Item 1. Description of Registrant s Securities to be Registered

The securities to be registered hereby are the ordinary shares, nominal value Euro 0.02 per share (the Ordinary Shares), of ASML Holding N.V. (the Company). On March 28, 2007, the Supervisory Board and the General Meeting of Shareholders of the Company approved amendments to the Company s articles of association, primarily to take advantage of Dutch legislation which came into force on January 1, 2007, permitting the use of electronic communication to facilitate the participation of shareholders at shareholders meetings.

The amendments allow the Board of Management, subject to resolution of any legal and technical issues related to such usage, to permit the use of electronic communication, in connection with (i) requests by shareholders to include items on the agenda of a general meeting (ii) the convening of a general meeting; (iii) shareholder voting during the period prior to a shareholders meeting; and (iv) the ability of shareholders to attend a shareholders meeting electronically (i.e., by means of a webcast).

The amendments also make clear under what circumstances a second shareholders meeting may be called if an absolute majority of the votes cast at the general meeting of shareholders overrules the nomination of a candidate to the Supervisory Board but such majority does not represent at least one-third of the outstanding share capital, a new meeting can be convened in which meeting the nomination can be overruled by an absolute majority of the votes cast. The amendments also make clear that the agenda for the general meeting of shareholders shall include such items as one or more shareholders and others entitled to attend the meetings, representing at least one-hundredth of the issued share capital, or representing a value of at least EUR 50 million, have requested the Board of Management to include in the agenda at least sixty days before the day of the meeting rather than at least sixty days before the convocation . The shareholders approved these amendments to the articles of association on March 28, 2007. These amendments became effective on April 12, 2007. An unofficial English translation of the Amended and Restated Articles of Association, dated April 19, 2007, is set forth in Exhibit 1.1 hereto.
