Explanatory Note

This Amendment No. 4 (this “Amendment”) amends and restates the Schedule 13D filed on August 7, 2014, as amended on November 26, 2014, January 22, 2015, and July 6, 2015, by the Reporting Persons (as defined below) relating to the Common Stock (as defined below) of the Issuer (as defined below).

Item 1. Security and Issuer

This Schedule 13D relates to shares of the Common Stock, par value \$.01 per share (the “Common Stock”), of Solitron Devices, Inc. (the “Issuer” or “Solitron Devices”). The address of the issuer is 3301 Electronics Way, West Palm Beach, Florida, 33407.

Item 2. Identity and Background

(a) This Statement is filed by Tim Eriksen on behalf of Eriksen Capital Management LLC (“ECM”), a registered investment adviser with the State of Washington, and Cedar Creek Partners, LLC (“CCP”). ECM is the managing member of CCP, a private investment partnership, and investment advisor to separately managed accounts. Each of the foregoing is referred to as a “Reporting Person” and collectively as the “Reporting Persons.” By virtue of his position with ECM, Mr. Eriksen has the sole power to vote and dispose of the Issuer’s Shares owned by CCP.

(b) The principal business address of Mr. Eriksen, ECM and CCP is 567 Wildrose Circle, Lynden, WA 98264.

(c) The principal business of CCP is acquiring, holding and disposing of investments in various companies. The principal business of ECM is serving as the investment manager of CCP and separately managed accounts. The principal occupation of Mr. Eriksen is serving as the sole manager of ECM.

(d) No Reporting Person described herein has, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) None of the Reporting Parties described herein has, during the last five years, been party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violations with respect to such laws.

(f) Mr. Eriksen is a citizen of the United States. ECM and CCP are both Washington limited liability companies.

Item 3. Source and amount of Funds or Other Consideration

The Common Stock of the Issuer was acquired in open market purchases with working capital of CCP and the uncommitted cash of separately managed accounts (“SMA”). The amount of funds expended, excluding commissions, to acquire the shares held by CCP is \$557,233, for the SMAs is \$70,269 and for Mr. Eriksen is \$9,552.

CUSIP No. 834256208 13D Page 6 of 9

Item 4. Purpose of Transaction

ECM acquired shares of Solitron Devices because they believed and continue to believe that the Common Stock is significantly undervalued. We believe Solitron's stock price is undervalued due to its leadership, which needs to significantly improve its capital allocation, make better use of its NOL's, and transform its board of directors into one that represents shareholders.

On August 6, 2014, Eriksen Capital sent a letter to the Issuer expressing the view that the Company should solicit input from its large stockholders regarding the composition of the Board. In this letter, Eriksen Capital noted that Mr. Eriksen was interested in serving as a director.

On January 12, 2015, the Board unilaterally increased the size of the Board from three to five directors.

On January 22, 2015, Eriksen Capital sent a letter to the Board and issued a press release expressing its concern with the recent changes to the composition of the Board, and one director in particular. The letter detailed reasons why Eriksen Capital believes there is a both a board and management problem at the Company.

On May 20, 2015, CCP submitted a letter to the Issuer (the "Nomination Letter") nominating Mr. Eriksen and David W. Pointer (collectively, the "Nominees") for election to the Board of Directors of the Issuer (the "Board") at the 2015 Annual Meeting of Stockholders (the "2015 Annual Meeting"). In the Nomination Letter, CCP reserved the right to further nominate, substitute or add additional persons in the event that (a) the Issuer purports to increase the number of directorships; (b) the Issuer makes or announces any changes to its by-laws or takes or announces any other action that purports to have, or if consummated would purport to have, the effect of disqualifying any of the Nominees; or (c) any of the Nominees is unable or becomes unwilling for any reason to serve as a director of the Issuer. CCP also submitted stockholder proposals for consideration at 2015 Annual Meeting proposing (i) that the Board take all necessary steps (other than steps that must be taken by stockholders) to eliminate the classification of the Board and to require that all directors be elected on an annual basis and (ii) the repeal of each provision or amendment to the Issuer's by-laws adopted by the Board after April 22, 2013, which is the date of the last publicly available amendment to the Issuer's by-laws, without the approval of stockholders.

On June 30, 2015, the Reporting Persons filed a definitive proxy statement in connection with the solicitation of proxies at the 2015 Annual Meeting.

On August 7, 2015, the Issuer announced the election of the Nominees to the Board at the 2015 Annual Meeting. In addition, the Issuer announced that the two stockholder proposals submitted by CCP were approved.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth in this Schedule 13D or such as would occur upon completion of any of the actions discussed above. Each of the Reporting Persons intends to review its investment in the Issuer on a continuing basis and engage in discussions with other shareholders, and with management and the Board of the Issuer concerning the business, operations and future plans of the Issuer. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, each of the Reporting Persons may in the future take such actions with respect to its investment in the Issuer as it deems appropriate including, without limitation, making other proposals to the Issuer concerning changes to the capitalization, ownership structure or operations of the Issuer, purchasing additional Shares, selling some or all of its Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares or changing its intention with respect to any and all matters referred to in Item 4.
