The following constitutes Amendment No. 5 ( Amendment No. 5 ) to the Schedule 13D s filed by the undersigned on July 22, 2004, August 16, 2004, September 8, 2004, and December 30, 2004. This Amendment No. 5 amends the Schedule 13D as specifically set forth.

Item 4.

Purpose of Transaction

Item 4 is hereby replaced with the following:

The Filing Persons ( Ancora ) acquired shares to establish investment positions in the Issuer ( Stephan or the Company ). Subject to market conditions and other factors, Ancora may purchase additional shares, maintain their present ownership of shares or sell some or all of the shares.

We have been informed by Stephan's CEO, Frank Ferola, that Richard Barone has been elected to the Company's Board of Directors. While this is a positive first step towards improved corporate governance of the Issuer, we have made it clear that there are a number of additional steps that should be taken in order to move forward in a cooperative fashion. These steps include the nomination of two additional Board members recommended by Ancora for election at the upcoming annual meeting, and the renegotiation of certain employment agreements.

In our proxy filing in 2004 and in subsequent conversations, we requested that Mr. Ferola's salary be reduced to \$40,000 monthly as of January, 2005. In addition, we recommended that the next elected Board of Directors determine the formula for bonus and severance, thereby discarding the current golden parachute. Mr. Ferola has informally agreed to these terms and we will continue to support the same.

The following is information on Ancora's recommended Board members. We feel these individuals have relevant backgrounds and would add value by assisting management in growing the business and operational execution:

Elliot Ross (Age 59) Mr. Ross is co-founder of The MFL Group, a corporate consulting firm, since 2000. Prior to founding MFL, Mr. Ross was President and a Director of State Industrial Products, a leading manufacturer and distributor of specialty chemical and hardware products from 1999 to 2000. From 1995 to 1999 he was a Director and Chief Operating Officer of Essef Corporation, a manufacturer and supplier of composites and subsystems for the movement, storage and treatment of water for a variety of uses. From 1988 to 1995 he was Chief Executive Officer of Inverness Castings Group, an automotive supplier. He was previously head of McKinsey & Company's worldwide marketing practice for 15 years. Mr. Ross has authored articles in several journals, including the Harvard Business Review. He has also written, lectured, and consulted extensively on pricing and sales force management. Mr. Ross is a Director of Gevity HR, Inc. Mr. Ross holds a Master of Science (Engineering) from The Ohio State University and an M.B.A. from Case Western Reserve University.

David Pawl (Age 56) -- Mr. Pawl is a retired business executive since 2002. From 1997 until 2002, Mr. Pawl was the President of GE Quartz, Inc. (a division of GE Specialty Materials), a subsidiary of General Electric Company ( GE ). Mr. Pawl was made an Officer of GE in conjunction with being named President of GE Quartz in 1997. GE Quartz manufactures materials sold into the semiconductor equipment, fiber optics and lighting markets. In this role, Mr. Pawl was responsible for all sales, marketing and distribution operations of the business. The business employed approximately 1,000 people while reaching \$275 million of annual revenues at its peak in 2000. GE Quartz had four manufacturing facilities during Mr. Pawl's tenure, including three in Ohio and one in Germany. Prior to his role with GE Quartz, Mr. Pawl held numerous operational roles with GE beginning in 1976, including General Manager of Distribution Services for GE Lighting and General Manager of Global Sourcing for GE Lighting. Mr. Pawl holds a Bachelor of Science in Business Administration from State University of New York in Albany.

We feel that it is important for Stephan to have significant outside shareholder representation on the Board of Directors. Additionally, we believe a reconstituted Board of Directors would be in a better position to address the issues regarding senior management's compensation and golden parachute provisions.

Merlin Partners, LP, a private investment partnership managed by Ancora Advisors, LLC, reserves the right to re-file its preliminary proxy statement with an alternative slate to the current Board of Directors if the aforementioned steps are not taken.
