregate the right to purchase the number of Warrant Shares then underlying this Warrant, and each such new Warrant will represent the right to purchase such portion of such Warrant Shares as is designated by the Holder at the time of such surrender; provided, however, that no Warrants for fractional shares of Common Stock shall be given.

(d) Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 7(a) or Section 7(c), the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

8. NOTICES.

Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with Section 12.6 of the Securities Purchase Agreement. The Company shall provide the Holder with prompt written notice of all actions taken pursuant to this Warrant, including in reasonable detail a description of such action and the reason therefore. Without limiting the generality of the foregoing, the Company will give written notice to the Holder (i) immediately upon any adjustment of the Exercise Price, setting forth in reasonable detail, and certifying, the calculation of such adjustment and (ii) at least fifteen (15) days prior to the date on which the Company closes its books or takes a record (A) with respect to any dividend or distribution upon the shares of Common Stock, (B) with respect to any grants, issuances or sales of any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property to holders of shares of Common Stock or (C) for determining rights to vote with respect to any Fundamental Transaction, dissolution or liquidation, provided in each case that such information shall be made known to the public prior to or in conjunction with such notice being provided to the Holder.

9. AMENDMENT AND WAIVER.

Except as otherwise provided herein, the provisions of this Warrant may be amended and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company has obtained the written consent of the Holder; provided that no such action may increase the exercise price of any Warrant or decrease the number of shares or class of stock obtainable upon exercise of any Warrant without the written consent of the Holder. No such amendment shall be effective to the extent that it applies to less than all of the holders of the Warrants then outstanding.

10. GOVERNING LAW.

This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York.

11. CONSTRUCTION; HEADINGS.

This Warrant shall be deemed to be jointly drafted by the Company and all the Buyers and shall not be construed against any person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant.

12. DISPUTE RESOLUTION.

In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall submit the disputed determinations or arithmetic calculations via facsimile within two Business Days of receipt of the Exercise Notice giving rise to such dispute, as the case may be, to the Holder. If the Holder and the Company are unable to agree upon such determination or calculation of the Exercise Price or the Warrant Shares within three Business Days of such disputed determination or arithmetic calculation being submitted to the Holder, then the Company shall, within two Business Days submit via facsimile (a) the disputed determination of the Exercise Price to an independent, reputable investment bank selected by the Company and approved by the Holder (such approval not to be unreasonably withheld or delayed) or (b) the disputed arithmetic calculation of the Warrant Shares to the Company's independent, outside accountant. The Company shall cause at its expense the investment bank or the accountant, as the case may be, to perform the determinations or calculations and notify the Company and the Holder of the results no later than ten Business Days from the time it receives the disputed determinations or calculations. Such investment bank's or accountant's determination or calculation, as the case may be, shall be binding upon all parties absent demonstrable error.

13. REMEDIES, OTHER OBLIGATIONS, BREACHES AND INJUNCTIVE RELIEF.

The remedies provided in this Warrant shall be cumulative and in addition to all other remedies available under this Warrant and the other Transaction Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit the right of the Holder right to pursue actual damages for any failure by the Company to comply with the terms of this Warrant. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the holder of this Warrant shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

14. TRANSFER.

This Warrant may be offered for sale, sold, transferred or assigned without the consent of the Company, except as may otherwise be required by the Securities Purchase Agreement.

15. CERTAIN DEFINITIONS.

For purposes of this Warrant, the following terms shall have the following meanings:

(a) “APPROVED STOCK PLAN” means any employee benefit plan which has been approved by the Board of Directors of the Company, pursuant to which the Company’s securities may be issued to any employee, consultant, officer or director for services provided to the Company.

(b) “BLOOMBERG” means Bloomberg Financial Markets.

(c) “BUSINESS DAY” means any day other than Saturday, Sunday or other day on which commercial banks in The City of New York are authorized or required by law to remain closed.

(d) “CHANGE OF CONTROL” means any Fundamental Transaction other than (i) any reorganization, recapitalization or reclassification of the Common Stock in which holders of the Company’s voting power immediately prior to such reorganization, recapitalization or reclassification continue after such reorganization, recapitalization or reclassification to hold publicly-traded securities and, directly or indirectly, the voting power of the surviving entity or entities necessary to elect a majority of the members of the board of directors (or their equivalent if other than a corporation) of such entity or entities, or (ii) pursuant to a migratory merger effected solely for the purpose of changing the jurisdiction of incorporation of the Company or (iii) any transaction that might otherwise be a Fundamental Transaction but which the Holder agrees in writing shall not be deemed to be a Fundamental Transaction for purposes of this Warrant.

(e) “CLOSING BID PRICE” and “CLOSING SALE PRICE” means, for any security as of any date, the last closing bid price and last closing trade price, respectively, for such security on the Principal Market, as reported by Bloomberg, or, if the Principal Market begins to operate on an extended hours basis and does not designate the closing bid price or the closing trade price, as the case may be, then the last bid price or last trade price, respectively, of such security prior to 4:00 p.m., New York Time, as reported by Bloomberg, or, if the Principal Market is not the principal securities exchange or trading market for such security, the last closing bid price or last trade price, respectively, of such security on the principal securities exchange or trading market where such security is listed or traded as reported by Bloomberg, or if the foregoing do not apply, the last closing bid price or last trade price, respectively, of such security in the over-the-counter market on the electronic bulletin board for such security as reported by Bloomberg, or, if no closing bid price or last trade price, respectively, is reported for such security by Bloomberg, the average of the bid prices, or the ask prices, respectively, of any market makers for such security as reported in the “pink sheets” by Pink Sheets LLC (formerly the National Quotation Bureau, Inc.). If the Closing Bid Price or the Closing Sale Price cannot be calculated for a security on a particular date on any of the foregoing bases, the Closing Bid Price or the Closing Sale Price, as the case may be, of such security on such date shall be the fair market value as mutually determined by the Company and the Holder. If the Company and the Holder are unable to agree upon the fair market value of such security, then such dispute shall be resolved pursuant to Section 12. All such determinations to be appropriately adjusted for any stock dividend, stock split, stock combination or other similar transaction during the applicable calculation period.

SERIES G WARRANT TO PURCHASE COMMON STOCK

Warrant No.: W-G-2

Number of Shares of Common Stock: 250,000

Date of Issuance: January 18, 2008 (“ISSUANCE DATE”)

MDwerks, Inc., a Delaware corporation (the “COMPANY”), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, VICIS CAPITAL MASTER FUND, the registered holder hereof or its permitted assigns (the “HOLDER”), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, upon surrender of this Warrant to Purchase Common Stock (including any Warrants to purchase Common Stock issued in exchange, transfer or replacement hereof, the “WARRANT”), at any time or times on or after the date hereof, but not after 11:59 p.m., New York Time, on the Expiration Date (as defined below), Two Hundred Fifty Thousand (250,000) fully paid nonassessable shares of Common Stock (as defined below) (the “WARRANT SHARES”). Except as otherwise defined herein, capitalized terms in this Warrant shall have the meanings set forth in Section 15. This Warrant is one of the Warrants to purchase Common Stock (the “WARRANTS”) issued pursuant to that certain Securities Purchase Agreement, dated January 18, 2008 (the “SUBSCRIPTION DATE”), by and between the Company and the Purchaser referred to therein (the “SECURITIES PURCHASE AGREEMENT”).

1. EXERCISE OF WARRANT.

(a) Mechanics of Exercise. Subject to the terms and conditions hereof (including, without limitation, the limitations set forth in Section 1(f)), this Warrant may be exercised by the Holder on any day on or after the date hereof, in whole or in part, by (i) delivery of a written notice, in the form attached hereto as Exhibit A (the “EXERCISE NOTICE”), of the Holder’s election to exercise this Warrant and (ii) (A) payment to the Company of an amount equal to the applicable Exercise Price multiplied by the number of Warrant Shares as to which this Warrant is being exercised (the “AGGREGATE EXERCISE PRICE”) in cash or by wire transfer of immediately available funds or (B) by notifying the Company that this Warrant is being exercised pursuant to a Cashless Exercise (as defined in Section 1(d)). The Holder shall not be required to deliver the original Warrant in order to affect an exercise hereunder. Execution and delivery of the Exercise Notice with respect to less than all of the Warrant Shares shall have the same effect as cancellation of the original Warrant and issuance of a new Warrant evidencing the right to purchase the remaining number of Warrant Shares. On or before the first (1st) Business Day following the date on which the Company has received each of the Exercise Notice and the Aggregate Exercise Price (or notice of a Cashless Exercise) (the “EXERCISE DELIVERY DOCUMENTS”), the Company shall transmit by facsimile an acknowledgment of confirmation of receipt of the

Exercise Delivery Documents to the Holder and the Company's transfer agent (the "TRANSFER AGENT"). On or before the third (3rd) Business Day following the date on which the Company has received all of the Exercise Delivery Documents (the "SHARE DELIVERY DATE"), the Company shall (X) provided that the Transfer Agent is participating in The Depository Trust Company ("DTC") Fast Automated Securities Transfer Program, credit such aggregate number of shares of Common Stock to which the Holder is entitled pursuant to such exercise to the Holder's or its designee's balance account with DTC through its Deposit Withdrawal Agent Commission system, or (Y) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and dispatch by overnight courier to the address as specified in the Exercise Notice, a certificate, registered in the Company's share register in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder is entitled pursuant to such exercise. Upon delivery of the Exercise Delivery Documents, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder's DTC account or the date of delivery of the certificates evidencing such Warrant Shares as the case may be. If this Warrant is submitted in connection with any exercise pursuant to this Section 1(a) and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then the Company shall as soon as practicable and in no event later than three Business Days after any exercise and at its own expense, issue, a new Warrant (in accordance with Section 7(d)) representing the right to purchase the number of Warrant Shares purchasable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised. No fractional shares of Common Stock are to be issued upon the exercise of this Warrant, but rather the number of shares of Common Stock to be issued shall be rounded up to the nearest whole number. The Company shall pay stamp and similar taxes which may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant. The Company shall not be required, however, to pay any transfer tax or similar charge imposed in connection with the issuance and delivery of Warrant shares in any name other than that of the Holder.

(b) Exercise Price. For purposes of this Warrant, “EXERCISE PRICE” means \$2.50 subject to adjustment as provided herein.

(c) Company’s Failure to Timely Deliver Securities.

(i) The Company understands that a delay in the delivery of the shares of Common Stock upon exercise of this Warrant beyond the Share Delivery Date could result in economic loss to the Holder. If the Company fails to deliver to the Holder such shares via DWAC or a certificate or certificates pursuant to this Section by the Share Delivery Date, the Company shall pay to the Holder, in cash, as partial liquidated damages and not as a penalty, for each \$500 of Warrant Shares (based on the closing price of the Common Stock reported by the principal Trading Market on the date such securities are submitted to the Company’s transfer agent), \$10 per Trading Day (increasing to \$15 per Trading Day five (5) Trading Days after such damages have begun to accrue and increasing to \$20 per Trading Day ten (10) Trading Days after such damages have begun to accrue) for each Trading Day after the Share Delivery Date until such Common Stock certificate is delivered. Nothing herein shall limit a Holder’s right to pursue actual damages for the Company’s failure to deliver certificates, and the Holder shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief. Notwithstanding anything to the contrary contained herein, the Holder shall be entitled to withdraw an Exercise Notice, and upon such withdrawal the Company shall only be obligated to pay the liquidated damages accrued in accordance with this Section through the date the Exercise Notice is withdrawn. Notwithstanding the foregoing, the Holder shall not be entitled to the damages set forth herein for the delay in the delivery of the shares of Common Stock upon exercise of this Warrant, if such delay is due to causes which are beyond the reasonable control of the Company, including, but not limited to, acts of God, acts of civil or military authority, fire, flood, earthquake, hurricane, riot, war, terrorism, sabotage and/or governmental action, provided that the Company: (i) gives the Holder prompt notice of each such cause; and (ii) uses reasonable efforts to correct such failure or delay in its performance.

(ii) In addition to any other rights available to the Holder, if the Company fails to cause its transfer agent to transmit to the Holder a certificate or certificates representing the shares of Common Stock issuable upon exercise of the Warrant on or before the Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of the shares of Common Stock issuable upon exercise of the Warrant which the Holder anticipated receiving upon such exercise (a "BUY-IN"), then the Company shall (1) pay in cash to the Holder the amount by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (A) the number of shares of Common Stock issuable upon exercise of the Warrant that the Company was required to deliver to the Holder in connection with the conversion at issue times (B) the price at which the sell order giving rise to such purchase obligation was executed, and (2) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of shares of Common Stock for which such conversion was not honored or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its conversion and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (1) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In, together with applicable confirmations and other evidence reasonably requested by the Company. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

(d) Cashless Exercise. Notwithstanding anything contained herein to the contrary, if, at the time of exercise of this Warrant, a Registration Statement (as defined in the Registration Rights Agreement) covering the Warrant Shares that are the subject of the Exercise Notice (the “UNAVAILABLE WARRANT SHARES”) is not available for the resale of such Unavailable Warrant Shares, the Holder may, in its sole discretion, exercise this Warrant in whole or in part and, in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Aggregate Exercise Price, elect instead to receive upon such exercise the “Net Number” of shares of Common Stock determined according to the following formula (a “CASHLESS EXERCISE”):

$$\text{Net Number} = \frac{(A \times B) - (A \times C)}{B}$$

For purposes of the foregoing formula:

A = the total number of shares with respect to which this Warrant is then being exercised.

B the Closing Sale Price of the shares of Common Stock (as reported by Bloomberg) on the date immediately preceding the date of the Exercise Notice.

C = the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.

(e) Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed and resolve such dispute in accordance with Section 12.

(f) Limitations on Exercises.

(i) Notwithstanding anything to the contrary set forth in this Warrant, at no time may a Holder of this Warrant exercise this Warrant to the extent that after giving effect to such exercise, the Holder (together with the Holder’s affiliates) would beneficially own (as determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules thereunder) in excess of 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to such exercise; provided, however, that upon a Holder of this Warrant providing the Company with sixty-one (61) days notice (the “WAIVER NOTICE”) that such Holder would like to waive this Section with regard to any or all shares of Common Stock issuable upon exercise of this Warrant, this Section will be of no force or effect with regard to all or a portion of the Warrant referenced in the Waiver Notice.

(ii) Notwithstanding anything to the contrary set forth in this Warrant, at no time may a Holder of this Warrant exercise this Warrant to the extent that after giving effect to such exercise, the Holder (together with the Holder’s affiliates) would beneficially own (as determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules thereunder) in excess of 9.99% of the number of shares of Common Stock outstanding immediately after giving effect to such exercise; provided, however, that upon a Holder of this Warrant providing the Company with a Waiver Notice that such Holder would like to waive this Section with regard to any or all shares of Common Stock issuable upon exercise of the Warrant, this Section shall be of no force or effect with regard to all or a portion of the Warrant referenced in the Waiver Notice.

(iii) Notwithstanding anything to the contrary set forth in this Warrant, at no time may a Holder of this Warrant exercise this Warrant to the extent that the issuance of shares of Common Stock upon such exercise would exceed the aggregate number of shares of Common Stock which the Company may issue upon exercise of this Warrant without breaching the Company's obligations under the rules or regulation of the principal exchange upon which shares of the Company's Common Stock are traded. In such an event, the Company covenants to promptly as possible seek to obtain the necessary shareholder or other approvals necessary to issue the shares of Common Stock upon the exercise of this Warrant.

(g) Insufficient Authorized Shares. If at any time while any of the Warrants remain outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock (an "AUTHORIZED SHARE FAILURE") to satisfy its obligation to reserve for issuance upon exercise of the Warrants at least a number of shares of Common Stock equal to 100% of the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of all of the Warrants then outstanding (the "REQUIRED RESERVE AMOUNT"), then the Company shall immediately take all action necessary to increase the Company's authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for the Warrants then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than ninety (90) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders' approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal.

(h) Redemption. Except as otherwise explicitly provided for herein, this Warrant is not redeemable or callable by the Company at any time.

2. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES.

The Exercise Price and the number of Warrant Shares shall be adjusted from time to time as follows:

(a) Adjustment upon Issuance of shares of Common Stock. If and whenever on or after the Subscription Date the Company issues or sells, or in accordance with this Section 2 is deemed to have issued or sold, any shares of Common Stock (including the issuance or sale of shares of Common Stock owned or held by or for the account of the Company, but excluding shares of Common Stock which are Excluded Securities or are deemed to have been issued by the Company in connection with any Excluded Securities) for a consideration per share (the "NEW ISSUANCE PRICE") less than a price (the "APPLICABLE PRICE") equal to the Exercise Price in effect immediately prior to such issue or sale or deemed issuance or sale (the foregoing a "DILUTIVE ISSUANCE"), then immediately after such Dilutive Issuance, the Exercise Price then in effect shall be reduced to an amount equal to the New Issuance Price. Upon each such adjustment of the Exercise Price hereunder, the number of Warrant Shares shall be adjusted to the number of shares of Common Stock determined by multiplying the Exercise Price in effect immediately prior to such adjustment by the number of Warrant Shares acquirable upon exercise of this Warrant immediately prior to such adjustment and dividing the product thereof by the Exercise Price resulting from such adjustment. For purposes of determining the adjusted Exercise Price under this Section 2(a), the following shall be applicable:

(i) Issuance of Options. If the Company in any manner grants any Options and the lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Option or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option is less than the Applicable Price, then such shares of Common Stock (underlying such Option shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the granting or sale of such Option for such price per share. For purposes of this Section 2(a)(i), the "lowest price per share for which one share of Common Stock is issuable upon

exercise of such Options or upon conversion, exercise or exchange of such Convertible Securities” shall be equal to the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to any one share of Common Stock upon the granting or sale of the Option, upon exercise of the Option and upon conversion, exercise or exchange of any Convertible Security issuable upon exercise of such Option. No further adjustment of the Exercise Price or number of Warrant Shares shall be made upon the actual issuance of such shares of Common Stock or of such Convertible Securities upon the exercise of such Options or upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities.

(ii) Issuance of Convertible Securities. If the Company in any manner issues or sells any Convertible Securities and the lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange thereof is less than the Applicable Price, then such shares of Common Stock issuable upon conversion of such Convertible Securities shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the issuance or sale of such Convertible Securities for such price per share. For the purposes of this Section 2(a)(ii), the “lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange” shall be equal to the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to one share of Common Stock upon the issuance or sale of the Convertible Security and upon conversion, exercise or exchange of such Convertible Security. No further adjustment of the Exercise Price or number of Warrant Shares shall be made upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities, and if any such issue or sale of such Convertible Securities is made upon exercise of any Options for which adjustment of this Warrant has been or is to be made pursuant to other provisions of this Section 2(a), no further adjustment of the Exercise Price or number of Warrant Shares shall be made by reason of such issue or sale. A change that permits the holder of an Option or Convertible Security to utilize a cashless exercise feature shall not be deemed to decrease the consideration payable by the holder solely by reason of the fact that the cashless exercise feature would result in a reduction in cash consideration receivable by the Company.

(iii) Change in Option Price or Rate of Conversion. If the purchase price provided for in any Options, the additional consideration, if any, payable upon the issue, conversion, exercise or exchange of any Convertible Securities, or the rate at which any Convertible Securities are convertible into or exercisable or exchangeable for shares of Common Stock increases or decreases at any time, the Exercise Price and the number of Warrant Shares in effect at the time of such increase or decrease shall be adjusted to the Exercise Price and the number of Warrant Shares which would have been in effect at such time had such Options or Convertible Securities provided for such increased or decreased purchase price, additional consideration or increased or decreased conversion rate, as the case may be, at the time initially granted, issued or sold. For purposes of this Section 2(a)(iii), if the terms of any Option or Convertible Security that was outstanding as of the date of issuance of this Warrant are increased or decreased in the manner described in the immediately preceding sentence, then such Option or Convertible Security and the shares of Common Stock deemed issuable upon exercise, conversion or exchange thereof shall be deemed to have been issued as of the date of such increase or decrease. No adjustment pursuant to this Section 2(a) shall be made if such adjustment would result in an increase of the Exercise Price then in effect or a decrease in the number of Warrant Shares. A change that permits the holder of an Option or Convertible Security to utilize a cashless exercise feature shall not be deemed to decrease the consideration payable by the holder solely by reason of the fact that the cashless exercise feature would result in a reduction in cash consideration receivable by the Company.

(iv) Calculation of Consideration Received. If any Option is issued in connection with the issue or sale of other securities of the Company, together comprising one integrated transaction in which no specific consideration is allocated to such Options by the parties thereto, the Options will be deemed to have been issued for a consideration of \$0.01. If any Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for cash, the consideration received therefor will be deemed to be the gross amount paid by the purchaser of such Common Stock, Options, or Convertible Securities, before any commissions, discounts, fees or expenses. If any Common Stock, Options or Convertible Securities are issued to the owners of the non-surviving entity in connection with any merger in which the Company is the surviving entity, the amount of consideration therefor will be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such Common Stock, Options or Convertible Securities, as the case may be. If any Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for non-cash consideration, the consideration received therefore will be deemed to be the fair value of such non-cash consideration as determined in good faith by the Board of Directors of the Company.

(v) Record Date. If the Company takes a record of the holders of shares of Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in shares of Common Stock, Options or in Convertible Securities or (B) to subscribe for or purchase shares of Common Stock, Options or Convertible Securities, then such record date will be deemed to be the date of the issue or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.

(b) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding, (i) pays a stock dividend on its Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, (ii) subdivides outstanding shares of Common Stock into a larger number of shares, or (iii) combines outstanding shares of Common Stock into a smaller number of shares, then in each such case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such subdivision or combination.

(c) Fundamental Transactions. If, at any time while this Warrant is outstanding there is a Fundamental Transaction, then the Holder shall have the right thereafter to receive, upon exercise of this Warrant, the same amount and kind of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of the number of shares of Common Stock then issuable upon exercise in full of this Warrant (the "ALTERNATE CONSIDERATION"). For purposes of any such conversion, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of Warrant following such Fundamental Transaction. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this paragraph (c) and insuring that the Series B Preferred Stock (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

(d) Other Events. If any event occurs of the type contemplated by the provisions of this Section 2 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features), then the Company's Board of Directors in good faith will make an appropriate adjustment in the Conversion Price so as to be equitable under the circumstances and otherwise protect the rights of the Holder; provided that no such adjustment will increase the Exercise Price as otherwise determined pursuant to this Section 7.3.

3. RIGHTS UPON DISTRIBUTION OF ASSETS.

If the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “DISTRIBUTION”), at any time after the issuance of this Warrant, then, in each such case, the Exercise Price in effect immediately prior to the close of business on the record date fixed for the determination of holders of shares of Common Stock entitled to receive the Distribution shall be reduced, effective as of the close of business on such record date, to a price determined by multiplying such Exercise Price by a fraction of which (i) the numerator shall be the Exercise Price on such record date minus the value of the Distribution (as determined in good faith by the Company’s Board of Directors) applicable to one share of Common Stock, and (ii) the denominator shall be the Exercise Price on such record date.

4. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

(a) Purchase Rights. In addition to any adjustments pursuant to Section 2 above, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the “PURCHASE RIGHTS”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the proportionate number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

(b) Redemption Right. No sooner than fifteen (15) days nor later than ten (10) days prior to the consummation of a Change of Control, but not prior to the public announcement of such Change of Control, the Company shall deliver written notice thereof via facsimile and overnight courier to the Holder (a “CHANGE IN CONTROL NOTICE”). At any time during the period beginning after the Holder’s receipt of a Change of Control Notice and ending ten (10) Trading Days after the consummation of such Change of Control, the Holder may require the Company to redeem all or any portion of this Warrant by delivering written notice thereof (“CHANGE IN CONTROL REDEMPTION NOTICE”) to the Company, which Change of Control Redemption Notice shall indicate the amount the Holder is electing to be redeemed. Any such redemption shall be in cash in the amount equal to the value of the remaining unexercised portion of this Warrant on the date of such consummation, which value shall be determined by use of the Black Scholes Option Pricing Model reflecting (A) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the remaining term of this Warrant as of such date of request and (B) an expected volatility equal to the greater of 60% and the 100 day volatility obtained from the HVT function on Bloomberg.

5. NONCIRCUMVENTION.

The Company hereby covenants and agrees that the Company will not, by amendment of its Certificate of Incorporation, Bylaws or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the exercise of this Warrant, and (iii) shall, so long as any of the Warrants are outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of the Warrants, 100% of the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of the Warrants then outstanding (without regard to any limitations on exercise).

6. WARRANT HOLDER NOT DEEMED A STOCKHOLDER.

Except as otherwise specifically provided herein, the Holder, solely in such Person's capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in such Person's capacity as the Holder of this Warrant, any of the rights of a stockholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which such Person is then entitled to receive upon the due exercise of this Warrant. In addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a stockholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 6, the Company shall provide the Holder with copies of the same notices and other information given to the stockholders of the Company generally, contemporaneously with the giving thereof to the stockholders.

7. REISSUANCE OF WARRANTS.

(a) Transfer of Warrant. If this Warrant is to be transferred, the Holder shall surrender this Warrant to the Company, whereupon the Company will issue promptly following satisfaction of the transfer provisions contained in the Securities Purchase Agreement and deliver upon the order of the Holder a new Warrant (in accordance with Section 7(d)), in the name of the validly registered assignee or transferee, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant (in accordance with Section 7(d)) to the Holder representing the right to purchase the number of Warrant Shares not being transferred.

(b) Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant, and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary form and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant (in accordance with Section 7(d)) representing the right to purchase the Warrant Shares then underlying this Warrant.

(c) Exchangeable for Multiple Warrants. This Warrant is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Warrant or Warrants (in accordance with Section 7(d)) representing in the aggregate the right to purchase the number of Warrant Shares then underlying this Warrant, and each such new Warrant will represent the right to purchase such portion of such Warrant Shares as is designated by the Holder at the time of such surrender; provided, however, that no Warrants for fractional shares of Common Stock shall be given.

(d) Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 7(a) or Section 7(c), the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

8. NOTICES.

Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with Section 12.6 of the Securities Purchase Agreement. The Company shall provide the Holder with prompt written notice of all actions taken pursuant to this Warrant, including in reasonable detail a description of such action and the reason therefore. Without limiting the generality of the foregoing, the Company will give written notice to the Holder (i) immediately upon any adjustment of the Exercise Price, setting forth in reasonable detail, and certifying, the calculation of such adjustment and (ii) at least fifteen (15) days prior to the date on which the Company closes its books or takes a record (A) with respect to any dividend or distribution upon the shares of Common Stock, (B) with respect to any grants, issuances or sales of any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property to holders of shares of Common Stock or (C) for determining rights to vote with respect to any Fundamental Transaction, dissolution or liquidation, provided in each case that such information shall be made known to the public prior to or in conjunction with such notice being provided to the Holder.

9. AMENDMENT AND WAIVER.

Except as otherwise provided herein, the provisions of this Warrant may be amended and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company has obtained the written consent of the Holder; provided that no such action may increase the exercise price of any Warrant or decrease the number of shares or class of stock obtainable upon exercise of any Warrant without the written consent of the Holder. No such amendment shall be effective to the extent that it applies to less than all of the holders of the Warrants then outstanding.

10. GOVERNING LAW.

This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York.

11. CONSTRUCTION; HEADINGS.

This Warrant shall be deemed to be jointly drafted by the Company and all the Buyers and shall not be construed against any person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant.

12. DISPUTE RESOLUTION.

In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall submit the disputed determinations or arithmetic calculations via facsimile within two Business Days of receipt of the Exercise Notice giving rise to such dispute, as the case may be, to the Holder. If the Holder and the Company are unable to agree upon such determination or calculation of the Exercise Price or the Warrant Shares within three Business Days of such disputed determination or arithmetic calculation being submitted to the Holder, then the Company shall, within two Business Days submit via facsimile (a) the disputed determination of the Exercise Price to an independent, reputable investment bank selected by the Company and approved by the Holder (such approval not to be unreasonably withheld or delayed) or (b) the disputed arithmetic calculation of the Warrant Shares to the Company's independent, outside accountant. The Company shall cause at its expense the investment bank or the accountant, as the case may be, to perform the determinations or calculations and notify the Company and the Holder of the results no later than ten Business Days from the time it receives the disputed determinations or calculations. Such investment bank's or accountant's determination or calculation, as the case may be, shall be binding upon all parties absent demonstrable error.

13. REMEDIES, OTHER OBLIGATIONS, BREACHES AND INJUNCTIVE RELIEF.

The remedies provided in this Warrant shall be cumulative and in addition to all other remedies available under this Warrant and the other Transaction Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit the right of the Holder right to pursue actual damages for any failure by the Company to comply with the terms of this Warrant. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the holder of this Warrant shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

14. TRANSFER.
