**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On April 14, 2017, our board of directors approved (i) a one-for-ten reverse split of our outstanding common stock and (ii) a corresponding, proportional reduction in the number of our authorized shares of common stock, each to become effective pursuant to the filing of Articles of Amendment to our Articles of Incorporation.

On April 21, 2017, we filed, with the Secretary of State of the State of Washington, Articles of Amendment to our Articles of Incorporation (the “Charter Amendment”) to (i) effect the one-for-ten reverse split of our outstanding common stock and (ii) reduce the authorized number of shares of our common stock from 670,000,000 to 67,000,000 shares. The Charter Amendment will be effective at 5:00 p.m. Eastern Time on April 24, 2017 (the “Effective Time”).

The Charter Amendment provides that, at the Effective Time, (a) every ten shares of our issued and outstanding common stock will automatically be combined into one issued and outstanding share of common stock, without any change in par value per share, and (b) the number of authorized shares of common stock will be reduced to 67,000,000 shares. As a result of the reverse stock split, proportionate adjustments will be made to the per share exercise price and/or the number of shares issuable upon the exercise or vesting of all stock options and warrants issued by us and outstanding immediately prior to the Effective Time, which will result in a proportionate decrease in the number of shares of our common stock reserved for issuance upon exercise or vesting of such stock options and warrants, and, in the case of stock options and warrants, a proportionate increase in the exercise price of all such stock options and warrants. In addition, the number of shares authorized for future grant under our equity incentive/compensation plans immediately prior to the Effective Time will be reduced proportionately.

Our common stock will begin trading on the NYSE MKT on a split-adjusted basis when the market opens on April 25, 2017. The new CUSIP number for the Company’s common stock following the reverse stock split is 03211P 301.

The foregoing summary of the Charter Amendment is qualified in its entirety by reference to the Charter Amendment, which is attached to this Current Report on Form 8-K as Exhibit 3.1 and is incorporated herein by reference.
