Item 5.02 Departure of Directors or Certain Officers; Election of Directors, Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 17, 2011, the Board of Directors appointed Don A. Turkleson to fill the vacancy created by the resignation of one of our directors in June 2010. Mr. Turkleson has also been nominated for election at the annual meeting of shareholders to be held on March 11, 2011. The committees upon which Mr. Turkleson will serve have not yet been determined.

Mr. Turkleson has over 35 years of accounting and financial experience with emphasis in the oil and gas business. He is currently the Chief Financial Officer at Laurus Energy, Inc., a privately held company located in Houston, a position he has held since January 2010. Prior to joining Laurus Energy, he was Senior Vice President and CFO for Cheniere Energy, Inc. where he worked from 1997 to June 2009. During his 11 years at Cheniere, he oversaw the company's establishing an internal control environment compliant with Sarbanes-Oxley requirements and a financial reporting system for three publicly traded companies. As CFO, Mr. Turkleson helped lead Cheniere's completion of more than \$6 billion in financings and re-financings, including project financing for a \$1.5 billion Liquefied Natural Gas (LNG) receiving terminal, \$2.2 billion in publicly traded senior notes, term loans, convertible debt, and equity offerings including the IPO of a master limited partnership. Mr. Turkleson also served as Vice President Finance for PetroCorp Incorporated, an oil and gas exploration and production company where he worked from 1983 to 1996. At PetroCorp, he assisted in the negotiation for management of 700 oil and gas properties, the merger of \$50 million in properties for equity, the formation of joint ventures to acquire \$175 million in oil and gas properties, and the completion of the company's initial public offering. He began his career at Arthur Andersen & Co. in 1975 where he worked as a certified public accountant for eight years, principally with oil and gas industry clients. While at Arthur Andersen, he assisted in various client equity offerings, including the coordination of financial reporting for a \$600 million exchange offering initial public offering which combined over 200 limited partnerships. Mr. Turkleson received a Bachelor of Science in Accounting from Louisiana State University, and is a Certified Public Accountant. He also serves on the board of directors of the general partner of Cheniere Energy Partners, L.P., a publicly traded master limited partnership, and on the board of managers of privately-held Stone Horn Ridge LLC.
