ITEM 8.01 OTHER EVENTS.

As previously disclosed, on January 2, 2019, Celgene Corporation (“Celgene”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Bristol-Myers Squibb Company (“Bristol-Myers Squibb”) and Burgundy Merger Sub, Inc., a wholly owned subsidiary of Bristol-Myers Squibb (“Merger Sub”), pursuant to which Bristol-Myers Squibb has agreed to acquire Celgene.

On January 16, 2019, each of Celgene and Bristol-Myers Squibb filed its respective premerger notification and report with the U.S. Department of Justice (the “DOJ”) and the U.S. Federal Trade Commission (the “FTC”) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”), and Bristol-Myers Squibb voluntarily withdrew its premerger notification and report and then refiled its premerger notification and report on February 21, 2019.

On March 25, 2019, Bristol-Myers Squibb and Celgene each received a request for additional information and documentary material (the “Second Request”) from the FTC in connection with the FTC’s review of the transactions contemplated by the Merger Agreement. The parties understand that the FTC’s review is focused on marketed and pipeline products for the treatment of psoriasis.

Issuance of the Second Request extends the waiting period under the HSR Act until 30 days after both Bristol-Myers Squibb and Celgene have substantially complied with the Second Request, unless the waiting period is terminated earlier by the FTC. Bristol-Myers Squibb and Celgene will continue to cooperate with the FTC staff in its review of the transactions contemplated by the Merger Agreement.

Each of Bristol-Myers Squibb and Celgene continues to expect that the transaction will be completed in the third quarter of 2019.

Completion of the transaction remains subject to the adoption of the Merger Agreement by Celgene stockholders, the approval of the issuance of shares of Bristol-Myers Squibb as contemplated by the Merger Agreement by Bristol-Myers Squibb stockholders, the early termination or expiration of the waiting period under the HSR Act, and the satisfaction or waiver of the other closing conditions specified in the Merger Agreement. Bristol-Myers Squibb and Celgene have each scheduled a stockholder meeting on April 12, 2019 to seek the respective approvals of their stockholders.
