**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.**

On December 17, 2008, the Board of Directors of Tasty Baking Company (the “Company”) terminated the 1997 Long Term Incentive Plan (the “Incentive Plan”) effective as of such date. No further awards may be granted under the Plan; however, this termination will not affect any awards of stock options or restricted stock previously granted under the Incentive Plan and such awards will continue in effect in accordance with their original terms.

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On December 17, 2008 (the “Effective Date”), the Board of Directors of the Company approved the adoption, effective as of such date, of Amended and Restated Bylaws of the Company (the “Amended Bylaws”). The Amended Bylaws supersede and replace the existing Amended and Restated Bylaws, as amended (the “Prior Bylaws”). The primary changes effected by the adoption of the Amended Bylaws are:

- To clarify the advanced notice requirements and procedures for director nominations and other business to be properly brought by a shareholder before an annual or special meeting of the shareholders (Article II, Section 2). The Amended Bylaws provide that the advance notice procedures in Article II are the exclusive means for a shareholder to make director nominations or submit other business before an annual or special meeting of the shareholders (other than shareholder proposals properly brought under Rule 14a-8 of the Securities Exchange Act of 1934, as amended).
  - To require a shareholder nominating a person for election as a director to include in such shareholder’s advance notice certain additional information about each such director nominee, including information related to such director nominee’s independence and ability to satisfy any publicly disclosed standards for Board membership (Article II, Section 2).
  - To require a shareholder nominating a person for election as a director or proposing other business to include in such shareholder’s advance notice certain additional information regarding the ownership interest of such shareholder, including any derivative positions held, any hedging or other transactions and any other economic and voting agreements or arrangements with respect to the Company’s securities (Article II, Section 2).
  - To clarify the right of the Board to specify the time and place for any special meeting of shareholders called by the Board (Article II, Section 3).
  - To clarify that notice of an adjourned meeting or the business to be transacted at such adjourned meeting is not required, other than by announcement at the adjourned meeting, unless a new record date for the adjourned meeting is established by the Board or the BCL requires notice of the business to be transacted and such notice has not previously been given (Article II, Section 7).
-

- To make certain other conforming changes to clarify the provisions of the Prior Bylaws, to conform to the current BCL, and to make certain other non-substantive revisions.

The foregoing description of the Amended Bylaws is qualified in its entirety by reference to the full text of the Amended Bylaws, a copy of which is attached hereto as Exhibit 3.1.
