ITEM 4.02. Non Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Audit Review.

American Ammunition, Inc. is referred to herein as "we", "us", or "our".

On August 22, 2007, our management concluded that the financial statements included in our Forms 10-QSB for the calendar year 2006 and for the period ending March 31, 2007, and our Form 10-KSB for the period ending December 31, 2006, all of which have been previously filed with the Securities and Exchange Commission, need to be restated, due to the failure to include the beneficial conversion feature discount on unsecured convertible indebtedness.

When reviewing the foregoing Forms 10-QSB and Form 10-KSB, shareholders should consider that the reports are unreliable and that we will be filing amended reports.

We have discussed such changes with Pollard-Kelley Auditing Services, our independent registered public accounting firm as of June 26, 2007, who have concurred with management as to the reexamination of the above mentioned issues.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this Report to be signed on its behalf by the undersigned thereunto duly authorized.
